Rules Changed For Dumping Of Trash

The dumping of trash on the north side of the city dump is prohibited effective immediately, it was announced this week.

Efforts will be made to fill in the north side of the dump with dirt in an effort to improve its appearance.

Persons taking trash to the dump are asked to observe this new order.

V.F.W. Sponsors Unusual Play Monday Night

"Hell or Wheels", a three act comedy which is publicized as one of the most unusual stage productions in America, will be presented at the Charlevoix high school auditorium at 8 p. m. Monday under the sponsorship of the Charlevoix Veterans of Foreign Wars post No. 1153 headed by R. J. Nowland as post commander.

Hunters Prepared For 1956 Deer Season To Get Underway Today

The annual trek to the north woods for the deer hunting season got underway over the weekend as hunters crossed the straits to set up camp or moved to the eastern section of the lower peninsula in preparation for the opening of the season on Thursday.

Among those who left Sunday for the Ralph district in Dickinson county were Stuh Swanson, Bernie Ward Sr., Bernie Ward Jr., Eugene Teveloy, Bill Goss, and Irv Drost. They will be joined later by Larry Swanson. The group plans to return for Thanksgiving.

W. E. Goss and son, Tom, of Saranac plan to leave Wednesday to hunt in the Escanaba district.

The Glenn Roses left Monday for their estate in the Trout Lake district and the Glenn Pembertons have gone to Foster City.

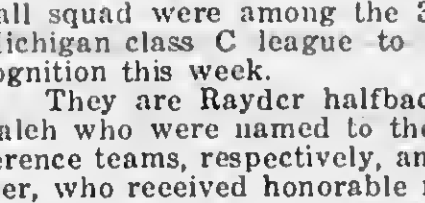

Frank Bird and his son, Douglas of Ann Arbor, Kit Carson, Ted Coblenz, Floyd Brown and H. G. Bud and Major Robinson of Traverse City have gone to their camp on the east branch of Two Heart river.

Mr. and Mrs. Guy Scott and men will be Charlevoix's own Edward Swanson have gone to homecoming queen, Judy Cunn- their camp near Ralph. Mrs. Ingham, who will play the role of Sally, the only girl in the show. Leaving Monday to hunt north-

Name All-Conference Football Team For '56

Three members of the 1956 Charlevoix Rayders football squad were among the 32 players in the Northern Michigan class C league to receive All-Conference recognition this week.

They are Rayder halfback Terry Davis and Kenny Baleh who were named to the first and second All-Conference teams, respectively, and Rayder tackle, Phil Timmer, who received honorable mention.

Players from Mancelona and Harbor Springs dominated the All-Conference choices this year with each of these teams placing three players on the coaches "dream team" while the new league champions, the Boyne City Ramblers, and Gaylord placed two players on the first team.

Winning berths on the All-Conference second team were three Pellston players, two each from Mancelona, Harbor Springs and Boyne City and one each from Gaylord, East Jordan and Charlevoix. A three-way tie for the end positions placed 12 men on this team.

Receiving honorable mention were players from Harbor Springs, Mancelona, Pellston, Boyne City, East Jordan and Charlevoix.

Grayling was the only team in the eight-team league whose players did not receive some recognition.

Named to the backfield of the All-Conference first team with Davis were Carl Charon, Boyne City junior fullback who was a member of the All-Conference team in 1955, Mike McKillop of Gaylord and John Phillips of Mancelona.

Flicked as All-Conference linemen were, ends, Dexter Bailey of Mancelona and Gerry Congleton of Harbor Springs; tackles, Ed Barden of Boyne City, a member of the 1955 All-Conference team, and Duane Hughey of Mancelona, who received honorable mention last season; guards, Harry Wolfe of Gaylord and Pete Graham of Harbor Springs and center, Don Leuer of Harbor Springs.

Chest Fund Is Still Short Of Campaign Goal

The 1956 Community Chest fund drive is within \$255.49 of the goal of \$7,650.00, William Fochtman, fund chairman, announced this week.

On Wednesday Mr. Fochtman reported that a total of \$7,399.51 had been contributed in the current drive. A few people remain to be contacted but the major contributions are now in. If you have not been contacted you are urged to make your contribution so the drive may be brought to a successful conclusion, Mr. Fochtman said.

Ten agencies will receive funds from the current drive. If these agencies are to receive adequate funds to carry on their work in our community, it is imperative that the Community Chest drive meets its goal, he said in his plea for additional funds.

Contribution to date include: \$1,704.50, industry; \$2,159.00, business; \$1,511.36, residential; \$1,247.50, summer residents; \$587.15, townships; \$132.00 school (this does not include those teachers who gave at their homes); \$58.00, organizations.

Contributions may be left at Lichermans or at the Charlevoix Oil Co. or mailed to Fran Martin, Charlevoix.

We're Sorry
The name of Fenton R. Bulow Charlevoix county clerk who polled 3,661 votes in the recent general election, was inadvertently omitted from the list of county officers who were returned to office in the recent general election.

Mr. Bulow, who was unopposed in the election, has served as county clerk since 1929 when he was appointed to the office to fill an unexpired term.

Work At McSaubia Winter Park Still Showing Progress

Work at the Mt. McSaubia winter recreation park is progressing, according to schedule, Dr. L. E. Grate, president of the Charlevoix-Mt. McSaubia Recreation Corp., announced this week.

Workers will be needed this weekend to move the engine for the tow to the top of the ski run. Cables will also be installed. Anyone having any time to give is asked to come out to the mountain this weekend.

"If we are to have the facilities ready for this season, we need help and need it now," Dr. Grate said.

The warming hut is shaping up. Doors have been installed and this week workers have been putting in windows. Work on the fireplace is expected to be completed this weekend.

Service Held For Gustaf S. Walgren At Bethany Church

Gustaf S. Walgren, 71, former Chicago resident who had lived here for the past 2 1/2 years, died late Thursday at the Charlevoix hospital where he had been a patient for one day.

Funeral services were held at the Bethany Lutheran church Monday with the Rev. Raymond Fagis of Petoskey officiating. Burial was in Brookside cemetery.

The Pontius Chapel was in charge of arrangements.

Born in Sweden Feb. 8, 1885, Mr. Walgren came to this country in 1909 and settled in Chicago where he was married to the former Rebecca Anderson in 1914. From 1922 until retiring several years ago, he was employed by the Loeb family, spending the summers in Charlevoix and the remainder of the year in Chicago. He and Mrs. Walgren came here 2 1/2 years ago to make their home at 301 W. Upright ave. He was a member of the Lutheran church.

Besides his wife, Rebecca, he is survived by one daughter, Mrs. Carlon Neff; three grandchildren; two brothers, Peter of Gardiner, Mass., and David of Sweden; and a sister, Mrs. Anna Malm of Sweden.

ODDS 'N' ENDS

By Fran Martin

It looked as tho' winter was here to stay over the weekend when that white stuff started coming down . . . but after a few hours the weather warmed up and that was it . . . with the nice sunset Sunday night it looked as tho' we're going to have some more Injun summer . . . The hunter's aren't happy about it . . . But by the time the season's over, who knows? . . . maybe they'll have to be hauled out of the woods, there's so much snow . . . It's possible, you know.

Was real surprised Saturday when Stanley Barker came in with clippings from his raspberry bushes . . . filled with raspberries . . . Seems someone bet him that he didn't have raspberries . . . He cut them and brought them along to prove his point and win his bet . . . And we ended up with the raspberries . . . as sweet and juicy as if they'd ripened in July.

The mild weather was also responsible for some beautiful tomatoes and a bouquet of flowers Forrest Brown brought us last week . . . The tomatoes were real, real tasty and certainly most appreciated this time of the year and the flowers, a variety of dahlias and zinnias, as colorful as could be . . . And one lone, red rose which lasted all week.

Some fellows we know have a job we wouldn't care for . . . After watching the Emerald Isle come in the other day when it was blowing like mad and old Lake Michigan was kicking up but good we decided we'd let Capt. Mark Cross and his crew have their job . . . It may be alright on a nice calm day in the middle of the summer . . . but this time of year, no thanks . . . It's for the birds . . . or should we say the fishes?

Last Tuesday was quite a day for the George Meggisons for it marked the arrival of their fourth great-grandchild this year . . . Can you imagine that many in a little more than 10 months . . . No wonder it over-shadowed the election, as far as they were concerned . . .

And speaking of the election, how did you like it? . . . It seems that it pleased most people 'cause if you were a Republican, the top man came out ahead . . . and if you weren't well, there was Governor Williams . . . So we thing most people were pleased . . . one way or another . . .

Have you been out Mt. McSaubwa recently? If you haven't been then you'd better take a look see . . . for the warm-

New O. E. S. Officers Assume Duties At Public Installation Ceremonies

Mrs. Alfred Gill was installed as worthy matron and Ralph Burnett as worthy patron of the Charlevoix chapter No. 72, Order of the Eastern Star, at an impressive installation ceremony held at the Masonic Temple Saturday evening.

Mrs. Charles Bellinger as installing officer, assisted by Mrs. Harry Gebeau as marshal, Mrs. Russell Curtis as chaplain and Mr. Leonard Burns as organist, officiated at the ceremony during which all elective and appointive officers were installed.

Mrs. LaVerne Heise, retiring matron, welcomed the guests and introduced Mrs. Martha Rockwell of Harbor Springs, grand Martha Grant E. Born of Petoskey, past grand patron; Mrs. Catherine Tippey, worthy matron and Don Herrington, worthy patron, of the Petoskey chapter; Mr. and Mrs. John Kirby of Boyne City, worthy patron and matron respectively, of the Boyne City chapter; Mrs. Minnie DesJardines, worthy patron of a Detroit chapter.

During the installation ceremony, Mrs. Gill was escorted to

the East by her husband, passing under an arch of red and white carnations held by her daughter, Sue Gill, and her friends who wore bouffant gowns in pastel colors. They were Shirley Perron, Suzanne Grate, Clarice Gregory, Nancy Wallace, Joyce Nielson, Judy Cunningham, Pat Bulow, Marilyn Neff and Carrie Duerr. Colleen puffpuff and Bobbie Donaldson, grandchildren of the matron then gathered the carnations and presented them to their grandmother.

The girls sang "I Believe" and "You'll never Walk Alone", accompanied by Mrs. Burns.

Mrs. Gebeau presented the Past Matron's pin to Mrs. Heise at the close of the installation ceremony. She also read an original poem written by Mrs. Lila Arvilla.

Gifts were presented to the retiring officer by Mrs. Glenn Ingalls and the new worthy matron and worthy patron were presented with a number of gifts.

The ceremony closed with the singing of the "Lord's Prayer" by Mrs. Chester Belfy, accompanied by Mrs. Brandley Stanton.

How Do You Ever Read Some Prescriptions?

The hieroglyphics on a prescription may be "Greek" to the public, but to us, they are precise instructions set down in medical Latin—the unchangeable language of the profession. Our knowledge of the language and symbols of Medicine and Pharmacy plus our familiarity with the handwriting of the physicians in the community, enable us to read prescriptions perfectly and promptly translate them into healing medicines. Whenever a question of intent arises, we check with the physician for the correct interpretation of the instruction.

Past Noble Grand Club Will Hold Christmas Party

Plans for a Christmas party to be held at the home of Mrs. Leroy Allen's Dec. 10 were made at the regular meeting of the Past Noble Grand club Thursday.

The meeting followed a pot-luck supper at the home of Mrs. Raymond Seymour. Mrs. Earl Blood presided at the business session and Mrs. Luther Hannah gave the devotion. The group voted to send a Christmas gift to one of their members, Mrs. Mary Hamilton who is at the I. O. O. F. Rebekah home at Jackson; to make a \$5.00 contribution to the home and to make dish towels for use at the I. O. O. F. hall here.

Mrs. Floyd Ikens, Mrs. Leroy Allen and Mrs. W. E. Goss were named to a committee to plan the Christmas party. The "gypsy" was furnished by Mrs. Blood and won by Mrs. Bertha Gordon. Prizes for games played at the social hour were won by Mrs. Hannah, Mrs. Blood, Mrs. Ikens, Mrs. Fred Southwood, Mrs. Gordon and Mrs. Goss. Other members present were Mrs. E. E. Stroud, Mrs. George Cook, Mrs. Robert Mitchell, Mrs. Fred Gill, Mrs. Allen and Mrs. Seymour.

The man of few words doesn't have to take so many back.

Colleen Puffpaff Celebrates Second Birthday At Party

Colleen Puffpaff celebrated her second birthday at a party given Thursday by her mother, Mrs. Fritz Puffpaff.

Little guests gathered for games and refreshments served at a table centered with a lighted birthday cake and decorated with favors.

Attending with their mothers were Bobbie, Rockie and Susie Donaldson and their mother, Mrs. Richard Donaldson, Norma Jean Cunningham and her mother, Mrs. Ronald Cunningham, Kirk and Kevin Hardy and their mother, Mrs. David Hardy, and Gary, Jeff and Clay Olmstead and their mother, Mrs. Franklin Olmstead. Colleen's grandmother, Mrs. Alfred Gill and her great-grandmother, Mrs. Fred Gill, were also present.

Girl Scout News

Brownie Scout troop 2 opened their meeting with the Brownie promise and a song. Our leader read us the Brownie story. We played games and closed with our Brownie circle.

when they moved to Lansing. In 1936 they moved to Portland, coming back to Ellsworth in 1953. Mr. Denny was born in Kalkaska, April 12, 1879 and came with his parents David and Evelyn Alin Denny to reside here in 1900. He served as a hunting and fishing guide for some time.

Mrs. Denny, the former Kate Stephan, was born at Drenthe, Mich., the daughter of John and Harriet VanEsen Stephan and came to Ellsworth with her parents when she was five years old.

Mr. and Mrs. Denny have five sons, Harry and David of Ellsworth and John of Lansing and Ernest and Fred of Portland, also seven grandchildren and two great grandchildren.

Ebenezer P. T. A.

A good discussion, led by principal Dan Bratt on the pros and cons of the report card system, was a feature of the program at the Ebenezer P. T. A. meeting, held Monday evening, Nov. 12 at the Ellsworth Christian Reformed church.

A reading by Mrs. George Jake Drenth and musical numbers including a piano solo by Jay Kuiper; a vocal solo by Allie Klooster and a vocal duet by Mrs. Allen Klooster and Miss Alice Veldkamp completed the program.

Banks P. T. A.

The November meeting of Banks township P. T. A. will be held next Tuesday evening, November 20 at the school at 8:15.

Fire Dept. Makes Two Runs

The Ellsworth-Banks township volunteer firemen made two runs last week, one Tuesday evening to the former St. Doctors farm near Bentley Hill where the Otto Carroll family now live and to the Pebbles farm near Bentley Hill Thursday evening. Neither proved serious—an old shed burned near the Carroll home—and passers by reported the blaze in the swamp on the Pebbles farm which was a dump fire, under control so that the department was not needed on arrival. Dry weather conditions were considered in making both calls.

Cub Scout Den Formed

The initial meeting of a local Cub Scout Den was held Saturday afternoon at the Grant Hastings home. Mrs. Sheldon Mills and Mrs. Hastings are serving as den mothers for the present.

The study for the month on Puerto Rico was made more vivid to the boys and the adults present, when John Campau, who is home on leave from Puerto Rico, showed colored slides of the island depicting the natural make-up, the industries, educational facilities and other interesting and informative data on the people and the island.

It is hoped that a local pack can be formed by the first of next March, when the official Scout year begins. It is a wonderful program for your 8-11 year old boys.

ELLSWORTH LOCALS

Mr. and Mrs. Arthur Wynsma of Grand Rapids visited Arthur's parents, Mr. and Mrs. Egbert Wynsma this past weekend. Callers Thursday in the Wynsma home were Mrs. Bert Veenstra and Mrs. Wesley Veenstra of

Atwood. Monday of this week, Mrs. Wynsma's brother and sister-in-law, Mr. and Mrs. Henry Koenig of Grand Rapids visited in the Wynsma home.

Eighteen residents motored to McEam last Friday evening to see the play "A Man Called Peter," presented by members of the Northern Christian high school circle of McEam.

Mr. and Mrs. Walter Kass of Grand Rapids visited in Ellsworth and Atwood during the weekend. Mrs. Kass is a granddaughter of Mrs. Mattie Bratt of Ellsworth.

Miss Gwendolyn Donaldson, who has been employed in Grand came this weekend for a two week's stay at home.

Mr. Preston Caswell of Tecumseh was a dinner guest Monday in Levi Donaldson home. He was enroute to the upper Peninsula on a hunting trip.

Rev. Cecil Scott and Mrs. Scott of East Jordan were Sunday supper guests of Mr. and Mrs. David

Matchett and daughter Yvonne. Mr. and Mrs. Del Clow left last Thursday to spend the winter months in Winter Haven, Fla. They visited briefly in Detroit, enroute.

Mrs. Myrtle Zylstra left November 1 to spend the winter in St. Petersburg, Fla. She accompanied Mr. and Mrs. Peter Baker of East Jordan.

Mrs. Keith Blake of Mt. Clemens visited Mr. and Mrs. Charles Edson from Tuesday until Thursday of last week. On her return, she was accompanied by Mrs. Edson, who planned to visit a week in southern Michigan cities.

Mrs. Gene Nachazel (nee Karen Johnstone) left Monday for her home near San Diego, California after a visit with home folks. She accompanied Mr. and Mrs. Jim Blaha (nee Janette Yettaw) and baby who are establishing residence near San Diego.

If you find life is empty, try putting something into it.

Mrs. J. Gallagher Honored At Shower

Mrs. James Gallagher was guest of honor at a surprise pink and blue shower given Monday evening at the home of Mrs. Thomas Cary by Mrs. Carey and Mrs. S. E. Coleman.

Guests enjoyed an evening of games followed by refreshments. The honoree was presented with many lovely gifts.

Birthday Party Sally Wales Given

Sally Wales celebrated her eighth birthday anniversary at a supper given Saturday evening by her mother, Mrs. Don Wales. The little guests then attended the movie.

Seated around the table which was centered with a lighted birthday cake were Marcee Wallace, Susan Staley, Linda Hamilton, Patty Penn, Leandra Bruhl, Pamela Miller, Susan Freedman and Doris Vandenberg.

It Happened on . . . Beaver Island

By Loy Malloy

With the opening of the deer hunting season just around the corner as I write this news, a few hunters are beginning to come to the Island. Some who have arrived are: Mr. and Mrs. Bill Wielke Sr., Mr. and Mrs. LaDones Wielke, Mr. and Mrs. Steve Isabelle, Mr. and Mrs. Marks and the Olsen brothers from South Haven.

Jim Martin spent a few days on the Island during the past week visiting his mother, Mrs. Mary Martin.

Dale Thomas is spending some time on the Island.

Born to Mr. and Mrs. Ray Cull in Bay City, a baby girl on Saturday, Nov. 10. The Culls moved to Bay City about a month ago.

Erl Boyle returned to the Island Saturday after being gone for the past few months.

Last report on Mrs. Art Johnston—She is improving slowly.

Sunday evening a gathering of the Island residents with Dr. and Mrs. Frank Luton and daughter was held in the Parish Hall, sponsored by the Activity Committee of the Civic Assn.

Mrs. Matt Melville is visiting in Charlevoix with her son-in-law and daughter, Mr. and Mrs. Ted Wojan and family.

Mr. and Mrs. Mike Cull left Monday for Bay City where they expect to visit awhile before going to Chicago and Grand Rapids to spend the winter.

Mr. and Mrs. Russell Hoffman spent the weekend at their cottage here.

Tuesday evening the Holy Name Society held its monthly meeting in the parish hall.

Why Study Nature?

If I were to list my life's greatest, most indispensable resources, they would be God, family, friends, nature, and books. Almost any place in America one could enjoy the other four of these resources, but only in the country, apart from town, can one rejoice in the maximum benefits from nature. Too much of our world is man-made or man-altered. In the country, life is less changed, more nearly prime, nearer to its Originator.

For this reason we live at what we have christened Wide Sky Harbor, just outside of Charlevoix, where early in the morning deer visit our beach, at midday ruffed grouse run across our twisting trail, at even-tide herring gulls call from off-shore spillings, and at midnight raccoons rattle our garbage can.

But why should a person crave to be close to nature and make a life-long study of creation? Why this complete fascination and utter absorption in nature's doings?

- I myself am a part of nature and so is each of my fellowmen. It is in nature that we have our roots, the chemistry of our bodies being composed of the same elements as make up the most distant stars, the meadow mouse that flees from our path, and the luna moth that flutters at our lighted window. In common with all other living creatures we must eat and rest and grow and reproduce. We are a part of all we see in nature and we cannot understand ourselves without some profound appreciation of the nature of which we are a part.

- The study of nature restores one's perspective and helps adjust one's scale of values. We see what is transient against the background of things more lasting, our changing moods and fleeting problems against a backdrop of venerable hills and ageless stars. Afield one witnesses the elemental realities on which life depends and with which man must cooperate if he is to survive, the marked need of cooperation because of our interdependence with all other forms of life, the place and importance of rest, the constant need for resources beyond ourselves, and intake equaling our expenditures. We see first principles in the rawness of nature that we are unlikely to observe anywhere else.

- Man's greatness and uniqueness depends in part upon his appreciation of beauty. Whether sea gulls enjoy the beauty of the sunset against which they are silhouetted or deer delight in the soft splendor of the moonlight in which they browse, we cannot know. But they do not cultivate and deepen a love of beauty by purposeful and sustained effort. Man can and does, and he accomplishes this cultivation best in exposing himself to nature's primal loveliness.

- The natural realm extends a perpetual invitation to the mind to grow, to know more than it has ever known before, to be humble since it can never know every-

thing about anything, to be amazed since in every experience in nature we find occurrences that defy explanation.

- Nature study is an effective antidote against two of man's destructive enemies, boredom and hate. In nature there is always something new lying just ahead, unexplored, interesting, and inviting. In nature all is novelty. Nature's pace is slower than our own mad rush. When we make vital connections with creation and gear ourselves into the universe, we slow down to a decent pace and lose our feverish frenzy.

- A continual investigation of nature beyond childhood and into maturity keeps the mind youthful, retaining the curious, investigative spirit of childhood into adulthood and old age.

- Nature study is a source of happiness, drawing the observer out of pre-occupation with self and the problems of his own existence. It serves a similar purpose to that of an exciting game, a great work of art, an act of worship or of patriotism, or a good deed for others. It is a wholesome distraction, bringing to a person the sense of other things that matter besides self.

- All creation is a revelation of what God is like and what God is doing and how God works. The study of God's handiwork tells us something of His character just as an analysis of a carpenter's work, an artist's painting, or a musician's composition reveals something of the nature of the work's creator. The history of religion indicates that for the most part God has been known, not separately and apart from his works, but through objects which manifest something of His nature. Early man sought to worship the Supreme Being revealed in stars and sun and moon, in fertility of crops, in spirits of trees and ancestors, in tribal or national heroes, and in seers and prophets. Man has felt God mediated to him through nature and through his fellowman. The Christian faith does not deny this indirect approach to God, although it declares that a more direct access is also available and desirable. The Founder of our faith illustrated how nature reveals God to the discerning eye and reflective mind.

- Jesus saw the same objects the scribes and pharisees saw. But to Jesus they were not mere objects. They were manifestations of eternal truth. Lilies were more than lilies. They were spokesmen of Providence demonstrating the way the Creator clothes even the earth's lowly vegetation. Sparrows were not only birds. In addition, they were witnesses to God's concern for the individual, not one falling without the Heavenly Father's knowing and caring.

- Nature is not God anymore than an artist's drawing is the artist. But in every realm the creation tells something about the Creator. Because that is true of

Epsilon Pi Club Has Taffy Pull

Plans for a taffy pull were made at the regular meeting of Epsilon Pi held Sunday evening at Christ Episcopal church.

The taffy pull will be held at 7 p. m. Sunday at the dining room of Christ Episcopal church. The party will be open to members in good standing and to others who wish to become members.

It was further decided to have one business meeting a month at which activities for the coming month will be planned.

A member has to attend at least eight of these business sessions to be considered in good standing.

The next business meeting is scheduled for 7 p. m. Dec. 1. Everyone in the ninth through the twelfth grades is eligible to join the organization.

nature. I find study of the world around me an experience of religious revelation.

Because amidst nature's abundance my senses are greeted by the sights, the sounds, and the fragrances that remind me most of God and life's elements, and because the country is crammed with beauty and glory and wonder, I go to it for peace, for strength, for revelation and inspiration.

Early Knotted Rope Time Indicator Revolutionized To Precision Clock

It takes a shockproof, water-proof, antimagnetic watch to keep the wheels of modern civilization going. Time was when a knotted rope did just as well.

Certain primitive tribes, who never split a second, carried the practice of dividing time by knots into the 20th century, the National Geographic Society says. On planning a party, a Guiana Indian chief sent identical strands to the coterie. Each guest untied one knot every morning. And when he worked past the last one, it was time to honor the invitation.

Debtors and creditors used the same twist. Should the day of reckoning come too fast, the debtor might wheedle a new cord or get leave to retie a few knots in the old one.

1956

Since the dawn of society, every civilization has been preoccupied with finding a better way to tell time.

Cave man no doubt watched the movements of sun, moon, and stars. He gauged short spans of time by the shadows of trees and cliffs. It occurred to him one day that he could cause a neater, sharper shadow by setting up a pole in a clearing, with a stone or stones to measure the march of the image. L'epso facto, the first crude sundial.

The sundial's shortcomings are apparent, especially on dark days. Nonetheless, it has served man long and well. The science of dialing was taught in British schools as late as the 17th century. It is possible to buy a modern sundial with a swiveling base, adjustable to daylight or standard time.

Many thousands of years ago, an early hydraulics expert figured out a means of calculating time without sunlight. Of unknown nationality, perhaps Chinese, the genius came up with the water clock or clepsydra — "chief of water." In its simplest form the clepsydra is a bottle-necked vessel that gradually loses water through a tiny hole in the bottom. The water clock reached its peak of usefulness in the golden age of Greek and Roman oratory. Some speakers were suspected of putting muddy, sluggish water into their clepsydras to steal a bit more time.

In time clever mechanics added wheels, dials, and ingenious gadgets to the clepsydra. One of the most famous was given to Charlemagne by the Shah of Persia. This gold-inlaid water clock featured 12 doors that opened in sequence and remained ajar to mark the hours visually. At 12 o'clock, miniature horsemen popped out to close all the doors.

Throughout its long service, the clepsydra had distinct disadvantages. Water freezes and evaporates. The clock was expensive and bulky.

Sand was the answer. Origin of the handy, portable, nonfreezing sandglass is lost in time, but it may have been used in Alexandria at least 2½ centuries be-

Thodesons' Attend S. S. Convention

The Rev. and Mrs. T. B. Thodeson are in Lansing this week to attend the Assembly of God Sunday school convention at the First Assembly of God church there.

They will give a report on the convention Sunday and will endeavor to implement some of the ideas and techniques at the Worker's Conference next week.

Ted Louiselle will speak at the morning worship service.

bove the Christian Era. The hour-glass inspired a mode of dress in later years, and became a symbol of life in Father Time's hand.

Fire has always been a convenient timekeeper. Chinese and Japanese burned knotted ropes. Alfred the Great regulated his activities with banded, timekeeping candles. In recent times Dutch and German farmers used lamp clocks with calibrated-glass oil vessels.

Invention of the truly mechanical clock is generally credited to the 10th-century monk Gerbert. Nowadays people everywhere depend more and more on it, and less on the old devices or natural phenomena.

"It is past the time of the cock crow" may be a delightfully poetic phrase, but it hardly helps the harassed commuter catch the 7:02.

From where I sit... by Joe Marsh

There'll Always Be An "Expert"

Drove out to see how they're getting along with the new super-highway that's going to pass through town.

While I was there a fussy little guy—a spectator, like me—came up to the foreman on the job and started making all sorts of suggestions: "Shouldn't it go a little farther left there?... Why don't you bank the curves more?... Those ditches are awful close"... and so, on and on.

The foreman took it as long as he could, then asked politely, "How does she look for length?"

From where I sit, free advice is called "free" because it's usually not worth much. That little fellow was typical of the kind of "expert" who can't resist getting in digs—about how you work, what you wear, why you happen to prefer a glass of beer with your supper. People like that don't mean to be troublemakers... but the road to real intolerance is paved with their good intentions.

Brilliantly new in Beauty... Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present to the motoring public.

This is Cadillac for 1957—entirely new in design and engineering... and bringing to the world's highways a wholly new standard of motor car quality and excellence.

Cadillac's renowned stylists have created a new Cadillac beauty... majestically graceful of line... wonderfully exciting in spirit... and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors... with gorgeous new fabrics and leathers... with new colors and patterns... and with marvelous new appointments on every hand.

And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance... with two great new engines... with an even smoother, more responsive Hydra-Matic Drive... with greatly improved power steering and power braking... with a

revolutionary new frame design... and with a host of other vital engineering advancements.

These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breath-taking Eldorado series. Each is a Cadillac masterpiece... a brilliant tribute to the men who design and build the Standard of the World.

We invite you to see... to inspect... and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.

NOTICE OF HEARING
ON VACATING PART
OF STREET

NOTICE IS HEREBY GIVEN of a meeting of the Common Council of the City of Charlevoix, Michigan, to be held at the time and place for the purpose set forth in the following Resolution which was duly adopted by the said Common Council at its meeting held on November 9, 1956.

WHEREAS a petition has been filed with the City Clerk signed by Robert Schleman, the owner of all of the property abutting upon and of the fee title to, that part of Antrim Street hereinafter described, requesting the Common Council to discontinue and vacate that certain part of the Street in the City of Charlevoix, Charlevoix County, Michigan, known and described as follows:

"All that part of Antrim Street lying East of the West line, projected North to Round Lake, of Lot six (6) of Block nineteen (19) of William C. Newman's Addition to the City of Charlevoix, according to the recorded plat thereof."

AND WHEREAS said part of said Street is not improved, forms a dead end for only part of its width upon the land of said Robert Schleman, and is not suitable for use as a Street by the public, and should be vacated in order to allow the said Robert Schleman the full use and development of his said land;

THEREFORE BE IT RESOLVED by the Common Council of the City of Charlevoix, Michigan, that it deems it expedient and advisable and a public improvement to vacate, discontinue and abolish the aforesaid part of said Street, and

BE IT FURTHER RESOLVED that a regular meeting of the Common Council of the City of Charlevoix to be held in the Council Room in the City hall on Monday, December 10, 1956, at 8:00 p. m. (Eastern Standard Time), be and the same is hereby appointed as the time to hear any and all objections to the vacating, discontinuing and abolishing said Street and that the Clerk publish notice of said meeting containing a copy of this Resolution for four successive weeks in the Charlevoix Courier commencing with the issue of November 15, 1956.

Governor Proclaims Retarded Children's Week Is Nov. 11-22

The week of Nov. 11 through 22 has been proclaimed Retarded Children's week in Michigan by Gov. G. Mennen Williams.

In his proclamation Gov. Williams said that, in recent years, Michigan people have become acutely aware of the existence of a large number of unfortunate children, who, through no fault of their own, are unable to compete with other children in terms of mental ability. Fortunately, we have also become aware of the fact that the mentally retarded are not beyond help.

In proclaiming Nov. 11 through 22 Retarded Children's week, Gov. Williams called upon the people of the state to give all possible moral and financial support to this program of education, research and improvement of facilities and services for those mentally handicapped by retardation.

The Charlevoix Association to Aid Retarded Children conduct a school for the retarded children of the area. Five children are presently enrolled in the school at 305 Petoskey ave. Mrs. Arthur Stool is the teacher. The school is a Community Chest agency.

Name Steve Rabb New Dealer For Evinrude Motors

Steve Rabb of R3, has been awarded a dealer franchise for Evinrude Motors of Milwaukee, Wis., it was announced this week.

The franchise assured outboard boating enthusiasts in the Charlevoix area factory-authorized service for their motors, Mr. Rabb said.

This year's line of Evinrude motors incorporates a model for every type of power requirement. There are now nine motors ranging from three to 35 horsepower.

A newly-designed internal pulley eases starting of all manual starting motors. Other new innovations ease starting of the larger motors and cut fuel consumption up to 20 per cent when the motors are operated at low speeds.

V.F.W. Sponsors Unusual Play

(Continued from page 1)
Have you ever wondered how you would feel if suddenly you found your self confined to a hospital and a wheel chair?

"Hell on Wheels" tells the story of how three young men faced the crisis, laughed themselves out of the doldrums and got themselves into a bushel of trouble.

William Supernaw and Perry Smith were named by Mr. Nowland to head the ticket committee; Richard Edwards is in charge of advertising and Dr. Walter Hoffman will be master of ceremonies and will arrange for pre-play and between the acts entertainment.

School children under 12 years will be admitted free if accompanied by an adult. Tickets for adults and students may be purchased from members or at the door.

Correction

Ralph Medsker, brother of the late Herman Medsker whose obituary appeared recently in the Charlevoix Courier, has requested a correction and addition to the information given this newspaper by members of the family who reside here.

Mr. Medsker is from Berwyn instead of Chicago, Ill. The late Mr. Medsker is also survived by two nieces, Mrs. Betty Paupa and Mrs. Ann Johnson, both of Berwyn, who were not mentioned in the original story.

Announce Change In December Draft

Clyde F. Fowler of Charlevoix will replace Edward W. Moyer of Boyne City on the list of Charlevoix county registrants who will leave Dec. 3 for induction into the armed services to fill the county's draft quota for December.

Meyer was removed from the list when it was found that he was married and had two children. He had never notified the draft board of his change of status and so was still classified A-1.

Others who will leave at the same time are William C. Goss of Charlevoix, William G. McDonough of St. James, Gary W. Farmer of East Jordan and Kenneth H. Gerrie of Boyne City.

All draft registrants are advised to notify the draft board if they marry and if they become fathers so their draft status may be changed. Otherwise, they remain in 1-A classification.

Area Turkeys Ready For Holiday Market

(Continued from page 1)
ers tell us that the market is flooded with turkeys and that is the reason they can't give us more for our birds. We'd like to know where they are for we have not found too many growers."

This year the John Barkdolls north of Charlevoix are the largest growers with a flock of 3,200 bronze birds. Only 456 birds were kept for breeding purposes and the remainder will be shipped to processors at Lake City. This year's total was 700 more than in 1955.

Hiram Brock, whose farm is located near East Jordan, raised fewer turkeys this year, dropping from 3,600 in 1955 to 2,500 bronze and Beltsville whites this year. He will keep less than 100 birds as breeding flock and market the remainder. Some have already sold at Rochester and Hemlock but the major part of the flock will be sold to retailers in northern Michigan.

Rowley Williams doubled the size of his flock of Oregon bronze birds this year which he plans to market for Christmas. He will keep a breeding flock of 400 birds from his flock of 2,000 and sell the remainder live weight at Hemlock and oven-dressed locally.

Addison Chew with 1,950 birds has saved between 780 and 790 as a breeding flock and has disposed of the remainder at the processing plant at Hemlock. The size of his large breeding flock has necessitated the construction of a 54 by 80 ft. building to house the birds during the laying season. Construction of the structure is now underway.

Sanford Matchett, who raises both bronze and white birds, will market his birds during both major holiday seasons. He will keep 300 of his 1,000 birds as breeders and market the remainder locally. Last year his flock numbered only 800 birds.

Albert Carlson has 875 birds, the same as last year, which he will market for Thanksgiving and Christmas in Detroit and Hemlock.

John L. Boss, who last year raised 2,300 birds, this year has a flock of only 700 bronze turkeys, which he plans to market in southern Michigan.

Jolmar Rombach, who lives near East Jordan, will market most of his 700 turkeys this week, keeping a small breeding flock of 150 birds.

Lawrence E. Boss increased his flock from 400 last season to 500 Michigan whites this year. He plans to sell the birds on both holiday markets, selling them oven-dressed here and in Detroit.

In Memoriam

City Band To Begin Rehearsals Monday

The Charlevoix city band will rehearse on Monday, Nov. 19, because of the Thanksgiving holiday, C. A. Odmark, band director, has announced.

The change to Monday night is for one week only with the band returning to its regular Wednesday night rehearsal after next week.

• Mrs. Robert A. Paul left Wednesday for southern Michigan where she will visit briefly before leaving for San Francisco from where she will sail Nov. 30 on a world cruise aboard the President Monroe. She will join the Stephen Chamberlains of Sequonota for the cruise which will return them to New York in March.

Basketball Teams Begin Practice

(Continued from page 1)

Keith Riddle, Gerry Brandenburg, Dale Kreger and Eric Anderson.

Only returnees from last year's Northern Michigan Class C championship team are Carl Charon and John Juday of Boyne City. Coach Paul Pfahler will call on lettermen Gary Coon, Ed Barden, Mike Bean and Bill Nulph to fill out the squad and will depend on juniors up from the reserves for height Steve Williams, who is 6 ft. 4½ in. and Rick Casper at 6 ft. 2½ in. will add much to the Ramblers squad. Others who will be called on include Doug Newville, Bob Christiansen, Pat Bryan, Jerry Green, a transfer from East Jordan, and Jim Camburn.

At Grayling, Coach Bruce

Smith has two valuable regulars in Bob Stout, 6 ft. 5 in. center and chief scorer for the Vikings last season, and guard Dave Lowe who is also a scoring threat.

Lettermen returning include Bill Martin, Aubrey Welch, and Tony Doemler, all seniors. He is expected to count heavily on two players up from the reserves, Joe Lowe and Don Roberts, both juniors.

Coach John Toth at Pellston did not start practice until this week. He has only one regular from last year's squad, Pat Cahlinaw. His returning lettermen include Ray Bonter, Harry Ball, Bill Ford and Allen Ball.

At Charlevoix Coach Don Carey finds himself in the position of rebuilding a ball club around one regular and four lettermen, all seniors.

Kenny Balch is the only returning regular. Lettermen include Terry Davis, Norm Helms, Joel

Arvilla and Phil Timmer. He has brought up from the reserves, juniors, Stan Harwood, Larry Smith, Dale Putman, Cliff Pierce, Glenn Bearss, Bob Mol and Larry Ingalls.

Class C Cagers Go Into Action Friday, Nov. 30

The Northern Michigan Class C basketball season will officially open next week when Harbor Springs entertains Gaylord, Pellston plays at East Jordan, Grayling hosts Boyne City and Charlevoix meets Mancelona on the local hardwoods on Friday, Nov. 30.

However, Boyne City and Gaylord will play pre-season games during the next week with the Ramblers journeying to Petoskey to play the Petoskey Northmen Friday of this week and Gaylord playing at Cheboygan Tuesday.

Coach Paul Pfahler has named the following tentative line-up for the opening game on Friday: Carl Charon and John Juday, returning regulars, at the forward positions; Steve Williams, a 6 ft. 4 in., junior up from the Reserves, center and Doug Newville and Rick Casper, guards. Letterman Gary Coon, and Pat Bryan, guards and Rob Christiansen a forward may also see action.

At Cheboygan Tuesday Coach Jim Mongeau of Gaylord will probably start Mike McKillop and Darwin Mason, returning regulars who are the tallest players on the squad at 6 ft. at the forward positions; Harry Wolfe, center; Lonnie Campbell, a regular, and Dale Kreger or Keith Riddle, in the guard spots. Duane Jenkins and Gary Brandenberg, two newcomers, may also play.

Clifford Short Is 'Contender' With 200 Pound Buck

Clifford Short of Hayes township, reported a 12-point 200 pound buck shot Sunday in Hayes township. Other hunters who saw it report it is one of the finest deer they have seen in years.

Eugene Drost is another hunter who filled his license opening day. Clarence Heise, Charlevoix chief of police, brought home a 150 pound buck shot while hunting near Rogers City. Max Schamhorn, hunting with the same party, also filled his license. Others in the party are Mike Humlin, Charles Heise, James Krulik, Capt. Alfred Brow and Don McGee.

In a party hunting in the Vanderbilt district is the Bergmann family, Fred Bergmann, sons, George, Big, Bob, Charles, Alfred and Bill and grandsons, Bruce and Lawrence, home on leave from the Navy. Robert Mitchell is also in the camping party.

George Cook, a member of another party hunting in the eastern part of the state, also filled his license.

Christian Science Society To Hold Service Thursday

Spontaneous expressions of gratitude for God's goodness will be featured at the Thanksgiving service announced by Christian Science Society of Charlevoix, for 11:00 a. m., on Thanksgiving Day.

All are invited to this special service. The voluntary testimonies from the floor will include gratitude for spiritual growth, physical healing and other blessings.

A Lesson-Sermon for the day entitled "Thanksgiving" will emphasize the importance of living one's gratitude to God. To be read in all Christian Science churches, the Lesson-Sermon will consist of selections from the King James Version of the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The service is open to the public and local church members have invited everyone to attend.

Morning Union Service To Be At Episcopal Church

The annual Community Union Thanksgiving service will be held at Christ Episcopal church at 10 a. m. Thursday.

Mayor James Hiller will open the service with the reading of President Eisenhower's Thanksgiving Proclamation.

The Rev. O. B. Ansted will deliver the Thanksgiving sermon at the service in which the Reverends George L. Majors, Lloyd M. Schlopp, T. B. Thodeson, Harold E. Kohn, Kenneth Mitchell, James Lugibigl and Malcolm D. Thomson will participate.

Special music will be the combined choirs of the participating churches. Mrs. S. E. Coleman will be the organist.

Residents of the community are invited to participate in the community Thanksgiving service by members of the Charlevoix Ministerial Association, sponsors of the service.

Community Choir Rehearsals Will Start Monday

The initial rehearsal of the Charlevoix Community Choir has been scheduled for 8 p. m. Monday, Nov. 26, at the high school band room according to the choir director, C. A. Odmarr.

Five rehearsals have been scheduled in preparation for the Christmas Vesper Concert to be presented this year on Sunday, Dec. 23.

Membership in the group is open to all residents of the Charlevoix area interested in singing the finest of Christmas choral literature. In past years the choir has listed a membership of more than 40 voices and indications are that the group might be even larger this season.

Weekly rehearsals are being called for Monday evening and it is hoped that everyone will be able to be present for the first rehearsal next Monday.

Anyone wishing further information may call Mr. Odmarr at LI 7-3494. Please note that special invitation to join the choir are not necessary. If you wish to join the choir, be present at the first meeting in the high school band room at 8 p. m. Monday.

Call Issued For More Workers To Complete Ski Run

If you're home from college and looking for something to do this weekend, how's about putting in a little time at the new ski run?

There is still a lot of work to be done before the area will be ready for use. Dr. L. E. Grate, president of the Charlevoix-Mt. McSaubia Recreation Corp., said in his plea for workers.

The footings for the engine has been laid at the top of the run. The engine will be pulled up the slope this weekend and set in place.

Lights have been placed on the poles on the hill with three lights to a pole. Wheels, pulleys and other equipment are in place.

Work on the fireplace in the warming hut is nearing completion. Lights have been installed in the ski lodge, trim on the exterior has been painted and things are shaping up.

Anyone wishing to assist in the operation is asked to report at the area.

Charles Robinson Is Speaker For Kiwanis Meeting

Charles A. Robinson, Charlevoix county superintendent of schools, spoke on "Education in Michigan" at the regular dinner meeting of the Kiwanis club at the high school cafeteria Monday.

Plans for the annual city-rural night dinner to be held Monday were made. At that time farmers in the area will be the guests of the Kiwanis club.

Edward Mitten of Petoskey, lieutenant-governor-elect of Kiwanis Division 15, was a guest at the meeting.

Michigan Bell Telephone Asks Rate Increase

The Michigan Bell Telephone Co. has filed a petition with the public service commission for an intrastate rate increase calling for a five cent rise in company revenues.

C. L. Johnson of Petoskey local area manager, said the increase is needed to cover two upward wage adjustments for company employees and other increased costs.

Under the proposed rate schedule the various types of service at Charlevoix would be increased as follows: Residence service: individual line, 85 cents; two-party line, 50 cents; four party line, 50 cents and rural, 25 cents.

Business service: PBX trunk, \$1.25; individual line, 75 cents; two-party line, 75 cents and rural, 50 cents.

Installation and move charges, extra directory listings and some other miscellaneous services would also be increased.

The increase for most services largely offset the increased number of telephones in the local calling area. In the Charlevoix local calling area, for instance, the number has increased from 5,499 in 1948 to 7,011 in 1956.

School Programs For Christmas Are Getting Underway

With the Christmas holidays only a month away plans have been completed for Christmas programs at the Charlevoix public schools.

The first of the programs will be presented by the high school band and Girl's Glee club at the auditorium at 8 p. m. Tuesday, Dec. 18. C. A. Odmarr will direct both groups.

The elementary school will present its program at 2 p. m. Thursday, Dec. 20. While primarily designed as a program for the children, themselves, parents and friends are invited to attend.

The annual Christmas Vespers by the Charlevoix Community Choir will be heard at 4 p. m. Sunday, Dec. 23. Not presented last year because of the illness of the director, Mr. Odmarr, the choir is meeting Monday for its first rehearsal in preparation for this concert at which the best in Christmas choral music will be presented.

There will be no charge for any of these programs and the public is invited to attend the concerts and programs.

Committee For Smorgasbord To Meet Monday Night

Robert Neff, chairman of the benefit smorgasbord to be held Dec. 9, has called a meeting of his committees for 8 p. m. Monday at the high school manual arts department.

The meeting was previously scheduled for Tuesday.

The Swedish smorgasbord will be presented from 1 to 6 p. m. Sunday, Dec. 9, for the benefit of the Charlevoix-Mt. McSaubia Recreation Corp., which is expected to attract more than 500 residents of northern Michigan, will feature a variety of foods typical of Swedish smorgasbord.

Balch And Davis Are Chosen On All-Opponent Team

Kenny Balch and Terry Davis, co-captains of the 1956 Charlevoix Rayder football team, were named to the Petoskey News-Review All-Opponent team announced Friday.

The team is picked by the players of the Northern Michigan Class C team.

Named to the first team backfield with halfbacks Balch and Davis were Boyne City fullback, Carl Charon, who was a unanimous choice of the players and Mike McKillop of Gaylord.

In the line were ends Dick Holstad and Dexter Bailey, both of Mancelona; tackles, Ed Barden of Boyne City and Duane Hughey of Mancelona; guards, Ron Steenbergh of East Jordan and Harry Wolfe of Gaylord and center, Don Lauer of Harbor Springs.

Named to the All-Opponent team were backs, John Phillips of Mancelona, Jim Robinson of Pellston, John Burnison of Gaylord and John Juday of Boyne City.

In the line were ends, Pat Cabinaw of Pellston and Darwin Mason of Gaylord; tackles, Ernie Wolfe of Gaylord and Don Budzinski of Pellston; guards, Bill Nuloh of Boyne City and Pete Graham of Harbor Springs and center, Karl Erber of Mancelona.

It is interesting to note that in the majority of instances, the players choice paralleled those of the coaches announced last week.

Sr. M. Athanasius Dies Following A Long Illness

Sister Mary Athanasius, 62, of the Dominican Sisters of Marywood and former teacher at St. Mary's school here, died Thursday at St. Mary's hospital in Grand Rapids after an illness of several months.

Funeral services were held at Marywood chapel in Grand Rapids Monday. Burial was in Resurrection cemetery.

Born Eva Chartier in Duluth, Minn., Sister Athanasius came to Michigan as a child and became a member of the Dominican Sisters in 1913. She taught in parochial schools in Saginaw, Bay City, Alpena and Grand Rapids.

She was a teacher at St. Mary's school here in the early 1940's and returned in 1953 to teach until she became ill last spring.

Surviving are a brother, Raymond Chartier and five sisters, Mrs. Thomas Welch, Mrs. David Smith, Mrs. Thomas Welsh, Mrs. Carl Vogel, all of Detroit, and Sister Mary Giles, O. P., of Marywood.

New '57 Cadillac Now On Display At Uhrick Showroom

Brilliantly new in beauty, brilliantly new in performance describes the 1957 Cadillac now on display at Uhrick Cadillac Pontiac salesroom at 103 Antrim st.

Entirely new in design and engineering, the 1957 Cadillac brings to the world's highways a wholly new standard of motor car quality and excellence.

The dramatic Cadillac achievements are being presented for 1957 in 10 individual body styles including the breath-taking Eldorado series.

Gold Plaque Is Presented To Stream-eze, Inc.

Stream-Eze Inc., local manufacturer of sporting goods equipment, has received its second consecutive gold plaque for its outstanding contribution to the sporting world.

The plaque is awarded annually to a limited number of sporting goods manufacturers by the Sportsmen's Club of America.

The award was given for excellence of design, craftsmanship and utility of products manufactured by Stream-Eze Inc., managed by Harold Rohm. Leonard Reames is general sales manager.

When a company wins a gold plaque for three consecutive years, it automatically becomes eligible for a Blue Ribbon award which is given at the annual Sports Show in Chicago each February.

However, on rare occasions the blue ribbon has been awarded at the end of two years. Stream-Eze Inc., is striving, by turning out top rate products, to win the Blue Ribbons award in 1957.

When a company wins a Blue Ribbon award, it becomes a member of the Sportsman's Hall of Fame, an honor sought by all manufacturers. Only six blue Ribbons awards are given annually.

Manufacturers of all kinds of sporting equipment compete for the awards.

Stream-Eze Inc., manufacturer of a complete line of fishing tackle including casting, spearfishing, fly and salt-water fishing equipment, tackle boxes, artificial bait and landing nets as well as archery equipment such as glass and wood arrows in both target and hunting classes.

Stream-Eze, Inc., has been manufacturing sporting equipment for nine years, 3 1/2 of which the plant has been located in Charlevoix.

Angus L. Fochtman Given Firestone Award For Service

Angus L. Fochtman of the Charlevoix Oil Co. has been honored by the Firestone Tire and Rubber Co. for 25 years of service and loyalty as a Firestone dealer.

L. R. Oviatt, district manager of the Grand Rapids office, and George Averill of Cadillac, the present Firestone representatives in this area, were here Thursday to present Mr. Fochtman with a \$100.00 cash prize award and service pin given only to dealers who have handled Firestone products for 25 years.

Mr. Fochtman has been associated with the Charlevoix Oil Co. since it was organized in May, 1931. At that time he and the late Albert Cook built and opened a service station at the present site of the company at 101 Michigan ave. Since then the building has been enlarged to include a complete garage and Chevrolet sales service.

Rev. George Majors Re-elected President Of Ministers Group

The Rev. George L. Majors was re-elected president of the Charlevoix Ministerial Association at the regular November meeting held Tuesday at the Community Church of God Fellowship hall.

The Rev. Kenneth Mitchell was re-named secretary-treasurer of the organization.

Final plans for the Community Thanksgiving Union service at Christ Episcopal church were made and tentative plans for the Attendance Crusade to be held from Jan. 1 until Easter were discussed.

It was reported that the recent S. O. S. fund drive conducted by the Association netted \$70.00 which will be used to send surplus funds to the needy overseas.

The Rev. Wilson Rinker will be host to the next meeting on Dec. 11.

The deadline to sign 1956 soil bank conservation reserve agreements has been extended until Nov. 30.

Two High School Students Are First To Report Deer Kill

Two Charlevoix high school students were the first nineros to report filling their licenses on the opening day of the current deer hunting season Thursday.

James Frye, 16 year old high school junior, was the first to report his kill. He shot the eight-point 150 pound buck at 7:50 a. m. three miles south of Charlevoix between US 31 and Lake Michigan.

Shortly after 8 a. m. Raymond Weisler, a high school senior, brought down his buck, a spikehorn, with a .22 rifle on his father's farm in Norwood township.

Although his was not the first reported, Glenn Franklin filled his license at 7:30 a. m. on opening day when he shot a 10-point buck weighing approximately 175 pounds while hunting with Dr. L. E. Grate and John Kling on the Jerry Haggerty farm in Hayes township.

Leslie Smith of RR3 Charlevoix reported bringing down an approximately 175 pounds at 8:30 a. m. while hunting in Hayes township.

Community Chest Fund Campaign Nearing '56 Goal

The 1956 Community Chest fund campaign neared its goal this week as William Fochtman, fund chairman, reported that \$7,614.01 had been contributed in the month-long drive.

The goal for this year was \$7,650.

All individuals and organizations who have not contributed to this year's drive are urged to do so as soon as possible so it can be brought to a successful conclusion.

Contributions include: business, \$2,159; industry, \$1,704.50; residential, \$1,512.36; summer residents, \$1,377.50; townships \$627.63; organizations \$68.00; school, \$132.00 and hospital, \$33.00. Many of the school and hospital personnel gave at home.

Organizations receiving funds through the community chest are Boy Scouts, Girl Scouts, United Fund, Red Cross, Community Nurse, City Recreation, Salvation Army, Charlevoix hospital, Retarded Children's school and Emergency fund.

Episcopal Church Guild To Hold Bazaar, Supper

"A preview of Christmas" will be the theme of the annual Christmas bazaar to be presented at the dining room of Christ Episcopal church at 1 p. m. Thursday, Nov. 29.

A Swiss steak supper will be served beginning at 5:30 p. m. The Christmas bazaar will feature gift items, baked goods, jams and jellies.

The bazaar and supper are being presented by the guilds of the church headed by Mrs. Fred Tyler and Mrs. James Gallagher. The latter is ticket chairman for the supper.

Clothing Drive Will Be Held By St. Mary's

St. Mary's church here will join with others in the Grand Rapids Diocese in the annual Catholic Bishops' Thanksgiving Clothing Collection for the needy in other lands, the Rev. Fr. E. Francis Dera, pastor of the local church, announced this week.

This year blankets, quilts or coverlets of any kind are the greatest in demand along with infant layettes, all kinds of children's clothing, mens work clothes and shoes, women's cotton or wool dresses.

The clothing must be clean and in good repair for within 30 days from the time you make your contribution to the appeal, the article you contribute will be on their way overseas to an area of need, Father Dera said.

Clothing may be left at the (Continued from page 1)

Dr. E. C. Beck Is Speaker At School Program

Dr. E. C. Beck, head of the English department at Central Michigan college, spoke on the subject "What English" at the first open house program of the current school year held Wednesday at the Charlevoix public school.

The main theme of his talk was children and their need to learn. He said that children will learn only when they have the incentive to learn. That incentive must come from the home.

Uno Suomela, vice president of the Charlevoix P. T. A., presided at the meeting. Rev. Lloyd M. Schlopp gave the invocation. The Charlevoix high school glee club, directed by C. A. Odmarr, sang three selections. Mrs. Karl Schulz of the P. T. A. nominating committee reported on the candidates for P. T. A. officers.

At the election held in conjunction with the open house Rev. Wilson Rinker was elected president; Mrs. H. E. Paddock secretary and Mrs. James Hiller treasurer. They will fill vacancies which resulted from resignations. Mr. Suomela and Lee Smetheun Jr., will continue to serve as vice presidents.

Following the program refreshments were served by a committee composed of Mrs. Clifford Riley, Mrs. John Uhrick, Mrs. Robert Wallace, Mrs. Hiller, Mrs. William VanRaaphorst and Mrs. Clayton Smith.

Several hundred parents and friends visited the classrooms and consulted with teachers prior to the program in the high school auditorium.

ODDS 'N' ENDS

By Fran Martin

How would you like to be doing a thing so glamorous as spending Christmas in Hong Kong and New Year's Day in Singapore... or paying a visit to the Taj Mahal... You're not alone... we're drooling too... But we thought you'd like to know that we know some one who's going to be doing just that... She's Mrs. Robert Paul who'll be sailing on the last day of the month to places that until now were only places on the map... She told us that as a child she had listened to her grandfather, a salt-water sailor, tell of his travels and that she was always fascinated by the word "Singapore"... When other youngsters threatened to leave home and go to New York, she was all for going to Singapore... And now she's really going to visit this romantic, far-away port... And she's going to take a look at the Taj Mahal in the moonlight for us too... We'd like to add our "Bon Voyage" message to the many a most gracious lady has received.

What we couldn't have done with this guy this fall... one of two football players that a Fargo (N. D.) Forum sports writer and his coach, Alvie Lund, credit with bringing West Fargo a successful season this year... Of course, we mean Glennie Ikens, one time Rayder player who went to Clayton, Mo., last year and who is now at West Fargo... His coach said Glennie and a team-mate, guard Willie Bach, "made us go"... Not a bad reputation, we'd say... Glennie, according to the account, was a fine pass catcher and kicked extra points... Oh yes... the 10, repeat 10, men on the basketball team are more than six feet tall... Where do they grow those kind of guys?

No, the Kiltie band wasn't in town last week... that was just Phyllis Williams, a member of the Alma Scots band, modeling her uniform for her folks, while home for a weekend... And wasn't she cute?

Another request from the V. F. W. Auxiliary... If you live in

a guy who had 292 days left in Germany when the card was sent... And to Charlie and to all the other guys and girls in uniform, a happy holiday wherever you are... and may you soon be back with those you love... We miss you...

And from Ludington, a note from Mrs. F. Zalusk, the former Martha Gallagher of Beaver Island, who, like the rest of us, saw Mori Neff's Michigan Outdoors recently... As she wrote:

"I was born and lived there for 28 years... I could see our old home and all the places familiar to me"... Incidentally, Mrs. Zalusk is the daughter of the late W. J. Gallagher of the island... And how did you like that show?... Wouldn't be a bit surprised if our local stars, Chum White and Gordon Neff, and their respective hunting peaches got a call from Hollywood any day now...

Some of you younger people may not know what we're talking about when we mention radio but this particular means of communication had a birthday last week... It's 30th... Except for a few people like us, few people seem to listen to the radio anymore... But to those of you who can remember when radio was new... the times when one listened on the old crystal sets... In the days of Ben Bernie, Rudy Vallee and all the rest, we thought we'd mention that even though radio is 'old hat' to most people it's really not so old...

And to those of you who'll read this before Thursday, a happy Thanksgiving... all of us at the Courier office hope you'll have a wonderful day... And those who'll read it after the holiday... we hope you didn't eat too much turkey and that you enjoyed the day with your family, your friends, at home or wherever you chose to spend the day...

Don't forget that the big day of all is just a month from Sunday

guild notes...

Somehow at Thanksgiving time it is easier to express our gratitude because we are so much more keenly aware of how much we all have to be grateful for. But hardly one of these columns is written without at least one paragraph devoted to 'thank you's' to various members of our guild organization for some kind of thoughtful contribution.

This makes us so grateful to you all... and thankful for you all... who so graciously contribute to a community service which is so close to all our hearts.

This week's personalities for our heartfelt thanks are Mrs. Fratriek, who has been a 'regular' in the past pushing department for the year and is being replaced on Friday duty by Mrs. Art Ranger. And to Mrs. Charles Bellinger for substituting recently.

Our thanks also to Frank's Flowers for their donation of arrangements for the hospital lobby during National Flower Week... and to the patients who, during that week, had not received flowers. They also contributed a Halloween spray for the lobby... and this week, an artistic Thanksgiving cornucopia.

We are also grateful to Mr. Carter of the W. W. Mac store for his donation of Halloween candies for the patients' trays.

And now, a happy Thanksgiving to you all.

Charlevoix IN UNIFORM

Bruce Bergmann and Lawrence Bergmann arrived Thursday from the U. S. T. C., Great Lakes, Ill., after completing boot training. After spending two weeks leave with their respective parents, Mr. and Mrs. Ted Bergmann, the former will return to Great Lakes for additional schooling, while Lawrence reports for duty aboard a destroyer escort at San Francisco, Calif.

Both enlisted in the U. S. Navy in August.

Pvt. Glenn See, who is stationed at Camp Pendleton, Calif., has been in Michigan on leave. Last week he spent several days here. He was accompanied by his mother, Mrs. Glenn See Sr., who is in Flint with her nephew and niece, Mr. and Mrs. Leroy S. Zelley.

A 1-e Charles Hilton, who is stationed at Roslyn OFB, New York, is spending a 30-day furlough with his parents, Mr. and Mrs. Myron Hilton.

Robert Ashdon who is stationed at Sullivan's Island, Charleston, S.C., with the U. S. Coast Guard, is hospitalized at the U. S. Marine hospital in Savannah, Ga. Mail addressed to the Marine hospital there will reach him.

Gerald W. Stebe S.R. who enlisted in the U. S. Navy recently is now stationed at Great Lakes, Ill., where he has the following address: 516-24-45 Co. 645 Bn. 123 Rgt. 12 U. S. N. T. C. Great Lakes, Ill.

He is a 1956 graduate of the Charlevoix high school and the son of Mr. and Mrs. John Stebe.

Campus Comments

James Lewis a senior student at Michigan college of Mining and Technology at Houghton, was named to Eta Kappa No an honor society for electrical engineering students.

He is also a member of Tau Beta Pi fraternity and the American Institute of Electrical Engineers.

He is the son of Mrs. Ira Olney of this city.

Social clubs at Anderson (Ind.) college have chosen 91 new members this fall including two from Charlevoix, according to Dr. Robert A. Nicholson, acting director of student personnel. They are Bessie Lee Kipke, sophomore sociology major, who has joined the Fide et Amore Club and David Clarke, a sophomore in pre-engineering, who has joined the Triad club.

Try out subsoling practices before going all out in their use, advise M. S. U. soil scientists. Research is too limited to have definite recommendations.

A.A.U.W. Members Told Of Japan By Mrs. George Wolf

Mrs. George Wolf, who returned to Charlevoix earlier this year after a year in Japan with her husband, Major Wolf, was the guest speaker at the November meeting of the Petoskey branch of the A. A. U. W. at the Charlevoix high school band room Tuesday evening.

Slides of the Hiroshima bombing site, festive days in Japan and country's scenic countryside were incorporated in her talk. She also displayed souvenirs, Japanese dolls, kimono dresses.

Mrs. Inez Marinhugh of Petoskey reported of the Strawbridge players' production of "Pinocchio" shown in Petoskey last month for the children of Northern Michigan.

A social hour and refreshments followed. Refreshments were in charge of the Charlevoix members.

The next meeting will be held at the Lincoln school in Petoskey, Dec. 11.

D.A.R. Chapter Has Monthly Meeting At Weathervane Inn

The Petoskey chapter of the D. A. R. met at the Weathervane Inn Friday for its regular monthly luncheon meeting. Miss F. L. Edson was hostess at the meeting.

Mrs. Angus L. Fochtman presented an interesting and enlightening account of the "Sailing of the Mayflower" tracing the history of the pilgrims through the years of the rule of Henry VIII, Bloody Mary and good Queen Bess. She also told of historical background of the Pilgrim and hardships they endured on their voyage to this country.

Mrs. Lee Moerland-entertained with: several songs. Mrs. Earl A. Young, recent, presided at the business meeting.

The next meeting will be held in Petoskey Dec. 14.

Betrothed

Mr. and Mrs. Ray L. Kipke have announced the engagement of their daughter, Amy Lou, to John A. Gibson, son of Mr. and Mrs. Hazen Gibson of Pigeonville.

A summer wedding is planned by the couple.

The bride-elect is a graduate of the Charlevoix high school. Mr. Gibson is a graduate of the Pigeonville high school. Both are senior students at Michigan State University.

Persons With Hearing Difficulties Urged To Attend Lipreading Class

Max Novak, director of the Adult Education program at the Charlevoix high school, would like to remind hard of hearing people and their families of the opportunity that the residents of the Charlevoix area have to study the art of lip-reading.

A class in lip-reading is being offered every Tuesday at the Charlevoix high school band room. The class is taught by Mrs. E. R. Lemble of Petoskey who received her training at State University.

Urging that people in the entire Charlevoix county area enroll in the class, Mr. Novak called attention to the educational and personal advantages of attending these weekly sessions.

Especially invited for this instruction are those people who were seen in the hearing testing mobile unit of the Michigan Association for Better Hearing and for whom lipreading was recommended at that time. Other deaf and hard of hearing people are especially invited to attend.

Stand Butler, executive director of the Michigan Association for Better hearing which sponsors the class estimates that there are at least 135 adults in Charlevoix county who could profit from this instruction.

What the Storms Reveal

As the sun slowly slipped beneath the horizon on a stormy evening a few days ago, angry white waves charged across Lake Charlevoix and broke upon the rocks just below our house. All night the pounding of the waters continued, and the next morning we heard a seething and a sighing as the lake panted from its futile efforts to destroy the shore. Then, as the faint light of sunrise was reflected from one cloud bank to another all across the sky, water birds began to gather just off-shore to breakfast upon the repast the waves had inadvertently delivered at our beach. American golden-eye ducks on their fall journey toward coastal waters came for aquatic insects, crayfish, and shrimp-like crustacea, the storm had wrested from the lake bottom and deposited in the shallows along the shore. Merganser ducks dipped together, as if at a signal, to catch minnows the storm-tossed waves had corralled among the off-shore rocks. Herring gulls wheeled and dove with uncanny accuracy, quickly coming to the surface with trapped and hapless minnows struggling in their beaks. A tempest before which once the birds had fled had now spread a bounteous banquet before them.

Life's adventure is somewhat like a Lake Charlevoix storm is to the birds. We flee from tempest. Naturally we do. But when the tumult is over, we discover that it has produced good as well as havoc and something upon which the hungry soul can feed.

A long illness often brings to

our attention a tenderness in loved ones and friends, in nurses and doctors, in women who clean hospital wards and orderlies who perform menial services—attentiveness that was hidden from us until trouble brought it out.

How often a bereaved person, still suffering shock from a sudden loss, exclaims, "I never realized I had so many friends until now!" People whom we know only as acquaintances now show up as friends. They were friends all along but it took sorrow to reveal them for what they were.

Often we are ungrateful for the many public servants who unobtrusively work for our welfare until some disaster demonstrates how much they are needed and what they have meant to us. Mrs. Mildred S. of Pittsburgh, Pennsylvania, thought little of the policeman's importance until her son was killed on a dangerous street corner. Then she applied for the position of a traffic policeman, explaining, "If I could help prevent one accident, I know the pain I could spare a mother."

Trouble had dislodged some remote and unrecognized appreciation in her spirit and had floated it into the forefront of her mind. Our own spiritual resources seem feeble. When we see suffering in prospect, we exclaim, "I don't think I can stand it!" But when troubles come, we do endure it better than we could have guessed. A mother who is devoted to her family and particular about her housework gets bone-tired and so depleted she feels as if the necessity of lifting her little finger would make her drow in complete exhaustion. Then her baby falls ill and the infant's need releases resources within her that keep her going through sleepless nights for weeks on end.

A missionary to the Philippines has related how, when the missionaries were ordered into prison camp during World War II, they were told they could take with them only what they could carry in their suitcases. His wife, who was not at all strong and weighed a mere 105 pounds, toted a load of 200 pounds four and one-half miles. Upon arrival at the prison camp the missionary nor his wife could lift the load from the ground. One scientist has reported that we normally employ about one-eighth of our physical

It Happened on . . . Beaver Island

By Loy Melloy

With deer season in full swing, many of the hunters have been fortunate to get their buck even if the weather hasn't been too satisfactory. Some of the lucky ones were: Billy Bennett, Bill Fischner, Chuck Kleinkeng, Mrs. Kleinkeng, Gary McDonough, LaDines and Eugene Mooney, Dr. Rice, Dutch Royce and his son from Grand Rapids, Kenny McDonough, Roger Carlick and Bill Sr. and Dires Welke. Up to the time of this writing 33 have been killed.

Mr. and Mrs. Frank Neer and Mr. and Mrs. George Woods of Detroit are guests at the Frank O'Donnell home.

Mel Jones and party from Grand Rapids are hunting here. Charles McCann, Bob Ryan and Grant Papinau spent a week on the island deer hunting.

Edgar O'Donnell and Stanley Burns flew up from Detroit to spend the night with Pat Bonner who was celebrating his seventy-fourth birthday.

Mr. and Mrs. Peter D. Gallagher and family and Lester Gallagher are spending a week with their mother, Mrs. Dan Gallagher.

Mr. and Mrs. Larry Davison are guests of Mr. and Mrs. J. W. Gallagher.

Dr. N. P. Sorenson, his brother, Elmer and Victor and Dr. Rice spent a few days hunting here.

Ray Kurb, Dutch Royce and his son are spending a few days on the island.

Ed Boyle arrived here Wednesday to take his dad to the hospital.

Mr. and Mrs. Bud Left are the proud parents of a boy born Nov. 15. The baby has been named Terry Allen.

Bob Hilton and Harry Smith of Mason spent the weekend here. Tommy Schmidt spent the weekend with his parents, Mr. and Mrs. William Schmidt.

Bob and Henry Rieckers spent a few days during the past week here.

Charles Gallagher had four men from Pontiac as his guest for the past week.

Mr. and Mrs. A. J. Ray of Pontiac are spending some time at their cottage here.

Saturday evening a perch fry and movies were held in the Parish hall for the benefit of the Hunters. It was sponsored by the Game club.

Archie Thorsen and friends of Bay City spent the weekend here. Jimmy Martin visited briefly with his parents, Mr. and Mrs. Charles Martin.

Mrs. John Martin and her son, Sheldon, spent a few days on the island during the past week.

powers. We do not know how much strength we have until a crisis demands it. So with our spiritual resources. They are more plentiful than we have guessed. Deep within us God has hidden reserves of which we are unaware until some storm of the spirit dislodges them, and they break loose from their hiding places and are made available for our use.

Would Terminate Passenger Train Service On C. & O.

Permission to discontinue passenger train service between Grand Rapids and Petoskey is to be requested from the Michigan Public Service Commission by the Chesapeake and Ohio Railroad. It was announced today by Russell W. Ohlman, general passenger agent.

For the first nine months of this year, the two passenger trains operated on this division have averaged less than 19 passengers per trip between Grand Rapids and Traverse City, the heaviest traveled part of the line, the company announcement states. The operation of these trains in addition to indirect expenses which are proportionately chargeable to the passenger trains for maintenance, taxes, insurance, etc.

Efforts to attract passengers have been unsuccessful, according to the C. & O. They maintain the conditions reflect inroads made on train travel by other modes of transportation, particularly the private automobile. They also call attention to the fact that towns and cities served by these two trains are located on or have access to improved highways that parallel the C. & O. line.

Clothing Drive To Be Held By St. Mary's

(Continued on Page 3)

New St. Mary's school Saturday and Sunday. It will be sorted, packed and shipped to a central place for shipment to an overseas destination.

Because every article contributed to the appeal is shipped overseas for free distribution to the needy regardless of race, color or creed, all Americans are urged to share what they can spare by contributing to this appeal.

In many countries in Europe and Asia as well as many in South America and Africa, wearable clothing and shoes not only provide bodily protection against biting cold of winter but enable bread-winners to continue to work; make it possible for children to go to school; aid helpless infants to fight the many diseases which prey upon the very young.

"You can be assured that your contribution to this Thanksgiving clothing collection will be sent where it is needed most and that you will enjoy your Thanksgiving holiday a lot more for having shared your blessings with the less fortunate," Father Denay said in asking the cooperation of the community in the clothing drive.

Step into the wonderful world of AUTODYNAMICS!
It unleashes a hurricane of power!

It tames a tornado of torque
It breaks through the vibration barrier
It is swept-wing mastery of motion

There are many fresh and exciting discoveries awaiting you in the wonderful world of Autodynamics. But none is more exciting than the exhilarating performance you'll experience behind the wheel of a Swept-Wing Dodge.

This low-slung beauty takes off like a scalded cat, rips over hills like a hungry cougar, whips past slow-moving traffic like a gun-shy jackrabbit. At your command is a mighty new aircraft-type V-8 engine with up to 310 hp.

And this Swept-Wing Dodge introduces such important advances as Push-Button TorqueFlite that packs a 1-2 punch. Revolutionary new Torsion-Aire that sweeps you along in a "Realm of Silence," masters curves with race car torsion bar suspension. New Total-Contact Brakes — the greatest in the industry!

This is Autodynamics . . . where everything is new from road to roof. It's all yours in a lithe, lean master of motion only 4 1/2 feet high. You have never seen, felt, owned anything like it.

If you never regularly attend another church in our town, this notice is but a friendly greeting and wish that you and your church may prosper. If you do not already have a church home, it is an invitation to attend Charlevoix's Congregational Church next Sunday.

The last word in roofing ALUMINUM

Think of it . . . a roof that will last for years and years and remain attractive. A strong roof, yet light in weight. You can easily install it yourself. Good for siding, too. Come see this aluminum roofing . . . quick.

Step under an Alcoa® Aluminum Roof on a hot day. You'll notice what tests have proved. It's cooler under an aluminum roof because aluminum reflects hot sunshine.

There is still another quality which aluminum gives you. It defies the weather, resists corrosion and practically eliminates upkeep. Once Alcoa roofing or siding is up you can forget it. Have a look at your buildings and see if they don't need an Alcoa roof that will take care of itself . . . and better care of your stock. The next time you are in town—stop in and see our stocks of Alcoa roofing.

NOTICE OF HEARING ON VACATING PART OF STREET

NOTICE IS HEREBY GIVEN

of a meeting of the Common Council of the City of Charlevoix, Michigan, to be held at the time and place for the purpose set forth in the following Resolution

which was duly adopted by the said Common Council at its meeting held on November 9, 1956.

WHEREAS a petition has been filed with the City Clerk signed by Robert Schleman, the owner of all of the property abutting upon, and of the fee title to, that part of Antrim Street hereinafter described, requesting the Common Council to discontinue and vacate that certain part of the Street in the City of Charlevoix, Charlevoix County, Michigan, known and described as follows:

"All that part of Antrim Street lying East of the West line, projected North to Round Lake, of Lot six (6) of Block nineteen (19) of William C. Newman's Addition to the City of Charlevoix, according to the recorded plat thereof."

AND WHEREAS said part of said Street is not improved, forms a dead end for only part of its width upon the land of said Robert Schleman, and is not suitable for use as a Street by the public, and should be vacated in order to allow the said Robert Schleman the full use and development of the said land;

THEREFORE BE IT RESOLVED BY the Common Council of the City of Charlevoix, Michigan, that it deems it expedient and advisable and a public improvement to vacate, discontinue and abolish the aforesaid part of said Street, and

BE IT FURTHER RESOLVED that a regular meeting of the Common Council of the City of Charlevoix to be held in the Council Room in the City hall on Monday, December 10, 1956, at 8:00 p. m. (Eastern Standard

You Pay Less

TRUCKS ARE VITAL to every industry in Michigan, and no service or commodity which affects your day-to-day living could reach you without trucks.

That is the basic way in which trucks serve you. But they benefit you in other important ways, too.

For example—latest available figures show that Michigan's trucks pay over \$50,000,000 annually in State registration fees and gasoline taxes alone, plus several millions more in millage taxes and special taxes levied on the larger vehicles. In addition, of course, trucks pay all the other taxes charged against any business enterprise in Michigan—real estate property taxes, personal property taxes, business activities taxes, sales taxes, intangibles taxes, franchise taxes.

All these millions in taxes the trucks pay go to support the general welfare, to help pay for modern roads, hospitals, schools and colleges, parks and playgrounds, police and fire protection.

So, you see, thanks to the trucks, you pay less.

Brilliantly new in Beauty...Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present to the motoring public.

This is Cadillac for 1957—entirely new in design and engineering... and bringing to the world's highways a wholly new standard of motor car quality and excellence.

Cadillac's renowned stylists have created a new Cadillac beauty... majestically graceful of line... wonderfully exciting in spirit... and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors... with gorgeous new fabrics and leathers... with new colors and patterns... and with marvelous new appointments on every hand.

And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance... with two great new engines... with an even smoother, more responsive Hydra-Matic Drive... with greatly improved power steering and power braking... with a

revolutionary new frame design... and with a host of other vital engineering advancements.

These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breathtaking Eldorado series. Each is a Cadillac masterpiece... a brilliant tribute to the men who design and build the Standard of the World.

We invite you to see... to inspect... and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.

Swimming Buck Makes Hunting 'Armchair' Sport

There are hunters who tramp the woods for hours, looking for game. Then there are those who sit comfortably before the fire, waiting for opportunity to knock.

Dick Wood of Bay City and Fred Cooper of Lansing might be classified as the latter type.

Sitting before the fire in the Wood cabin on the east side of Oyster Bay on the second day of the current hunting season, the pair saw a deer come out of the woods on the far side of the Bay. Being without binoculars, they sent out an S.O.S. (via telephone) to E. A. Loop down the bay to take a look with his glasses. After being assured that it was a buck, the animal returned to the woods. But only for a short time.

Still watching, they saw him return to the shore, enter the water and start swimming the quarter of a mile across the bay. As he neared the shore not far from their cabin, they grabbed their rifles which had been kept in readiness for such an occasion and went to a spot near where he was to leave the water.

As the deer shook himself, Mr. Cooper leveled his rifle, took aim and downed the four-point deer which dressed out at 165 pounds. After hanging the deer to a nearby tree, the pair returned to their positions in front of the fireplace after being gone less than 50 minutes.

Mr. Loop, who timed the deer's swim across the bay, reports that the animal made it in three minutes.

Gospel Movie To Be Shown Here On Friday Evening

The film, "The Danger Trail", a western-type gospel movie, will be shown at the Bible Baptist church at the American Legion post home on East Garfield ave., at 7:45 p. m. Friday.

The locale of the film is the western plains with ranchers gathered around a camp fire to hear Rancher Bill's challenge in which he gives thrilling accounts of the dangers of the old-time western trails.

A film for young and old alike, it is filled with thrills, excitement and suspense.

The pastor, the Rev. Jim E. Lughigh, extends an invitation to the public.

In the Spirit of THANKSGIVING

...so much to be thankful for!

Thanksgiving
IS MORE THAN
A HOLIDAY FEAST!

Lost in our preoccupation with turkey dinner and the holiday game is the true significance of Thanksgiving—the humble, spiritual gratitude for the blessings that are ours in this wonderful country! We are a free people—free to go and come as we please, to speak our minds and worship in the faith of our choice. Let us not forget the price our forefathers paid for our heritage! Let us give thanks for our abundance!

Charlevoix Rayders Take To Court

Pictured at practice are lettermen, Joel Arvilla, Norm Helms, Phil Timmer and Terry Davis. In the circle is Kenny Balch, only regular from last year's squad. The Rayders will open their 1956-57 season against Mancelona on the local hardwood Friday night. Former Charlevoix courtier around whom Coach Don Carey will build this year's Rayder squad.

Council Sets Sliding Hours For Grant St.

The Charlevoix city council Monday night designated Grant street between Antrim st. and Huron ave., as a coasting area. The hill will be closed to traffic for the winter months.

During the following hours: Monday through Friday, 3:30 to 5:30 p. m. and 6:30 to 8:30 p. m. and on Saturday and Sunday from 1 to 5:30 p. m. There will be no coasting on Saturday and Sunday evenings. The hill will be supervised during the above hours.

Bids for a police cruiser were received from the Charlevoix Oil Co., Brown Motors, Northern Auto Co. and Parsel Garage. All bids were referred to the city superintendent, Hal M. Hill, and the police committee for tabulation. A report on their findings will be presented at the next regular meeting of the council Dec. 10.

Authorization was given to the Charlevoix Abstract and Engineering Co. to prepare abstracts on eight lots on Palmer st. owned owned by the city.

The council also authorized the purchase of a used Fairbanks-Morse engine in the amount of \$1,900 plus freight and handling cost of approximately \$176.00. The engine will then be dismantled and parts salvaged for use on the Fairbanks-Morse engine at the municipal utility plant. The authorization was given with the stipulation that engine be examined to make certain that the parts are identical to the one the city now owns and that the engine is in good condition. The purchase was approved on the recommendation of J. B. Sims of Grand Haven, consulting engineer for the city of Charlevoix.

Bill amounting to \$14,481.08 were approved and ordered paid.

Plan For Big Attendance At Smorgasbord

Food, literally a ton of it, will be prepared and served at the first annual Swedish smorgasbord to be held at St. Mary's school hall Sunday, Dec. 9, under the sponsorship of the Charlevoix-Mt. McSaubia Recreation Corp.

Bob Neff is general chairman of the event. Proceeds will be used to help finance the construction of the Mt. McSaubia ski area.

Plans for the event which will be the first of its kind in this community were completed at a meeting of committee chairmen held Monday at the high school.

"We are planning to feed 800 people," Mr. Neff said following the meeting. "Our smorgasbord menu will be one of the largest, finest and most unusual of any dinner in this area." He urged everyone to plan to attend the event and by doing so, support the ski project.

An important meeting of the Charlevoix-Mt. McSaubia Recreation Corp. and the smorgasbord committee has been called for 8 p. m. Monday at Mont's Cafe.

The meeting is open to everyone interested in the ski area and the smorgasbord which is being given Dec. 9 to raise funds for the project.

Will Give Prize For Christmas Home Decorations

Residents of the city are reminded of the Christmas home decorating contest sponsored by the Charlevoix Municipal Utilities.

Prizes of \$25.00 will be given for the best decorated homes in the city's three wards. The contest is restricted to the residential area.

A committee of judges will be named by the Charlevoix Garden Club to pick the winners at Christmas time.

Everyone is urged to join in making Charlevoix the Beautiful this holiday season.

The city will do its part in beautifying the city by installing its overhead decorations and lights on the lamp post early next month. A large Christmas display is now being made and will be placed in East Park for the holidays.

Funeral Services Held Friday For Mrs. Lewis Emmons

Mrs. Lewis Emmons, 73, resident of this community for the past 20 years, died Wednesday at her home at 104 E. Garfield ave., after a brief illness.

Funeral services were held at the Pontius Chapel Friday afternoon with the Rev. Lloyd M. Schupp officiating. Burial was in Brookside cemetery.

The former Maude Irene Wagley was born at Cross Village Feb. 9, 1882. She was married to Mr. Emmons at Cross Village and they resided in Cross Village and Pellston before coming here in 1936. Mr. Emmons died in 1947.

She is survived by two sons, Arthur E. of Charlevoix and Charles L. of Detroit; three daughters, Mrs. Steve Emmons of Tecumseh, Mrs. Hubert Smollen of California and Mrs. William Morse of Muskegon; 29 grandchildren; several great-grandchildren; a brother, William Wagley of Battle Creek and one sister, Mrs. Albert Taylor of Potoskey.

Potters High In Real Estate Sales

Mr. and Mrs. William Potter, local representatives for Utter Farm Agency, ranked among the top 40 salesmen in the monthly competition conducted by the company throughout the country in October.

Mr. and Mrs. Potter have been associated with one of the nation's largest sellers of rural real estate since March of this year.

Plan All-Games Benefit Party For Retarded Children

An all-games party will be held at St. Mary's school hall at 8:30 p. m. Saturday under the sponsorship of the Charlevoix Association to Aid Retarded Children. Mrs. Frank Olesky, general chairman of the event, has announced.

A variety of games will be played and prizes offered to the winners. Refreshments will also be served.

Proceeds from the party will be used to help finance the cost of operating the Charlevoix Retarded Children's school which is also sponsored by the association.

Rushing Work On Ski Run At Mt. McSaubia

Work is being rushed on the ski run at Mt. McSaubia in anticipation of the heavy snowfall forecast for this area, Dr. L. E. Grate, president of the Charlevoix-Mt. McSaubia Recreation Corp. said this week.

As soon as a caterpillar tractor can be engaged, the engine for the ski tow will be taken to its mounting at the top of the slide.

Work on the shelter is nearing completion. The fireplace is finished and other work completed. Wiring must now be completed and the tile floor laid before the plumbing can be installed and connected.

More pulleys for the tow were placed along the run this week and lights erected.

Funds are badly needed to complete the project. Anyone wishing to contribute or purchase stock in the corporation may do so by contacting Dr. Grate, Robert Lieberman, secretary-treasurer, or other members of the corporation.

A Swedish smorgasbord will be held at St. Mary's school hall Dec. 9 to raise funds for the project.

Boyne City-Gaylord Teams Get Tryout In Non-League Games

Two Northern Michigan Class C league teams opened the current season with non-league games. On Friday Boyne City dropped a close one to Potoskey by a score of 44-42 and on Tuesday Gaylord rolled over Cheboygan 63-47.

At Potoskey the Northmen took a 13-9 first quarter lead before Boyne City tied the score 22-all at the half. At third quarter mark Potoskey led 39-30 but the Ramblers whittled their lead to one point, 49-39 with two minutes remaining. A determined class B squad held the lead, however, as the game ended, John Juday of Boyne City and Hal Schneider of Potoskey shared scoring honors with 14 points each.

At Cheboygan the Gaylord Blue Devils led all the way, 15-12 at the quarter; 27-26 at the half and 43-36 going into the final period. Lonnie Campbell with 21 points for the victors paced the scoring. Bob Noyce had 14 for Cheboygan.

Mrs. Frank Moore Dies Following A Short Illness

Mrs. Frank L. Moore, 65, mother of L. Max Moore, manager of the local Kroger store, died Tuesday at the Charlevoix hospital where she had been a patient for six days.

The body was taken to the Weicht Funeral Home in Angola, Ind., for funeral services Saturday. Burial was in Circle Hill cemetery.

Born in Angola, Ind., Sept. 19, 1891, the former Elsie M. Patterson was married to Mr. Moore, March 22, 1913 and made their home in Angola until coming to Charlevoix five years ago.

Besides her husband and son, she is survived by one grand-daughter.

Class 'C' Basketball Teams Begin Loop Play Friday Night

The Northern Michigan Class C basketball schedule will open Friday with all eight teams in the loop meeting league opponents.

The Charlevoix Rayders who ended the season in second place last year with 10 wins and three losses will host the Mancelona Ironmen in the opening game of the season. The Ironmen were in fourth place as the past season ended with a record of six wins in 14 league games.

In other games scheduled for Friday the defending champions, the Boyne City Ramblers who won the title with a record of 13 wins and one loss will travel to Grayling to take on the Vikings who had a seven and seven record last year; Harbor Springs and Gaylord who shared the cellar position with three wins in 15 games will meet on the Rams floor and East Jordan and Pellston who shared third place with Grayling with a seven and seven record will meet on the Red Devils court. The Varsity games will follow the game between Reserve teams which begin at 7:15 p. m.

The forthcoming season looks like an exciting one with several teams strong contenders for the title now held by Boyne City. Mancelona, East Jordan and Harbor Springs will be starting teams composed almost entirely of experienced players while Gaylord will be using two regulars from last year's team; Boyne City will be using two regulars from their championship squad and Charlevoix and Pellston will be building around one regular apiece.

Charlevoix is opening against a strong Mancelona team. Coach Don Carey has not named his starting line-up but plans to start his only regular, Kenny Balch, at either forward or guard spots; Joel Arvilla or Larry Ingalls will get the center assignment; Phil Timmer, Norm Helms or Glenn Bearss are likely starters in the forward slots and Terry Davis, Bob Mol or Mike Genett will get the nod for the guard positions. Dale Putman and Rob Vandenberg, both guards may also play. Davis, Helms, Arvilla and Timmer are lettermen from last year's team.

Mancelona's Coach Jake Schurman is expected to start an experienced team against the Rayders. The line-man will probably include either Bob Hardy, a 6 ft 3 in., regular, or Bob Batterbee at the center position, two six foot regulars, John Phillips and Dick Holstad in the forward spots and Ron Johnson, Norm LaCroix, or Bob Johnson at the guard positions. Rev. Kohn Essay In December Issue Of Readers Digest

The December issue of the Reader's Digest now on the newsstand carries an essay entitled "The Best Things Cannot Be Hurried" written by the Rev. Harold E. Kohn, widely known religious writer and pastor of the First Congregational church here.

Defined in the magazine as "an antidote for one of the chief troubles of our time," the inspirational essay states that trouble is that "we are in a hurry and God is not."

The Reader's Digest article is a condensation of an essay which first appeared in the Charlevoix Courier April 12, 1956 under Mr. Kohn's column "Thoughts Afield" which is a regular feature in the Courier.

The Rev. Mr. Kohn is author of the inspirational book, "Feeling Low?" which was published in the spring of 1955 and of another publication "Through the Valley" which will appear in January.

The magazine in which the article appeared has the largest circulation in this country and in the world. It reaches 60 million readers through its sale of 11 million copies in 100 other countries. Thus Mr. Kohn's article will undoubtedly be read by several million readers.

Services Held Last Monday For George Stage, 78

George Stage, 78, resident of this community for the past 20 years, died Friday at the Charlevoix hospital where he had been a patient for four days.

Funeral services were held at the Pontius Chapel Monday with the Rev. George L. Majors officiating. Burial was in Brookside cemetery.

A native of Rome City, Ind., where he was born March 18, 1878, Mr. Stage had come here in 1936 and had been employed as a farm hand at the Hooker farm. He has no survivors.

ODDS 'N ENDS

By Fran Martin

Have you recovered from the Thanksgiving weekend? . . . If so you'd better start right now getting in shape for the big holiday season less than a month away . . . You don't believe it? Well, then look at the calendar and you'll find that Christmas is only three weeks from Tuesday and you've got mighty few shopping days left . . .

The Postoffice department warns you to mail early if you packages and cards are to arrive at their destinations by holiday time . . . And it kinda looks as tho' they mean it this year so get going 'cause there's nothing that takes the fun out of Christmas more than not hearing from those you love at holiday time . . . So now that it looks like Christmas maybe you'll get the spirit and finish that shopping and address those cards but fast . . .

How about that winter weather we've been having? . . . One would have thought it was January last week when the wind was blowing, the snow was flying and it was cold as Lake Michigan looks . . . And was the old lake ever roaring and rolling with spray covering the highhouse every other while cap . . . But guess we can expect that from now on . . . but was our Indian summer wonderful . . . and we had so much of it, too . . .

If you haven't seen the December issue of Reader's Digest, trot right down to the closest newsstand and pick yourself up a copy . . . for it has our own Rev. Kohn's essay, entitled, "The Best Things Cannot Be Hurried"

is in it . . . We at the Courier are pretty happy about it for in small print at the bottom of the page, it tells you that it first appeared in the Charlevoix Courier, Charlevoix Michigan . . . And if you missed it when it did appear in the Courier, be sure to read it in Reader's Digest . . .

The rat race is about to start . . . that is, the basketball season is about to open . . . with five games sandwiched into three weeks . . . Northern Michigan is certainly basketball territory . . . with just about everyone following some team . . . Our little ole Rayders take on one of the strongest teams in the loop this week . . . the Mancelona Ironmen who, as they say, are 'Loaded' . . . But those kids of ours, while not exactly 'loaded' will do alright . . . And if we were betting, we'd surely put our foldin' stuff on the noses of the local lads . . . We'd like to join everyone else we know in wishing the Rayders and their coach, Don Carey, the best of everything this season . . .

Thanksgiving is 'old hat' to most of us . . . We grew up with stories of the Pilgrim and their search for a country where they could worship as they wished . . . and of that first Thanksgiving when these hearty souls gave thanks for their freedom and for a bountiful harvest . . . It was rather symbolic, we thought, when a group of modern-day pilgrims, also seeking freedom, landed in our country on Thanksgiving Day 1956 . . . It should make us all the more grateful for what we have come to expect as our right . . .

We turn to our police for protection but those people, when given a police escort, thought they were again being taken off by the police as they might have been in their native land . . . It was difficult for them to understand that they were being accorded an honor by having a

BABY TALK

Births recorded at the Charlevoix hospital recently include:
A son born to Mr. and Mrs. Jack Wilson of East Jordan Nov. 23.

A daughter born to Mr. and Mrs. Dewey Bruce Nov. 23.
A daughter born to Mr. and Mrs. Dale Lambert of Bellaire Nov. 23.

A son born to Mr. and Mrs. Eugene Drost Nov. 23.

Mr. and Mrs. Albert Ansted of Petoskey are the parents of a son, Quinn Eric, born Nov. 9, at Little Traverse hospital in Petoskey.

Lt. and Mrs. Gerald G. Gibbons of Sault Ste. Marie announce the birth of a son, Gerald George II, Nov. 19.

Mr. and Mrs. William Bennett of Phoenix, Ariz., announce the birth of a daughter Nov. 17.

Mr. and Mrs. Kenneth Bird of Detroit are the parents of a son, Gary Aaron, born Nov. 21.

S-Sgt. and Mrs. Norman Bartlett of San Bernardino, Calif., announce the birth of a son, Robert Louis, on Nov. 13.

Mr. and Mrs. Lee Moerland announce the adoption of a three-months old son, Timothy Sean.

And the hardships they have endured to get away from their own land . . . It doesn't make pretty reading but it sure makes one stop and think . . . and appreciate a little more what we take for granted . . .

We'd like to toss an accolade to a group which has done a great job . . . one that we think is long over-due . . . We mean the gang of fellows who have given hours of hard work . . . and we mean, manual labor, to develop the ski run at Mt. McSaubia . . . Now that's it's shaping up, it's easy to see the work that has gone into the project . . . the building of the run itself, the construction of the beautiful warming house . . . the installation of all sorts of equipment in that plus the digging of holes for the poles which light the run . . . Take a look for yourself and you'll see what we mean . . . And when it's ready to go, you'll be amazed at the low cost of the entire installation . . . A big pat on the back and a "well done" to all those who have given so generously of their time, talents and muscles in the development of the ski run . . . so that our people can have some place near home to ski . . .

What Makes Your Family?

"Home Life" is the answer, and well it should be for it was there we first became aware of our existence. It was there we got our early training, formed our habits and eventually developed into good citizens.

Throughout life those early memories of home stay with us and we often compare our childhood home with the home we have established. We marvel, too, at the stamina of those homemakers of yesterday with their determination to make a home with so few conveniences and comforts. Homelife was important to them.

The home is equally important today if we are to perpetuate family life. In fact, home should be the best place on earth, and we can help you make it so.

When Christmas rolls around, what better way to make its joys last all year than to provide Gifts for the Home. We invite you to visit our displays often between now and Christmas and see for yourself the many home gifts in a wide price range that will make your family happier and more comfortable throughout the year.

Sixty Cub Scouts Assemble For Pack Meeting At Gym

Sixty Cub Scouts representing six dens participated in the recent pack meeting held at the high school gymnasium, Charles Bleha, Cub Master, has announced.

Another 30 local boys, many of them who have been in the cubbing program before, are waiting to join the Cub Scouts as soon as more den mothers are found, Mr. Bleha said.

Using the Cub Scout theme for November, Puppets, the boys presented a number of skits, charades and pantomime acts.

The present dens and their leaders are: Den 1, Mrs. Ray Wood; Den 2, Mrs. Emerald LaBlanc; Den 3 Mrs. Ronald Swanson; Den 4 composed of Webbs, who will go into Scouting early next year, Mrs. E. D. Hawley; Den 5, Mr. George Hutchinson and Den 6, Mrs. Lloyd Arnold.

Several more den mothers are needed if all the boys desiring to participate are to enjoy the fun and guidance offered in Cubbing.

Anyone wishing to become a Den Mother or assist with a Den is asked to call Mr. Bleha.

George Hutchinson is now treasurer of the Cub Scout group. Louis Hooper is in charge of public relations.

Health Director Urges Residents To Buy TB Seals

Dr. A. F. Litzenburger, director of District No. 3 Health Department, has praised the work of the Michigan Tuberculosis Association and urged residents of the Charlevoix area to support the fight against tuberculosis by buying Christmas seals.

While the control of tuberculosis is legally the responsibility of the official health agencies, Dr. Litzenburger said, the year-round work of the voluntary TB association is more vital than ever if TB is eventually to be conquered.

Many of the present techniques which are now taken for granted were pioneered by Christmas Seal dollars. The TB association's programs of health education and assistance in case findings and support of basic research are essential to continued progress against the disease. The MTA is constantly striving to strengthen TB control measures to protect the public and help the patient, he added.

He warned that the people of Michigan must not permit the progress made to overshadow the fact that more than 100 new tuberculosis cases are found every week in Michigan, and that more people die from TB than from all other infectious diseases combined.

The last word in roofing . . . ALUMINUM

Think of it... a roof that will last for years and years and remain attractive. A strong roof, yet light in weight. You can easily install it yourself. Good for siding, too. Come see this aluminum roofing... quick.

Step under an Alcoa® Aluminum Roof on a hot day. You'll notice what tests have proved. It's cooler under an aluminum roof because aluminum reflects hot sunshine.

There is still another quality which aluminum gives you. It defies the weather, resists corrosion and practically eliminates upkeep. Once Alcoa roofing or siding is up you can forget it.

Have a look at your buildings and see if they don't need an Alcoa roof that will take care of itself... and better care of your stock. The next time you are in town—stop in and see our stocks of Alcoa roofing.

Home Demonstration Agent Tells Various Ways To Prepare Venison

If you can prepare beef and lamb for your family's food fare, you should have no trouble coping with your husband's prize trophy of venison.

Even though you get a deer that is tough or has a strong flavor, there are ways of preparing it for the table that will make it palatable and appetizing, points out Clara Brown, Charlevoix county home demonstration agent.

Use moist heat methods of cooking for tough cuts and use bacon, vegetables and fruit juices to give different flavors. Spices such as bay leaf, thyme, garlic and savory may be added to suit your taste.

Clara says it should not be necessary to try to conceal the flavor of venison. The characteristic flavor seems to be concentrated in the fat and if it is strong, trimming away excess fat will help. But, venison is a rather dry meat and is often improved by adding suet, butter or other fat when roasting, broiling or frying it.

To roast the loin, round or shoulder, put it in a slow oven (300 degree to 350 degree F.) and allow 20 to 25 minutes per pound. Extra fat can be added by placing bacon strips or beef suet across the top of the roast.

You've enjoyed beef and chicken barbecue; how about serving that deer meat in the form of a venison barbecue.

Clara suggests this as one way to serve venison. Sear three pounds of venison in a frying pan with slices of salt pork or other fat. Cover the venison with a barbecue sauce and roast it in a

moderate oven (350 degrees) for 1 1/2 to 2 hours. Turn it occasionally.

The sauce recipe includes: 1 cup catsup, 1 teaspoon salt; 3 slices onion, 1 onion, sliced thin; 1-3 cup beef steak sauce; 2 tablespoons tarragon vinegar; and 1 tablespoon chili powder (for hot sauce). Bring this mixture to a boil and stir to avoid burning.

For those venison steaks that aren't so tender, the M. S. U., specialists suggest swissing them. Dredge 1 1/2 pound round steak, with flour and season with salt and pepper. Then brown it in fat. When both sides are brown, add 3 large onions, sliced; 1 medium stalk celery, chopped; 1 cup tomatoes; and 2 tablespoons Worcestershire sauce.

Cover the pan tightly and cook in a medium oven (350 degrees) or over a low heat on top of the range until tender (about 1 1/4 hours). Remove the meat to a platter and make the gravy from the drippings in the pan. Serve it with baked potatoes.

Area Farmers Are Guests Of Kiwanis

Thirty-five area farmers were guests of the Charlevoix Kiwanis club at the annual rural-businessmen dinner meeting at the high school cafeteria Monday evening.

As the program which followed rural-city problems were discussed, Cmdr. E. K. Shanahan was program chairman and served as moderator.

Weight, Gas Tax Money Distributed To County, Cities

Weight and gas tax monies for the third quarter of 1956 as provided for in Acts 51 and 87 have been distributed to the counties, cities and villages of the state by the Michigan State Highway Department.

Under the State Motor Vehicle highway fund the Charlevoix county road commission received \$30,370.73; Charlevoix, \$4,430.04; Boyne City, \$5,979.56; East Jordan, \$3,190.40; Boyne Falls, \$606.70.

Under Act 87, the amount raised by the extra 1 1/2 cent gas tax and the additional weight taxes levied under its provisions, the Charlevoix county road commission received \$6,995.51; Charlevoix, \$624.94; Boyne City, \$834.43; East Jordan, \$450.01 and Boyne Falls, \$85.59.

Peninsula News

Those who took Thanksgiving at the Robert Myers home were Mr. and Mrs. Bill Gaunt and two children and Mr. and Mrs. William Gaunt.

Mrs. William Gaunt Sr. was entertained Sunday evening reminding her of her (?) birthday. Those present were their son, Bill and family, and Mrs. Pearl Price of Milan and Roy Ikens of Boyne City. Ice cream and a lovely birthday cake was served and some lovely gifts were presented.

Mr. E. H. Phillips was home from his work at South Bend for a few days doing some hunting with no luck.

Mr. and Mrs. Bill Gaunt Jr. and two children spent Sunday with their sister and family, Mr. and Mrs. Alfred Crowell.

Roscoe Barber is the only lucky hunter from this district getting his in the first few days.

Dare to be Yourself

Crushing the teeth nightly before going to bed is a wide-spread practice and a good one. A rarer habit and even better is that of giving the mind a good scrubbing every night before retiring, scouring away the days accumulation of grime.

One of the best brain-brushes I know of is star-light. It is especially effective if used on a crisp, cold wintry night when there is not a fleck of cloud in the sky, when the air is calm and smoke rises easily and hardly ruffled from the fireplace chimney, and when the watcher stands off a part from human habitation, detached, undisturbed, solitary. Then star-light rises disorder from a jumbled mind, reminding one of the perfect system of the celestial arrangement where entire constellations can dash through the heavens at incomprehensible and varying velocities and in different directions, yet with no collision, no chaos. Such contemplation straightens an untidy mind and cleanses it of all clutter.

Again, starlight wipes away our absorption with the trivial. How small and insignificant we feel and how petty some anxieties, some slights and grievances seem when compared to the spaces that separate the stars. Look up. Consider that the distances between even the closest, most companionable luminaries are somewhat proportionate to the distance between the weathervanes on two church steeples — one located in San Francisco and the other in Tokyo. And the chances of two near stars colliding would be about the same those weathervanes have of colliding. The consciousness of such enormity and boundlessness scrubs away preoccupation with trivialities and readies a place for great thoughts.

One of the chief benefits derived from frequent star baths is a cleansing of the mind from monotony and sameness. The night sky is full of variety. Every star is an individual with its own position or any given night, its own magnitude, its own hue. Alcor and Megrez of the Big Dipper have their own characteristics and could not be mistaken for Polaris. Orange-colored Arcturus, sixth brightest star in the sky and 25 million miles in diameter, could never be confused with brilliant, bluish-white Vega. There is but one super-giant star, Betelgeuse, but one Castor, only one Sirius. And when one gets to know the night sky well, the stars are no longer a mass of indistinguishable lights. They are distinct, but cordial, friends, each one known for its own singular charm.

In these days of increasing conformity I find much relief under the starlit heavens where every star has its own degree of luminosity and every planet reflects light with its own intensity. There is in the heavens the same sort of diversity that exists amidst the flowers of earth, where orchids make no attempt to look like roses, nor do roses seek to

smell like dahlias. Each wafts its own fragrance. One of the basic evils of our times is our gradual relinquishing of individuality. It can be found almost anywhere in modern society. We are becoming increasingly imitative, fearful of being "different."

David Riesman, one of our generation's profoundly analytical thinkers, has written a book entitled "The Lonely Crowd," in which he makes close examination of present American character. This author says that before World War I the typical American lived as if he were given balance and stability by some inner gyroscope of motive, ambition, and conviction. But some thing has happened. The "fit in" "to find out what others expect of him and then to do it." He is no longer guided from within, but from without. He conforms.

Not long ago one of our most widely circulated magazines published an article concerning the role of the wives of Corporation executives. The writer showed profound concern because in many corporations whether or not a man gets a promotion depends a great deal upon whether his wife fits into "the pattern." The wife of the prospective officeholder is eyed as carefully and as zealously as if she were a commodity the firm were buying. She must not be too intelligent. She must move easily in social circles, and she must be very adaptable. Above all, she must not be outstanding good at anything, not conspicuous. She must not be herself at her worst, but neither can she be herself at her best. She must be what those of her husband's circle expect her to be. She must conform.

Some sociologists declare the conformity to standards of their gang pulls young people into juvenile delinquency that ranges from looseness in sex morals to crimes punishable by death. Too many youngsters have antennae-type minds that are constantly feeling out the group to see what is accepted and what pleases the majority. Whatever it is, they will do it. They do not dare to be different.

Perhaps we can sense the terror and tragedy of conformity most clearly by seeing that by compelling conformity Mussolini's fascism won Italy, Hitlerism took over Germany, and the Communists have seized much of Europe. Wherever an absolute dictator is in control, one can never know when hobnailed boots will kick in a door and summon one to conformity or death. On the other hand, one of the glories of democracy is that it guarantees a maximum of disagreement, non-conformity, and individuality.

One of the splendors of greatness is that one heroic person is not a carbon copy of any other. Moses and Jeremiah were both men of enormous spiritual nature. But they were unlike. Peter and Paul were of immense influence on early Christianity, but each in his own way.

Mental Health Course Will Be Held In Petoskey

A Mental Health course which will be taught by a series of lectures, films and discussion periods will be offered in Petoskey after the holidays.

Registration for the course will be held at the Petoskey high school at 7:30 p. m. Jan. 8. Classes will meet there from 5 to 7:30 p. m. Tuesday beginning Jan. 15 and continuing through April 2.

The courses will be listed as Psychology 415, offering two hours of undergraduate credit at Central Michigan college and as FE 419-Mental Health of the School Child for three term hours graduate and undergraduate credit at Michigan State University.

The course is open to all school personnel, social and family agency personnel and parents. The course will be offered by Central Michigan college and Michigan State University with the cooperation of the Michigan Society for Mental Health.

Boulders in our paths can be stumbling blocks or stepping-stones.

One George Washington as President of the United States was momentous for America. But fifteen or thirty successive George Washingtons would not have brought our country to her present greatness. He was the man for that hour, but he himself refused a third term, knowing he was not the man for every hour.

Aside from Christ, Abraham Lincoln is my favorite historical personage. Chief among his attributes was his uniqueness. He was different. Never before was there a man like him. Never again will there be a man cut from the same pattern. That fact is not one to be lamented. It is part of Lincoln's splendor that he was and is inimitable. Lincoln's most ardent admirers glory in the knowledge that he can never be duplicated.

Even Christ did not ask that His followers become exact copies of Him. They were to live by His principles and by His spirit and with His help, but each in his own place with his own gifts and in his own way.

The moon is a sublime sky lantern. But a hundred moons in the sky, the same size and the same shape, would sicken the eye. Stars are splendid. But if all the stars were of the same size and shone with the same intensity and hue, the night sky could not be nearly so beautiful.

Nature never repeats herself, never exactly imitates her past performance.

A long and contemplative look at the stars suggests to a thoughtful person the need of shining in his own place, at his own magnitude, and with his own hue.

Basketball Teams Begin Loop Play

(Continued from page 1)
Coach Schurman may call on Dexter Bailey, another six footer. Boyne City is expected to start the same team Coach Paul Pfahler laid against the Petoskey Northmen Friday night although the Ramblers dropped the game by a score of 44-42. The probable line-up for this week will be Carl Charon and John Junday forwards; Steve Williams, center and Doug Newville and Rick Casper, guards. Gary Coon may also play.

At Grayling Coach Bruce Smith is counting on two veterans, Bob Strong, 6 ft. 4 1/2 in., center and Dave Lowe, and guard and letterman Don Roberts and Bill Martin in the forward slots and Aubrey Welch, a guard. Joe Lowe and Tony Dornier may also play.

Coach Charlie Paige at Harbor Springs will floor the tallest team in the circuit. Heading the list will be center, Don Lauer, center and top scorer in the loop last season; forwards Dick Keller and Al Herding, 6-3 and 6-2 respectively, and Pete Graham and George Coveyou, six-foot guards. Bob Lauer, another six footer, may see action. Two others, regular Rich Clarke and Dean Barnifield, will not play this game.

Gaylord's Coach Jim Mongeau is expected to use regulars Mike McKillop and Darwin Mason in the forward positions, Harry Wolfe at center, Dale Kreger and Lonnie Campbell, a regular and top team scorer last season, at the guard positions. Keith Riddle may also play. The Blue Devils opened against Cheboygan Tuesday night.

Coach Gayle Saxton at East Jordan will start an experienced team against Pellston, which, like Charlevoix, is building its team around one regular, Pat Cahinaw. Ray Walker 6 ft. center, forwards, Cal Darbee and Larry Woodcock forwards, all regulars from last year's squad, and guards Gareth Thompson, a letterman and regular Jack Ingalls are expected to get the starting assignments. The quintet will average 6'11".

Ralph Shepard, Bucky Chahak, Gene Richards, Dave Nachazel and John Bös may also see some action.

Coach John Toth of Pellston will have only one regular, Cahinaw, a center, in the Hornet line-up when he sends his team against East Jordan. Other assignments may go to guards Duane Johnson and Clark Marshall but the forward positions are still wide open with Ray Duralee, Arnold Munsmert, Bill McClutchey and Barry Anderson all strong contenders for the opening game forward assignments Friday. Others who may play are Jim Robinson, Ray Bonter, Allen Ball and Harry Ball.

Tomorrow is the greatest labor-saving device of today.

Sears' Tug Boat Is Damaged In Storm

The Sears tug owned by the Sears Dredging Co. of Traverse City was towed to the Hamilton Boat Yards here for repairs Monday night by the 65 ft. Coast Guard cutter here, Joseph Etienne, commanding officer of U. S. C. G. Group Charlevoix has reported.

The pilot house and deck of the tug was badly damaged by the boom on a barge in a storm which struck Northport where the company was working. The Coast Guard towed the barge and other equipment to the company dock in Traverse City before returning here with the damaged tug.

Postmaster Urges Early Mailing Of Cards And Parcels

Shop early and mail early this Christmas season to facilitate the processing of the largest Christmas mailing in the history of the Charlevoix post office, Postmaster Peter H. Timmer urged this week.

To put off mailing Christmas cards and parcels until the last moment results in an extra burden being placed on the postal employees and on the postal facilities of the post office department, Mr. Timmer pointed out.

Every facility of the local post office will be pressed into maximum service so that again this year, as in the past, the Charlevoix post office will be cleared, if possible, of all Christmas mail by Christmas day.

There are still some people who retain the mistaken idea that a gift or card arriving on Christmas eve has a special significance, Mr. Timmer said. "It is the thought behind the gift or card, not the time of arrival which is the important consideration."

"By following the simple suggestion of mailing early, wrapping carefully and addressing plainly, the residents of the Charlevoix area will be assured of the safe and timely arrival of their Christmas mail," Mr. Timmer added.

Petoskey Little Theater To Present Murder Mystery

An exciting murder mystery, "The Ninth Guest," written by Owen Davis, will be the second offering by the Petoskey Little Theater in its eleventh season. Rodney Greede will be a member of the cast of the mystery play which will be presented at the Petoskey high school auditorium at 8 p. m. Monday and Tuesday.

The play tells the story of nine people assembled in the Bienville Penthouse through the request of a mysterious telegram each receives. The guests are then told by a mysterious voice they each will die before morning.

When they try to leave the penthouse they find that they are held prisoners. How the movie actress, a woman lawyer, a society woman, a politician, a doctor, a professor, a newspaper man and a business tycoon react to the situation makes a thrilling drama of suspense.

The curtain on this thrilling mystery will go up at 8 p. m. Ticket holders are advised that the production dates are a week later than indicated on the season tickets.

Girl Scout News

Girl Scout troop 10-A met Monday. The business meeting was called to order by Patsy Whitley, our vice-president. We said our Scout Prayer and Promise and then discussed purchasing subscriptions to the American Girl magazine. We decided against ordering any at this time.

We also made initial plans for making Christmas candles to be used as Christmas gifts and for a Christmas party to be held at the Community Church of God, Fellowship hall. Committees for the party were appointed.

We adjourned after a good-night circle.

RECORD OF THE COUNCIL

October 29, 1956

The Common Council of the City of Charlevoix met on the above date with Mayor Hiller presiding. Aldermen present: Staley, Bellinger, Gebeau, Hamilton, and Kipke. Aldermen absent: Boss.

The minutes of the October 15, 1956 meeting were read and approved.

Enter Alderman Boss.

Alderman Kipke offered the following resolution and moved its adoption, supported by Alderman Staley.

RESOLUTION

WHEREAS, by resolution adopted by the Common Council of the City of Charlevoix, Michigan, at its meeting held on September 17, 1956, it was deemed expedient, advisable and a public improvement to vacate, discontinue and abolish that certain part of a street in the City of Charlevoix, Charlevoix County, Michigan, described as follows: "All that part of Antrim Street lying East of the West Line, projected North to Round Lake, of Lot Six (6) of Block Nineteen (19) of William C. Newman's Addition to the City of Charlevoix, according to the recorded plat thereof."

AND WHEREAS after full hearing therein it is deemed by the Common Council of the City of Charlevoix to be expedient, advisable in the public interest and a public improvement that said part of said street be discontinued, vacated and abolished;

AND WHEREAS said resolution set this time and place for a public hearing upon the question of vacating said part of said street and due notice thereof having been published for four successive weeks in the Charlevoix Courier, a newspaper printed and circulated in the City of Charlevoix, commencing with the issue of September 21, 1956, as directed by the Council;

THEREFORE BE IT RESOLVED by the Common Council of the City of Charlevoix, Michigan, that the aforesaid part of said street be and the same is hereby discontinued, vacated and abolished;

Resolution rejected by the following Yea and Nay vote. YEAS: Aldermen Staley, Gebeau, and Kipke. NAYS: Aldermen Bellinger, Boss, and Hamilton. ABSENT: None.

Moved by Alderman Hamilton and supported by Alderman Bellinger that the City increase their FireCo. Insurance Coverage in the amount of \$71,900.00 as recommended by the Insurance Committee.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Staley, Bellinger, Boss, Gebeau, Hamilton, and Kipke. NAYS: None. ABSENT: None.

Moved by Alderman Hamilton and supported by Alderman Staley that the City purchase Fleet Insurance from the Charles A. Hamlin Insurance Agency with the following changes to be made in coverage: Increase Bodily Injury coverage to \$50,000-\$100,000 and endorsement to cover loss of Fire Equipment by fire or vandalism at the location of a fire.

Motion adopted by the following Yea and Nay vote. YEAS: Aldermen Staley, Bellinger, Boss, Gebeau, Hamilton, and Kipke. NAYS: None. ABSENT: None.

Alderman Gebeau offered the following resolution and moved its adoption, supported by Alderman Kipke.

RESOLUTION

WHEREAS, the City of Charlevoix is the owner of the Fee Title to certain Real Estate hereinafter described and did in April 1948 execute a highway easement release to the Michigan State Highway Department designated Project 15-12, Parcel 23, which is recorded in Liber 137 of Deeds on page 303 in the office of the Register of Deeds for Charlevoix County, Michigan, for the sum of One Dollar and Other Good and Valuable Consideration which in addition to the Highway right-of-way covered that parcel of land situate and being in the Township of Charlevoix, Charlevoix County, Michigan, described as follows:

Express Gratitude At Thanksgiving Day Services

Testimonies of gratitude for blessings brought by a spiritual understanding of God and man were a feature of the Thanksgiving service held at the Christian Science Society on Thanksgiving day.

"Thanksgiving" was the subject of the lesson-sermon read from the book, "Legende" was the piano prelude and the postlude was "Isley".

Walker A. Miles, the first reader, then read the Thanksgiving Day proclamation by the President of the United States.

Invest In Fashion

Many women admire fashion intensely, but do not practice it. These women will label "fashion" as being "too expensive". The way fashion operates in America, good fashion is available at as many price levels as poor fashion is.

One must spend money to be well-dressed; just as one spends money to be well-read, or well-versed in music or art—clothes are definitely a part of a country's culture, too. "Clothes finds" and "bargains" often add up to a greater expense than a well-planned investment in fashion. The intangible returns that fashion pays—the flattery and the good feeling that comes in knowing that you look your smartest can never be measured in dollars and cents.

With Christmas so near you will want to plan your gift-giving budget now. Use Fay's Layaway budget now. Use Fay's Layaway Convenience Plan to help you make your selection early, when the most is available.

Now at Fay's are Famous Name Hosiery—strictly a timely promotion—for they are first quality, full fashioned, beautiful 51-15s for Christmas giving at an especially low price of 67c a pair, or 3 pair for only \$1.89! stop in—and judge for yourself.

Good Citizens, These Railroads

OF ALL forms of transportation only the railroads and the pipelines fully pay their way.

The railroads build and maintain their own roadways and terminal facilities.

They have spent millions in the construction of bridges to meet the requirements of waterway navigation, used—without charge—by competing barge lines.

Untold millions of their taxes have gone into the construction and maintenance of highways used by their competitors, the trucks and busses.

They have repaid the Federal Government many times over in reduced passenger, freight and mail rates for the land grants of the 1850s-1860s.

They have repaid practically all loans from the Government and full interest on such loans and those from private investors.

And hundreds of millions of their taxes help support federal, state and local governments, help maintain military establishments and schools, and all other governmental activities.

Mrs. Eva Donnell, Former Resident Dies In West

News of the death of Mrs. Eva Crani Donnell, 66, a former local resident in West Los Angeles, Calif., on Nov. 11, has been received here.

She had been in failing health for several years and had been a patient at the Veteran's Administration hospital in West Los Angeles for some time before her death.

Funeral services were held in Los Angeles and burial was in Veteran's Memorial cemetery in West Los Angeles.

A native of Charlevoix where she was born June 23, 1890, she was the daughter of Mr. and Mrs. Ramsom Cram. Following her graduation from a nursing college in Chicago, she served with the nursing corps during World War I and was overseas at the time of the Armistice in 1918. She lived in the west for many years.

She is survived by an adopted son, Patrick Nagle of the U. S. Air Force; a sister, Mrs. Alta Hale of Bellingham, Wash., and several nieces and nephews.

Charlevoix Unit Contributes \$500 To Cancer Fund

The Charlevoix county unit of the American Cancer Society has made a \$500 contribution to the Cancer Research Department of the University of Michigan Mrs. J. C. Marshall, county chairman, has announced.

The funds, a part of the money raised this April fund campaign, will be used exclusively for research. This is the second \$500 contribution made by the Charlevoix county unit.

The county unit will sponsor a cancer education program in both the elementary and high schools in the county after Jan. 1.

Mrs. Marshall also reported that all doctors and dentists in Charlevoix county would be given subscriptions to the magazine "C. A.", by the county unit.

Cancer deaths in Charlevoix county in recent years totaled 29 in 1954 and 24 including 14 men and 10 women in 1955.

Local Hunters Get Their Bucks

Among the hunters who returned from camp this week were Gordon Moeller, Carl Kohler and E. D. Hawley. They hunted near Foster City. Mr. Moeller and Mr. Hawley filled their licenses.

Earl Miller, hunting near Munising, returned with a six-point buck. He was hunting with Glenn Ingalls.

Ed Hansen is credited with bringing in the deer with the largest rack of horns to date. While hunting with Bud Keie in the Jordan river district, the buck which dressed out at 145 pounds, came down a hill toward them. The pair had started a fire along the road to warm themselves and when the buck saw them he turned broad-side and both hunters shot him. It was Hansen's shot, however, which brought him down. As he fell, he rolled down the hill to the road, only a short distance from where the pair had parked their car.

Four County Men Selected To Fill January Quota

Four Charlevoix county draft registrants will be called for induction into the armed services to fill the county's January draft quota, Mrs. Eleanor Left, draft board clerk, said Wednesday.

Leaving Monday to fill the county's December draft call which recently was increased to six men are: William C. Goss and Clyde F. Flewer of Charlevoix, William G. McDonough of St. James, Gary W. Farmer of East Jordan and Kennard H. Gerrie and Gordon H. Stanley of Boyne City.

The men who will be called to fill the January draft call will be named at a meeting of the draft board to be held early next month. No one will be called for pre-induction physical examination.

City Urges Resumption Of Detroit Bus Service.

The city of Charlevoix is spearheading a drive to obtain the reinstatement of Greyhound bus service between Charlevoix and Detroit because northern Michigan industries are imperiled by the lack of bus service to and from Detroit and other eastern points.

The decision to take this action was made at a special meeting of the city council and representatives of industries called by Mayor James Hiller.

Clear Youths Of Murder By Lie Detector

Lie detector tests given Saturday afternoon at the Traverse City state police post cleared two Boyne City youths of any implication in the fatal shooting of James Maves, 23, of Boyne Falls.

Maves was pronounced dead on arrival at Little Traverse hospital in Petoskey early Saturday morning.

The two youths, Robert May, 17, and William Oliver, 18, told Sheriff Glenn E. Rose and state police officers that they believed Maves shot himself with a 7mm Remington automatic pistol when they left him alone in a wooded area near Spring Brook when their car became stuck in the snow and mud.

The three young men were on a township road in the eastern section of Melrose township road about 5 1/2 miles east of the Walloon Lake junction.

When the car became stuck May and Oliver went for assistance, leaving Maves, who had been drinking in the car. He had asked that they leave the pistol without him because "he was afraid to stay alone." They told police officers.

On their return they were accompanied by a farmer who pulled the car from the mud. They found Maves sitting in the front seat with the pistol in his lap. They said they thought he was sleeping. After driving a short distance, they stopped and placed him on the floor of the back seat because he kept falling over.

Report Progress On Mt. McSaubia Ski Run Plans

A report on the progress of the Mt. McSaubia ski development was made Monday night at a meeting of the Charlevoix-Mt. McSaubia Recreation Corp., held at Mont's Cafe.

Robert Lieberman, secretary-treasurer of the organization, revealed that a total of \$2,275.37 had been spent for the development of the slope and an additional \$2,847.07 for the warming house which is nearing completion. He also listed another expense and said that when the bills were paid, the organization would have approximately \$1,500 to finance the cost of operating the recreation area this winter.

The possibility of engaging a ski pro for the area was discussed and the names of several persons mentioned. It was the opinion of the group that the board of directors should engage a pro, if possible.

Del Terrill offered to have ski club emblems made at his own expense and to assist in the sale of the emblems to raise funds for the project.

The ski run and tow had its first work-out Sunday night when more than 20 skiers gathered at the mountain. The final stages of the work on the warming house has been reached. Toilets and other equipment will be installed this week and the tile laid on the floor. Drainage ditches will be tilled and other work rushed in preparation for the season.

Preparing Food For Smorgasbord

Bob Neff, (second from left), general chairman of the Swedish smorgasbord to be held Sunday at St. Mary's school hall for the benefit of the ski run, is pictured with several of his chairmen at the kitchen of the school as they prepare for the event which will be one of the largest ever held in Charlevoix.

With him (l to r) are: Mrs. L. E. Grate, vice chairman, Mr. Neff, Mrs. Marguerite Wallace, William Suprenaw who will assist Mr. Neff in cooking some of the special foods, Dr. Grate, head of the K. P. detail and Mrs. Leo Allard, who with Mrs. Wallace, is co-chairman of the dining room committee.

The old idiom, "Too many cooks spoil the soup" will be discovered here Sunday when the best cooks in Charlevoix combine their efforts in preparing food for the Swedish smorgasbord to be held at St. Mary's school hall for the benefit of the ski run.

The dinner, which will feature some 40 different foods including several typical Swedish dishes, will be served from 1 to 6 p. m.

Mrs. Leo Allard and Mrs. Marguerite Wallace are in charge of the dining room, Mrs. Hal Hill, Mrs. Lila Arvill and Mrs. William Lusk are decorating the tables. Mrs. Robert Withers will prepare the coffee. James Williams will be in charge of the cake table. Mrs. John Schroeder will take care of the salads. Dr. L. E. Grate and Mr. Hill head the K. P. detail.

More than 400 pounds of various meats are being prepared for the smorgasbord along with several salads, potatoes, relishes and other foods numbering more than 40 in all.

All proceeds will go to the Charlevoix-Mt. McSaubia Recreation Corp., to finance the cost of building the ski area at Mt. McSaubia.

Parents with small children are reminded of the baby sitting service being offered so they may attend the dinner. Mrs. Robert Wallace will be in charge of a group of high school girls who will care for the children at the Congregational Sunday school rooms during the hours of the dinner.

The tug and barge which was supposed to arrive from St. Ignace as early as Monday noon remained in port because of high winds and rough weather. The owners engaged the tug and barge to dismantle and remove a crane and other heavy machinery from the White Swan in an effort to lighten the load and float the vessel.

On Wednesday the freighter remained "hard aground" on the reef despite northwest winds up to 50 miles an hour.

District Grange Officers Meet In Charlevoix Today

A Northern Michigan District Grange officers conference will be held at the Charlevoix high school cafeteria tonight (Thursday) at 8 p. m.

Purpose of the meeting is to formulate plans and procedures for the coming year.

State officers including the Master, Lecturer, Secretary, chairman of the Home Economics and the Youth, Juvenile and Health Committees will be present to answer questions regarding their various activities.

The meeting is open to all interested Grange members. A potluck lunch will conclude the conference.

Representatives of Granges in a 10-county area are expected to attend the meeting.

If you find life is empty, try putting something into it.

Decorations Give Bridge St. Christmas Look

Charlevoix's beginning to take on that "Christmas look" as municipal workers begin the task this week of decorating the lamp posts with strings of lights and putting up overhead street decorations on Bridge St.

A Christmas scene is also being painted and will be placed near the municipal Christmas tree in East Park.

Mayor James Hiller has asked residents of the community to join the city in making Charlevoix the beautiful more beautiful during the forthcoming holiday season.

The municipal department is offering \$25.00 in each ward for the best decorated home in each of the three wards. A committee of judges from the Garden club will be asked to select the winners in each ward.

"A few lights and other equipment and a lot of ingenuity is all you need to come up with a prize winning idea," Mayor Hiller said in urging everyone to participate in the contest.

County Red Cross Accepting Gifts For Hungarian Relief

The Charlevoix county chapter of the American Red Cross has been authorized to accept contributions to the Hungarian Relief Campaign, Peter H. Timmer, chapter chairman, has announced.

To meet the emergency, the Charlevoix county chapter has been asked to contribute \$200.00 to the special relief fund.

The American Red Cross has appropriated more than \$300,000 from funds on hand to initiate relief work. The American Red Cross is only one of 20 Red Cross Societies around the world to respond to the plea by the Austrian government to aid with the refugees from Hungary. The Red Cross is also the only organization allowed to transport medical, clothing and food supplies into Hungary for use by those who have remained in the riot-torn country.

Holiday Dinner To Be Served Dec. 13 By Methodist WSCS

The W. S. C. S. of the Methodist church will prepare its annual Christmas dinner, serving the public, at Harmony hall, beginning at 5 p. m. Thursday, Dec. 13. Mrs. Carlton Ikens, president of the sponsoring organization and general chairman of the dinner has announced.

Mrs. Frank Bird is chairman of the menu committee which has chosen roast beef as the main dish. Other committee chairmen are Mrs. Harold Totten, kitchen and Mrs. James Barn, dining room.

Community Chest Fund Passes Goal For 1956 With Total Of \$8,131

The 1956 Community Chest drive to raise funds for 10 agencies has gone over the top, William Fochtman, fund chairman announced this week as the drive drew to a successful close.

A total of \$8,131.01 was contributed in the drive. The goal for the year was \$7,650.00.

Contributions to the Community Chest fund came from the following sources: Industry, \$1709.50; business, \$2,159.00; residential: north side, \$657.00; valley, \$339.75 and south side, \$482.11; summer residents, \$1,754.50; hospital, \$66.50; school, \$137.00; townships: Norwood, \$32.00; Charlevoix, \$133.10; Marion, \$98.80; Barnard, \$42.00; Hayes, \$57.75; Ironton, \$27.00; Beaver Island, \$51.00; organizations, \$118.00; Shakespeare club, \$20.00; Kiwanis club, \$30.00; V. F. W. Auxiliary, \$10.00; Tuesday Study club, \$3.00; Bookish lodge, \$5.00; American Legion Auxiliary, \$5.00; V. F. W., \$5.00; American Legion, \$10.00; Barnard V. F. W., \$10.00; Charlevoix Garden club, \$10.00; Dackin Study club, \$10.00.

In announcing the results of the drive, Mr. Fochtman would like to express his gratitude to everyone who joined in bringing the drive to its successful conclusion.

"Without the fine cooperation of everyone in the Charlevoix area, the task could not have been done," Mr. Fochtman said. He mentioned, especially, the ward and township captains, those who solicited business and industry and Mrs. J. K. Reed and Mrs. Byron K. Wright who prepared and addressed all letters to summer residents.

Organizations which derive funds from the funds solicited in the Community Chest drive include: Boy Scouts, Girl Scouts, Retarded Children's School, Red Cross, Community Nurse, City Recreation, Salvation Army, United Fund, Charlevoix hospital and Emergency fund.

Fire Destroys Dvoracek Farm Home In Marion

Fire of unknown origin completely destroyed the farm home of Mr. and Mrs. Joseph Dvoracek in Marion township 2 1/2 miles south east of here Tuesday evening.

The two-story cement block house was ablaze when the fire was discovered at 9:25 p. m. by a neighbor, Mrs. Harold Towsley, who reported it to the Charlevoix fire department which devoted its efforts to saving other farm buildings. All the family's household and personal possessions were lost in the blaze.

Mr. and Mrs. Dvoracek and their six year old son had gone to the hospital earlier to visit their 4 1/2 months old daughter before going to the home of Mr. Dvoracek's brother, Tony, to spend the evening.

Fire Chief John Curtis said the origin of the blaze was unknown. The loss was estimated at \$8,000 only a small part of which was covered by insurance.

Urge Children To Have Booster Shots For Diphtheria

All children who have not had diphtheria booster shots in the past three years are urged by Dr. A. F. Lilzenberger, director of district health department 3 to have them as soon as possible.

He added that older children should also receive the booster shots.

He said that the increase of the disease in Detroit made it imperative that children be taken to the family physician for these shots.

He also urged that children be given Salk anti-polio vaccine. These shots are also available at the offices of family physicians.

Tanker Unloads Last Oil Shipment

The Cities Service Marine Terminal on Ferry ave., has received its last tanker load of gasoline and fuel oil for the current sailing season on Albert H. Smith, terminal manager said last week.

The tanker, Chicago Sacony, out of East Chicago, unloaded 980,000 gallons of gasoline and fuel oil at the local terminal Tuesday.

During 1956 a total of five tankers unloaded more than five million gallons of gasoline and fuel oil at the local marine terminal.

ODDS 'N' ENDS

By Fran Martin

And our summer friends say: What ever do you do in Charlevoix in the winter time . . . We'd just like to have them take a look at the calendar of events for the month of December . . . Add to that the long list of Christmas parties plus other private affairs and they get tired just looking at the list . . . But December is such a happy month and everyone is full of good wishes and holiday plans that no one seems to mind the hurry and scurry of the season till early next month . . . But isn't it fun?

And while we're speaking of Christmas, don't forget that there are only 15 more shopping days after today . . . So better get busy on that list . . . And if your gifts are to be sent out of town, get them in the mail early or they'll never make it . . . The same holds true for Christmas cards . . . Now we don't like to brag, but we have most of our out-of-town cards addressed and we hope to get them all in the mail before too . . . that is, if we find time to address the remainder of them and get the stamps on.

And while you're addressing cards, don't forget to send one to some person who might not receive a card . . . You don't know anyone like that? Oh yes, you do, if you'll just stop and think . . . And next week we plan to pub-

lish a list of our senior citizens who are at Grandvue hospital . . . Look the list over and perhaps you'll see a familiar name . . . Any little attention means so much to these people.

This you won't believe but it's true . . . Mrs. Bert Warner has a beautiful bouquet of pussy-willows . . . that's right . . . pussy-willows that her husband found in a swamp near Barnard while hunting recently . . . We've heard of all kinds of flowers blooming out of season but this is the very first time we've heard of pussy-willows making an appearance this time of year.

We don't know what it's like where you are but as we look out our window we see everything covered with a blanket of snow that makes the place look like a lovely Christmas card . . . We've had lots and lots of soft white snow which has fallen over a number of days . . . Three months from now we'll be happy to see it go but right now we love it.

We had the most enjoyable time the other afternoon . . . a visit with an old family friend, Glen Pearl, whom we hadn't seen in years . . . When we were at home he often came to visit and while here on a trip he and our family had quite a time . . . It was great reminiscing but even more enjoyable to hear him talk about the west . . . He now lives in Idaho and from what he tells us it's still one of the frontiers . . . The life there must be something and if we could take old Lake Michigan with us we'd be all for it at least seeing the place . . . But it was

great seeing him again . . . Just as it's always wonderful seeing old friends.

We went to the basketball game the other night. We know because we saw some good basketball because that's the only kind our Rayders play . . . But who bargained for what we saw . . . Certainly not us . . . or anyone else . . . Those kids played like fightin' fools who didn't have the good sense to know they were defeated . . . So they won . . . If they can keep that spirit throughout the season . . . why, chums, we've got us a team . . . And to you Rayders . . . play as well this week and you'll do OK . . .

By the way someone offered us a bet after the game Friday . . . Now we never make bets but if we did we wouldn't have taken this one . . . for this fellow, who knows quite a little about the game, was willing to take a bet that the league champions this year would lose at least four games this season . . . Why? Because for the first time in years every team, with perhaps the exception of Pellston, is capable of taking any other team on a given night . . . So get yourself set for a terrific season . . . And about the new league champions . . . Wanna make a bet?

There's going to be a big Swedish smorgasbord Sunday, or hadn't you heard? . . . It's for the benefit of the ski club . . . or should we say run . . . And it's at St. Mary's school all Sunday afternoon . . . But that isn't really what we wanted to talk about . . . It's the guy who's running the show . . . Bob Neff . . . Now Bob's a versatile guy, as you all know, but you haven't seen anything until you see him telling some of the best cooks in Charlevoix how they're supposed to be preparing food for this smorgasbord.

He doesn't want this and he doesn't want that but it's to be true and sort . . . He not only knows a great deal about organizing these things which he first started in Newberry when he was in the State Police . . . but it's a brave man . . . We heard him coming off on what everyone was supposed to do and we know . . . Why, he even has Larry Grate and Hal Hill in charge of the dish-washing . . . But they won't clean the pots and pans . . .

The New ski slide at Mt. McSaubia got its first workout Sunday night, we understand . . . After working on the project most of the day several of the fellows went out late in the day and tried out the tow and the run itself . . . and were very satisfied with the whole thing, we hear.

From Fruita, Colo., this week a letter from Mrs. B. L. (Mabelle Thompson) Adams who writes . . . Had a big thrill when I looked through the December Reader's Digest and saw the word "Charlevoix" . . . Always did think it was a pretty word to look at as well as to pronounce . . . I was born there 75 years ago. My parents moved to Chicago when I was about five but we returned to Charlevoix in 1894 for four years . . . and spent several summers there after my marriage . . . My ambition of late years is to see Charlevoix again . . . My grandparents were early pioneers of that region. They were Capt. and Mrs. Timothy D. Smith and the Wayne Thompsons. Capt. Smith built many sailing vessels and I also the tug, Martin . . . Mrs. Adams asked for some brochures of Charlevoix stating that she has a "lively one of 1905 which is nearly worn out" . . . She also purchased a subscription to the Courier . . . She added that

Where were you 15 years ago Friday . . . Dec. 7, 1941 . . . the day of the Japanese attack on Pearl Harbor which resulted in World War II . . . To the high school students of today it's just another date in history . . . To those of us who lived through that war it's a date we'd rather forget . . . But who can forget those days? . . . So now we pray that it won't happen again as we pay tribute to those who didn't come back . . . all because of that day just 15 years ago, Dec. 7.

Shower Given For Mrs. Lee Moerland

Mrs. Lee Moerland and her recently-adopted son, Timothy Sean, were honored recently at a baby shower given by Mrs. Bradley N. Stanton, Mrs. James Brant and Mrs. Robert G. Martin at the latter's home.

Twenty-five guests gathered at the Martin home for an evening of games and refreshments served from a buffet decorated with a gull in a crib and clever nut cups.

Young Timothy and his father paid a brief visit to the party to meet the guests and see the many lovely gifts which had been presented to his mother.

Mr. and Mrs. Nathan J. Boss Return From Wedding Trip To Make Home Here

Mr. and Mrs. Nathan J. Boss have returned here to make their home at 406 West Hurlbut ave., following a northern Michigan wedding trip.

The couple was married at the Atwood Reformed church Friday Nov. 23.

The bride is the former Kathryn Shooks, daughter of Mr. and Mrs. Walter Shooks of Central Lake, Mr. and Mrs. John L. Boss are the parents of the bridegroom.

The Rev. Douglas R. VanGessel, pastor of the Atwood Reformed church, officiated at the double ring service in the presence of 200 guests. Baskets of white and yellow mums and lighted tapers in candelabra graced the altar for the ceremony.

Mrs. Hays DeYoung at the organ, played a program of traditional music, the wedding march, and accompanied Marvin Shook of Central Lake, uncle of the bride, sang "I Love You Truly" and "O Perfect Love" and the bride's father, who sang "The Lord's Prayer".

Given in marriage by her father, the bride chose a gown of white tulle and lace for her wedding. It was styled with a fitted bodice, scoop neckline, long sleeves which came to points over the wrists. He veil of net and lace fell from a headpiece of velvet chenille and she carried a white Bible topped with an arrangement of yellow roses and white feathered carnations. Her only jewelry was a pearl necklace, a gift of the bridegroom.

Mrs. Herbert Boss, sister-in-law of the bridegroom, as matron of honor wore a ballerina length gown of cocoa brown tulle with short sleeves, scoop neckline and bouffant

skirt. Her headpiece was of matching velvet chenille.

Janet Shook of Mt. Pleasant, sister of the bride, and Esther Boss, sister of the bridegroom, as bridesmaids wore gowns identical to the honor attendant's in shades of medium and dark brown, respectively, and matching velvet chenille headpieces.

All three attendants carried bouquets of bronze and yellow mums.

Herbert Boss assisted his brother as best man and groomsmen were another brother, Kenneth Boss, and Dean Boss of Jackson, cousin of the bridegroom. Ushers were Thomas Wieland and Vern Eszenberg of Holland.

Mrs. Shooks selected a beige dress, winter white accessories and a corsage of yellow roses for her daughter's wedding. Mrs. Boss, mother of the bridegroom, wore a charcoal gray gown, winter white accessories and a corsage of red roses.

Immediately following the ceremony, a reception was held in the church dining room which was decorated with pink and white streamers and white wedding bells for the occasion. Mr. and Mrs. Ray Cunningham were master and mistress of ceremonies. They were assisted by Mrs. Peter John Drenth and Mrs. Lynn Carpenter of Ellsworth.

For traveling on their brief wedding trip the bride wore a brown dress of wool jersey and tulle and matching accessories. The bride is a graduate of the Central Lake high school, attended Calvin college and was graduated from the Blodgett hospital School of Nursing in Grand Rapids. She is presently employed on the nursing staff of the Charlevoix hospital. The bridegroom is a graduate of the Charlevoix high school and was recently discharged from the U. S. Army after serving two years, one of which was spent in Korea.

Epsilon Pi Club Plans Toboggan Party And Dance

The Epsilon Pi club held its regular monthly business meeting at Christ Episcopal church dining room Sunday evening.

Plans for the month were made. They include a toboggan party next Sunday. Everyone is invited to join the party and gather later for refreshments at the home of Laurie Maltby. Anyone having toboggans is asked to bring them. Those planning to attend are asked to meet at the church at 5 p. m. for transportation to the party.

On December 15 a Christmas dance will be held at the church hall. There will be dancing and refreshments from 8 p. m. to 12 midnight. There will be a small charge and tickets may be purchased from Laurie Maltby, Helen Schwab, DeAnn Bartlett, Roberta Gillispie, Carol Belfy, Mary Ann Klogima and David Schuchard.

On Sunday before Christmas the group plans to go enrolling.

Nurses Group to Hold Annual Meet At Weathervane

The Petoskey district Professional Nurses Association will hold its annual Christmas meeting at the Weathervane here Thursday (tonight).

Members will gather for a 7:30 p. m. dinner followed by a program. There will also be a collection for the "Give A Dress" and the boy's clothing program in Petoskey.

All professional nurses are urged to attend.

Glenn Pearl arrived Saturday from Cadwell, Ida., to spend a week with his brother and sister-in-law, Mr. and Mrs. Harold Pearl.

Letters To Santa Claus

Letters addressed to Santa Claus have been forwarded to the Charlevoix Courier from his North Pole postoffice after his helpers have made notes of the Children's requests for Christmas.

The following are the first letters addressed to Santa at his North Pole workshop:

Dear Santa Claus:
This is what I would like for Christmas: a watch, kitchen, a Trudy doll, a doll buggy, a garage, a desk, a toy box, a piano and a horse.
I will try to be a good girl.
Julie Odmark

Dear Santa Claus,
Mother sent a letter to you, I have been a good girl all year long.

Please bring me a doll buggy and a doll and some blankets and some clothes for my doll.
Please bring something for my brothers and to tippy and smoky and something for mother and dad.

I will leave a lunch on the table for you and a carrot for your reindeer.

Your friend

Educational Driver Training Law Becomes Effective In February

Michigan's new driver education law which would require all persons under 18 years of age to have taken and passed a course in driver education before they could be licensed will become fully effective on Feb. 2, 1957.

The law, first of its kind in the nation, was passed by the Legislature in an effort to stop needless slaughter on the highways. The records show that driv-

ers under the age of 25 have more accidents proportionately than older drivers.

The course is available to all persons of this age as all of Michigan's public schools are offering such a program. Upon successful completion of the course, a certificate is issued to the student which he must show at the time he makes application for an operator's license.

According to Clair L. Taylor, Superintendent of Public Instruction, the law is being watched by every state to see what its effect will be. Already Michigan high schools are enrolling more than 60,000 young people in driver education classes.

The approved course includes a minimum of 30 hours of classroom instruction and an average minimum of six hours behind the wheel.

Experience has shown that driver education offered by high schools cuts accidents about one-half. Most parents will also find that when they make application for automobile insurance there will be a saving from \$10 to \$40 per year if persons in their family under the age of 25 have successfully completed a course in driver education.

In the Charlevoix public schools, a total of 28 students are currently enrolled in driver training classes which are taught by Max Novak and Larrie Tuomela. Another estimated 40 students will enroll in the class next semester.

Forty-eight students took the course in the final semester of the 1955-56 school year.

Dickens Club Told Story Of Silver By Mrs. Earl Young

Mrs. Earl A. Young presented an interesting and informative lesson on "Silver" at the regular meeting of the Dickens Study club held Monday at the home of Mrs. P. D. Campbell.

Several members brought old pieces of silver which were displayed.

Plans for the annual Christmas meeting to be held at the Coulter home on Park ave., with Mrs. Cora Coulter and Mrs. Clark Coulter as joint hostesses were made. The event will be a 1:30 p. m. desert luncheon.

Homemaking In Pakistan To Be Told At Meeting

Mrs. Richard Schroeder of East Jordan will be the guest speaker at the Charlevoix County Home Demonstration Christmas party to be held at the Church of God recreational hall in Charlevoix on December 12 at 2 p. m.

Mrs. Schroeder, who has just returned from Pakistan where her husband was farm machinery advisor to the Pakistan government, will speak on clothing, food, and other aspects of homemaking of the Pakistan people. She will also display many articles that she has collected while abroad, according to Clara Brown, home demonstration agent.

Examination For Appointment To U.S.C.G. Academy To Be Feb. 25-26

The annual examination for appointment to cadetship in the U. S. Coast Guard will be conducted Feb. 25 and 26 in more than 100 cities in the United States and abroad. Successful applicants may attend the U. S. Coast Guard Academy in New London, Conn.

Appointments are made on the basis of competitive examination and evaluated general adaptability. There are no Congressional appointments of geographical quotas.

An applicant must be a high school senior or graduate who has reached his 17th but not his 22nd birthday on July 1, 1957. Seniors must graduate and earn 15 credits by June 30, 1957, with three units in English, two in Algebra and in Plane Geometry. Applicants must be in excellent physical condition, between 64 and 78 inches in height, with proportionate weight, and have uncorrected 20-20 vision in each eye.

The Academy curriculum includes academic subjects and military training. Courses are conducted in navigation, engineering, communications, seamanship, ordnance, government, English, and advanced mathematics. Upon completion of training at the Academy, cadets are commissioned as Ensigns in the Coast Guard and awarded a bachelor of science degree.

The Coast Guard, the nation's oldest seagoing armed force in continuous service, performs duties vital to maritime safety. It enforces maritime law, operates the International Ice Patrol, mans the ocean going weather stations, maintains over 36,000 aids to navigation, and has the fundamental duty of saving life and property at sea.

An information booklet and application form may be obtained by writing or calling the Commander, 9th Coast Guard district,

Main postoffice Bldg., Cleveland, Ohio, or at the office of Coast Guard Group Charlevoix.

Rayders Come From Behind To Beat Mancelona 55-51

Charlevoix Travels To Gaylord Friday

The Charlevoix Rayders got off to a fine start Friday night by coming from behind to defeat a favored Mancelona five 55 to 51 in the opening game of the current season.

This week the Rayders will travel to Gaylord to take on the Blue Devils who last week led the Harbor Springs Rams for most of the game before losing 48 to 51 after losing their top scorer, Lonnie Campbell via the foul route with four minutes remaining. On the following Tuesday, Charlevoix will entertain Pellston here.

The Rayders will have to play heads-up ball if they are to stop the Gaylord nine who look exceptionally good. The Blue Devils do not have much height as compared with Mancelona whose team averages better than six feet. On the basis of games to date, the meeting should be a close one.

Pellston, starting from scratch, had little to offer against East Jordan last week, and even with the return of Pat Cabinaw, who has been ill, they are not expected to be a strong team this early in the season. However, they should shape up as the season continues. Unless the Rayders have a let-down after the Gaylord game, they should come through with a win over Pellston.

The game Friday night Mancelona got off to a 16 to 14 first period lead but the Rayders came back to tie the score at halftime.

In the third period, however, Mancelona went on a scoring

spree, racking up 14 points to six for the Rayders, and a 36 to 28 third quarter score. Going into the final period the Ironmen romped into a 12 point advantage and they still held a four point advantage when Terry Davis and Kenny Balch collected their fifth personal foul and left the game with three minutes remaining.

Mancelona made the score 48 to 40 before the Rayders slowly closed the gap and then went ahead by one point, 51 to 50 with 23 seconds remaining. Ironmen center Bob Hardy, scored the first of two free throw attempts to tie the score, 51-all, when Rayder center, Joel Arvilla stepped to the free throw line and hit on two free throw attempts to put Charlevoix ahead. With four seconds remaining Arvilla again took the ball and went in to score a field goal as the final whistle sounded.

In the starting line-up for Charlevoix were Balch, Norm Helms, Arvilla, Davis, Bob Mol, with Phil Timmer and Dale Putman doing yeoman's duty as substitutes.

Mancelona's Ron Johnson paced the scoring for the visitors in the first period, scoring five field goals with Hardy adding three points and Dick Holstad one field goal to put Mancelona ahead 16 to 14.

Helms led the Rayders scoring attack with five points, Mol contributed three and Davis, Arvilla and Balch, two points each.

Playing a tight defensive game (Continued on page 11)

Last Week With Class 'C' Teams

The Northern Michigan Class C basketball season got off to a fast start Friday night with Charlevoix, Grayling and Harbor Springs dumping loop rivals by close scores and East Jordan romping over Pellston 84 to 40.

After trailing most of the game, the Charlevoix Rayders came from behind in the closing minute of play to defeat Mancelona 55 to 51; Grayling defeated the defending champions, the Boyne City Ramblers 57 to 54 and Harbor Springs won over Gaylord 58 to 51 after the Blue Devils had led throughout the game.

Grayling 57: Boyne City 54. Boyne City went into an early lead over Grayling but the Vikings cut the advantage to one point, 16 to 15 as the first period ended. In the second quarter they surged into a five point advantage which they held at halftime 32 to 27.

As the second half got underway, however, Boyne City dumped in seven points to take a 33 to 32 lead before Grayling snapped back again and went ahead, holding a 42-39 lead going into the final period. The Vikings, paced by center Bob Strong, who had 16 points, surged to an eight point lead with three minutes remaining and then tried to keep the ball, thus turning off their offensive attack. Boyne City, on the other hand, cut their lead to two points before Strong collected four points on two field goals and Aubrey Welch on the free throw line pulled the game out of the fire. Boyne City lost center Steve Williams on fouls late in the game. John Juday was top scorer for the Ramblers with 21 points. Harbor Springs 58: Gaylord 51. Harbor Springs went into an eight point lead over the visiting Gaylord Blue Devils before the latter romped into a 22 to 16 first period lead. The Rams outscored the visitors 10 to 5 in the second quarter to cut the Gaylord lead to one point, 27 to 26 at halftime.

Despite the fact that Gaylord's top scorer, Lonnie Campbell, had collected three personal fouls in the first period and had been kept on the bench throughout the second and most of the third period, Gaylord managed a 39 to 35 lead going into the final period.

The Rams center, Don Lauer, broke loose in the final quarter to score 12 of his 23 points and lead his team to victory. When Campbell left the game with five personal fouls midway in the period and Gaylord lost its drive and were no match for the inspired Rams.

Campbell, with 14 points, was top scorer for Gaylord. Teammate Harry Wolfe had 13. Missing from the Harbor Springs' line-up was regular Richie Clarke.

East Jordan 84: Pellston 40. Playing without their only returning regular, Pat Cabinaw, who was ill, the Pellston Hornets were no match for the experienced East Jordan Red Devils who led 18 to 8, 40 to 18 and 64 to 24 by quarters. Coach Gayle Saxien emptied his bench, his substitutes played most of the game in an effort to keep the score down.

Larry Woodcock paced the scoring with 18 points followed by Gene Richards who had 13. Harry Ball had 12 and Ray Durkalee, 10 for Pellston.

Little Rayders Beat Mancelona In First Game

Charlevoix's little Rayders got off to a fine start Friday night, winning over Mancelona by a score of 48 to 34.

This week the J-V squad will take on the Gaylord Reserves at Gaylord and on Tuesday will meet the Pellston Reserves on the local hardwoods.

In the game Friday night the local quintet forged into a 12 to 6 first quarter lead, increased it to 23 to 10 at the half and 39 to 22 at the end of the third quarter before taking the game by a 14-point margin.

A sophomore line-up composed of Steve LaBlance, Scott Supernaw, John Bingham, Bill Poquette and Ken Case started for Charlevoix.

LaBlance dumped in three field goals, Poquette added two more and Supernaw scored one to give Charlevoix 12 points while the Mancelona reserves were held to one field goal and four free throws.

Coach Terry Rice started substituting early in the second quarter and it was these players who did the scoring in the period with Dave Schuchard, score six, Bruce Pease, tallied three and Tom Lakier one field goal. Mancelona scored only one field goal and two free throws.

In the third quarter it was John Bingham who paced the scoring with three field goals, and LaBlance, Lakies and Case scored one apiece for 16 points while Mancelona made a comeback and tallied 12 points on four field goals and four free throws. With the line-up changing constantly as Coach Rice emptied the bench, Mancelona outscored the Rayders 12 to nine for their best quarter as they scored three field goals and six free throws. The local squad's points were scored by Lakies who had three, and Joe Beaudion, Pease and Rodney Ostrom who had two each.

Others who joined the line-up were Floyd Genia, Stan Smith, Eric Arvilla, Jim VerWys, John Martin, Charles Coleman, Don Sanborn, John Norton, Dick Van Raaphorst and Jim Ladd.

Top scorers for the local team were LaBlance and Poquette who had eight each. Patrick had nine for the visitors.

twice within five days.

On Friday Charlevoix will travel to Gaylord, Boyne City will host East Jordan, Grayling will journey north to Pellston and Mancelona will host Harbor Springs.

On Tuesday Charlevoix will entertain Pellston, Boyne City will play at Harbor Springs, Gaylord will invade East Jordan and Mancelona and Grayling will meet on the Vikings floor.

Boyne City will find themselves with their hands full when they host East Jordan this week for the Jordanites are loaded with veteran players and are out to avenge defeats handed to them last year by the Ramblers.

Boyne City has dropped two games by close scores, one to Petoskey by a score of 44 to 42 and to Grayling 57 to 54. However, they could be a good match for the Red Devils, especially on their home floor. East Jordan's game with Pellston was hardly a contest so the Jordanites have not had an opportunity to play as a team. They will have that chance this week. The game should be close with the outcome a toss up.

The Grayling Vikings should have everything their way this week when they travel to Pellston to meet the Hornets. If Pat Cabinaw, their own returning regular, is back in the line-up they should give Grayling a fair game but the Green Waves should roll over their opponents without any trouble.

When Mancelona and Harbor Springs square off this week, they should put on a fine show for the spectators for they probably have the most evenly matched teams in the loop. Both have more height than any of the remaining six squads, both shaped up very well in opening games. Even though Mancelona lost to Charlevoix by four points, they controlled the backboard and the game until late in the final period when they tried to play controlled ball.

Harbor Springs, on the other hand, had trouble with Gaylord, trailing for three periods and coming to life only in the final quarter when center Don Lauer dumped in 23 points. Gaylord also lost their top scorer, Lonnie Campbell on fouls, that hurt them when they needed him most.

It wouldn't be surprising if Mancelona 'took' the visitors by as sizable score.

With so many teams pretty evenly matched, each series of games seems to get more exciting than the last. For instance, any three of the games coming up next Tuesday could be a toss up.

Depending, of course, on how they look Friday either Harbor (Continued on page 8)

Clear Youth Of Murder Charge

(Continued from page 1)

The car became stuck a second time and the pair hitch-hiked a ride to Wulloon Lake where they contacted several boys who were at the roller rink to assist them in pushing the car from the ditch. On their return to the car, one of the boys noticed for the first time, that Maves had been shot in the right temple. They rushed him to the hospital where he was pronounced dead on arrival.

Sheriff Rose and State Police officers were called at 1:30 and 2:15 a. m. respectively. They questioned the boys before bringing them to the Charlevoix county jail Saturday morning.

After they were cleared of any charges, they were held in the jail until Monday when they

appeared before Justice John Connolly.

Charged with transporting loaded rifle, they were fined \$25.00 each and ordered to pay court costs of \$5.00 apiece, or spend 25 days in jail. They were also given a 60-day suspended sentence and placed on six months probation. They paid the fines and were released, in custody of their parents.

Maves' death was listed self-inflicted by officers.

The body was taken to the Stackus Funeral Home in Boyne City. Funeral services were held Tuesday.

Non-Partisan

The White House grounds in the center of Washington, D. C., are a haven for birds, says National Geographic Society. President Theodore Roosevelt, an ardent bird-watcher, found and recorded nests of redheaded woodpeckers, redstarts, flickers, wood thrushes, catbirds, screech owls, and sparrow hawks.

Card Of Thanks

To all those who sent me those lovely flowers, cards, thoughts and prayers for my recovery during my recent illness and to Drs. Saltonstall, Grate and Blum, the nurses, aids and staff of the Charlevoix hospital who were so kind and efficient while in their care, allow me to express my sincere thanks. May your lives be long and happy. God bless you all.

E. Beesley.

Designed for the Busy Holiday Hostess

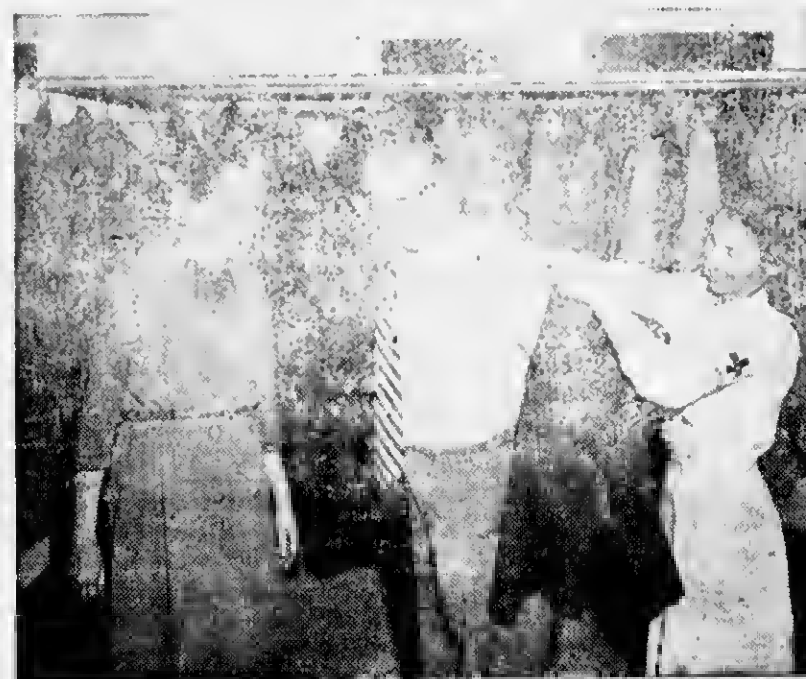

AN ELEGANT DESSERT FOR A HOLIDAY BUFFET is this Date Cream Roll—a delectable concoction made with whipped cream, marshmallows, honey, dates, nutmeats and crisp oven-toasted rice cereal. But for all of its elegance, this dessert has a practical appeal for the busy hostess since it can be made ahead of time and chilled in the refrigerator until needed. When ready to serve, slice and top with whipped cream.

DATE CREAM ROLL

1 1/2 cups whipping cream **1/2 cup chopped dates**
8 marshmallows **1/4 cup chopped nutmeats**
1/4 cup honey **3 1/2 cups Rice Krispies**

Whip 1 cup of cream until stiff. Cut marshmallows into small pieces. Fold marshmallows, honey, dates and nutmeats into whipped cream. Crush Rice Krispies into fine crumbs. Add 1 cup crumbs to cream mixture; blend well. Spread remaining crumbs evenly on a piece of waxed paper and place cream mixture on top. Mold into roll, coating with crumbs. Wrap in wax paper; chill for several hours. Slice and serve garnished with remaining cream, whipped. This recipe makes 10 servings. This is a special recipe from the kitchens of the Kellogg Co. of Battle Creek, Mich.

Red Cross Aiding Hungarian Relief

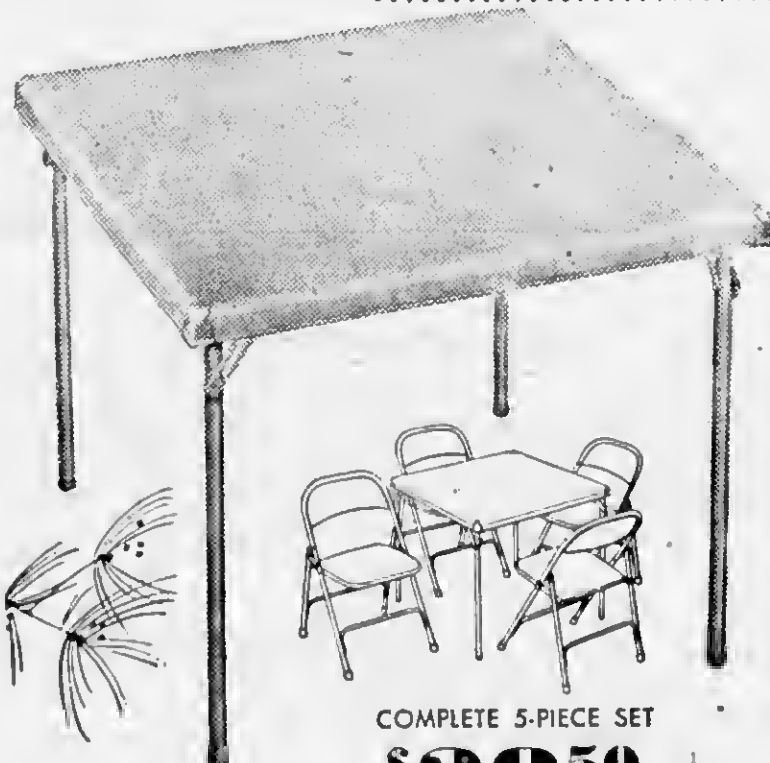

A Hungarian refugee, one of thousands fleeing to the USA from strife-torn Hungary, is fitted with a coat by a Red Cross worker before leaving Camp Kilmor, N. J. She is Mrs. John Bauwen, of Cleveland, Ohio, who with her husband, are sponsoring this young man. The Red Cross, serving sufferers since the beginnings of the uprising, in distribution of food, medicine, clothing and other necessities in Vienna and Budapest, is launching a campaign for \$5,000,000 in this country to meet costs of the mammoth humanitarian program. By the end of the year the Red Cross will be feeding over 200,000 victims daily in Hungary, besides supplying needed clothing, fuel and medical supplies.

Farm Problems To Be Discussed At County Meet

The Barnyard Economics meeting for Charlevoix county will be held next Wednesday afternoon, December 12 at the farm shop of the East Jordan high school, starting promptly at 1:30 p. m. This farm shop is located in downtown East Jordan. The theme for this year's meeting is "Decisions for Profit in 1957", according to Ed Rehman, county agricultural agent.

Everett Elwood, extension specialist in agricultural economics from Michigan State University, will be present to lead the discussion. There will also be representatives from the Social Security Agency and local representatives of the A. S. C. program.

This year's barnyard Economics will be composed mainly of three separate sections. One is the outlook for 1957 and income tax changes for 1956. Another section of the meeting will be a discussion of the Soil Bank and Your Farm. The operation of the soil bank program and whether or not it will make money for you will be discussed at this meeting. Local representatives of the A. S. C. will help in the discussion.

The current changes in the social security program is an item that is of interest to many farmers in Charlevoix county. Helping in this discussion will be a representative of the Social Security Agency. Many changes were made during 1956 and it is important that all farmers are made aware of these changes. Farmers and their wives are invited to attend.

BABY TALK

Mr. and Mrs. Carl Zeidler of Oxford are the parents of a daughter, Patricia Ann, born Nov. 18.

Mr. and Mrs. William E. Clark of Syracuse, N. Y., announce the birth of a daughter, Lynette Elizabeth, on Nov. 21. Mrs. Clark is the former Janet Bulow, daughter of Mr. and Mrs. Fenton R. Bulow.

Mr. and Mrs. Albert McCort of Jackson spent the weekend with the latter's parents, Mr. and Mrs. Charles Hamlin, who observed their fortieth wedding anniversary at an open house Sunday.

Harry Gebeau returned Wednesday from a visit in Mt. Pleasant with his son and daughter-in-law, Mr. and Mrs. Bud Gebeau.

An Unusual Madonna

Millions of people will become familiar with an unusual and beautiful Madonna this Christmas season. Actually it is just a part of a larger painting, Flight Into Egypt, by Murillo, a 17th century Spanish painter. The full picture shows Joseph walking beside a donkey on which Mary and the baby Jesus are riding. The picture is reproduced in full color on the cover of the Christmas issue of The Upper Room, daily devotional guide.

That art speaks a language all can understand is clearly demonstrated by this picture. Christians, and many non-Christians, around the world can interpret it for themselves. On the covers of all of the thirty-four editions of The Upper Room the picture will tell its own story, but the name of the publication and the text matter of the devotionals will be translated into the 29 languages in which this devotional guide circulates.

Social Status Is Found Important To American Worker

Americans seek social status in their jobs, while in Italy the money is most important.

This fundamental difference was revealed by Dr. Henry Clay Smith, associate professor of psychology at Michigan State University, who was a Fulbright research professor in Italy the past year.

Dr. Smith used a job-satisfaction questionnaire in Italian industry, probably for the first time, to obtain material for comparison with a similar U. S. study done earlier.

There are about twice as many highly satisfied workers in the U. S. the survey revealed, and three times as many Italians were actively dissatisfied.

Howard E. Trier, also of the M. S. U., psychology department, made a 1954 study in Michigan and found that social status of the position—how high the job rates in the eyes of society—is the most important factor in job satisfaction.

Trier also found that older workers were more content than younger ones, and women far

Butters' To Manage Motel In Detroit

Mr. and Mrs. William T. Butters, who operated Sunset lodge here for 13 years, have gone to Detroit to manage the Palaster, a 50-unit motor court located at the corner of Woodward and Palaster aves.

The \$400,000 installation, built by a Detroit firm, opened Dec. 1.

Mr. and Mrs. Butters who owned the Sunset lodge on Michigan ave., which was completely destroyed by fire Oct. 6 have not decided at this time what they will do with their property here.

more satisfied with their work than were men.

In the Milan area, where Dr. Smith made his Italian study, there was little difference in job satisfaction between men and women, or between old and young. The important factor was income.

"The American worker," Dr. Smith explained, "is no longer concerned with where the hamburger is coming from, but how to attain status in the group. In Italy the workers are still concerned with obtaining the basic needs of life."

Face into the Storm

Among my foul-weather friends I cherish the black-capped chickadee as one of the most companionable. When the first hints of autumn chill the air and fair-weather birds flee to more comfortable climes, the chickadee remains. And when I saunter through a cedar slump, reading tracks-tales of animals adventures of the night before, a chickadee is sure to carol a cherubic welcome. From cedar bough and spruce branch, from balsam twig and birch limb, on the sunniest days in the most merciless storm of snow or sleet, all winter long the chickadee's cheerful chant rings out.

One reason why the black-capped chickadee can survive hard Northern winters is that it has the good sense to face into the wind. Like the feathers of all the birds, a chickadee's feathers lie pointing tailward. If the bird turns its back on winter winds, snow will blow in amidst the feathers, carrying the raw and bitter cold next to the body where it can nip at the black cap's warmth and finally freeze it to death. But when a chickadee faces into the wind, snow flurries are stopped by the close matting of its feathers, which hold in body warmth and fend off savage weather. A black-capped chickadee endures the winter by facing the storm.

Many a human disaster is caused by facing away from the wind seeking to escape reality, ignoring the facts of life. The psychiatrist's offices overflow with people who have thus allowed adversity to ruffle their feathers, petrify them, and become their spirits.

Alcoholism is the result of an attempt to escape the winds of existence by turning the other way, in the direction of illusion. Drug addiction is a similar evasion of reality.

Neurotic invalidism turns one away from responsibilities so that he does not need to serve his generation but can be waited upon, ministered to constantly by those unfortunate enough to be attached to him by ties of blood or sympathy. His chief trouble is not organic, but mental, a desire to ignore reality. If the neurotic doesn't receive all the pity or attention he craves, he feels neglected, misunderstood, and mistreated. He feels he is a martyr

Mancelona Defeats Kalkaska 58 to 45

Mancelona defeated Kalkaska 58 to 45 in a non-conference game played Tuesday at Mancelona.

Ron Johnson, with 31 points, paced the game as the Ironmen trailed 14 to nine at the quarter and went ahead 21 to 20 at the half and 45 to 34 at the third quarter mark.

John Ryckman had 14 points for Kalkaska.

Action-Packed Week Ahead Of Basketeers

(Continued from page five) Springs or Boyne City could emerge the victors in their meeting Tuesday. The Rams, however, are at their best on their small floor so they might have a slight advantage when they host the Ramblers.

The same can be said of the Gaylord-East Jordan and Mancelona-Grayling games. Either game will, no doubt, be a toss up with the team getting or taking advantage of the breaks coming up with victories.

Ellsworth Lions Club Promoting Leader Dog Meet

Ellsworth— The Lions club, noted for its interest in the problems of the blind, has announced that the week of Dec. 2 through Dec. 8 has been proclaimed Leader Dog Week by Gov. G. Mennen Williams.

The Ellsworth Lions club, headed by Gordon Riddell, will join with other clubs in the state in the observance of the special week.

During Leader Dog week attention is called to the important program being carried on by the famous school at Rochester, Michigan Leader Dogs for the Blind, a non-profit organization established in 1939, has trained more than 1,000 Leader Dogs. Each Leader Dog has led its master to the door of opportunity where he could make the best use of his abilities.

Lions are striving to give every blind person a chance to enjoy the satisfaction and dignity of independence and an opportunity to live a full life. Unfortunately, many of the blind themselves are not aware of the fact that a Leader Dog may be available.

The sighted public is invited to contact a Lions club member or write Leader Dogs for the Blind at Rochester, Mich., for complete information.

YOU ENJOY INCREASED HEADROOM—made possible by recessing the floor within the frame, and by the unique, straight-line design of the roof. Mercury's outside height is a sleek, shoulder-high 4 feet 8 inches.

Texas-big all over! Far longer, wider! Bigger in every important dimension!

Here, by far, is the most spacious Mercury ever built. Even with 6 big passengers, there is no "hemmed in" feeling. There's move-around comfort for all.

BIGGEST SIZE INCREASE IN THE INDUSTRY
The new Mercury is over 17½ feet long, more than 6½ feet wide. Close to 2 tons big. The doors are much wider for easier entrance and exit. The passenger compartment alone is almost 9 feet long. Headroom has been generously increased. THE BIG M is family-car big—with much more leg room, shoulder room, and elbow room for all the family.

FAR GREATER VISION—You are sur-

rounded with up to 4,122 square inches of glass—more glass area than a picture window 3 feet high and 9 feet long. The corner posts are so slim you scarcely know they're there.

DREAM-CAR STYLED—An entirely new look—shared by no other car. Clean-cut, lean, dynamic, it will influence the shape of cars for years to come.

BIGGEST VALUE INCREASE IN THE INDUSTRY
Never before has so much bigness and luxury cost so little. Check the price tags—and our easy terms—at our showroom. You will be amazed at how little more it costs down—and per month—for a big new Mercury than for the lowest priced cars.

YOU'LL SEE DREAM-CAR FEATURES WHEREVER YOU LOOK

- V-angle Tail-lights, Jet-Flo Bumpers, Color-keyed Rear Projectiles
- Merc-O-Matic Keyboard Control that outdates ordinary push-button transmissions
- Power seat that "remembers" your favorite driving position
- Power-Booster Fan, in Montclair series, saves power over other cars waste
- Full-Cushion shock absorbers and 3 other bump-smothering advances give you Mercury's exclusive Floating Ride
- New 290-hp Turnpike Cruiser V-8 engine (optional), 255-hp Safety-Surge V-8 engine (standard)

United States Army Puts Black Widow Spider To Spinning Webs

Black widow spiders are spinning webs for the United States Army—and saving the Government thousands of dollars each year.

Kept in jars and fed on flies, the notoriously venomous spiders dolefully produce nets of dark strands for use as cross hairs in telescopes, microscopes, gunsights, and other instruments.

The black widow was selected for military service over other species because of the strength and elasticity of her web, which has been found capable of withstanding compressed-air blasts of up to 90 pounds.

Spider webs, made largely by the dominant female, come in all shapes and textures, says the National Geographic Society. Threads range from invisible single fibers to combined lines woven into snares heavy enough to entangle a snake or a mouse.

In all, there are some 25,000 known species of spiders, each with its own style of web.

The black widow's weave is coarse and irregular, with a central tunnel where she lies in wait for victims. A member of the poisonous world-wide genus *Latroctes*, she is fond of settling up housekeeping in dark, protected spots in and around human dwellings. Though she attacks man only on accidental contact, her bite is excruciatingly painful and occasionally has proved fatal.

Typing Is Taught Via TV Methods

Typewriting can be taught more effectively by television than by a personal classroom instructor, according to results of a study by the Bureau of Business Research at Michigan State University.

Television-taught students, with no instructor in the room, not only learned to type faster, but made fewer errors than those with an instructor. The technique's newness may have influenced students.

oro web the spider's masterpiece. Spun in many forms by the large Argiopidae family, it is distinguished by dry radiating spokes that intersect and support sticky encircling lines.

One handsome creation of a tropical orb spider is a circular golden net more than three feet across. It sometimes ensnares small birds.

Other web types include tangled mazes, closely woven sheets, funnels, hammocks, triangles, and "lamp shades." The bowl and dolly spider spins a double design—a horizontal sheet below an inverted bowl.

Even stranger is the way of the bolas spider. Swinging from a loose trapeze line, she draws from her abdominal spinnerets sharp lengths of thread that she finishes off with a sticky ball of silk. With these she "lassoes" passing insects, and draws in her prey.

Besides building snares to catch food, spiders spin sacks to shelter their eggs and young.

The rat spider ties leaves and twigs together with silken strands, and sails the open pond on the finished craft. Underwater spiders make small domed tents of waterproof silk.

Aerial spiders launch threads into the air and, carried by the wind, may float on agossamer cloud for hundreds of miles.

Man, too, has made old use of spiders' work. From ancient times webs have served as health charms and remedies for disease. Applied to wounds, they checked blood flow. Primitive South Pacific people still make strong spider webs into fishing nets, bags, and headresses.

Acceptable silk fabric can be spun from spider thread, although such an industry is not commercially feasible. Research scientists find spider webs especially suitable for collecting atmospheric particles. And artists have painted detailed portraits and elaborate landscapes on spiderweb foundations with delicate engineering skill that rivals the spider's own.

Report High Game Losses On Highway

A daily survey by park ranger Ray Gardner of Elkton gives an indication of the heavy wildlife losses to highway traffic.

Gardner, a ranger at Sleeper state park in Huron county, counted game killed by traffic as he drove to the park from his home each day. His survey on a 35-mile round trip covered the period from November, 1955 to November of this year.

During this one-year period, Gardner's count of highway kills included 82 hen pheasants, 11 cock pheasants, six unidentified pheasants, nine rabbits, 15 squirrels and two raccoons.

Cadillac

Surpasses its Own Great Reputation!

You're looking at a mighty surprised man.

Almost all of his adult life he has owned and driven Cadillac cars. And so, when he decided to take an hour out from his busy schedule to see and drive the new 1957 Cadillac, he thought he knew about what to expect.

Well, here he is—barely under way in the city—and already he is learning the startling truth. He is learning that nothing could adequately prepare a man for the new "car of cars"—not even Cadillac ownership itself!

He suspected it, in fact, the instant he stepped into the showroom and caught his first glimpse of this newest Cadillac creation. This was an entirely new kind of Cadillac beauty—brilliantly fresh in line and in contour.

And then he opened the door and swung into

the driver's seat—and found added evidence all around him. On every side were new miracles of interior beauty and comfort and convenience.

And when he turned the key and put his foot on the accelerator, his sentiment grew to conviction. The car was incredibly nimble and quiet and smooth of ride.

Surprised, did we say? Just wait until he hits the open highway and receives the final verdict.

No question about it—this is the Cadillac that literally surpasses its own great reputation!

We suggest that you come in soon to see and drive this most surprising new Cadillac in fifty-four years. It's an experience you shouldn't postpone—and one you'll not soon forget.

Veterans' Service Problems Will Be Discussed At Meet

William R. MacGirr, State V. F. W. service officer, will visit the Charlevoix V. F. W. post No. 1153 on Thursday, Dec. 13, R. J. Nowland Jr., commander of the local post, has announced.

In a letter addressed to the post commander, Mr. MacGirr said, "I will be present at your regular meeting to assist in any way possible those veterans who have service problems."

Mr. Nowland has extended an invitation to any veteran, whether a member of the local post or not, to attend the meeting and discuss his problems with Mr. MacGirr.

The meeting will be held at the post home on US-31 north at 8 p. m. Thursday, Dec. 13.

December Marks 60th Anniversary Of RFD In State

Rural Free Delivery in Michigan which all rural residents accept without a thought to its history, is observing its 60th anniversary this year.

To the rural patrons of Michigan the anniversary has a special significance, for the service was born in this state, thanks to the efforts of the Grange in the 1880's.

The state first R. F. D. route was begun by James H. Brown from his farm at Clumax in Kalamazoo on Dec. 3, 1890.

A monument commemorates the first route in southern Michigan. Other monuments to the Grange achievement, millions of rural mail boxes, dot the nation.

On the monument in Kalamazoo county is a bronze tablet placed there by the Michigan State Grange in commemoration

Christmas Club Checks Total \$7,000

More than \$7,000 in Christmas Savings checks were mailed recently to 125 residents of this community who joined the last year, A. L. Livingston, vice president and cashier of the Charlevoix State Savings bank, has announced.

Enrollments in the club are now being accepted for the club which will pay its dividends next November.

of this important event. It reads as follows: "The first Congressional appropriation to try the experiment of delivering mail to farmer's homes was secured through the strenuous efforts of the National and State Granges in 1890. The amount was \$40,000. This tablet was erected by the Michigan State Grange 1917."

DIG THAT DOLL

CHRISTMAS DOLLS are getting more fashion conscious every year and this blonde bombshell "dressed-to-the-teeth" by Schiaparelli is right in tune, in her crepe sheath topped off with a luxurious mink-effect stole made of Dynel and Orlon; an exact duplicate of the one a lot of real live dolls are liable to receive this year. But notice the coiffure on this number too. Her Dynel hair can be washed and reset dozens of times into any style that happens to be in vogue (ANS)

To make nashed brown potatoes, mix two cups cooked and chopped Michigan potatoes with 1 tablespoon flour and ½ teaspoon salt. Heat two tablespoons butter in a fry pan and pour in the potato mixture. Spread it out evenly and cook slowly until brown underneath. Invert on a plate, add another teaspoon of butter to the pan and gently slide the potatoes back, cooked side up. Brown, and serve in four portions.

Predict Upward Trend In Living Costs During 1957

Most family living cost will increase steadily in 1957, winding up at least two to three per cent higher than they were in the current year.

This is the prediction of Mrs. Eunice Pardee, extension specialist in farm and home development-Michigan State University.

Dental and medical costs increased faster than all other living expenses in 1956, Mrs. Pardee reports. She expects costs of these and other services to continue upward next year.

In general, food prices have been quite stable in the last five years. However, beef prices are expected to continue their sharp climb of the last half of 1956, while fresh pork prices may go up even faster.

The M. S. U. specialists believe that home furnishing costs will continue upward. Sewing machines, rugs and lamps are among the items ticketed for a price boost.

Higher costs of labor and building materials will make home building and remodeling even more expensive than at present.

Most new cars will cost from \$50 to \$100 more in 1957. Used car age tire cost should also rise. And auto parts may be 10 per cent more expensive by the end of the year.

Credit will be more expensive, too. This includes mortgages and installment credit for home furnishings.

More installment credit will be used for small appliances, clothing, jewelry, and other "soft" goods. More people will use revolving credit which Mrs. Pardee defines as a charge account with payment of the installment plan.

City Abandons Section Of East Antrim Street

The Charlevoix city council, by a vote of four to two, voted Monday night to abandon the easternmost section of Antrim st., located on the south shore of Round Lake. The action was taken following a hearing during the regular council meeting.

Barnard Grange Wins Recognition In Two Contests

The Barnard Grange and its lecturer, Mrs. Charles Wiesler, have received state and national recognition in two contests sponsored for Grange groups.

The ideas incorporated in a Booster night program arranged by Mrs. Wiesler received a blue ribbon or first place in state competition and a second place in national competition.

Merle Eddy, state lecturer, said it was the best program of its kind he had seen during his years as lecturer and the first that was good enough to be entered in national competition.

Included in the prize-winning program were a talk on "Special Education" by Charles A. Robinson, Charlevoix county superintendent of schools; selections by the 16-voice Grange chorus and the Grange quartet and a special act by the children of the Grange.

The Barnard Grange also received second place in national competition for organizations with less than 150 members. This was a national contest for lecturers. Points were given for activities sponsored by the Grange and ideas presented by the lecturer.

The honors came to the Barnard Grange through the efforts of Mrs. Wiesler who credits the Grange members for their fine cooperation. "Without this it would not have been possible," she said.

Funeral Services Held Saturday For Mrs. Frank Kenyon

Mrs. Frank A. Kenyon, 84, lifelong resident of this community, died Thursday at Robbins Convalescent hospital in Petoskey where she had been a patient for the past six months.

Funeral services were held Saturday morning at the Pontius Chapel here with the Rev. Harold E. Kohn officiating. Burial was in Sunset Hill cemetery in East Jordan.

Born in Charlevoix Nov. 15, 1872, the former Clara A. Ainslie was the daughter of Nelson and Mary Ann Lowrie Ainslie. Her father was of the early settlers here, having come to Charlevoix in the late 1860's. He and his brother, Gilbert, had the contract to carry mail by stage coach from Traverse City to Cheboygan.

On March 26, 1910, she was married to Mr. Kenyon. They made their home on Mackinac Island where he was superintendent of parks until 1931 when he retired and they returned here to make their home. As wife of the superintendent, Mrs. Kenyon was official hostess for the state of Michigan on Mackinac Island. Mr. Kenyon died May 13, 1932.

She was a member of the Shakespeare Study club and the Tuesday Study club.

She is survived by a step-son, Harold P. Kenyon of Spring Lake; two nephews, Dr. F. C. Mayne of Cheboygan and John A. Mayne of Pasadena, Calif.; and three nieces, Mrs. Marie Stacks of Lansing, Mrs. H. F. Savage of San Diego and Mrs. Blanche Greenman of Pasadena, Calif. She also had nine grand-nephews and nieces.

John Spoelman Is Re-elected Head Of Farmers Union

John Spoelman, of Central Lake, was re-elected president of the Michigan Farm Union at the annual state convention held last week at Allegan.

Among those attending from the area were June Elzinga of Charlevoix, Mr. and Mrs. Leroy Hardy of Boyne City and Mr. and Mrs. Guy McPherson of Central Lake.

Smorgasbord Benefit Helps Skiing Project

An incomplete report on the results of the Swedish smorgasbord given Sunday at St. Mary's school for the benefit of the ski run shows that \$1,003 has been turned in to Robert Lieberman, secretary-treasurer of the Charlevoix-Mt. McSaubia Recreation Corp.

It is estimated that approximately 750 persons were served at the dinner between 1 and 6 p. m. Bob Neff was general chairman. He was assisted by Mrs. L. E. Grate.

Mr. Neff, Mrs. Grate and Dr. Grate, president of the Recreation Corporation, would like to express their gratitude to all those who assisted in any way with the project. Without the support of everyone in the community, it could not have been a success, Mr. Neff said.

Many items of food were contributed by the following companies and persons: American Tobacco Co., Northern Tobacco Co., Muller Baking Co., Michigan Bread, Coaling, Bay Shore, Farmer Peet, Dawker, Eckrich Meat Companies, Swift & Co., Armour & Co., Herrod Meats, Cloverdale Meats, Heckman Biscuit Co., Aunt Jane Pickles, Ma Brown Pickles, Denner & Co., Valley Lee Butter, Mackbaur Creamery, Pillsbury Flour, Gold Medal Flour, Proctor & Gamble, Lever Brothers, Kraft & Co., Heinz & Co., Royal Gelatine Co., Trapp & Sons, New Era Potato Chips, Gordon Foods, Frank Pop, Lee Snethen, Harold Clark, Dan Haggerty and John Cruss.

Credit for the Jello fruit salads goes to the ladies organizations of the Congregational, Methodist and St. Mary's churches.

The corporation would also like to thank the Midwestern Broadcasting Co. and St. Mary's parish.

Foods that were left from the dinner were taken to Holy Child school in Harbor Springs.

Joseph Bronersky, Former Resident Dies In Detroit

News of the death of Joseph Bronersky, about 42, a former local resident in a Detroit hospital Nov. 30 has been received here.

Funeral services and burial were in Clawson where he has resided for many years.

Mr. Bronersky came here from Chicago with his family as a child. He attended St. Mary's school and was graduated from the Charlevoix high school.

Surviving are his wife; five sons, Joseph Jr. with the U. S. Army in Japan, John with the U. S. Air Force at Selfridge Air Force Base, Eugene, James and Gerald and one daughter, Shirley, all at home; his mother, Mrs. John Bronersky of Clawson and several brothers and sisters.

Pistol Matches Starting Tonight

Members of the Charlevoix Rod and Gun club interested in pistol shooting will meet at the club house Thursday at 8 p. m. (tonight) to formulate plans for the matches to be conducted this winter.

The regular shooters have indicated a desire to run all matches this year on a straight handicap basis which will place all contestants on a par and to offer attractive trophies to the winners in the various classes of events. Persons interested in shooting are invited to attend.

Registration Being Taken For Adult Classes

Registrations for continuing education classes will be accepted at the Charlevoix public school during the next 10 days, Max Novak, who is in charge of the adult education division, has announced.

There are presently nine persons registered for a class in ceramics, four for sewing, three for car driving and 15 for the class in lip-reading which is already meeting regularly.

If enough persons register for these classes, they will be started immediately after the holidays, Mr. Novak said. Classes in other subjects will be started if enough persons show an interest in them.

In order to start a class in any one subject, a minimum of 10 persons must register for it.

In the past classes have been offered in magazine and short story writing, upholstery, typing, bookkeeping, mathematics, painting, Spanish, photography and welding, to name a few.

Anyone interested in registering for any of the above subjects or any other in which a number of persons may be interested may call LI 7-6583, leave their name and the subject they are interested in enrolling in.

Charlevoix Co-op Business Volume Has Small Drop

The Charlevoix Co-operative Co. held its annual meeting at the V. F. W. post home Monday evening with more than 100 members and their families in attendance.

The financial report for the fiscal year ending Aug. 31, 1956, presented by Fred W. Willis, manager of the local co-operative, revealed that the volume of business was down 2.6 percent and net earnings were down 20 percent as compared with the same period the year before. Mr. Willis said that this was due mainly to the poor year farmers experienced during the drought months of 1955.

Four directors were elected for terms of two years. They were Rowley Williams, Sanford Matthei and Burr Blanchard who were re-elected to the board of directors and Joseph Stutzman who was named to succeed Kenneth Sweet who was not a candidate for re-election.

L. E. McGhan, president of the co-operative, reported that the board of directors had voted to retire \$5,000 of the oldest outstanding company stock.

M. J. Buschlen of the Michigan Farm Bureau Services gave an interesting and informative talk entitled "We Have a Right To Do Business With Ourselves". A movie, "The Rival World", the story of man's endless battle with insects, was shown by Ed Rebbman, Charlevoix county agricultural agent. The film was loaned by the Shell Oil Co.

The meeting closed with the awarding of prizes and the serving of refreshments. Twenty prizes were awarded.

Herbert O. Moore, Former Prosecutor For County Dies

Herbert A. Moore, 62, who practiced law here at one time and served Charlevoix county as prosecuting attorney, died Dec. 6 in Battle Creek where he had resided for the past 10 years.

A native of Chelsea, he was graduated from the University of Michigan law school and practiced here before going to Lansing. Later he abandoned his law practice and became a wood-worker. Funeral services were held at the Hebble Chapel in Battle Creek with burial in the Moore Cemetery at Chelsea.

Postoffice Hours Extended Saturdays

The Charlevoix post office will remain open until 2 p. m. on Saturday, Dec. 15 and Dec. 22, Postmaster, Peter H. Timmer has announced.

Rod And Gun Club Elects Officers At Annual Meeting

Joseph R. Williams was elected president of the Charlevoix Rod and Gun club at the regular meeting of the organization held Thursday at the club house.

He succeeded Gordon Moeller, who was named vice president. Hugh Mayne was elected secretary and Edward Swanson was re-elected treasurer. Max Novak and Cleve Staky were re-elected to the board of directors for terms of three years.

Plans for the annual banquet to be held Jan. 13 were made. Committees will be named later. Thirty-six members and six junior members were present for the meeting. A Conservation department film, "Buck Fever" was shown. Refreshments were served at the close of the meeting.

School Band And Glee Club To Give Program

The 119 members of the Charlevoix high school girls' glee club and the senior band, both directed by C. A. Odmarr, will combine their talents Tuesday in the presentation of the annual high school Christmas program.

The public is invited to attend the program at the high school auditorium at 8 p. m. Tuesday. There will be no admission charge. Grade school children must be accompanied by their parents or some other adult.

A feature of the program which in the past has been given during the school day for students only will be the "Christmas Lullaby" by Warren, based on Frank Gruber's "Silent Night" with a violin obbligato played by Mr. Odmarr, accompanied at the piano by Mrs. Leonard Burns.

The glee club will open the Christmas program with the singing of "Joy Where Is He Born" from the Oratorio, "Christus" by Mendelssohn, followed by "Gesu Bambino" by Ynn and "O Holy Night" by Adams.

A Russian carol, "The Sleigh" by Kounitz and a French carol, by Gavaert "Joyous Christmas Song" will be followed by a favorites including "White Christmas" by Berlin and "Jingle Bells" by Pierpont, arranged by Marlowe.

The glee club composed of 60 girls, the largest in its history, will be presenting its first formal concert of the school year.

The 59-piece senior band will conclude the program with several numbers including a number of well-known Christmas selections.

Opening this portion of the march, "Gawst of Flame" by Bowles followed by the beautiful "Jesus, Joy of Man's Desiring" by Pierpont, arranged by Marlowe.

All Reserves See Action In Game With Pellston

Coach Terry Rice used five complete teams as his Charlevoix reserves defeated the Pellston Reserves 42 to 23.

Charlevoix went ahead 13 to seven in the first quarter; dumped in 23 points in the second period for a 36 to seven halftime advantage after the visitors failed to make one point. In the third period each team scored five points as the Raiders held 41 to 12 lead going into the final quarter.

Eleven of the 25 players got in the scoring column. Scott Supernaw was top scorer with nine points. Ford had seven for Pellston.

W.S.C.S. Sponsors Dinner Tonight

A Christmas dinner, sponsored by the W. S. C. S. of the Methodist church, will be served at the church dining room beginning at 5 p. m. tonight (Thursday), Mrs. Carlton Ikens, general chairman of the event, has announced.

Roast Beef will be the main dish. Serving will continue until 7 p. m.

High Winds And Seas Release White Swan From Reef; Now Sunk

The 81 ft. lake freighter, White Swan, which went aground on a reef near Ile Aux Galets lighthouse 28 miles north of here in Lake Michigan Nov. 29, disappeared some time Tuesday night in a storm which hit the area late Tuesday, a U. S. Coast Guardsman at the lighthouse reported Wednesday to the U. S. Coast Guard Group Charlevoix office here Wednesday.

Seas up to 20 ft. caused by westerly winds up to 62 miles an hour are believed to have washed the freighter from the reef during the night. It is assumed by the Coast Guard that it was sunk. The lighthouse is located approximately 1/2 mile from the reef where the freighter was aground.

The White Swan owned by the Marthei Bros. Veneer Co. and the Soy Veneer Co., was enroute from Lime Island in the St. Mary's river to Charlevoix with a load of logs when it went aground at 5:30 p. m. Nov. 29. The U.S.C.G. cutter, Sundew, and two boats from Charlevoix were dispatched to its assistance. After removing the three-man crew, they tried to pull the freighter from the reef. The following day, the Coast Guard life boat from Beaver Island joined the Sundew which stood by until Monday.

Bad weather kept a tug and barge in port after it had been engaged to remove heavy equipment including a crane from the freighter in an effort to re-float it.

The owners then decided to leave it on the reef until spring before trying again to bring it to port.

The 99-gross ton wooden hull freighter was built at Manitowish, Wis., in 1922 for Jack P. Lyons of Cleveland. It was used as a freighter between Detroit and Canada until the Lyons Brothers, Jack P. and Richard S. brought it to northern Michigan about 1948. It was sold to the Marthei Brothers of Petoskey last year.

East Park Has New Christmas Theme Display

A fir tree growing in East Park has been utilized this year as the community's Christmas tree. The tree located on the Clinton st. side of the park has been decorated with a myriad of colored lights.

Nearby is the cut-outs of Santa Claus and his sleigh drawn by several reindeer. The Christmas decoration was taken down by the wind Tuesday night but has been set up again. Leading the pack is Rudolph with his red nose.

Street decorations have also been erected. A bell at the intersection of Bridge and Mason streets has replaced the Christmas tree in the overhead decorations. Colored lights have been strung between the lamp posts on Bridge st.

The decorations have been created by Edward Swanson and his utility crew. The Santa Claus and his sleigh and reindeer were cut out by Mayor James Hiller and Orva Richardson and maintained by Donald Putman.

Residents of the community are again reminded of the prize money being offered by the municipal department for the best decorated homes in the city's three wards. Prizes of \$25.00 are being offered in each of the wards.

ODDS 'N' ENDS

By Fran Martin

The town's takin' on a Christmas look these days... what with the store windows filled with gift ideas and the street decorations up... Now, if we had a little snow... Put at the rate the wind is blowing as this is being written we wouldn't be a bit surprised if that is remedied shortly... Of course, we may be a little partial but we think Charlevoix's a perfect place to show off street decorations because, as you enter from either the north or south, you are looking down on them. A mighty pretty sight... And when the tree in the park is decorated... and this year it's going to be one that's growing in the park... and old Santa in his sleigh pulled by Donner, Blitzen & Co. it's going to be even prettier.

And how about that basketball Friday night?... The gym, these nights, is no place for the weak-hearted... Think we better arrange to have an M. D. on hand just in case... Can't you hear Pete Burns, during the heat of the game, taking time to say "Is

Campus Comments

Thirty-four students from Charlevoix county are among the 3,530 enrolled for campus courses this fall at Central Michigan college. Of this number, 14 are from Charlevoix.

They are Janis I. Arbuckle, Marylee Baker, Martin E. Johnson, Gerald E. Left, Darlene E. Mason, J. Gordon Mol, Mrs. Betty J. (McBride) Roberts, Joan A. Roberts, Dwight W. Smith, Vane H. Smith, S. Jill Stewart, Carolyn M. Stool, Wayne C. Sundberg and Wanda M. Ward.

Among the first students to arrive for the holiday recess will be those from Michigan State who will be coming home as soon as they finish first term examinations.

Among these will be Amy Kyrke, Janet Krulik, Don Vratana, Robert Miles, Larry Petersen, Junior Roberts, Warren Shadko, Tom Erber, John Connolly, William Haggard, Vicky McCure, Tom Swanson and James Fiedler who will be accompanied by his wife, who is also a student at State.

Students at Ferris Institute have also completed their first term and will arrive this week to spend the holiday with their respective families.

Among them will be William Golden, who will go to Grand Rapids for a few days before coming home, Janet Todd, Don Heilig, Charles McDonald and James Haggard.

Students at Michigan college of Mining and Technology at Houghton will arrive this weekend for the holiday recess. Among them will be James Lewis, Tom Fessenden and Kit Carson.

in Bethlehem.

We've included elsewhere in this issue the names of patients hospitalized at Grandview hospital... The majority of them are old people, many of whom have no families, so why not send them a Christmas card... It's a little thing for you to do but it means a great deal to them.

And while we're mentioning Christmas cards, how's about sending one to that serviceman you know... maybe he's the son of a friend, or the kid down the street, or a former paper boy... It's pretty rugged being away from your family during the holidays so why not send him a card and a note to tell him that he's in your thoughts back home.

The Swedish smorgasbord has come and gone... and it was terrific... Never saw so much food or as many people ready to eat it... It's certainly speaks well for Bob Neff and his wonderful committee and the community for combining their efforts in this project... At this time we don't know how much folding stuff was netted but we do know it was worthwhile.

Here's a little sidelight we found amusing... On Saturday Bob Neff and Bill Supernaw cooked some 2,700, that's right, 2,700 Swedish meat balls after they had been joined by several others in preparing the meat... And when they went home to supper, Saturday night, what did they find on the table? You guessed it... Both their wives forgot they had been practically shoulder deep in the darned things all day... If you're smart you won't mention this particular dish around them for a while... Probably next year at this time when there'll be another smorgasbord, we hope.

V.F.W. Christmas Party Is Sunday At Post Home

The Charlevoix V. F. W. post No. 1153 and its Auxiliary will hold its annual Christmas party at the post home at 1:30 p. m. Sunday.

Members of both organizations and their families will gather for a potluck dinner followed by a visit from Santa Claus.

Other veterans and their families are also invited to participate in this annual Christmas party.

Parents are requested to bring a gift for each of their children who will attend the party and also a gift for a man and a woman. The latter not to exceed 50 cents are to be marked Mr. and Mrs. and placed under the tree. Gifts for children must have their full name on them.

Further information may be obtained from R. J. Nowland, post commander, or Mrs. Clarence Goldstick, Auxiliary president.

Nurses Group Has Christmas Party At Weathervane

The Petoskey district Professional Nurses' Association held its annual Christmas party at the Weathervane Inn Thursday evening.

Thirty-four members and guests were seated at tables grouped around a Christmas tree. Small gifts marked the place.

Following the dinner George John Sr. of Petoskey gave an informative and inspirational talk on the Madonna and showed several choice pieces from her collection.

A trio composed of Joanne Rautio, Mrs. Patricia Dunn and Mary Ann Malec sang Christmas carols and were joined by the group in singing "White Christmas."

A collection for the "Give a Dress" and "Give a Lad-a-Lift" campaigns was taken.

Mrs. Carmen Engle and Miss Malec were co-chairmen of the event.

Attending from Charlevoix were Miss Ann Baumgartner, Mrs. Albert Cook, Mrs. Louis Hamlin and Mrs. George Wolf.

Use Precautions When Setting Up Christmas Tree

"Treat your Christmas tree with caution," warns Clara Brown, home demonstration agent. A burning tree can bring destruction and even death to your home.

She advises against placing the tree in the home too early and suggests that early purchased trees be kept in a cool place until ready to be used. Trees will remain fresh longer if a diagonal cut is made across the trunk about an inch above the original cut and the base of the tree placed in water and watered regularly.

Lights make the tree, and for good lighting and safe viewing, all wiring should be checked for defects and good connections. It also is important not to overload circuits with this added illumination. Tree lights should be turned off when no one is in the room.

Trees should be removed from the home as soon as the needles begin to drop. Dry trees contain highly combustible pitch and resin and they are a definite fire hazard. Observance of every fire precaution can save a home.

Gets His Doe With Muzzle-Loader Gun

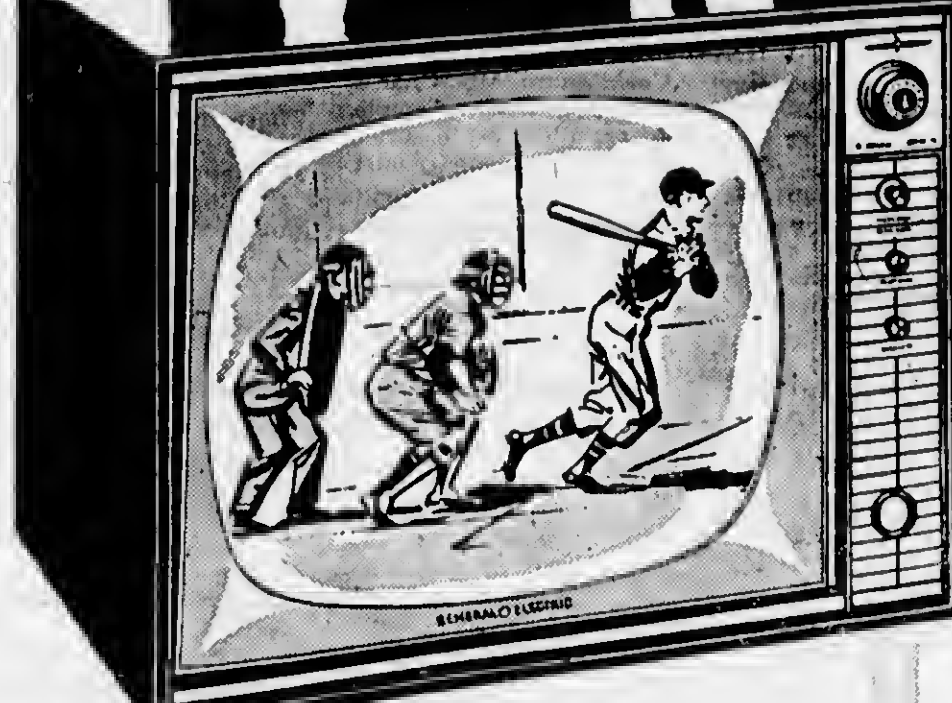

The December 1-2 special deer hunting season was really "special" for F. W. Terwilliger, Conservation Department geologist. Terwilliger, an enthusiast of muzzle-loading guns, bagged his deer with a 90-year-old firearm.

He was hunting in Area 4, near Gladwin, Saturday when he bagged a doe and a fawn about 40 rods away. Terwilliger dropped the doe with a neck shot.

It was the first deer he has bagged with the muzzle-loader, which was manufactured in the 1860s.

Ellsworth... Spotlight

Christmas Program

Dates for the school programs are: Thursday evening, Dec. 20, B'nai B'rith public school program in Ellsworth Community hall; Ebenezer school program will be Friday evening, Dec. 21. The Ellsworth Pilgrim Holiness Sunday School program, a cantata, will be given next Sunday evening, Dec. 16, on the same evening as the Atwood Christian Reformed church will have a hymn sing; Friday evening, Dec. 23, the Atwood Reformed church will present a cantata, Christmas morning the Ellsworth Christian Reformed Sunday school program will be presented just after the morning service; Christmas night, the Atwood Christian Reformed Sunday School will present its program.

Farm Bureau

Bentley Hill Farm Bureau has its annual Christmas party next Monday night, Dec. 17 in Bentley Hill school house. The same night, the Ellsworth Farm Bureau will hold its annual party in Ellsworth Community hall.

Christmas Dinner

Tuesday evening, Dec. 18 the Dorcas Ladies Aid of the Ellsworth Christian Reformed church will have its annual Christmas dinner in the church parlors with husbands and friends of the members as guests.

Blaze At Tornga Home

The local fire department was called out Sunday afternoon about 5 o'clock to the home of Mr. and Mrs. John Tornga. The fire, thought to have been caused by an overheated or defective chimney, had a good start before discovered by neighbors. Mrs. John Tornga is a patient in Charlevoix hospital where she submitted to major surgery Monday morning and Mr. Tornga is hospitalized in Traverse City so neither were at home. A member of the family had fixed the fire, as usual, during the afternoon.

Melvin Rood Injured

Troubles came in doubles or triples as in this case. Melvin Rood was hospitalized last Friday morning following a narrow escape while working on a machine in the Consolidated Foods factory when his clothing became caught in gears of a machine. He suffered broken ribs and bruises. Only last week on Monday his father, E. H. Rood, had a slight auto accident and was hospitalized with an injured neck. His mother, Mrs. E. H. Rood, has been hospitalized for over a year in Charlevoix hospital.

Locals

Former residents, Mr. and Mrs. Peter Postmus, who now reside in Hudsonville, have announced the birth of a daughter, Beverly Jean, Friday, Nov. 30.

Mrs. William Patterson, Mrs. Peter Wieland and Mrs. Charles Edson attended the Farm Bureau Women's meeting near Bellaire Tuesday afternoon.

Dr. and Mrs. J. VanDellen made a trip to Grand Rapids last Friday Tuesday evening of this week Dr. VanDellen expected to leave for Buffalo, N. Y., to attend a medical meeting.

Mrs. Ette Weidenaar and Miss Virginia Kuiper of Grand Rapids were weekend guests of Mr. and Mrs. Jay Kuiper.

Mr. and Mrs. Robert Swaney moved Saturday to Fenton where Mr. Swaney was transferred and will be working for some time.

Mr. and Mrs. Gerrit Bergsma of Grand Rapids made a business trip to Ellsworth Friday and returned Saturday. They called on relatives here and in Charlevoix while here.

Casey DeYoung of Zeeland, spent from Tuesday evening until Saturday morning of last week in this area to enjoy rabbit hunting.

Orval Vander Yacht of Fernald, Wash., was a guest of his aunt, Mrs. Rena Vander, from Thursday until Sunday when Mrs. VanderArk and Robert Smalley took him to Cadillac to visit other relatives before returning home.

Mrs. L. Brall of Detroit visited in this area briefly during the middle of last week and on her return to Detroit was accompanied by her mother, Mrs. Lena Yettaw, who will visit relatives there.

Potatoes need not be fattening. It's the gravy, butter and other "additions" that pile up the calories. There are no more calories in a medium sized potato than in an apple or banana. Remember—it's the total of all the food we eat that adds pounds.

Grade Schools to Present Program

(Continued from page 1)
folk dance, "Christmas in Killarney".

The dancers will be Shawn Louiselle, Diane Uhrick, Margaret McCracken, Cynthia Cunningham, Marilyn Leshner, Sue Tholpe, Lorraine Boss, Frances Arnold, Barbara Schwab, Penny Graam, Ruth Schofield and Karen Meston.

A pageant, "The First Noel", featuring several tableau scenes with a 20-voice chorus composed of fourth, fifth and sixth grade students singing familiar Christmas carols will conclude the afternoon program.

Tableau characters are: Mary, Barbara Suggen; Joseph, Bennett Cunningham; three wise men, James Stewart, Steven Bergmann and Lewis Poole; angels, Virginia Gregory, Beverly Falting and Gail Riley and narrators, Sharon Russell and Richard Odmark.

Mrs. Ethel Courter is directing the tableaux. Mr. Odmark will direct and Mrs. Leonard Burns will accompany the singers.

The public is invited to attend the program which is scheduled to begin promptly at 2 p. m. in the high school auditorium, Thursday, Dec. 20.

If all Courier advertisers were housed in one building it would be a super shopping center.

Charlevoix Edges Out Gaylord By 49 to 47 Score

Mol Steals Ball In Final Minutes To Break Tie Game

In the only close game played Friday, the Charlevoix Rayders defeated Gaylord 49 to 47 in the final minute of play on the Blue Devils floor.

The game got off to a slow start with each team scoring only four points in the initial period. In the second quarter, however, Gaylord forged ahead, outscoring the Rayders 16 to 11, for a 20 to 15 halftime advantage. Charlevoix found its stride in the third period to hold a slim 33 to 32 third period lead.

Gaylord, out for their first win, took the initiative in the final quarter and at one time held a five point lead before the Rayders tied the score 47-all in the final minute of play.

With time running out, the Blue Devils tried to tie up the ball and put the game into an overtime but Bobby Mol stole the ball and went in alone to lay up a shot and put Charlevoix ahead as the final whistle sounded.

Starting for the Rayders were Norm Heams, Kenny Balch, Joel Arvilla, Bobby Mol and Terry Davis. Phil Timmer was the only other Rayder to see action.

Davis gave the Rayders their first two points from the free throw line and Balch connected for a long shot as both teams threw up a tight defense in the opening quarter. Gaylord scored two field goals in the same period.

In the second period, however, the game broke wide open with Gaylord taking the offensive and scoring six field goals and four free throws to outscore the Ray-

Rayders 16 to 11 for a five-point lead at halftime. Scoring the Rayders 11 points were Arvilla who had two field goals and a gift shot; Balch who had a field goal and two free throws and Mol who connected for a double-punter.

The Rayders had their best period as the second half started as Davis scored three field goals. Mol added two more plus a free throw. Arvilla dumped in two field goals and Helms had one and one to give Charlevoix 18 points and a one-point lead. Gaylord scored 12 points on four field goals and the same number of free throws.

The Blue Devils ran up a five-point lead early in the final period before Charlevoix started to connect to tie the score 47-all as the game went into the final minute of play. Until that point Helms had scored five points on two field goals and a gift shot. Arvilla had four on a field goal and two free throws and Davis three on a field goal and one free throw while Gaylord had scored six field goals and three free throws.

Gaylord was trying hard to control the ball until they could get a "sure" shot or put the game into an over-time when Mol stole the ball and went in alone to lay up the winning bucket as time ran out.

The winning basket gave Charlevoix 19 field goals to 18 for Gaylord while both teams had 11 free throws. The Blue Devils collected 11 points on 20 tries and the Rayders had 11 of 23 attempts. Gaylord had 15 and Charlevoix 14 personal fouls called.

B, C, D, Tourney Sites Announced

Sites for Northern Michigan basketball tournament to be played in March have been announced by Charles Forsythe, MHSAA director.

Petoskey will be host to Class B and C district tournaments and Class C regional meet in March. Gaylord will host both Class C and D tournaments, Grayling Class C and Atlanta and Indian River Class D. All are district meets.

The Class B regional tournament will be held in Cadillac and the Class D regional meet is scheduled for Traverse City.

List Registrants To Be Inducted In January Quota

The names of the four Charlevoix county draft registrants who are to be called for induction into the armed services Jan. 7 were announced Wednesday following a meeting of the draft board.

They are: William F. Kerr of Charlevoix; Walter R. North of East Jordan and John H. Bernadyn and Richard Massey of Boyne Falls.

No one will be called for pre-induction physical examinations.

Charlevoix-Boyer City Tilt Highlights Loop Games Friday

The Charlevoix-Boyer City game here Friday will highlight the action in the Northern Michigan Class C league this week. Other games will find Gaylord playing at Grayling in a meeting previously scheduled to be held at Gaylord; Mancelona will host East Jordan and Harbor Springs will travel to Pellston.

Grayling should stay in the win column this week when they meet the Gaylord Blue Devils who have yet to win a game. Paced by Dave Lowe the Vikings ran up a decisive win over Man-

celona Tuesday night and should do the same with the Blue Devils.

The East Jordan-Mancelona game will be another close one with the two teams pretty evenly matched. Mancelona has yet to break into the win column while East Jordan has lost to Boyne City and defeated Gaylord and Pellston. The game will probably be a toss up but the Jordanites should have an edge on the basis of their record for the season.

Harbor Springs who toppled from the win column Tuesday before the hard-playing Boyne City Ramblers will get back in the credit column Friday when they take on Pellston on the latter's floor.

Last Week With Class 'C' Teams

Charlevoix, Harbor Springs and Grayling remained in first place with two wins each while Boyne City moved into the win column for the first time following Friday night's games.

The Rayders edged past Gaylord 49 to 47, Harbor Springs dumped Mancelona 61 to 46, Boyne City pumped over East Jordan 69 to 51 and Grayling won over Pellston 65 to 36.

Harbor Springs 61: Mancelona 46
Using their height to good advantage, the Harbor Springs Rams controlled both back-boards and the game at Mancelona as they led 14 to 12 at the quarter, 24 to 21 at the half and 44 to 39 going into the final quarter. Ronnie Johnson paced the game with 19 points for Mancelona. Pete Graham had 17 for the victors.

Boyer City 69: East Jordan 51
With Carl Charon leading the way with 27 points including 10 field goals and seven of 10 free throws, Boyne City went into a 17 to 14 first quarter lead, increased it to 36 to 25 at the half and 50 to 36 at the third quarter mark. Cal Darbee had 19 and Lorry Woodcock 18 for the Jordanites.

Grayling 65: Pellston 36
Thirteen Grayling players saw action in the game against Pellston in which the Vikings led 16 to 3; 30 to 15 and 45 to 21 by quarters. Pat Cabinaw was top scorer for the Hornets with 12 points. Bob Strang had 19 points for Grayling.

Charlevoix and Grayling remained the only undefeated teams of the Northern Michigan Class C league following Tuesday's games in which Harbor Springs was topped from the ranks of the undefeated by Boyne City by a score of 69 to 51.

Charlevoix defeated Pellston 49 to 36. Grayling downed Mancelona 65 to 46 and East Jordan lost to over Gaylord 51 to 42.

Charlevoix 49: Harbor Springs 41
The Rayders defeated the Ramblers 49 to 41 in a game in which the Rayders led all the way.

Starting for the local team were Scott Supernaw, Bill Poquette, Ken Case, John Bingham and Steve LaBlance with Bruce Pease, Dave Semmeyer, Tom Lakies, Joe Beaudoin, Rod Ostrum, Jim Ladd and Stan Smith also playing.

Charlevoix romped into a 15 to 7 first quarter lead, increased the advantage to 23 to 15 at the half and 34 to 23 going into the final period.

Noirot paced the scoring for the game with 16 points for Gaylord.

Poquette had nine, Pease eight, and Schuchard, six points each. Lakies four and Case two for the victors.

Random thoughts about . . . GOING FARTHER

Max tracks ambrosia the snowy covered that wraps hidden Brook, and whenever we examine the clean billowing whiteness, the telltale marks describe to us fox adventures of the night before. Here he leaped across the creek. There he dug beneath the snow for a hidden, quivering morsel of whitefooted mouse. At this point he loitered in his travels to peer intently at Hideaway House. Was anybody home? Was there danger there? Then the trail lead off across the meadow, straight and purposive, as if he suddenly remembered a half-forgotten mission that must be performed with quick dispatch.

While sometimes I envy a fox and all of his wild friends many of their freedoms and their closeness to nature's elements, their chance to savor at length all manner of weather in the hours of day and night, under all kinds of skies and in every season, still, in more reflective moments I know I am more fortunate than the fox. Not just in terms of length of life, although already I have outlived several generations of foxes, but mostly in terms of satisfactions, I and all normal human beings are luckier. The fox never gets the most out of anything. He is lacking in the deeper satisfactions. Some human beings are too. But there is this difference: no fox has the capacity for the profounder satisfactions, and most human beings do. If the fox is not aware of the immensities of the universe at which he looks, if he does not ponder about the hidden meanings of why he exists and where world came from, and whether it is headed, it is because such contemplation exceeds his capacity. A human sees what the fox sees but his thoughts concerning it go further and his feelings lie deeper.

Tais talent for going further than the fox is at the same time man's perversity and his splendor. Going deeper and "going off the deep end" are related propensities.

Going further can mean going too far. Many a virtue can be made a vice by exaggerating it.

Tolerance and openmindedness are virtues when moderately used. They become vices when one will tolerate everything, or when one is so openminded that he is empty-minded. An open mind can be like an open house, with windows and doors kept always ajar. Any wind that blows scatters everything all around. Many are proud of being openminded when they are only scatter-brained.

Some concern for sanitation is wholesome. But there are people who are so afraid of germs that they wash their hands hundreds of times a day and soak their raw vegetables in peroxide and refuse to eat in restaurants where they cannot supervise the preparation of food, because they are afraid of contamination.

Almost any vice is the perversion of a virtue.

Going a bit further than the fox can go, or further than ones fellow men are willing to go, is often a sign of earnestness and dedication. In my earlier days I was much irritated and bothered by fanatics, and when they pervert religion or politics or anything else of worth to low and senseless use I must confess they still exasperate me. But my annoyances have somewhat been tempered by the realization that the capacity for fanaticism is one of the glories of human nature, and that yesterday's fanatics are today's heroes and saints. The fanatics have been those who were willing to carry conviction further than their fellows, into action more awesome than their more conservative associates would perform. It was this noble sort of fanaticism that gave America its first settlers. The Founding Fathers of our nation were regarded as fuzzy-brained fanatics by their fellow colonials. The apostles were commonly regarded as radicals, and Jesus was thought to be "queer" by members of his family because he carried his religion "too far". There is little difference, if any, between intense earnestness and what lesser men often call fanaticism. The capacity for fanaticism, when nobly used is man's magnificence.

Sometimes, our consciences remain stained and our records blotted because we don't go far enough. We only half confess our

Letter To Santa

Dear Santa,
Please bring me a steam shovel, a car carrier and a gun and holster set.
My sister, Kris, would like a bride doll and ice skates.

mistakes and only partially rectify our wrongs. One old gentleman illustrated in extreme measure this tendency of ours when he went to a neighboring farmer and muttered, "I'm sorry I stole a tape from you a while ago. The farmer forgave him, and the old fellow went away, but still with an uneasy mind. He had not admitted that when he stole the rope there was a cow on the end of it!"

Often we fail to do the good we might because we do not carry our feelings are enough—into actions. Robert C. Newell has reported how a total stranger taught him the meaning of gratitude. Late one night, while driving along a lonely country road Mr. Newell's car stalled. Nothing would avail to start it again, and Newell felt trapped miles from anywhere, isolated from help. But after a time another traveler chanced along the unfrequented road and stopped. From the trunk of his car he took a stout rope, anchored one end to Newell's stubborn automobile and towed it thirty miles to a garage. When Mr. Newell offered to pay for the help he received, the stranger refused. He rejected, too, Newell's proposal to fill his tank with gas. When Newell insisted he must let him recompense him in some way for his kindness, the gentleman replied, "If you really want to show your gratitude, buy a rope and always carry it in your car." Helping another is a good way of putting grateful feelings into deeds carrying emotion beyond sentiment.

Man's use of his capacity to go a bit further makes him sinner or saint.

Mr. and Mrs. Glen Williams and daughter, Lynda, spent the weekend in Detroit with relatives.

Mr. Harold Hunt was a patient last week at the Charlevoix hospital. Glad you're better, Mr. Hunt.

A wonderful time was had by all at the bear and deer fry Saturday night, honoring Mr. and Mrs. Burl Walker, at the home of Mr. and Mrs. Jack McDermott. Sonny Williams furnished the meat for the pot-luck dinner. Guests included the neighborhood and other friends.

Charlevoix new ski area, when it's completed (and it's nearing that point right now), will be a mighty nice place for our skiers to put in the time... and if you're a spectator, it will be a lot of fun watching the skiers... This ski area is possible only through the efforts and the funds given by local people... We couldn't even start to guess the hours that many local people have given to the project... just so those of you who ski could have a place close by where you could enjoy the sport... We think that the least you can do to show your appreciation to these people is to support local businesses... There are many places in town where you can get skis, boots, poles and the winter clothes you'll need... So why not buy 'em here?... And by doing so, show your appreciation to the people who have made this possible.

by Bach, arranged for band by Leiden.

An exquisite arrangement of six of the lesser known Christmas carols of all nations will be included in the "Christmas Suite" by Walter.

A trumpet solo played in unison by three members of the band, Patricia Bulow, William Purdy and David Miles will be a feature of the band section of the program. This trio will be featured in Morrissey's "Soliloquy" for "Trumpet".

An overture "Cathedral Canyon" by Erickson and in the modern idiom, Glenn Osler's "Beguine for Band" will be followed by the popular "Rudolph, the Red-Nosed Reindeer" by Marks which will conclude the concert.

The program will begin promptly at 8 p. m. and will be over before 9:30 p. m.

From where I sit... by Joe Marsh

Just Call Me Cupid

The counter down at Pete's was full yesterday, except for three seats near the end, so I plunked myself down on the middle one.

As I took my first sip of coffee, a cute young couple came in. A girl in her early twenties followed by a fellow perhaps a year or two older. Without saying a word, they took the only two seats left—on either side of me.

Remembering my younger days, I insisted the young man take my seat so's they could be together. He hesitated at first, then finally he shrugged, grinned

and said to the girl, "Well, let's make him happy. My mame's 'Kicky'. What's yours?"

From where I sit, there was no harm done that time, but jumping to conclusions can be embarrassing. In fact, it's sometimes men and intolerant—like the way some folks jump to the conclusion a man's "wrong" to prefer a glass of beer over another beverage. Lack of facts coupled with lack of judgment introduces trouble.

Community Choir Will Give Concert Sunday

The Charlevoix Community Choir will present its Christmas Vesper Concert at the Charlevoix high school auditorium at 4 p. m. Sunday.

A community project, the choir is composed of 46 residents of Charlevoix and the adjacent area—people interested in singing the best of Christmas choral literature, people who are giving of their time and talents to present this concert.

Rayders To Meet Grayling There Friday Night

The first place standing in the Northern Michigan Class C league now shared by Charlevoix and Grayling will be at stake Friday when the two teams meet on the Viking's floor.

In other games scheduled for Friday Mancelona will play at Gaylord, Harbor Springs will host East Jordan and Boyne City will entertain Pellston.

Friday's games will mark the end of league play until Jan. 11 when the schedule will be resumed.

The Mancelona and Gaylord meeting should be a close one. Mancelona got into the win column last week with a 53 to 48 victory over East Jordan while Gaylord has yet to win a game although they have given all opponents to date a tough game. The last was Grayling who came up with a two point win over the "bad luck" team of the league last week. It would not be surprising if the Blue Devils dumped the Ironmen this week.

Harbor Springs will be defending its second place standing when it hosts East Jordan this week. The Rams have lost only to Boyne City so should have little trouble with the Jordanites who have a record of two wins and two losses, the latter being to Boyne City and Mancelona.

Boyne City will be hosting probably the weakest team in the loop Friday night when they meet Pellston on their home floor. The Hornets looked their best last week when they held Harbor Springs to a three point lead at halftime. They could give the Rams a good game but there will be no doubt of the outcome.

Independents To Meet Petoskey Quintet Tonight

The Charlevoix Independent basketball team will host the Petoskey Elks in the second game of a double-header scheduled for 8:15 tonight (Thursday) in the Charlevoix high school gymnasium.

Harbor Springs Teachers will meet the Petoskey Elks in the first game of the evening scheduled for 8 p. m.

On last Thursday the local quintet defeated the Petoskey Elks 56 to 39 with Bob Klooster pacing the game with 18 points. John Swanson had 14.

Other teams in the loop are the Pellston Independents, Petoskey Koboski Coal and Petoskey Footman.

After Thursday's games action in the independent loop will be suspended until after the holidays.

Team personnel includes: Bob Klooster, John Swanson, Tom Wieland, Dave Hardy, Bud Barber, Jim Agor, Des Milligan, Fritz Puffaff, Ted Potter and Guy Thielemann.

Santa Claus Joins City's Decorations

Santa's annual visit to the homes in Charlevoix on Christmas Eve is still several days away but everyone in the community is reminded of the occasion by the above Christmas display in East Park.

The display is only a part of the Christmas decorations put up by the Charlevoix utility crew under the direction of Edward Swanson.

The lighted display near the Christmas tree ablaze with a myriad of multi-colored lights is one of the many outdoor decorations which have been erected to make Charlevoix more beautiful this holiday season.

In an effort to encourage the residents of the community to decorate their homes, the Charlevoix Municipal Utilities are offering prizes for the best decorated homes in each of the three wards.

Judges in the contest were announced this week by Mrs. Ralph V. Hess, president of the Garden Club, which is cooperating in the project. They are Mr. and Mrs. Ralph Price, Mr. and Mrs. Harold Hunt and Mr. and Mrs. Andrew J. Goss, all of Ironton, who will tour the city some time during Christmas week to select the winners. A first prize of \$15.00 and a second prize of \$10.00 will be given to the two top winners in each of the three wards.

Mt. McSaubia Ski Area Facilities Near Completion

Facilities at the Mt. McSaubia ski area are nearing completion. A ski pro has been engaged and season tickets for the run are now on sale. Dr. L. R. Grate, president of the Charlevoix-Mt. McSaubia Recreation Corp. has announced.

The tile is being laid in the warming house by Lyle Miles. The plumbing will be completed as soon as this is completed. The well house and pump will be installed shortly and these facilities will be completed. The beginners' tow must be placed in operation and the runs will be ready for use.

Boice Delaney of Boyne City, who was an instructor for five years at Boyne Mountain, has been engaged as ski pro at the local ski area. He will be at the run one afternoon and two evenings a week plus the weekend. He will give group lessons as well as private lessons.

Season tickets for the park are now available. The prices will be adults \$12.50; husband and wife, \$20.00; family, \$25.00 and children, \$5.00.

The daily rates for the tow will be adults, \$1.50 per day and nights only, \$1.00; students, 50c.

The corporation is seeking application for the concession at the lodge. All applications must be submitted with the corporation no later than 9 p. m. Friday when the committee will meet at the Schroeder & Hovey Drug to examine them. The applications must be submitted in writing. Further information may be obtained from the officers or members of the committee.

Robert Lieberman, secretary-treasurer of the corporation, has reported that the recent smorgasbord at St. Mary's school for the benefit of the ski project netted \$875.50.

Must File For Soil Payment By Dec. 31

Farmers in the Charlevoix area are advised that the final date for filing application for payment under the 1955 Agricultural Conservation program for carrying out soil building practices has been set for Dec. 31, 1956. The warning was issued by Carlton Smith, chairman of the Charlevoix Agricultural Stabilization and Conservation committee.

Payment of Federal cost-shares will be made only upon application submitted on the prescribed form to the Charlevoix county ASC office in Boyne City on or before Dec. 31.

Elementary School Program Will Be Presented Today

The annual Charlevoix Elementary school Christmas program will be presented this afternoon (Thursday) at the high school auditorium.

Parents and friends of the children are cordially invited to attend the program at 2 p. m. More than 500 children are participating in the program which will feature a variety of Christmas music, instrumental and vocal, in story and song.

Featured in the program will be the Kindergarten rhythm band, the 200-voice early elementary chorus, a 200-voice later elementary chorus, a tableau presented by the fourth, fifth and sixth grades, a folk dance by the sixth girls and the Charlevoix high school Reserve band.

No admission will be charged and everyone is cordially invited to attend.

Net Dairy Income For '57 Expected To Remain Same

Net income for Michigan dairymen will be about the same in 1957 as it was in 1956.

Et Rebban, Charlevoix county agricultural agent, says this report is made by Michigan State University farm economists.

Production likely will be slightly higher, and prices received will be about the same. But higher production costs will keep profits from going up very much.

Milk consumption will be about the same per person as in 1956, but there will be more persons to consume milk, and plenty of meat to buy it with.

Milk cow number are down about one percent from last year, but production per cow is still going up. Herds are getting larger, now averaging 19 cows in the Detroit milk marketing area.

But, there aren't as many herds as there were a few years ago. In 1949, the number of Michigan farms selling whole milk has decreased 17 per cent while production per farm has increased 46 per cent.

The M. S. U. economists believe that the milk prices will be about the same in 1957 as they were in 1956, when they averaged \$5.38 for 3.5 per cent butterfat milk at the fluid milk plant.

Santa Claus To Make Annual Visit Saturday

"Santa Claus is coming to town Saturday" is the word making the rounds among the small fry of this community who are looking forward to the annual Christmas visit at the invitation of the Charlevoix Board of Commerce.

According to S. E. Coleman, secretary of the Board of Commerce, Santa Claus will arrive at the Charlevoix airport early Saturday afternoon and will be taken directly to the Charlevoix high school gymnasium where he will greet the children at 2 p. m.

After talking with the youngsters and distributing gifts of candy and nuts, he will continue to Bay Shore where he is scheduled to arrive about 3 p. m.

There he will greet the youngsters of that community and distribute gifts of candy and nuts before returning to Charlevoix for the trip to the North Pole.

On Christmas Eve he is scheduled to make another visit to little boys and girls all over the world, leaving gifts under their Christmas trees while they are fast asleep.

Deadline Set To File For Office In City Primary

Candidates for city offices are reminded that the deadline for filing petitions has been set for 4 p. m. Monday, Dec. 31.

At that time the petitions must be filed at the office of the city clerk if the names of the candidates are to appear on the ballot in the primary election in February.

Candidates for the following offices must file petitions: mayor, city clerk, city treasurer, aldermen and supervisors in the city's three wards.

The terms of Clare Staley, Franklin Boes and Ralph S. Hamilton as aldermen in the first, second and third wards, respectively, expire this year.

Independents Win Over Pellston Five

The Charlevoix Independents racked up another win Tuesday night, a 62 to 54 victory over the Pellston Independents in a game played at Petoskey.

Bob Klooster and John Swanson shared scoring honors with 16 points each for the victors. John Toth had 10 for Pellston.

Voter Tax Forms Available

Michigan's dependents and their families are reminded that forms for real estate tax exemption are now available at the office of the city treasurer at the city hall or the treasurer of the taxing units in which the property is located.

Special Yule Services In Churches To Mark Our Saviour's Birth

"And the angel said to them: Fear not; for behold I bring you good tidings of great joy, that shall be to all the people; for this day is born to you a Saviour, who is Christ the Lord, in the city of David. And this shall be a sign unto you: You shall find the infant wrapped in swaddling clothes, and laid in a manger. And suddenly there was with the angel a multitude of the heavenly army, praising God, and saying: Glory to God in the highest; and on earth peace to men of good will."

At the herald angel of old brought to the shepherds in the hills the news of "the birth of the Prince of Peace in Bethlehem on Christmas Day so many years ago, so shall the priests and pastors throughout the Christian world relate once again to the people the story of the humble birth of Jesus in a manger in Bethlehem.

And choirs, like the multitude of the heavenly army, will raise their voices in praise of God, singing as did the angels: Glory to God in the highest; and on earth peace to men of good will. In observance of the great day, the birthday of the Christ Child, the churches of Charlevoix have planned special services during the Christmas season.

Community Church of God Christmas festivities at the Community Church of God will begin with the Sunday school program at the church at 7:30 p. m. Friday under the direction of Herbert Hamlin, superintendent.

The program will consist of Christmas songs and recitations by the younger classes directed by their teachers, Mrs. Charles Pontius, Mrs. Thomas Maxwell, Ann Cunningham, Mrs. Bruce Bartlett, Betty Kerr and Mrs. Minerva Veestra. The Junior high classes will present a pantomime of the Nativity under the direction of their teachers, Mrs. Hamlin and Donna Durance.

A treat will be given to all the young people present.

For the evening worship service Sunday the choir, under the direction of Mrs. C. J. Fiedler will sing special Christmas selections entitled "The Music of Bethlehem" by Fred Hutton and "Holy Night" by Edington. The Rev. George L. Majors has chosen as his sermon subject "Christmas Cheer."

A Christ's Birthday Offering will be received this year for the care of the missions.

On Sunday evening the young people of the church plan to sing at Grandview hospital at East Jordan. Joan McDonald is in charge of the service and Mrs. Hamlin will accompany the singers on the occasion.

The regular Sunday evening service will begin at 8 p. m., under the direction of Mrs. Karl Purdy, the spiritual life chairman of the Women's Missionary Aid. It is to be a candlelight service and will include the presentation of the film "The Child of Bethlehem."

The church has been decorated by the Senior high and Young Adult classes under the direction of their teachers, Minerva Veestra and Miss McDonald.

Barnard Reformed Church

"What Should We Do on Christmas" will be the subject of the Rev. Wilson S. F. Rinker's Christmas sermon at the 11 a. m. worship service Sunday morning. The anthem by the choir will be "The Song of Christmas."

At the evening worship service at 7:30 p. m. the Rev. Mr. Rinker will speak on the subject, "Fear Not, Today, Look and See." Special music will be presented by the choir.

At 8 p. m. Monday the children of the Sunday school will present their annual Christmas program.

At 8 a. m. Sunday the Rev. Mr. Rinker will broadcast a Christmas sermon over Station WFLN. His topic will be "Men, Not Angels."

Ironton Congregational Church

Christmas will be observed at the 10 a. m. worship service Sunday. The Rev. Kenneth Mitchell will deliver a sermon entitled "Does Christ Make A Difference?"

The third of the Advent candle, the candle of love, will be lighted.

the Advent candles have been lighted, a custom handed down in the form of legend from medieval times. To the simple peasant folk, it seemed that the birth of Christ should be prepared for and that His coming should be heralded long before His actual birthday. The service, traditionally held in the home, has been incorporated into the morning service at the church. In the church of the church as symbol of life everlasting are the ever-fresh, ever-burning branches of pine. Far to the right is placed a tall candle, the Christmas Gospels candle. Across from this stand the Advent candles: the candles of faith, hope, love and the unnamed candle. As a different candle is lighted, it is the prayer of the congregation that God will touch the eyes with beauty, the mind with vision, the hearts with love as the congregation "prepares His room."

The children will sing familiar carols at Sunday school at 11:15 a. m.

The Children's Christmas program will be held at 4 p. m. Sunday. A film depicting the history of several Christmas carols will be shown. It will also be a White Gift service with each child bringing a small gift of crayons, coloring book, pencils or other gifts suitable for boys and girls. The gifts are to be wrapped in white tissue paper. They will be sent to the Evangelical Home for Children in Detroit. Donna Korth will read the Scripture lesson. Judy Ceilner and Margaret Donfert will lead in prayer.

The children who have had a perfect attendance record will receive their Bibles and awards. They are Jerry Parsel, Gary Parsel, Carol Parsel, Kay Kroll, Terry Nielsen and Sharon Nielsen.

Each child present will receive as a gift a stocking of candy. Sunday will be a family day in church. The goal is every member of every family present.

On Christmas Eve there will be a traditional candlelight service beginning at 7:30 p. m. The pastor will preach a brief Christmas meditation and the last of the Advent candles, the unnamed candle, will be lighted. At its

ODDS 'N' ENDS

By Fran Martin

Our Charlevoix sportsmen sure get around. . . It was only last month that some of our bird hunters, Chum White and Gordon Neff, appeared via the movies on Mort Neff's television program. . . Then last Thursday Ed Hansen appeared in person on Michigan Outdoors and received second prize for having come up with the deer with the second largest rack of horns in the state. The winner was a 22 point buck, the same as Ed's but the spread was an inch or two more. . . We had a little squib about the deer at the time, you'll remember. . . He and Bud Keie had stopped along the road to build a little fire and get warm. . . when over the hill came a big buck. . .

Both shot but Ed's hit it where it counted and the darned thing rolled into the road so all they had to do was take it home. . .

This week we have a story about one of the unsung heroes in our community. . . one of many. . . He's a guy many of you kids who grew up here know. . . He's found your boots, put the Christmas tree up, drove the bus and done countless other little chores to help teachers and youngsters alike. . . He's Harry Powers who will join with Mrs. Powers in celebrating their golden wedding anniversary on Christmas Day. . . We'd like to join with their countless friends in wishing them the happiest Christmas ever and many more years of happiness together.

How about that basketball game Friday night. . . Those kids of ours sure played ball. . . all the way. . . Now if they can do a repeat performance this week, we've got it made. . . that is, if

we meet our next opponent. . . So lots of luck from all of us, Rayters. . .

This is a swan story. . . although it may become a swan song for a guy named Turk Jarvis who operates the Ironton ferry across the south arm of Lake Charlevoix. . . During the cold weather last week, the lake froze over and the only open water, unless you went north to Lake Charlevoix proper, was the channel made by the ferry. . . We don't know much about swans but we understand they want to be in the water if it's at all possible. . .

As you know, the ferry operates on cables so doesn't travel but one route. . . but did the swans let it bother them? . . . No. . . they would get in the water, swimming ahead of the ferry all the way across (they weren't fussy, which direction). . . But the ferry must be taken up to the dock to discharge and take on vehicles. . . So every trip it would be the same thing. . . edge the ferry toward the dock and then wait until the swans quit complaining and crawled out on to the ice. . . and while the ferry docked to take on or discharge its cargo, the swans waddled to the other end of it, slid into the water to swim ahead of it on the return trip. . . where, on the opposite side, the whole performance was repeated not once or twice but again and again. . . And unless the ferry quits running for the season or the swans take off, this could turn into a swan song for the operator. . .

If you were listening to Mary Merryfield's program over radio station WMAQ Friday noon you heard a Christmas story entitled "How Imagination Plus Work Made a Town's Christmas Memorable". . . written by one of our oldest summer residents, Mrs. J. W. Harris of Oak Park, Ill., whose family's been coming here since heaven knows when. . . She spends her summer at Ironton now and is very well known throughout the area. . .

The story tells of what a little community in the west many years ago did to make the great day a memorable one. . . A very sweet little story. . . Mrs. Harris, we understand, is a very remarkable woman with a myriad of interests. . . We're very sorry we've never had occasion to meet her for she sounds like someone you'd love knowing. . .

We'd like to remind you right now not to forget the annual Christmas Vesper concert at the

high school auditorium next Sunday at 4 p. m. . . It will be presented by a group of local people, people you and I know, who will sing the best in Christmas music. . . Our Mr. Odmark is directing the choir and from what we hear it's going to be mighty nice. . . So, don't forget next Sunday at 4. . .

Isn't it great meeting all our college young people. . . home for the holidays. . . and our servicemen too. . . That's what we like about Christmas. . . We always see people we like a lot and hear from others we rarely see and hear from only at holiday time. . .

Had the grandest visit Saturday. . . with a former resident, Dr. F. C. Mayne, who until last June was a practicing physician in Cheboygan. . . He and his charming wife stopped in to give us some information on their aunt, Mrs. Frank Kenyon. . . We talked about all the people we both knew. . . and we know

we mentioned names he hadn't heard in years. . . They had with them a diary written by his mother who came to Charlevoix with her parents, the Ainslies, back in the 1860's. . . Northern Michigan must have been quite a place in those days. . . Mr. Ainslie and his brother had the contract for carrying the mail by stage-coach from Traverse City to Cheboygan. . . They made three trips a week and carried passengers too. . . This was the half-way stop. . . Can you imagine a ride by stage-coach over the roads they must have had in those days of our elder citizens do not recall. . . It is unfortunate that more record in some form their early days in northern Michigan. . .

How these people from Charlevoix do get around. . . Last week a card from Berlin sent by Phyllis Roberts, who made a quick trip to Germany from French Morocco where she is stationed as a government worker. . .

Congratulations To The Winner

The Holy Spirit pervades our world during this season.
You sense His presence in the joy of giving, hearing His gospel, singing the carols and hymns.

It is especially necessary in these times to relive the true spirit of the year and attend the church of your choice and pray that the Light of the Lord show us the way once more.

*Let us remember - Christmas commemorates
the birth of our Savior, Jesus Christ*

NOTICE OF HEARING CLAIMS STATE OF MICHIGAN

Probate Court for the County of Charlevoix.

In the Matter of the Estate of Corrad H. Sternberg, Deceased. At a session of said Court, held at the Probate Office in the City of Charlevoix in said County, December 11th, 1956.

Present: Hon. Floyd A. Supp, Judge of Probate.

The above estate having been admitted to probate and Sarah Sternberg of Charlevoix, Michigan, appointed Administratrix thereof.

It is Ordered, That two months from this date be allowed for filing claims against said estate; and that all creditors of said deceased are required to prove their claims to said Court at the hearing, on claims to be held at the Probate Office in the said City of Charlevoix on February 14th, 1957, at ten o'clock in the forenoon.

It is further Ordered, That public notice thereof be given by publication of this order for three successive weeks previous to said day of hearing in the Charlevoix Courier, a newspaper printed and circulated in said County.

Floyd A. Supp, Judge of Probate.

ORDER FOR PUBLICATION STATE OF MICHIGAN

The Probate Court for the County of Charlevoix.

In the Matter of the Estate of Amanda Lawton, Deceased. At a session of said Court, held on December 4th, 1956.

Present: Hon. Floyd A. Supp, Judge of Probate.

Notice is hereby Given, That the petition of Jesse Lawton, a son and heir at law of said deceased, praying that the administration of said estate be granted to W. Gregory Boswell, of East Jordan, Michigan, or to some other suitable person; and that the heirs of said deceased be determined, will be heard at the Probate Court on December 27th, 1956, at ten a. m.

It is Ordered, That notice thereof be given by publication of a copy hereof for three weeks commencing previous to said day of hearing, in the Charlevoix Courier, and that the petitioner cause a copy of this notice to be served upon each known party in interest at his last known address by registered mail, return receipt demanded, at least fourteen (14) days prior to such hearing, or by personal service at least five (5) days prior to such hearing.

Floyd A. Supp, Judge of Probate.

Churches Announce Christmas Services

(Continued from page 4)

Bethany Lutheran Church
The annual Sunday school Christmas service at Bethany Lutheran church will be held at 7:30 p. m. Christmas eve.

The children will again present the story of the birth of Jesus in recitations and the singing of Christmas carols. Certain portions of the Christmas story will be presented in pantomime with children dressed in garments typical of ancient days.

Following this portion of the service, the Rev. R. A. Essig, pastor of the church, will address the congregation briefly on the topic, "The First Christmas Service."

An important part of the service will be the presentation of gifts in the form of an offering by the children for the Lutheran Children's Friend Society in Bay City.

Everyone is cordially invited to attend this service.

Bible Baptist Church
Christmas will be the theme of all services at the Bible Baptist church on Sunday.

"A Savior Is Born" will be the lesson during the Sunday school hour.

In the worship service at 11 a. m., the Rev. Jim E. Lugibill will deliver the message, "The Word Was Made Flesh."

The Christmas program will be held at 7:30 p. m., Sunday with recitations, scripture readings, special music, group singing, a vocal number by the pastor and a sermon entitled "Thou Shalt Call His Name Jesus."

Treats for the children will be given at the close of the service.

Assembly of God Church

At 8 p. m. tonight (Thursday), the Assembly of God Sunday school will present its Christmas program entitled "Trimming the Christmas Tree." Songs, recitations and pantomimes by the various classes are interwoven into the theme "The Cradle, the Cross, the Crown." The program is under the direction of D. Dawson Way, assisted by Mrs. T. B. Thodeson with Mrs. Way at the organ.

Christmas messages by the pastor, the Rev. Mr. Thodeson, and special Christmas music will be featured at both the morning and evening worship services Sunday.

The Junior department will be opened with a visual story of Mr. L. A. Luther's Christmas carol entitled "Away in a Manger." Mrs. Thodeson will tell the flannelgraph story "Snowflake from a Christmas Sky" during the Junior church session. The young people will present the story of the Nativity in Scripture and song during the evening service which begins at 8 p. m.

First Congregational Church

The Christmas spirit prevades the atmosphere of the First Congregational church where the decoration of the sanctuary is being completed this week in

The Meaning of Greatness

None of the higher animals seem to have man's capacity for such total self-absorption that the world could collapse in a heap around them without their noticing. While watching wildlife one is bound to admire their quick interest in anything unusual that happens near them.

The snarl and sight of a curling wheel of smoke has been known to draw whitetail deer through the woods to see what was going on. Antelope of our western plains are so insatiably curious that old-time hunters brought them into shooting range by hiding behind sage brush and waving a white handkerchief. Antelope would approach the sage while trying to puzzle out what that fluttering whiteness was, and the hunter would have his advantageous shot.

Hang the bright and shining lid of a tin can from a low limb in the north woods and visit it

a few days later. Chances are you will find there the tracks of a curious raccoon who has peered up at it and has walked on his hind legs beneath it, trying to reach it. Many a trapper uses this trick to catch raccoons, simply suspending a shining object over a wooden trap. A wild creature's interest in the world around him and his frequent forgetfulness of the danger he may be in is a thought-provoking trait.

An animal's comparative lack of self-interest is at the same time one of its severest limitations and its chief charm. While the animal psychologists, who make a lifetime study of animal behavior, admit they have found no satisfactory way of telling what other creatures "think" about, still it is their conclusion that an animal gives little thought to himself.

A man looks into a mirror and, with its aid, combs his hair. While watching himself in a mirror a woman applies powder and rouge or lipstick. Both know they see themselves in that mirror. But when a monkey peers into a mirror he thinks he sees another monkey, and begins looking behind the glass in further search of him. Man is the only creature that makes and uses mirrors for seeing himself, or keeps diaries of his own performances, or writes autobiographies, or develops a science of introspection such as psychology. Man is the animal with the most self-interest.

A badly limited self-awareness has its compensations. If a monkey lacks sufficient self-interest to recognize itself in a mirror,

neither can it indulge in neurotic self-pity, feeling unappreciated, or persecuted or the victim of cruel fate. If a whitetail buck deer cannot paw out a diary record on a tablet of freshly fallen snow or on a scratch pad of sandy beach, neither can he feel that he deserves more attention than a hard-hearted world gives him. A creature who does not self-consciously play the hero, neither will he take the role of a "martyr", making wild claims of how much he has sacrificed for his family and friends. If a chickadee cannot probe into its own inner life and see the good that is there, neither can it deceive itself, pretending that it has virtues that are actually non-existent as can a human mother who "loves" her son so much that she disapproves of every girl he dates, prevents him from marrying and leaving home. If a creature cannot be credited with self-awareness, neither can it be blamed for self-deception.

One of the grandest things about man is his capacity to have self-interest without constantly using it. Man's greatness often lies in putting aside his self-awareness for a while and being self-forgetful. The record of good done in the world has been made largely by men and women whose attention was not on themselves so much as on their ideals, their purpose, their mission. Their interests were absorbed by the significance of what they were doing, and they, themselves, were great without knowing it.

The process of growing up mentally and spiritually is, in part, one of enlarging the scope of our attention so that we become more and more aware of the importance of things and people and meanings other than ourselves. Before children acquire the restraints of modesty and learn to suppress expressions of their need for attention, appreciation, affection and applause, they freely ask, "Now watch me, Daddy," as they jump off the front porch, or, "See what I can do, Mommy?" as they ride their tricycle with hands off the handlebars. Some people are fixated at that stage of development, throughout life continually pleading, "Now watch me!"

As we mature in mind and spirit our self-awareness is not expressed in such self-absorption. We are conscious that other things have happened besides my birth, that other matters count besides me, that there are other events that bear watching besides my own performances and that others have problems as severe as my own.

One would naturally think the severely handicapped would be most self-conscious of all. Lameness, deafness, blindness, abject poverty or any number of limitations are apt to make one feel "different" from others, set off, and unusually preoccupied with self. But oddly, there are among the handicapped those who seem never so much cognizant of their own burden as they are of the problems of others. One kindly woman made this discovery at a circus. She sponsored a trip for a group of handicapped children to a circus performance at Madison Square Gardens in New York. Some were blind. Some were deaf. Others were mute. On their way home one little blind boy exclaimed to the women, "Gee, I sure felt sorry for those deaf boys and girls today!" "Why?" asked the woman, "Why did you feel sorry for those deaf children?" Because," answered the lad, "they couldn't hear the band. They couldn't hear the lion's big roar, or the crowd clapping for the clowns. They couldn't even hear

the elephants clump-clumping by."

A few years ago the Evening Times of Little Falls, New York carried the story of a 13-year-old Paines Hollow boy who heard an appeal being made at Muhawk Central School for contributions to Santa Claus Anonymous, which provided Christmas gifts for the less fortunate children of the school district. The youngster saved all his pennies. On the Friday before Christmas vacation

he counted 15 cents he had scrounged and saved for Santa Claus Anonymous. He had planned to turn it in at school that day, but a blizzard heaped the roads with snow and the school buses didn't run, and he was stranded miles from school. After school he thought the boy started off from home and struggled through the snow, finally arriving at the school where he found Principal Harold Rankin.

When the boy offered his 15

cents, Mr. Rankin awkwardly accepted it with serious misgivings and while swallowing hard. But his embarrassment was understandable. The lad was one of the youngsters on the list to receive a gift from Santa Claus Anonymous.

Wherever found, in little child or national hero, greatness is self-forgetfulness.

"THE DIME STORE"

Will Observe 50th Anniversary

Tuesday will be a dual holiday for one well-known local couple, Mr. and Mrs. Harry G. Powers, for in addition to being Christmas Day it will also mark the occasion of their golden wedding anniversary.

Mr. Powers, Charlevoix first school bus driver, and Mrs. Powers were married at Barryton Dec. 25, 1906. They resided in Flint for the next two years before coming to Charlevoix to make their home.

A commercial fisherman, Mr. Powers was employed on fish tugs which operated out of the local harbor until 1928 when he became janitor at the new Charlevoix Elementary school which was completed that year. When the local school started operating a school bus, Mr. Powers became the first driver. During the summer months he was night watchman at the Belvedere club. Since his retirement in 1952, he was employed on the city's shuffleboard courts during the summer months. He was born at Sheridan in Montcalm county Aug. 26, 1883.

Mrs. Powers, the former Abbie Pumphrey was born at Barryton Sept. 2, 1885.

Mr. Powers is a member of the I. O. O. F. lodge. Mrs. Powers belongs to the Rebekah lodge and the American Legion Auxiliary.

The couple has one son, J. Gilbert, who lives in West Los Angeles, Calif.; four grandchildren including Don Brown of Charlevoix whom they reared and two

great-grandchildren. No formal observance of the occasion has been planned by the couple who will spend Christmas day with Mr. and Mrs. Brown and family.

Russell E. Duffy Heads Schools In Mecosta County

Russell E. Duffy, a former local resident and principal of the Barryton Rural Agricultural School for the past 10 years, has been named County Superintendent of Schools in Mecosta county.

He will assume his duties in the near future and will move to the county seat, Big Rapids, from Barryton at a later date.

Mr. Duffy is a native of East Jordan and a graduate of the Charlevoix county Normal here. Later he attended Western Michigan college. He taught in rural schools in this county for four years, was superintendent of the Suburban Recreation Park school in Kalanazoo for 14 years and coached and taught at Reed City for one year before going to Barryton in 1946.

He is married to the former Beatrice Marshall of this city. They have two sons.

His Tenth... and His Greatest Thrill!

Nine times before he has stood in his dealer's showroom and accepted the keys to a new Cadillac car.

And yet, as often as he has re-enacted this glorious event, he knows that there is something very special about today.

For this is more than a new Cadillac. This is the newest and most advanced Cadillac car ever to find its way from drawing board to production line.

And imagine, for just a moment, the many wonderful thrills that await him as he takes the keys and starts off on his first journey home.

To begin with, there will be his discovery of Cadillac's brilliant new performance. The car is so smooth and responsive that it will be a revelation.

Then, as he takes the sweep of the boulevard, there will be the added thrill of those admiring glances that will come from his fellow motorists.

And how satisfying it will be, to find that Cadillac owners themselves have a special affection for the man who rides in the new "car of cars".

And finally, of course, there will be the joy of that wonderful "welcome home" as he turns into the familiar driveway and comes to a silken stop.

For a new 1957 Cadillac is the prize of any family... and the pride of any neighborhood!

* * *

Why not come in soon for a preview of this thrilling experience? We have a 1957 Cadillac waiting in our showroom—and we will be happy to give you a personal demonstration at any time.

Whether it's to be your first or your second—or your fifth or your tenth Cadillac—you're in for a wonderful surprise!

Attendance Drive By Local Churches Starts Next Month

The local church attendance drive is being held in the hope that it will encourage people to attend church regularly.

Present for the meeting were the Rev. T. E. Todeon, the Rev. L. J. M. Schlopp, Rev. James Lundbuhl, Rev. George Majors, Rev. Kenneth Mitchell and Rev. Riker.

The next meeting will be held

at the study of the Methodist church at 1:30 p. m. Jan. 8.

Churches Announce Christmas Services

(Continued from page five)
joyous anticipation of the happiest days of the Yuletide season, Christmas weekend. Services designed for the glad expression of praise and adoration for the Christ Child are scheduled from Sunday morning through the first moments of Christmas Day.

At 9:45 a. m. Sunday the church school will study the Christmas lesson and its rich meaning for their lives.

At 11 a. m. the annual Christmas Sunday morning worship service will be held in the newly decorated sanctuary. In addition to the congregation's singing of the glad Christmas carols, the Girls' chorus, the Junior choir, the Cherub choir and the Senior choir will sing Christmas anthems. The Rev. Harold E. Kohn will preach the Christmas sermon, "But the Wise Men Believed in the Baby".

The Sunday school program will be held at 7 p. m., Sunday with the children presenting "The Story of Christmas" in pantomime with background music by the Junior department and the Girls' chorus. A playlet, "I Believe", will be presented by the Elementary department and recitations will be given by members of the fourth and fifth grade classes. At the close of the program, Santa Claus will appear in Friendship hall and distribute candy to the children. Adults will be served refreshments.

The beautiful, traditional Christmas Eve Candlelight Service will be held at the church

at 11 p. m. Monday. Favorite Christmas carols will be sung by the congregation and the familiar Scripture passages will be read. The Rev. Mr. Kohn will deliver a brief Christmas Eve meditation on "Going Home Another Way". The Girls' Chorus will sing "O Holy Night" and the Senior Choir will present "While Shepherds Watched" by Jungst, "Lullaby on Christmas Eve" by Christensen, "What child is this?" by Carlsen with Mrs. Joseph Smith as soloist and "The Birth of a King" by Neidinger with Mrs. H. D. Hawley as soloist.

Christ Episcopal Church
The observance of Christmas twelve days will begin at Christ Episcopal church with a choral celebration of the Holy Eucharist at 11:30 p. m. Christmas Eve. By starting the service at this hour, the faithful will be enabled to receive Holy Communion as the first act of their celebration of the Saviour's birth.

On Christmas Day the Holy Eucharist will be celebrated at 8 a. m. Those who are unable to attend the Midnight Mass may make their Holy Communion at this time.

The Rev. Malcolm Thomson is pastor of the church.

The Christmas party for the Church school will be held at the Church hall at 6:30 p. m. Thursday, Dec. 27. The children will play games, sing traditional carols and songs of Christmas receive gifts and refreshments. The party will conclude with the presentation of a costumed Nativity pageant to which everyone, especially parents of the Church school pupils, is invited.

Norwood Methodist Church

"Another Way" will be the topic of the Christmas sermon

given by the Rev. Cecil H. Scott at the worship service at 12 M. Sunday.

The choir will sing carols and Mr. George Light Jr. will present a solo, Beethoven's "The Holy Mass."

The Sunday school will present its program at the church at 8 p. m. Sunday.

Zarnard Methodist Church

The Rev. Cecil Scott, pastor of both the Norwood and Zarnard Methodist churches, will present the Christmas sermon, "An-

other Way" at the 2 p. m. worship service Sunday.

Special Christmas music will be sung by the choir.

The children of the Sunday school presented their program at the church Monday evening.

The members of both churches are invited to attend the Christmas Eve Communion service at the East Jordan Methodist Church beginning at 11 p. m. Monday. The choir will sing special music for the service.

Rayders Upset Boyne City Ramblers 55 to 44

Rayder Terry Davis goes up for a rebound in the Charlevoix-Rayder game played recently on the Blue Devils floor. Rayders snatched the game with a last minute goal by Bob Mol.

Tie With Grayling For First Place In League

The Charlevoix Rayders, playing heads-up ball, dumped the favored Boyne City Ramblers 55 to 44 in a hard-fought game Friday night to retain their first place standing, which they share with Grayling, in the Northern Michigan Class C loop Friday night.

This week the Rayders and Grayling will meet to decide which squad is to have possession of the coveted lead in the league.

Except for height with Grayling having the advantage in the person of 6 ft. 4 1/2 in. center, Bob Strong, the teams, on paper, seem pretty evenly matched.

Both have defeated Boyne City, Mancelona, Gaylord and Pellston. The Rayders downed Boyne City 55 to 44 Friday night; Mancelona 55 to 51; Gaylord 49 to 47 and Pellston 59 to 36 while Grayling won over Boyne City 57 to 54; Mancelona 53 to 46; Pellston 65 to 38 and Gaylord 55 to 53.

The game should be a close one with Grayling having a slight edge because of Strong and because the game is being played on their floor.

In the game Friday night the Rayders outscored Boyne City 21 to 15 in the field goal department but the Ramblers were murder on the free throw line collecting 14 of 22 points while Charlevoix made 13 of 26. Both teams had 15 personal fouls called.

In the starting line-up, for Charlevoix were Norm Helms, Kenny Balch, Joel Arvilla, Terry Davis and Bob Mol with Phil Timmer the only substitute.

The Charlevoix Rayders paced the game all the way, leading 19 to 8 at the quarter, 29 to 22 at the half and 36 to 33 at the three-quarter mark. Early in the final period the Ramblers closed the gap to two points before the Rayders pulled away for their 11 point victory.

CONT
The first six points scored in the game were made on the free throw line with Helms scoring the first two followed by John Juday of Boyne City who scored four. Two other players missed opportunities on the free throw line before Mol dumped in the first field goal of the game with 2 1/2 minutes gone. Helms laid up another field goal before Juday scored twice more from the free throw line and Steve Williams scored a field goal to put Boyne City ahead for the last time in the game.

A free throw by Balch and a field goal by Arvilla tied the score 8 to 8 before the Rayders took command and with Davis scoring one field goal, Arvilla two free throws to give Charlevoix a 19 to 8 first half lead.

Juday scored six quick points to open the second quarter and Williams two field goals to tie the score 20-all after Arvilla had scored a simple from the key but the Rayders snapped back and with Helms scoring seven points and Balch one field goal they went ahead 29 to 22 at the half after Juday had given the visitors two points on a field goal.

Arvilla scored five points including three from the free throw line and Balch and Davis added a field goal apiece to give the Rayders a 38 to 33 third quarter lead after Boyne City had outscored them 11 to 9 on three field goals and a free throw by Juday and four points by Rick Casper.

Early in the final period Boyne City closed the gap to three points, 41 to 38 before Charlevoix pulled away to outscore the Ramblers 17 to 11 on 10 points by Davis and Mol and a single by Balch.

Helms with 10 field goals and four free throws paced the scoring for the victors with 24 points followed closely by Juday who had 23 points on six field goals and 11 of 15 free throws for the Rayders.

Arvilla scored five points including three from the free throw line and Balch and Davis added a field goal apiece to give the Rayders a 38 to 33 third quarter lead after Boyne City had outscored them 11 to 9 on three field goals and a free throw by Juday and four points by Rick Casper.

Early in the final period Boyne City closed the gap to three points, 41 to 38 before Charlevoix pulled away to outscore the Ramblers 17 to 11 on 10 points by Davis and Mol and a single by Balch.

Helms with 10 field goals and four free throws paced the scoring for the victors with 24 points followed closely by Juday who had 23 points on six field goals and 11 of 15 free throws for the Rayders.

Rayder Reserves Rout Boyne City By 72-40 Victory

Charlevoix's little Rayders racked up a 72 to 40 top-sided victory over the Boyne City Reserves on the local floor Friday night.

The local quintet got off to a 14 to 11 first period advantage, outscored the visitors 25 to 11 for a 39 to 22 halftime margin, held the visitors to one point in the third period while dumping in 25 points for a 62 to 23 lead going into the final quarter. With Coach Terry Rice substituting freely, the little Ramblers outscored Charlevoix 17 to 10 in the last period.

Starting for Charlevoix were Steve LaBlance, Scott Supernaw, John Bingham, Bill Poquette and Kenny Case with Tom Lakies, Dave Beaudion, Dave Schuchard, Rod Ostrum, Bruce Pease, Dick VanRaaphorst, John Martin, Charles Coleman, Stan Smith and Jim Ladd.

The Rayders got off to a fast start with Bingham, on four field goals and three free shots, scoring 11 of the local points. Supernaw added three while Boyne City was scoring four field goals and three free throws.

In the second period LaBlance started to hit and connected for four field goals and two free throws; Bingham, Poquette and Schuchard each added four and Supernaw one to give Charlevoix 23 points to 11 for the visitors on two field goals and seven free throws.

Charlevoix's scoring spree continued through the third quarter with Schuchard tallying 11 points including four field goals and **LITTEL RESERVES** **CONT** three from the free throw circle. Supernaw and Bingham contributed five apiece and Case and Pease one field goal each to give Charlevoix 25 points while Boyne scored only one free throw.

In the final period Beaudion and Ostrum scored four points apiece and Schuchard added two to bring his total to 17 for the game. Bingham was top scorer for the game with 20 points. Boyne City had its best period scoring five field goals and seven free throws.

Northup, a younger brother of the Northup twins, was top scorer for the visitors with 12 points. Charlevoix dumped in 25 field goals and picked up 22 points from free throws, hitting 22 of 43. While collecting 32 personal fouls, Boyne City had only 11 field goals, 18 of 44 free throws and 25 personal fouls.

Last Week With Class 'C' Teams

While Charlevoix was upsetting Boyne City 55 to 44, Grayling was edging past Gaylord by a score of 55 to 53; Mancelona was racking up its first win of the season by defeating East Jordan 53 to 48 and Harbor Springs was getting back into the win column by trouncing Pellston 73 to 59.

Grayling 55: Gaylord 53
A scrappy Gaylord quintet gave Grayling a scare Friday night before the latter came up with a two point win in the final seconds of the meeting.

Playing at Grayling, the Vikings held a 10 to 9 first period lead and forged ahead by nine points before the Blue Devils started to hit from outside and cut their advantage to two points, 16 to 14 at the half. In the third period Grayling kept pace with the Vikings until late in the period when Grayling went out in front 49 to 38.

Grayling held its lead until midway in the final period when Grayling again started to connect and with two minutes remaining, tied the score 53-all. The Blue Devils then went into a stall, awaiting an opportunity for a sure shot. As time ran out they went in, missed the basket and Grayling took the ball. Going in for a shot, Tony Dormer was fouled. With two seconds remaining, he stepped to the free throw line, missed the opportunity but Grayling's big center, Bob Strong, took the rebound and with a hook shot scored the winning bucket as the final horn sounded.

Strong and Dave Lowe with 19 points each paced the game. Darwin Mason had 18 for Gaylord.

Mancelona 53: East Jordan 48
East Jordan went into an 11 to 10 first quarter lead over Mancelona but a determined Ironman squad came from behind to take a 26 to 24 halftime advantage and increased it to 46 to 33 going into the final period. Ronnie Johnson paced the game with 20 points for the victors. Cal Darbee had 18 for East Jordan.

Harbor Springs 73: Pellston 59
The Pellston Hornets gave the Harbor Springs a close game for two periods Friday night holding the Rams to a 14 to 13 quarter lead and 33 to 29 at the half before the visitors pulled away to a 55 to 42 advantage going into the final period.

Big Doc Lauer paced the scoring with 32 points including 13 field goals. Pat Cabinaw had 20 for Pellston.

Mrs. William Gaunt

Our neighborhood was shocked last week to hear of the sudden death of Mrs. Alfred Reich an old resident of this neighborhood. They had lived on the same farm for around 47 years. He will certainly be missed by everyone as he was always willing to help a neighbor when they needed help. He was one of the mem-

bers of the Advance Board of Commerce and was a regular attendant.

Mrs. Elouise Crowell accompanied with her two children, drove to Jackson Friday where they will visit with the Tiny Worden family, returning home Sunday.

Mr. and Mrs. Harry Howard are moving into their basement of their new home this week, as it will be much warmer than their

old house.

A baby girl weighing 7 pounds and 7 ounces was born to Mr. and Mrs. Sam Bricker Dec. 15 at the Charlevoix hospital, mother and daughter are doing fine, so says papa Bricker.

Mr. and Mrs. Lester Howard of Lansing were called home to attend the funeral of Mrs. Howard's father, Mr. Reich. Mr. Howard returned to Lansing Sunday to attend his school, but

Mrs. Howard is staying with her mother until after Christmas and then will return to Lansing again.

Mrs. Kate Miller and sister, Margaret Howard of Boyne City spent Sunday afternoon with brother and family, Mr. and Mrs. Henry Howard.

Mr. and Mrs. Bob Howard of Pleasant Valley spent Sunday with his parents, Mr. and Mrs. Henry Howard.

Mr. and Mrs. Ray Dare and family of Detroit spent from Thursday to Sunday with Mrs. Dare's parents, Mr. and Mrs. Earl Bricker.

Mr. and Mrs. Albert Fiel and family of Boyne Falls spent Sunday with their parents, Mr. and Mrs. Earl Bricker.

Mrs. Earl Bricker is employed at the Grand View hospital and is taking her weeks vacation helping take care of the Sam Bricker children, her grandchildren.

The Advance Board of Commerce held their monthly meeting last Tuesday evening at their club house at Advance, which was gayly decorated for the Christmas holidays. A nice large group gathered to exchange gifts, after the business meeting. Mr. and Mrs. Forest Clark served as host and hostess. The pot-luck lunch was enjoyed by everyone.

The Star Community Farm Bureau held their December meeting with Mr. and Mrs. William Gaunt with an exchange of gifts after the meeting. They also served an Oyster Supper to 19 people which was enjoyed by all. Candy and nuts were passed around to the children, Mr. and Mrs. Lyle Peters invited us all to their home for the January meeting.

The South Arm has a coat of ice on it, it won't be long now and we will be seeing fishermen on the lake.

Girl Scout News

Brownie Scout troop 2 met Monday. We opened our meeting with our salute to the flag and the Brownie promise and song.

We finished making our presents and wrapped them. We dismissed with our circle.

Petosago D.A.R. Have Christmas Luncheon Friday

The Petosago chapter of the D. A. R. held its regular meeting and Christmas luncheon at Mrs. Gillam's Tea Room in Petoskey Friday noon. Tables were decorated in a Christmas motif for the occasion.

Mrs. E. C. Smith gave an interesting talk on the origin of many of our Christmas customs. She also read an original account of the Revolutionary War written by a minor Army officer of that day.

Four children's dresses donated by the Muses Hellen and Gertrude Shryock of Boulder Park were displayed before they were given to the Give-A-Dress Drive in Petoskey.

BABY TALK

Births recorded recently at the Charlevoix hospital include:

A son, William Norman, born Dec. 10. Mr. and Mrs. Ernest Putman.

A son, Marco Louis, born to Mr. and Mrs. William Streeter of East Jordan Dec. 12.

A son born to Mr. and Mrs. Ronald Cunningham Dec. 14.

A son born to Mr. and Mrs. James L. Pettis Dec. 15.

A daughter born to Mr. and Mrs. Sam Bricker of East Jordan Dec. 15.

A son born to Mr. and Mrs. Edward Taylor of Ellsworth Dec. 16.

Mr. and Mrs. Bernard McCafferty of Actabula, Ohio, are the parents of a son, Michael Neil, born Dec. 12.

Jobbers Will Award Scholarships

College scholarships to 21 high school seniors from 21 counties throughout the northern part of the lower peninsula will again be awarded by the Northern Michigan Jobbers group.

The scholarships are available at the Alpena Community college to the eastern section of the state and at Northwestern Michigan College in Traverse City for the western counties of the state.

For the past four years these scholarships have been given as a yuletide present in the name of the jobbers' customers as a lasting Christmas gift. A spokesman for the group said that this plan has met with wide acceptance and that the jobbers feel that it is better to give a student a chance to further his education than to give gifts which have only momentary value.

The scholarship plan is a simple one. Each high school principal receives official notification in June of each year to choose one or two students for his school who would be deserving of this honor. Scholastic ability and financial need are the chief qualifications. Each qualification earns 50 per cent toward the final choice. The names of the nominees are then forwarded to the scholarship boards of the participating colleges. The board then names one candidate from each county and offers him or her a chance to accept the scholarship.

Nearly 90 students have benefited from the scholarship plan since its beginning four years ago.

Northern Michigan automotive jobbers participating this year are the Electric Service and Supply Co. of Alpena, Fochtman Motor Co. of Petoskey, Traverse City, Alpena and Gaylord, Morris Auto Supply of Alpena, W. L. Morris Co. of Cadillac, Northern Auto Parts of Traverse City, Petoskey and Manistee and the Traverse City Auto Parts of Traverse City.

Letters To Santa

Dear Santa
Please bring me an Indian suit, a toy plane, a Christmas book, a nurse's kit, a box of crayons and a tablet and a clock.
Please give me your picture and I will give you mine.
I love you, Santa.
Love, Connie Geer.

Dear Santa Claus,
I want a sled and a pair of skis and gun and holster and a rifle and toboggan.
I will be a good boy.
Merry Christmas to Santa Claus.
My brothers and my sisters are going to be good too, so will you come to visit us. Don't forget Mama and Daddy. They have been pretty good too.

Merry Christmas

The season of glad cheer and good fellowship is with us again—and everywhere we go we see as well as hear and feel this wonderful spirit! We see it in our gaily adorned homes and business places . . . the colorfully lighted trees . . . and on the smiling faces of people about us. We hear it in the well-wishing greeting of friend to friend . . . stranger to stranger . . . in the church bells sounding magnificently through our community. We feel it in our every activity—be it home or business. And we extend it also in our sincerest wishes to you our friends and patrons—that this may be a truly memorable Christmas and a happy, happy New Year!

IT HAPPENED ON . . .

BEAVER ISLAND

By Loy Malloy

Once again it looks as though winter is with us. As I write the ground is covered with snow. A couple of days last week there was ice in the north end of the harbor.

Mr. and Mrs. George Douat left last week for Perri, Ind., for an indefinite stay.

Dr. and Mrs. John Hetherington of Indiana spent a couple of days on the island during the past week.

Thelma Schmidt returned home after spending a couple of weeks in Fortiac with relatives.

In mentioning the children in the First Holy Communion class of Dec. 8 these names were left out: Helen Pischner, Lanette Buchner and Arlene Malloy.

A week or so ago Miss Neal from the State Health Department made her yearly check at the Medical building which is classed as a Maternity center.

Dan and Ed Greene have gone to Charlevoix to spend the winter months.

Word has been received here that William O'Donnell, a patient at South Shore Community hospital in Chicago, is some

what improved as of last Friday. Mr. and Mrs. James O'Donnell left this week to spend the holidays with their family in Chicago.

Mrs. Clarence Palmer and Mrs. William Boyle are spending some time on the mainland.

Mrs. Carl Felix and family left last week for Chicago where they plan to spend the holidays with their husband and father, who has been there for the past three weeks.

Beaver Island Coast Guards made a trip to Lansing Shoals to pick up the men from the light there last Friday.

Mr. and Mrs. Roger Carlisle plan to leave this week for Ind. to spend some time.

Killer whales, among the fiercest of all sea creatures, actually are dolphins. They hunt in packs, swallowing small seals and porpoises whole. Although these bloodthirsty marauders grow to only 30 feet, they will attack and kill large whales, the National Geographic Society says.

Helping Santa's Helpers

Good old Santa has a staff of helpers, as everybody knows, for even as magical a man as he could hardly be expected to do such a tremendous job without some assistance. . . But do you know where his helpers get a lot of their help? Why, from the thousands upon thousands of trucks that daily transport raw materials, manufactured goods, farm products — everything it takes not only for day-to-day living but for a Merry Christmas, too. You can bet your boots that everything you see around the tree on Christmas morning traveled by truck for many miles before it got into Santa's pack. . . Merry Christmas, everybody!

Contract Awarded For New Hospital Addition

Plans for constructing a 24 by 40 ft. addition to the new Charlevoix hospital have been released by the board of directors following a meeting at which the bids were opened and the contractors named.

Ernest W. Priebe of Petoskey, whose bid of 19,784.00 was the lowest of the three submitted, was awarded the bid for the solarium which will be built on the north wing of the hospital.

Seniors Select King And Queen For Winter Ball

Petite blonde Janice Cunningham and her escort, Danny Farmer, will reign as queen and king, respectively, of the annual Christmas ball at the Charlevoix high school gymnasium tonight (Thursday).

The annual event, sponsored by the senior class, will begin at 9 p. m. and continue until 12:30 a. m. Music for dancing will be by the Johnny Kay Trio.

The work will be started in the spring. Completion date has been set for June 15.

The addition is being financed by summer residents. The Charlevoix hospital received a \$12,500 grant from the Ford Foundation in Dec. 1955.

The hospital was completed in Aug. 1954 at the cost of \$600,000.

The gymnasium will be transformed into a Christmas-Wonderland for the event with a lighted Christmas tree and tables centered with lighted tapers and greens as features of the decorations.

Queen Janice will be crowned in an afternoon dress of elegant tulle and gold flowers, matching accessories and a corsage of red roses.

Max Nevak and S. E. Coleman, faculty advisors, and their wives will top a list of chaperones for the party which is open to the public.

Mrs. Peter Schipma Dies In Chicago

News of the death of Mrs. Peter Schipma at her home in Chicago on Tuesday after a long illness has been received here.

Her brother-in-law and sister, Mr. and Mrs. Peter H. Timmer and sons, Howard and Philip, have gone to Chicago to attend the funeral services Friday.

White Christmas Comes With Last Minute Snow Fall

Charlevoix had a white Christmas when an unexpected snowfall late Sunday dropped approximately five inches of snow with a 2 1/2 hour period.

The snow, laden with moisture, started falling about 7:45 p. m. Sunday after an hour of rain and continued until about 10 p. m.

Charlevoix county commission crews and city crews were called out to remove snow and sand roads following the snow fall.

Until then, unseasonal temperatures had soared to 55 degrees at one time during the snow, melting all earlier snowfalls.

Four County Men Called For Jan. 7

Four Charlevoix county draft registrants will leave here Monday, Jan. 7, for Detroit to fill the county's draft quota for January.

The quartet had received physical examinations earlier.

They are: William F. Kerr of Charlevoix; Walter R. North of East Jordan; John H. Bernadyn and Richard Massey of Boyne Falls.

No one will be called for pre-induction physicals in January.

Officers Elected By Round Lake Lodge 293, 100F

Jerold Murdick was elected Noble Grand of Round Lake lodge No. 293, I. O. O. F., at the annual election of officers held Wednesday.

Other new officers are: vice grand, Harry Powers; secretary, Edward Swanson; financial secretary, Clarence Rabach; treasurer, George Bergmann.

Installation has been tentatively set for mid-January.

John J. Hallett, Hotel Operator, Dies At Home

John J. Hallett, 55, lifelong resident of this community and operator of the Hallett House, was found dead at his home at 312 Belvedere Sunday morning by friends who called when he failed to appear at Mass at St. Mary's church. Death was due to natural causes, according to coroner, Dr. L. E. Grate.

Funeral services were held at St. Mary's church Wednesday by the Rev. E. Francis Denay officiating. Burial was in St. Mary's cemetery. Friends recited the Rosary at the Pontius Chapel Tuesday evening.

Born in Charlevoix Dec. 28, 1900, the son of the late Joseph J. and Belinda Hallett. He was associated with his parents in the hotel business and in recent years had operated the Hallett House at 312 Belvedere ave. During World War II he served in the U. S. Army. He was a member of St. Mary's church and its Holy Name Society and the Leslie T. Shapton post No. 226, American Legion.

Surviving are two brothers, Irving L. Sr. and Harold T., both of Detroit; a cousin, John Bourgeois of Albuquerque, N. M., and two nephews, Irving L. and Richard Hallett of Detroit.

Judges were Mr. and Mrs. Price, Mr. and Mrs. Andre Goss and Mr. and Mrs. Harold Hunt, all of Ironton.

Grayling Takes 65-45 Victory From Rayders

The Charlevoix Rayders suffered their first setback of the current season Friday night as they were downed by Grayling 65 to 45. The victory by the Vikings gave them sole possession of the top slot in Northern Michigan Class C league standings, a position they have shared with the Rayders until Friday's game.

The Rayders will have a two weeks lay-off during the holiday season before resuming their schedule Jan. 4 when they host the Class B Petoskey aggregation in a traditional battle. The league schedule will be resumed by all eight loop teams on Jan. 11.

In the game at Grayling Friday night, the Rayders stayed in the game until the final period when they were outscored 19 to 8. Until then they had trailed 16 to 15 at the quarter; 32 to 27 at the half time and 48 to 37 going into the final period.

Starting for the Rayders were Norm Helms, Kenny Balch, Joel Arvilla, Terry Davis and Bobby Mol with Phil Timmer, Dale Putman, Mike Geniet, Glenn Bears and Ron Vanderberg joining the action later in the game.

Trailing by only one point as the first period ended, Balch had scored four field goals, Helms four points, Davis a field goal and Arvilla one free throw for the Rayders while Grayling had hit on six field goals and four free throws.

The Vikings continued to hit in the second quarter, racking up 16 points on five field goals and six free throws. Balch, Davis and Mol scored two field goals each for the Rayders' 12 points.

Charlevoix continued to lose ground as the second half got under way, scoring only 10 points including six from the free throw line and two field goals. Arvilla had four, six from the key, Mol scored an additional four on a field goal and two free throws and Davis added a field goal. Grayling scored three field goals.

MS Emerald Isle Schedules Last Trip For Monday

The motorship, Emerald Isle, of the Beaver Island Boat Co., will discontinue ferry service to Beaver Island Monday.

The motorship which has been making three trips per week during the month of December, will make its final trip of the current sailing season Monday. During the past weeks its cargo has consisted mainly of supplies for the island, the last they will receive except via air, until navigation opens in the spring.

Beginning Jan. 1, all passengers, mail and other cargo will be carried by the McPhillips Flying Service operated by Joseph McPhillips of this city.

Award Prizes For Christmas Decorations

Winners in the Christmas decorating contest sponsored by the Charlevoix Municipal Utilities department were announced Wednesday by the committee of judges who toured the city Sunday evening to view the decorations and make their choices.

A first prize of \$15.00 and a second prize of \$10.00 was given in each ward of the city's three wards.

Before announcing their choices, Mrs. Ralph Price, speaking in behalf of the judges said that there were many fine displays of Christmas decorations which made it difficult for the judges to select winners in the contest.

The winners in the city's three wards were: first ward, first place, G. B. Saltonstall residence, second place, the Gregory A. Shiffel residence on Meach st.; honorable mention, Fay Davis residence on Dixon ave.

Second ward, first place, Shelby Goss residence on State st.; second place, George LaBlance residence on Park ave.; honorable mention, Harley Ochs residence on Clinton st.

Third ward, first place, Thomas Carey residence on E. Upright ave.; second place, E. J. Edwards residence on Belvedere ave.; honorable mention, the Dan Geniet residence on State st.

Several homes outside the city limits which were not eligible for prizes deserve honorable mention for their fine decorations. Among them are Miss Anne Baumgartner's apartment at the Charlevoix hospital; the C. W. Sucher residence on Park ave., and the Robert Withers residence on Stover road.

Two special services will be observed at the First Methodist church over the New Year's weekend the pastor, the Rev. David M. Schloep, has announced.

The first will be student recognition Sunday on Dec. 30. At that time students home for the holidays and other guests will be recognized and students will assist at the 11 a. m. worship service Sunday.

Another feature of the service will be an offering to meet the desperate need of Hungarian and other refugees through the Methodist Overseas Relief.

On Monday, New Year's Eve, a special Watch Night service will be held at the church.

Beginning at 9 p. m. games and refreshments will be provided in the church parlor.

At 11:30 p. m. the Covenant Service of John Wesley will be observed in the sanctuary with the Rev. Mr. Schloep officiating.

Holy Communion will be celebrated on the first Sunday of the New Year, Jan. 6.

Church Of God Plans New Year Watch Service

A special New Year's Watch Night service will be held at the Community Church of God at 11 p. m. Monday evening, the Rev. George L. Majors, pastor of the church, has announced.

A candlelight watch service will be held in the sanctuary of the church with the Rev. Robert Chambers, of the First Church of Petoskey, delivering the devotional thought for the evening.

The congregation of the Petoskey church will join with the local congregation in watching the old year depart with united prayer.

Earlier in the evening the young people of the church and their guests will enjoy a roller skating party at the March Roller rink at Walloon Lake. At 10 p. m. the young people will return to Fellowship hall to join with the other members of the congregation for a time of fun and fellowship under the direction of Betty Berg. Delora Richardson will be in charge of refreshments.

The public is invited to participate in this special event.

Council Holds Short Session

The Charlevoix city council held a brief meeting late Friday afternoon in place of the regular Monday evening meeting because of the holidays.

An application for renewal of a taxicab license entered by Lacy Oldham was approved.

Bills amounting to \$13,007.87 were approved and ordered paid.

Christmas Baby Born At Hospital

For the first time in a number of years a Christmas baby was born at the Charlevoix hospital.

The baby, a daughter, was born to Mr. and Mrs. Donald L. Arnett of East Jordan at 10:35 a. m. Christmas morning.

More Signers Are Needed For Adult Classes

Registrations for the Adult Education program sponsored by the Charlevoix public schools are lagging, Max Novak, who is in charge of the classes said Wednesday.

Tentative plans call for classes to begin Jan. 8 or shortly thereafter. However, none of the classes has enough students registered so the classes can get underway. A minimum of 10 must register for a class before it can be offered.

Classes in ceramics, sewing and car driving need only a few more registrants before they can be started, Mr. Novak said.

In the past classes in magazine and short story writing, upholstery, painting, typing, bookkeeping, advanced mathematics, Spanish, photography, welding, woodworking and others have been offered.

Anyone wishing to register for any of these or other classes may call Mr. Novak or the school office, LI 7-6583.

Special New Year Service Planned By Methodists

Two special services will be observed at the First Methodist church over the New Year's weekend the pastor, the Rev. David M. Schloep, has announced.

The first will be student recognition Sunday on Dec. 30. At that time students home for the holidays and other guests will be recognized and students will assist at the 11 a. m. worship service Sunday.

Another feature of the service will be an offering to meet the desperate need of Hungarian and other refugees through the Methodist Overseas Relief.

On Monday, New Year's Eve, a special Watch Night service will be held at the church.

Beginning at 9 p. m. games and refreshments will be provided in the church parlor.

At 11:30 p. m. the Covenant Service of John Wesley will be observed in the sanctuary with the Rev. Mr. Schloep officiating.

Holy Communion will be celebrated on the first Sunday of the New Year, Jan. 6.

Charlevoix Milk Producers Annual Meeting Is Jan. 12

The annual meeting of the Charlevoix Milk Producers association will be held Saturday, Jan. 12 at the high school cafeteria. John Wieland, secretary, announced this week. The official business meeting will follow a dinner at noon for the 23 members and their families.

Guest speaker on the program will inculcate H. S. Simmons, secretary of the Michigan Milk Producers association, and possibly Glenn Lake, president of the state organization.

The Charlevoix Milk Producers association supplies fluid milk for Moxbauer Creamery and is affiliated with the Michigan Milk Producers association.

They were held in the Charlevoix county jail after failing to furnish bonds of \$1,000 and \$500 respectively.

The pair is charged with driving away an automobile owned by William Spayde early of the morning of Dec. 21. They were apprehended a few hours later.

They will appear before Judge Charles L. Brown in a special term of circuit court Friday.

Shananaquet was released recently from Southern Michigan prison after serving a sentence for a similar charge.

Boulders in our paths can be stumbling blocks or stepping stones.

Nominating Petitions Filed For City Offices By Three Candidates

Three candidates for city offices had filed petitions at noon Wednesday, Clifford G. Riley, deputy city clerk, reported as only five days remained before the deadline at 4 p. m. Monday.

John Wolf, retired employee of the Detroit Department of Buildings and Safety Engineering for 32 years, has filed his petition for mayor.

Edward P. Hansen has become a candidate for third ward alderman to succeed Ralph S. Hamilton who said Wednesday that he would not be a candidate for reelection after serving six years on the city council.

Incumbent Frank Ross will seek reelection as second ward alderman.

It is understood that incumbents, James Miller, mayor; Hugh Mayo, clerk; Nellie A. Hamilton, treasurer; Clark Staley, first ward alderman and Ivan Phillips, T. R. Miller and Jess Smith, first, second and third ward supervisors respectively, are planning to seek reelection in the primary election scheduled for mid-February.

In filing his petition for election to the office of mayor, Mr. Wolf said "I have been approached by a group of citizens from both the Republican and Democratic parties who have asked me to file my petition for mayor. They are not satisfied with the way city affairs are being handled and want a change. I agree with them."

He went on to say that "There is room for improvements especially when it comes to enforcing state laws."

"As a citizen of Charlevoix I like to see a good city government," Mr. Wolf concluded.

Candidates for any of the above named office must file petitions by 4 p. m. Monday if their names are to appear on the ballot in the forthcoming Primary election.

There will be an election of two directors at this annual meeting. The terms of Harold Goebel and Robert Straw will expire at the end of this year. A nominating committee has met to select nominees. Other nominations will be accepted from the floor.

There will be entertainment for everyone at this meeting. There will also be a lunch of milk and cookies served following the meeting. The main speaker will be Richard Schroeder, former agricultural instructor at the East Jordan High School, who has recently completed two years in Pakistan. Mr. Schroeder will show colored slides of Pakistan.

ODDS 'N' ENDS

By Fran Martin

Lots of dads give their young sons electric trains for Christmas. . . mostly, we think, to fill a suppressed desire for something they never had. . . There's one fellow in town who started out on a small scale with a train a few years ago and now has one that's unbelievable. . . We haven't seen it, but we hear that it's got everything—a village, countryside, mountains and tunnel with all sorts of added attractions. . . and much of the extra scale models of the real thing. . . We hope to see it some time during the holidays. . . and if you ask him we're sure he'll be happy to share his display. . . Oh, we forgot to tell you who it is. . . Elmer Gibson, a guy with more skills and patience than we've ever found in one individual. . . and when you see this you'll understand what we mean.

How does one go about introducing swans to remain in a given community? We'd like to know. . . You remember we used to have quite a flock of the beautiful white birds in Old River. . . but they moved away, perhaps there was too much activity in Round Lake in the summer time. . . Despite the fact that it's winter everyone is enjoying their brief visit in Round Lake. . . Just thought someone might know the magic word which would keep them here. . . Mrs. Gladys called to tell us about them. . . as did a couple of other people.

We will not be in the good graces of skiers when we relate this. . . but it's what the man said. . . In fact we might add, "This newspaper is in no way responsible about ideas expressed here." . . (That's to get us off the hook with said skiers). . . But it's like this. . . when we're all enjoying the almost spring-like weather last Thursday, Friday, and Saturday, our postman, Walker Miles, told us that the weather at that time of the equinox which during those three days, will foretell the weather for the next three months. . . Now if that is true, then we're going to have what the old-timers call an "open-winter." . . So maybe the Indian lady who predicted a warm winter was right. . . We shall wait and see. . . We might add that Walker Miles told us the same thing at the time of the equinox in June. . . And we're sorry to say it, but he was right. . . We had a cold, wet, miserable summer. . . As we say, we shall see.

Here's a little matter we've been going to mention for some time. . . There have been times in the past when some of the cheer-leaders have brought up the subject of wearing skirts instead of slacks at the ball games. . . Now we don't want to seem stuffy. . . far from it. . . but we are glad that the "powers that be" stuck to their guns. . . that is, insisted on slacks. . . We think they look mighty trim and sharper than the skirts.

And we're bringing this matter up just on general principles and not because some incident brought it to mind. . . There are times

when things don't go right, to your way of thinking, on a basketball floor, a football field or a baseball diamond. . . And being human, your first impulse is to shout, "Kill the ump!" or some equally withering comment. . . We will agree that basketball officiating sometimes leaves a lot to be desired. . . but doing that isn't correcting the condition. . . Within the month the entire crowd at a basketball game in the north country was penalized, and we might add, humiliated, when a technical foul was called on said crowd. . . There were, perhaps, 800 people in the gymnasium and every last one of them was given a bad name for the actions of three or four people. . . We think it might be a good idea to evict anyone from the building when he gets unreasonable. . . If the officials would do that a few times, maybe the situation would be corrected. . . We hope that such a situation will never develop here.

As this is being written it is not yet Christmas. . . everyone is hustling and bustling about wrapping packages, delivering gifts and calling out "Merry Christmas" to everyone. . . The postman is probably the busiest fellow in town as he plays the role of Santa's assistant, bringing parcels and cards.

And all of us are ooh-ing and aah-ing over this one or that picture which arrived from some friend whom we heard from just a year ago now. . . Some cards are unique, some clever, but all carry the same unwritten message which means so much. . . "We thought of you and took the time to send a card." . . We are always flattered when we get a card. . . we feel so lucky to be remembered by so many people. . . some old, old friends with whom we share memories for some reason or other, although we haven't seen them in years. . . New friends. . . people whom we met here or there last month, last summer or last year, perhaps. . . but new when compared with those of our childhood, for instance. . . We thank you for remembering us this holiday season. . . your friendship and thoughtfulness is treasured above everything else.

We hope you found something you wanted under your Christmas tree. . . You know, that new car, or yacht or something else more in keeping with your way of life.

And now we turn to the New Year. . . Looking at it from this distance it looks so new and shining and full of promise. . . Like the packages under the Christmas tree, each day or week or month holds a surprise for you and me. . . For everyone of you we hope that each day will hold something new and beautiful. . . a new experience, a new friend, adventure. . . anything you wish. . . Service Award Is Given Potoskey Office Of C. I. T.

An award for its outstanding success in maintaining a high level of customer relations has been received by the Potoskey office of Universal C. I. T. Credit Corp., the nation's largest independent automobile finance corporation.

Leslie T. Ball, district manager and Jack Garringer, branch manager, accepted the banner, signifying the Potoskey branch's excellent performance in the program in behalf of the employees of the Potoskey office. The function of the banner is similar to that of the former Army-Navy E award, given for production performance during World War II. "Ours is essentially a service business," Mr. Ball said, "and customer relations naturally play a very important role. We recognize that no matter how good our customer relations are, there are always areas in which we can better serve our customers. As a result of this program which was initiated last April, I believe we have all derived greater satisfaction in performing our jobs pleasantly and well. We have learned, too, that most of the magic of good customer relations is simply remembering that it is an every-day all-the-time part of our job."

Demonstration Clubs Meet For Christmas Party

The Charlevoix county Home Demonstration clubs held their annual Christmas party at the Community Church of God Fellowship hall recently.

Mrs. Richard Schroeder of East Jordan, who returned recently from two years in Pakistan, gave an interesting and enlightening talk on her experience there.

A program of Christmas music was presented under the direction of Mrs. Charles Hart of East Jordan, recreation chairman.

Each member made a silver offering which was placed in a miniature mitten or sock and placed on a Christmas tree which was then given to the patients at Grandvuc hospital in East Jordan.

A tea served at a table decorated in a Christmas motif concluded the meeting.

Dr. G. E. Loomis Is Guest Of Honor At Traverse Dinner

Harry A. Craig, former superintendent of the Charlevoix public schools, was in Traverse City last week to attend a testimonial dinner honoring Dr. Glenn E. Loomis, superintendent of the Traverse City schools.

Men from three communities, Charlevoix, Big Rapids and Traverse City, numbering more than 80, gathered at the Gilbert lodge for the event honoring Dr. Loomis for 40 years of service in education.

The program, following the pattern of "This Is Your Life," featured various associates during his years in education. He was presented with an engraved wrist watch from the group.

60th Anniversary Is Observed With Reunion Of Family

Ellsworth—Mr. and Mrs. Martin Elzinga, pioneer residents of this community, celebrated their sixtieth wedding anniversary Saturday at a family gathering at the home of their daughter, Mrs. Fannie Curtis in Cadillac where they are spending the winter.

The couple was married at Ellsworth Dec. 4, 1896, and have resided in Banks township since that time. They have lived in their present farm home since 1904.

Mr. Elzinga was born in the Netherlands May 3, 1874, and came to the United States in 1883 and to Antrim county in 1885. Mrs. Elzinga, the former Alice Telgenhof, was also born in the Netherlands on Sept. 18, 1877 and in 1882 came to this country with her family who moved to Antrim county two years later.

They are members of the Atwood Reformed church.

The couple has two daughters, Mrs. Curtis of Cadillac, with whom they are spending the winter and Mrs. Bert Green of Detroit and two sons, Julius of Detroit and George of Kalamazoo. They also have six grand children and one great-grandson.

Mrs. Albert Taylor Hostess At Annual Christmas Party

The American Legion Auxiliary met Monday evening at the home of Mrs. Albert Taylor for its annual Christmas party.

The occasion was also Mrs. Taylor's birthday anniversary and a feature of the refreshments was a birthday cake.

After a brief business meeting at which plans for the district meeting to be held at Bellaire Jun. 20 were made and plans to send cards to out-of-town members and local shut-ins, the members enjoyed a social hour and gift exchange around a lighted Christmas tree.

The group also sent gifts to local residents who are patients at Grandvuc hospital and candy for other patients.

Santa Highlights V.F.W. Family Party

A visit from Santa Claus was the highlight of the annual family dinner for members of the V. F. W., its Auxiliary and their families held Sunday at the post home.

More than 150 members of both organizations and their guests gathered for a dinner served at tables decorated in a Christmas motif. Later Santa Claus appeared to distribute gifts and bags of candy to everyone present.

Dickens Club Has Christmas Party

The members of the Dickens Study club were guests of Mrs. Cora Coulter and Mrs. Clark Coulter at the club's annual Christmas party.

The house was beautifully decorated in a Christmas motif for the event which featured a dessert luncheon. Mrs. H. E. Paddock presided at the tea table.

Rayder Reserves Mark Up Fourth Win Of Season

Charlevoix's Little Rayders racked up their fourth win of the current season Friday night with a 62 to 49 victory over the Grayling Reserves.

The local quintet, paced by John Bingham who dumped in 30 points including 14 field goals, took a commanding 20 to 13 first period lead, increased it to 37 to 22 at halftime and 49 to 28 going into the final period before Grayling, whittled the advantage to 12 points as the final horn sounded.

Starting for Charlevoix were Steve LaBlance, Scott Supernaw, Bingham, Bill Poquette and Ken Case with Tom Lakies, Dave Schuchard and Bruce Pease joining the line-up later in the game.

Bingham scored a third of his 30 points in the first period on four field goals and two free throws while Supernaw dumped in three double-counters and LaBlance and Poquette added two points apiece. Grayling was limited to five field goals and three free throws.

While Grayling was making one field goal and adding seven from the free throw line, in the second period, Bingham scored another four field goals, Lakies added seven points and Schuchard a field goal to move the Rayders into a 37 to 22 lead.

In the third period, Bingham continued his scoring pace, dump-

ing in four field goals. Lakies and Schuchard scored a field goal apiece. Grayling scored two field goals and two gift shots as the Rayders forged ahead 49 to 28.

Substituting freely in the final quarter, Charlevoix scored only 13 points including four each by Bingham and Case, two each by Lakies and Pease and one by Poquette. Grayling scored eight field goals and five free throws.

Charlevoix was in control of the game all the way outscoring Grayling 28 to 16 in field goals. They scored on only six of their 16 free throw attempts however, while Grayling was successful on 17 of 25.

Top scores for the little Vikings was Hatfield with 26 points.

A new U.S.-Alaska telephone cable system covers some 1,250 miles along the route shown above. The southern section of the system, placed in deep water off the coast between Port Angeles and Ketchikan, was built by the Long Lines Department of American Telephone and Telegraph Company. The northern leg, from Ketchikan to Skagway, was built by the Alaska Communication System, operated by U. S. Army Signal Corps. Two years in the making, the new system can carry 36 conversations at one time.

Doctors Launch Drive Against Polio-Diphtheria

An intensive campaign to urge all parents to have their children immunized against polio and diphtheria during the next few weeks has been launched by Michigan Doctors of Medicine, according to Arch Walls, M. D., president of the Michigan State Medical Society.

"Operation Armor" is the key-note for the doctor's drive to overcome public apathy towards protection from these two dread diseases," Dr. Walls said.

"Only if every Michigan family will avail itself of the ready supply of vaccine during the winter months will any progress be made against the crippling and killing effects of these two viruses. Although school children constitute the most susceptible age group, immunization of every citizen regardless of age is the ultimate goal if these diseases are to be completely stamped out—and they can be," he added.

Dr. Walls urged every M. D. in Michigan to emphasize "Operation Armor" to his patients and added that vaccine supplies are plentiful.

Coast Guard To Conduct Exams For Officers' Ratings

Examinations for licensed officers of the Merchant Marine who wish to become commissioned officers in the U. S. Coast Guard, will be held from Feb. 1 through April 30 at Coast Guard Marine Inspection Offices in Cleveland, Chicago, Buffalo, Detroit, Duluth and Milwaukee, it has been announced.

Applications must be submitted at least 30 days prior to the desired date of examination and examinations must be taken on three consecutive working days. Examination subjects have been revised, eliminating examination in chemistry, physics and English. An officer classification test which includes arithmetic reasoning, word analogies, mechanical and electrical comprehension plus a 500 word essay has been substituted.

The limiting age for applicants who meet the qualifications for appointment as lieutenant (junior grade) has been extended from 30 to 32 and for lieutenant from 35 to 38. The maximum age for lieutenant commander remains at 40. Also, more liberal requirements for licensed service have been effected.

Application papers and information as to the general and physical requirements, plus sample examination questions are available at any Coast Guard Marine Inspection office, and Coast Guard headquarters in Washington, D. C. The nearest Coast Guard Marine Inspection Office is located at St. Ignace.

Fish Law Digest For '57 In Mails For This Season

Hunting seasons are much in the spotlight, but there is news for ice fishermen too. Michigan's 1957 fishing licenses and fish law digests are being mailed out to 4200 license dealers in the state, and will be available from most dealers December 1. A record 1,900,000 licenses are being distributed.

Fishermen are allowed to take black bass from all waters, except designated trout lakes and streams, through December 31. Legal sturgeon fishing will be also on inland lakes and streams—except in trout waters—after January 1. For details, fishermen should check the new fish law digest.

Hunters' Attention Now On Small Game

With the close of deer season, many hunters are turning their attention to other game—cottontail rabbits, snowshoes hares and bobcats.

Cottontails, primarily a southern Michigan game animal, are legal targets in the southern lower peninsula through January 31, while rabbits and hares may be hunted in the northern lower peninsula and the U. P. through March 1.

The northern lower peninsula's bobcat season will be in effect December 15-March 15. Last year, hunters took about 140 cats in the state's first bobcat season. In the upper peninsula, bobcats still have a predator status and may be taken at any time of year; 754 were bountied in the U. P. in 1955.

Be philosophical about what you don't like but can't change.

1162 Arrested For Game Violations During October

Violations of hunting laws accounted for the majority of the 1162 arrests made by state conservation officers during the month of October.

Convictions resulted in 1136 cases; 24 cases were incomplete and two were dismissed. Total fines paid by violators amounted to \$20,600, in addition to \$8,900 in court costs in justice courts throughout the state. These totals represent an average financial penalty of more than \$25 for each conviction.

Violators who received jail sentences totaling 197 days and 13 persons were placed on probation.

Illegal hunting activities were the most numerous violations, including 170 persons arrested for failure to observe waterfowl shooting hours. Other frequent violations included: possession of loaded firearm in automobile, 166; possession of loaded firearm in motorboat, 113; hunting deer with artificial light, 93; hunting without a license, 73; and hunting game birds or animals during closed season, 52.

Fine control in Michigan forests has benefits other than safety. Productive land use is one of its major purposes, including timber production, game management and recreation development.

Public State Parks Not Adequate To Meet 1956 Demand

Some late and lamentable figures indicate more than seven percent of all persons seeking camping privileges in state parks had to be turned away this year because of overcrowded campgrounds.

Conservation Department summaries show 7241 campers were turned away. A camp represents four or five persons each, making a total of 30,000-35,000 persons that were refused entrance this year.

"This has become a very unfortunate situation," said Arthur C. Elmer, chief of the Department's parks division. "State parks are open to all the people. We are very disappointed when we have to turn campers away because of a lack of facilities."

Elmer said 20 parks out of 57 that allow camping had to turn away those seeking overnight privileges; most of these parks are in the northern lower peninsula.

It was Lake state park west of Manistowic turned away 1695 campers; East Tawas, 1500; Ludington, 1479; and Lake port, north of Port Huron, 778.

Trout Planted In Great Lakes Show Fast Weight Gains

Early returns from Michigan's program of planting "steelhead trout" at the mouth of Great Lakes streams indicate at least two possibilities; one, that rainbow trout in the Great Lakes gain weight and size rapidly before spawning up inland streams and, two, that instead of all these fish returning to the stream where planted, many migrate long distances and choose different streams for their spawning runs.

The planting experiment is patterned after a State of Washington program in which trout are planted at the mouths of streams tributary to Pacific Ocean waters. Research found that these trout gained weight and size rapidly before returning to spawn in the stream where they were planted.

Michigan fish workers started a similar pilot program to see if this would be the case with rainbows using the Great Lakes as a feeding ground.

In 1955, Michigan planted 28,000 young, tagged rainbows, ranging in length from nine to 12 inches, at the mouths of streams entering the Great Lakes. In 1956, another 28,000 were planted. Since those plantings, about 440 tagged fish have been returned. In addition, fisheries workers say many other tagged fish have probably been caught by anglers but not reported to the Conservation Department.

But the returned fish all show a growth of from five to ten inches in a single year. Also, weights went from three to 12 ounces up to two to three pounds.

However, while most of these fish were caught in streams where planted, a curious interest in travel seemed to touch many of the tagged 'bows.

One fish, planted at the mouth of Black Mallard River, Presque Isle county, was taken near Port Clinton, Ohio, 325 miles away. Another from the same planting was taken east of Toledo, Ohio, 300 miles away.

The average distance traveled by 19 "extraordinary" traveling rainbows was 150 miles, and many others traveled shorter distances.

Suggests Plans To Obtain Clean Eggs From Hen's Nests

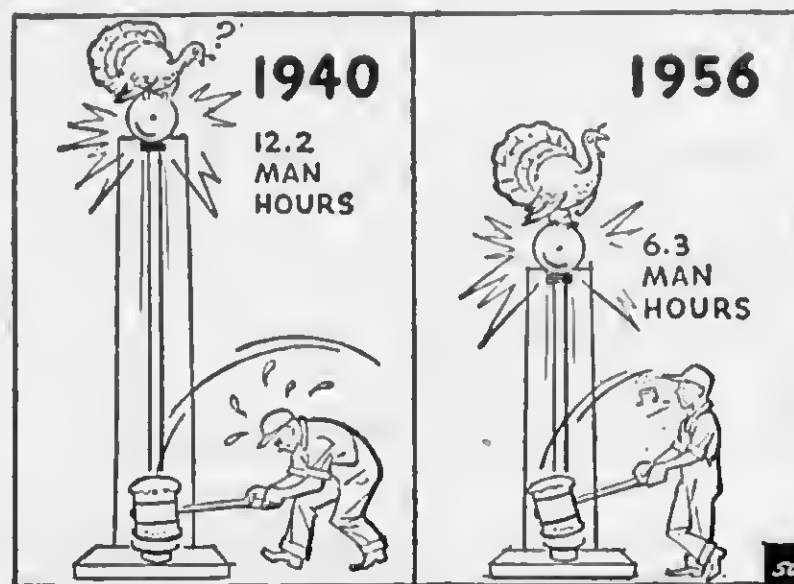

Under average laying house management, many of the eggs become dirty before they are gathered from the nests, points out Ed Robman, Charlevoix county agricultural agent.

In a study made by L. E. Dawson, Michigan State University poultry researcher, less than half of the eggs gathered on a large commercial farm were clean enough for practical purposes.

Proper nest litter management was an important method of reducing the number of dirty eggs, Dawson found. Generally, keeping adequate litter in the nests, replacing soiled litter or adding clean litter were even more important than was the specific type of litter used.

Dawson reports that when whole or chopped straw or excelsior pads are used for nest litter, the materials should be changed often or added to frequently. Because of the time needed to do this, and the total amount used, these materials are rather expensive. Materials such as cane pulp, crushed corn cobs, shavings or similar commercial litter do not need to be changed as often and are cheaper as a result.

Turkey Dinner Will "Cost" Less

Christmas dinner this year is likely to run into more cash per family, but on a basis of average earnings, it is going to be less expensive than 15 years ago.

And in quality and nutrition you get more for your money.

Comparing prices with 1940, prior to America's entry into World War II and as the country was moving into a more prosperous era, a turkey dinner today is likely to cost up to \$12.00, with all the trimmings, compared with around \$8.00 in 1940.

But it took the average wage earner 12.2 hours in 1940 to earn the price of the dinner whereas the average wage earner needs to work only 6.3 hours for the 1956 dinner.

Turkey is higher per pound than in 1940, but smaller birds permit purchase of a size to fit exact family needs whereas 15 years ago the birds were larger. Also, the bulk of turkeys today are purchased over ready, with none of the waste which prevailed years ago.

In addition, improvement in food products generally has taken place since 1940. The white bread used in the turkey stuffing and served at the table is enriched, contributing essential vitamins and minerals in quantities not possible prior to 1941 when enrichment started.

Not only are numerous foods improved in processing, retaining more essential food elements, many of them today are delivered to the homemaker in such form as to reduce her kitchen labors, taking much of the drudgery out of all the work of preparing the Christmas meal.

The menu used to arrive at the figures above included turkey, tomato juice, ripe, green and stuffed olives, pickles, celery, cranberries, peas, potatoes, yams, lettuce salad and dressing, butter, bread for stuffing and at the table, pumpkin and mince pie, milk and coffee.

A dietitian has suggested, after such a meal, some bicarbonate of soda would be advisable. But isn't it wonderful to live in a country where most all families can overeat to such an extent!

Live Better for Less!

How Much Can You Stand?

When we see deer poised on a river's edge, or chickadees flitting from limb to limb, a ruffed grouse strutting across a forest path or a robin digging worms in our front lawn, we are sometimes envious. We covet their freedom from care, their innocence of problems and wish that we could be as "free as a bird" or as poised as a white-tail buck.

Yet if animals could talk our language, many a creature might reply to our envy in the words of the Negro spiritual "Nobody Knows the Trouble I've Seen." While running at high speed through the woods, deer sometimes meet with accidents. Occasionally one spears himself on a sharp projecting branch and suffers serious wounds. The late great naturalist, Ernest Thompson Seton, reported several records of deer which, when killed and skinned, were found to have in their bodies pieces of wood of considerable size. One hunter while skinning a deer found in its body a piece of fir branch a foot long. Entering the animal between the fourth and fifth ribs on the right side, the branch had narrowly missed the right lung but pierced the top of the diaphragm of the point of the liver. The end of the branch rested

against the under side of the backbone. The wound had thoroughly healed on the outside, and the branch was covered with a growth of skin-like tissue. The deer bore every evidence of health, being fat and furnishing excellent meat.

Ruffed grouse while being prepared for the oven have shown evidence of meeting with accidents that would seem fatal. Yet they had survived. Large twigs have been found encased in the membranes of a grouse's body, revealing some mid-air crash with tree or shrub. But the flesh of the bird had surrounded and accommodated the foreign substance as this feathered prince of the forest continued to strut and beat his drums, feed and mate and live a normal grouse life.

A robin used to visit regularly the garden of Dr. M. E. Whigham in New Jersey, and he watched it, fascinated, through his binoculars. It was no ordinary bird. It had a stick about three sixteenths of an inch in diameter thrust through its body, protruding about two inches from the back and projecting an inch from the breast. Still the bird went about its business of living as if nothing were wrong.

How is it that some of our animal friends can meet with such trouble and yet live with no ill effects? How do they stand it? This is their secret: If an unlooked-for and unwanted problem hits them, such as a twig or a branch entering their flesh, and they cannot get rid of it, they build tissue around it, integrating it into their system.

How much trouble can a person bear? How much can you stand? That depends upon what you do with your difficulties. You can treat them as foreign substances, rebelling against them, fighting them day and night, letting them distract you from your work, frustrate your purposes and disturb your sleep. Using such measures, you can't stand much. But if you accept them and absorb them into your way of life, count them as part of the scheme of things, work your plan and purposes around them as a deer or a grouse or a robin builds living tissue around a twig in its body, you can stand a great deal more than you've ever guessed.

Last Week With Class 'C' Teams

Grayling moved into the top slot in the Northern Michigan Class C league Friday night with a 65-45 win over the Charlevoix Rayders, who, until the game shared first place with the Vikings.

In other games, Mancelona racked up its second victory of the season, a 58 to 53 win over the hapless Gaylord squad; Harbor Springs rolled over East Jordan 51 to 34 and Boyne City romped over Pellston 77 to 28.

The games marked the suspension of the league schedule until Jan. 11. Only game scheduled in the interim is the Petoskey-Charlevoix game to be played here Jan. 4.

Mancelona 58; Gaylord 53
At Gaylord the Blue Devils lost another close one after threatening all the way and tying the score with two minutes remaining.

Mancelona took a 17 to 11 first quarter lead which Gaylord trimmed to nothing at halftime as they tied the score 27-all. In the third period Mancelona managed a one-point advantage as the

quarter ended 38 to 37. Early in the period the Blue Devils went ahead for the first time 41 to 40 but the lead was short-lived as the Ironmen edged ahead. Gaylord again tied the score as time ran out but two quick buckets by Mancelona as time ran out gave the Ironmen their second victory of the season.

Ron Johnson of Mancelona and **Darwin Mason** tied for scoring honors with 16 points each.

Harbor Springs 51; East Jordan 34

Eert Jerdan, playing without their top scorer, **Larry Woodcock**, who is benched with a sprained ankle, held the Harbor Springs to an 11-11 tie at the first quarter mark before the Rams pulled away 23 to 20 at the half and 40 to 23 going into the final period.

Richie Clarke and **Dan Keller** had 15 points each for the Rams. **Cal Darbee** and **Bucky Chihak** had nine each for the Jordanites.

Boyne City 77; Pellston 28

Paced by **Carl Charon** who had 24 points, Boyne City romped over Pellston 16 to 5 at the quarter; 35 to 7 at the half and 49 to 17 at the third quarter mark to move into third place in loop standings. **Harry Ball** had 15 points for the Hornets.

Grayling Takes 65-45 Victory From Rayders

(Continued from page 1)

and eight free throws. As Grayling forged ahead, outscoring Charlevoix 19 to 8 in the final period, Arvilla and Mol added four points each. Arvilla scored two field goals and Mol a field goal and free throw. Grayling's comeback miss and dumped in five field goals and one single from the free throw line.

Bob Strong with 10 field goals and two of five free throws paced the scoring with 22 points followed by **Tony Dornier** with 14.

Blach and **Mol** shared scoring honors for the Rayders with 12 points each.

The visitors scored 23 field goals, 19 of 31 free throws and 14 personal fouls called. The Rayders scored only 17 field goals, 11 of 19 free throws and collected 20 personal fouls.

Producing clean eggs seems to depend more on keeping enough litter in laying house nests and replacing soiled litter or adding clean litter than upon the type of nesting material used, according to M.S.U. tests.

Giant sequoias, earth's largest living things, sprout from seeds so small that one ounce, in theory, could produce 6,700 trees, the National Geographic Society says. Full grown, the largest trees probably weigh 2,000 tons the displacement of a small steamship.

Rod and Gun Club News

Pistol shooters at the Charlevoix Rod and Gun club have been unlimbering their guns in warm-up matches on the indoor range the past two weeks. Preliminary plans to get teams organized and official matches underway have apparently been hampered by activities of the holiday season.

Bennie Ward Jr., a newcomer on the firing line two weeks ago, appears to have what it takes to shoot in the top flight. In his first try at match shooting he ran up a total of 251, crowding 254. Other scores fired in the first match of the season were Gordon Neff, 247; Harold Totten, 235; Harold Lang, 231; Bonnie Nickerson, 212; Glen Franklin, 85.

Following is the box score for the match held last Thursday night, shooting slow, timed and rapid fire.

Tree Plantings Ahead Of Supply

Michigan's need for young trees is growing so fast the nurseries are having trouble keeping up with the demand.

In the last two years, three Conservation Department nurseries have grown and contracted for about 38 million trees. These are used largely for reforestation work, some for Christmas tree production. Private, federal and college nurseries add heavily to this total.

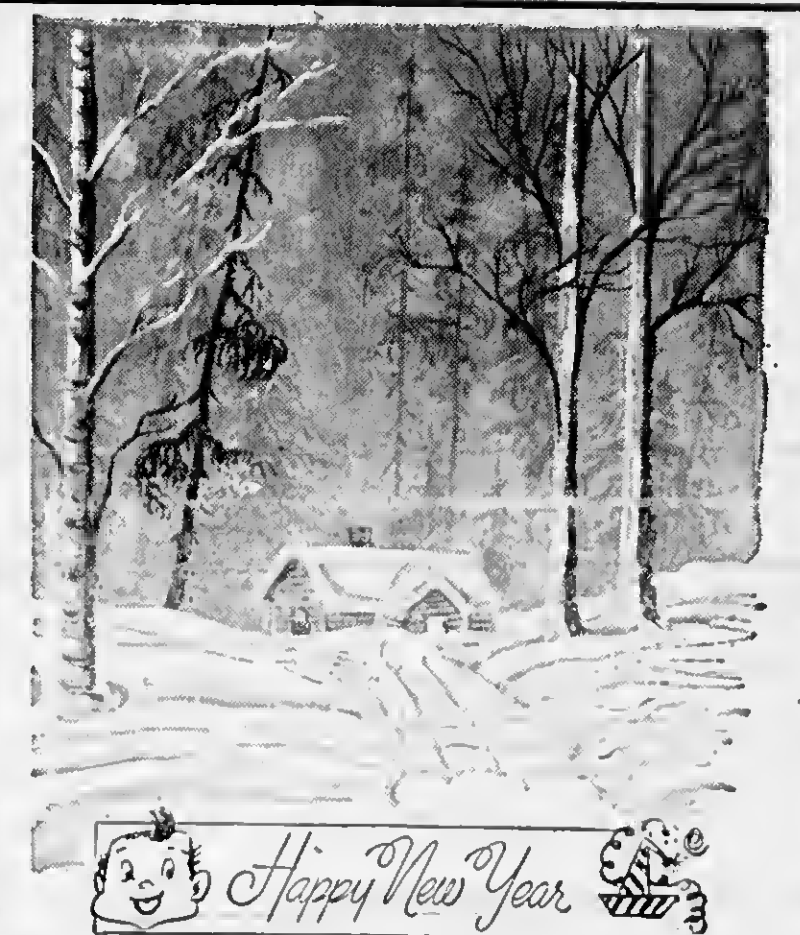

The demand has been heavy enough to oust Michigan to national leadership in establishing reforestation areas. The state was the first in the nation to establish plantations on one million acres of state, federal and private lands. This mark was passed in the last year.

Mostly, the Department's three

nurseries concentrate on production of native pines—red, white and jack pines making the bulk of the total production. White spruce and cedar also are grown in quantity.

Higgins Lake nursery is located near Roscommon, Wyman nursery near Manistique and Hardwood nursery near Boyne Falls. About one-third of the Hardwood nursery production includes 29 species of hardwood trees and shrubs, mostly used for game food and cover plantings on state game areas and in southern Michigan farm-habitat program.

The increased need for trees is partly caused by expansion of pulp and paper industries, partly by general demands of the state's mushrooming population.

Charlevoix County Joins March Of Dimes

Charlevoix county this week joined the nation in launching the 1957 March of Dimes campaign in an all-out attack on the crippling infantile paralysis.

Community chairmen and other workers are organizing and making initial plans for the fund campaign which raises funds for the National Foundation for Infantile Paralysis.

Persons Under 35 Urged To Have Salk Polio Shots

All persons under 35 are urged by the Michigan State Medical Society to get Salk polio vaccine shots.

A "critical" situation exists because thousands of parents have neglected to have their children inoculated, a spokesman for the Society said.

The Northern Michigan Medical Society of which local doctors are members are cooperating in the campaign for immunization against polio and diphtheria.

"Public apathy toward immunization has made it urgent that something be done to arouse people," said Dr. Arch Wells, president of the State Medical Society.

"We're fighting to protect Michigan children. We call our drive Operation Armor."

Dr. Wells noted that to be effective, the three vaccine shots must be spread over a period of time... four weeks between the first two injections and six months between the second and last shots.

He went on to say that 19,000,000 doses of Salk vaccine are stockpiled in pharmaceutical warehouses but a quarter of Michigan's children in the one to 14 age group have received no injection.

Services Held For Mrs. D. Alexander, 40 Year Resident

Mrs. David Alexander, 48, resident of this community for 40 years, died Friday at the Charlevoix hospital where she had been a patient for 11 days.

Funeral services were held at the Pontius chapel Monday with the Rev. O. B. Ansted officiating. Burial was in Brookside cemetery.

Mrs. Alexander was born in Flushing Feb. 19, 1888 and came to Charlevoix in 1916 to make her home. Her husband, David Alexander, died in 1938. She resided at 407 West Lincoln ave.

She is survived by a granddaughter, Clarissa Knapp, of Grandview hospital in East Jordan; two nieces, Mrs. Floyd Short of Flint and Mrs. Max Krich of Detroit and a nephew, Claude Loos of Mancelona.

Volunteers Will Answer Special Call This Month

The Charlevoix county draft board will send one draft registrant for a physical examination on a special call this month, Mrs. Eleanor Left, clerk of the board has announced.

Leonard L. Burns, presently attending Olivet college, is scheduled to report for a physical examination Jan. 10. His papers will then be transferred to Marshall from where he will have his examination Jan. 22. He is a volunteer.

On Monday four men will report for induction to fill the county's draft quota for January. They are William F. Kerr of Charlevoix, Walter R. North of East Jordan, John H. Bernadyn and Richard Massey of Boyne Falls.

Skating Rink May Be Ready For Use This Weekend

If the cold weather Charlevoix has experienced this week continues, the ice rink at the softball field on the south side will be ready this weekend, Hal M. Hill, city superintendent said this week.

Workmen have been busy preparing the base and flooding the rink which will be located on the softball diamond adjacent to the American Legion post home. The warming house has been moved to the new location and toilet facilities have been made available at the post home.

It is expected that the rink will be ready for skating Saturday afternoon if the weather remains cold.

The hours will be from 3 to 5 p. m. and 7 to 10 p. m. daily. The rink will be supervised during these hours.

Northern Class D Schools Organize Snowland League

The formation of a Class D conference to be known as the Snowland Class D league has been announced.

The league will include the four teams which formerly composed the Antrim county Class D conference plus three others outside the county.

The high school conference will have basketball and baseball competition and possibly track and speedball.

Members of the new conference and their coaches follow: Alba Wildcats, Harold Edson; Bellaire Eagles, Donald Smith; Central Lake Trojans, Raymond Swafford; Ellsworth Lancers, Sheldon Mills; Fife Lake Wolves, Dick Elbert; and the Rapid City Bobcats, George VanderHill.

Alba, Bellaire, Central Lake and Ellsworth were former members of the Antrim county league.

Officers of the newly-organized group are: president, Thad Flaugher of Bellaire; vice president, Robert Samsin of Fife Lake; and secretary - treasurer, Burrell Smith of Bellaire.

Coaches plan to select an all-conference team at the close of the current season.

Enthusiasm Marks Opening Of Mt. McSaubia Ski Slope

Charlevoix's Mt. McSaubia ski run opened this week with Royce Delaney of Boyne City serving as ski pro at northern Michigan's newest winter resort.

The snowfall over the past weekend made it possible to open the run Monday. Local skiers were joined by many holiday visitors on the run Monday night and Tuesday as winter sports enthusiasts took advantage of the new facilities.

The run will be open every afternoon and evening during the remainder of the week.

On Saturday morning, skiing instructions will be given to all students who purchase tow tickets. All students are urged to take advantage of this offer.

Effective next week the run will be open Tuesday and Thursday evenings, from 1 to 5 p. m. Saturday and Sunday and Saturday evening.

Two Plead Guilty To Theft Charge

Two young men, charged with unlawfully driving away an automobile, were arraigned in circuit court here Friday before Judge Charles L. Brown.

The pair, Murley Shananaquet, 28, and Alvin John Jr., 17, pleaded guilty to the charge. Their case was referred to the probation officer for investigation. They will be sentenced later.

They drove away an automobile owned by William Spayde early the morning of Dec. 21 and were apprehended a few hours later.

Both are being held at the Charlevoix county jail after failing to furnish bonds of \$1,000 and \$500 respectively.

Rayders Meet Petoskey Here Friday Night

The Charlevoix Rayders will resume their basketball activities this week when they host the Petoskey Northernmen in a traditional battle on the local hardwoods Friday night.

The game will mark the seventy-third meeting of the two teams since the series was started in January 1916. During that time Petoskey has won 37 and Charlevoix 35 with the majority of Rayders' victories coming in recent years.

The meeting between the traditional rivals is expected to be a close one with both teams battling for a victory in one of the oldest series in the area. If the game follows the pattern of recent years, it will be a two-to-two swing every second of the game with each team putting forth its best efforts to rack up a win.

Charlevoix will go into the game with a record of four wins and one loss, the latter to Grayling which presently is top team in the Class C loop with a perfect record. Petoskey, on the other hand, started out with two wins and then dropped three in a row.

The Charlevoix-Petoskey game, which will be a toss-up is the only game in the area this week.

On Tuesday Mance will play Kalkaska on the latter's floor in another non-loop meeting.

Two Charlevoix Students Receive Degrees At M. S. U.

Among the 383 students at Michigan State University who received bachelor degrees at the close of the fall term last month were two Charlevoix residents.

They are Robert Vratnina and George Wolf.

Mr. Vratnina received a bachelor of science degree in political science. He is the son of Mr. and Mrs. Joseph Vratnina.

George Wolf was awarded a bachelor of arts degree in economics. He is currently on the faculty at the University of Illinois. He is the son of Mr. and Mrs. John Wolf.

Supervisors Meet Called For Jan. 14

The biennial January meeting of Charlevoix county board of supervisors has been called for 9:30 a. m., Monday, Jan. 14, Russell Curtis, chairman of the board, has announced.

The board will meet to approve county officers' bonds, designate depositories for county funds and to hear Sheldon E. Marble of the state tax commission speak on a new tax form to be adopted this year and the tax manual.

Report Forms For Aliens Must Be Filed This Month

Alien address report forms are now available at the Charlevoix postoffice for the convenience of non-citizen residents in the Charlevoix area who are expected to report their addresses to the government in compliance with the law. It was announced this week.

The report forms are also available at Immigration offices in major cities and in all local post-offices.

It is important for each non-citizen to report his address to the government each January because of penalties for noncompliance.

A willful violation can bring a fine up to \$200, a jail sentence and deportation. To avoid the possibility of penalty, each alien should go to the nearest Immigration office or post office during January, obtain an address report form, and return the card to the clerk after completing it.

No non-citizen should mail his own form.

The only non-citizen exempt from the address report requirements are persons in diplomatic status, foreign representatives in the United Nations and Mexican contract laborers.

Any non-citizen outside the country during January is required to file the report within 10 days of his return.

Funeral Services Held At Midland For Philo Ostrum

Funeral services for Philo Ostrum, 47, former local resident who has lived in Midland for the past 20 years, were held at the Bradley funeral home in Midland Monday. Burial was in the Midland cemetery. Death was self-inflicted.

Born in Charlevoix Nov. 6, 1910, he was married to the former Dorothy Bilow. They had moved to Midland in 1936. He had been employed in the dye department of the Dow Chemical Co. since then.

Besides his wife he is survived by two sons, Richard of Grand Rapids and Theodore, stationed in California with the U. S. Air Force; three daughters, Shelby Jean of Midland, Mrs. Wilbur Wells Jr. of Charlevoix and Linda of Flint; several grandchildren; three sisters, Mrs. Carl Mitchell and Mrs. Arthur Krulik of Charlevoix and Mrs. Elliott Lewis of Flint; two brothers, Eldred of Charlevoix and Merlyn of Pinckney.

Attending the services in Midland Monday were Mr. and Mrs. Mitchell, Mr. and Mrs. Krulik, Mr. and Mrs. Wells and Mr. Ostrum of this city.

Bonnie Heckman Wins In National IGA Stores Contest

Bonnie Heckman was the winner of a second prize in the recent IGA Butter Milk Pancake "Make a Word" contest sponsored by local IGA stores.

Bonnie was a winner in the contest sponsored by Edwards Food Mart.

As a second place winner she received an American Flyer Electric train, the prize was one of 35 given throughout the country.

Bonnie is the daughter of Mr. and Mrs. Lee Heckman.

Contest Develops For Office Of Mayor As Filing Date Closes

Only one contest for a city office developed here as the deadline for filing petitions for the February election passed at 4 p. m. Monday, Clifford G. Kiley, deputy clerk, has reported.

This was for the office of mayor with the incumbent, E. James Hiller, being opposed by John Wolfe, retired Detroit Department of Buildings and Safety Engineering employee.

One other new name appeared among the candidates for office. It is that of Edward P. Hansen who is seeking election as third ward alderman to succeed Ralph S. Hamilton who is not a candidate for re-election after serving three terms in the office.

Incumbents who have filed petitions for nomination in the February primary are: clerk, Hugh Mayne; treasurer, Neile A. Harmond; first ward alderman, Claude L. Staley; second ward alderman, Franklin Bass; first ward supervisor, Ivan Phillips; second ward supervisor, T. R. Miller and third ward supervisor, Jess Smith.

All candidates filed their nominating petitions on the Republican ballot.

This year's primary election will be the city's first since 1955. Last year the mid-winter election was not held when no contests for city offices were listed on the ballot.

Annual ABA Meet To Be Held Jan. 9 At Ellsworth

The annual meeting of the Antrim-Charlevoix County Artificial Breeders association will be held from 1:30 to 4 p. m., Wednesday, Jan. 9 at the Ellsworth Community hall. Ed Reimann, county agricultural agent has announced.

Featuring the program will be a talk by George Parson, extension dairymen from Michigan State University, whose subject will be, "Efficiency in Dairy Production"; a new motion picture, "Dairying the Artificial Way" and refreshments at the conclusion of the program served by the Michigan Milk Producers association and the local ABA organization.

The agenda for the business meeting will include the insomniac's report, treasurer's report, election of directors and discussion by E. A. Wenner, field man for the state association.

All dairymen are invited to attend the meeting.

Beneficiaries Not Recorded On Some GI Policies

Every GI insurance policyholder should make sure the Veterans Administration has been notified of the beneficiary or beneficiaries the veteran wants to receive the proceeds of the policy, the Veterans Administration has warned.

The fact that in an increasing number of death cases, the proper recipient of GI insurance proceeds has been in doubt because the insured had failed to designate a beneficiary, has brought this warning from the VA.

Any beneficiary changes the policyholder wishes to make from time to time also should be recorded with the VA office handling his insurance account.

Other instances when VA should be notified of beneficiaries or changes in beneficiaries are upon the reinstatement of lapsed GI insurance or conversion of term insurance to a permanent plan policy.

At least 25 per cent of Michigan farms have inadequate wiring to handle the boost in use of electrical appliances and motors, according to an M. S. U. safety specialist.

Mechanical protection around young fruit trees can save them from the gnawing teeth of mice and other rodents this winter.

Council To Ask Citizens Views On Centennial

Provisional plans for a centennial celebration for Charlevoix will be among the topics discussed at the regular meeting of the Charlevoix city council at 8 p. m., Monday.

The idea for a centennial celebration has been presented by alderman Ralph S. Hamilton who reports that the first town council meeting in Charlevoix was held in May, 1857. If Charlevoix has a centennial celebration, it will be the anniversary of this event.

Local business men and all other persons interested in a centennial celebration are urged to attend the meeting at 8 p. m., Monday.

"If we are to have such a celebration, we must have the cooperation of the entire community," Mayor James Hiller said in requesting interested persons to attend the meeting.

ODDS 'N' ENDS

By Fran Martin

Since this is the first time we've had an opportunity to be with you since the new year began, we'd like to say we hope you had a happy day and that we're anxious to hear all about the resolutions you've made (and broken?) since we saw you last. Now we made just one and we have every intention of keeping it. We'll wait and see how well we make out.

Suppose you've made all sorts of wonderful plans for 1957. We hope everyone of 'em come out as you planned, and that everything good will come your way.

Winter's finally arrived in these parts, with temperatures barely above zero over the weekend and all the skiers as happy as the 'tho' they were in their right minds. The slope and lodge opened over the weekend and everyone who got skiing equipment for Christmas was out giving it a try. At this time we haven't heard of any fractures so we assume they're doing OK. Isn't it nice to have a ski run right here? Now, if you have an hour or so, you can whizz out to the mountain, slip on the skis and grab the tow rope. We never cared especially for the sport, but there are those who do and we're mighty happy for 'em. We hope that you will show your appreciation to all those grand people who've worked so hard to make this possible for the skiers of the area. We think they deserve a big "thank you" and a lot of credit for it hasn't been easy.

We don't envy the teachers any... with all our local youngsters returning to the classrooms next Monday. After two full weeks of vacation, they're going to be hard to tame down. We'll bet the first hour or so, especially for the little ones, will be devoted to the list of gifts each received or the trips they made. Nobody has more fun than small fry, and no one likes to tell about it more than they.

Got quite a surprise recently when the Patries of the Fairport, former residents of Sheboygan, Wis., sent me a sheet from the Sheboygan Press with a picture of one of our residents. He's Clarence Francis, who is in Sheboygan for the winter and who spoke before the junior high of St. Paul's Lutheran school. The class had completed a project on the west. He spoke on the Indians of yesterday and today. Giving the history of the tribes that once inhabited Wisconsin and Michigan. He wore a feathered headdress which has been in his family for 200 years. And, according to the story, gave an interesting and enlightening talk. As we've said before, how these Charlevoixians do get around.

And in the Roto-section of the Detroit Free Press was the picture of someone else many of you no doubt remember. Earl Crandall who had worked for this fellow as a youngster brought it to our attention. He's Thomas

Borden Drenick, who now lives in Arlington, Va. Back in the mid-1920's he lived here. In fact, on our street. He was a surveyor with the Highway Department at the time. The picture story was entitled "Mother was a Shutter-bug" back in the 1930's and in those days that was something of a hobby. The pictures are as cute as can be. Hope you saw 'em. And if you'd like to know more about Mr. Drenick, ask Fritz Bergman about him. He knows him well.

This you won't believe, but Mrs. Albert Edwards made a lemon pie recently, using a lemon she and her husband had raised. Of course, lemons are a little out of season so we hasten to add that it was raised in their greenhouse. Seems they brought home a lemon tree a few years ago and this year it's bearing fruit for the first time. Lemons the size of grapefruit. Maybe we can compete with both Florida and California in this department. She tells us also that they have several other semi-tropical fruit trees including a fig tree at the greenhouse at this time. It belongs to a family at Bellaire who raises them as a hobby. Can't imagine anyone having that much patience. But we do like lemon pie.

Quite a snow storm we had the Sunday before Christmas when several inches of snow fell in a couple hours. For some reason, that kind of snow seems to bring out the artist in not only the kids but their elders. This resulted in an enormous snowman which Earl Muma, home from Duluth for the holidays and his young brothers, Gerald and Richard, who not only made a huge snowman but placed it on the rear of the former's car. He looked as tho his legs were hanging off the trunk. Gave everyone who saw it quite a start, which is understandable when you consider that they had him dressed but flashily.

Christmas seems a long time ago but we must mention the carollers and there were lots of 'em again this year. Little ones who not only caroled for us out went to the hospital as did the little Brownie Scouts. Big ones, adults, that is, and middle-aged ones including a group of junior girls who made the rounds and then gathered at Nancy Juilleret's for refreshments. We can't think of a more thoughtful thing to do during the holidays. Because the people they sing for love it even more than the carollers themselves. Many thanks to all those who came to our house.

As this is being written one can't help but get the spirit of the New Year. Everyone's playing and singing Auld Lang Syne. And so may we again wish you a Happy New Year, and may all your dreams come true in '57.

Water has no calories or vitamins, but it is vitally important in the make-up and working of the body. A child should have a chance to drink water once or twice in each between-meal period.

Net income for Michigan dairymen will be about the same in 1957 as it was in 1956. Higher production costs will keep profits from going up very much, say M. S. U. specialists.

Ironton Ferry Service Halted
Service on the Ironton ferry which transports traffic across the South Arm of Lake Charlevoix was discontinued at midnight Monday, T. B. Reynolds, Charlevoix county road commission engineering superintendent has announced.

Last year ice in the lake necessitated the closing of the ferry service before Christmas. This ferry service will be resumed as soon as ice leaves the lake in the spring.

Building A Resource

White pine seeds (inset) were being planted at Higgins Lake state nursery this fall in a new, more compact fashion. This planting machine has been rebuilt to allow heavier planting in each seedbed. The growing need for more trees in Michigan stimulated the increased planting program. These seeds will produce young trees, ready for transplanting, in about two years.

Michigan Mirror

E. White Michigan Press Ass'n.

An old problem faces Michigan in the New Year: "Where is the money coming from—and where is it going?" Much more often than not in past years, both state and city governments have had more expenses than bankroll. This has led to a higher and higher tax bill for the man on the street.

Between \$40 million and \$80 million more will be needed to operate the state next year, according to present estimates by legislators. An accurate figure will not be available until the Governor outlines his ideas in his message to the legislature, due within 10 days after the new group convenes.

His program will indicate how much more must be raised in the fiscal year beginning July 1, 1957: not whether there will be a deficit.

Already apparent are some of the needs. About \$10 million more will be needed to cover salary increases granted by the Civil Service Commission.

Because income to school funds from state sales taxes are considerably less than was estimated, the legislature must dip into its general fund to the tune of about \$18 million.

More than \$13 million more is needed by state universities if they are to accommodate young people seeking college education.

Operating costs for state buildings are increasing, and must be covered. Everytime the state opens a new office, or improves an existing service, there is an inevitable price tag.

What are other needs in 1957? Among recommendations made to the legislature by Gov. G. Mennen Williams are expected to be the following, none very expensive to the state treasury: a campaign to promote industrial safety; more emphasis on highway safety; higher (and more expensive to the employer) unemployment compensation; increased workman's compensation.

The tax problem is in the lap of the house. According to law, bills to raise revenue must originate there. This means that Representatives will spend much time trying to find ways to make ends meet in 1957—and new methods to raise tax money. This is never a pleasant task, and usually a thankless one.

While legislature wrestle financial problems of the state, they will hear cries from the cities. Michigan municipalities, particularly the larger ones, are hard pressed for some new sources of revenue.

This problem was underlined by Dr. Arthur W. Bromage, political science professor from U. of M., in an article in "Municipal Review." Prof. Bromage points out that cities and villages can follow only three courses. They can keep increasing property taxes, depend more on state collected taxes rebated to individ-

dual communities, or levy local non-property taxes.

If they are to do the latter, they must have specific authority from the legislature. Cities in other states have "successfully" taxed income, utilities and admissions to theaters and athletic events.

If Michigan cities are to do this, existing laws must be changed.

Michigan's "Four Under Forty" are said to be one of the big hopes for the state's Republican organization. "Four under forty" is the catchy reference to the four young Republicans who are beginning their first terms as Congressmen in Washington.

They are William S. Broomfield, Oakland County; Charles E. Chubb, Lapeer; Robert McIntosh from the northern part of the lower peninsula; and Robert P. Griffin from the thumb area.

Party hopes for inspiration and leadership rest on the shoulders of these four. All have good records as young GOP leaders. All are considered dynamic, personable, bright and keen politicians.

All are known as "modern" Republicans subscribing in general to principles and policies of President Eisenhower.

As freshmen Congressmen in the House of Representatives, they will be watched by Michigan's Republicans in the hope that their record of activity there will serve to unify and advance the GOP cause within the state.

Dates have been set for State party conventions. Democrats will meet Feb. 23. Republicans will meet in Detroit Feb. 9. Both parties nominate candidates for positions on the spring ballot.

These include candidates for Superintendent of Public Instruction, State Highway Commissioner, Justices of the State Supreme Court, two members of the University of Michigan Board of Regents, two members of the State Board of Agriculture of Michigan State University, a member of the State Board of Education.

Pause For Reflection
This year, says a report, the technical schools and colleges of Red Russia will have graduated more than 130,000 scientists and engineers—while in free America, only some 70,000 will have graduated.
This is an alarming situation in the age of the atom, and should give American college youth pause for reflection.
The defense of our country and

the continued research and productivity of its industry require an adequate supply and optimum employment of scientific and engineering personnel. Every effort should be made to encourage the maintenance of a continuous and increasing supply of technological graduates from our colleges and universities, to meet the needs of essential industry as well as those of government working in its proper field.

Sally Ann Harris and Neil R. Suomela Exchange Vows At Bay City Ceremony

The Maudsley avenue Methodist church in Bay City was the scene Friday afternoon of the wedding of Sally Ann Harris and Neil Royce Suomela.

The bride is the daughter of Mr. and Mrs. George P. Harris of Bay City. Mr. and Mrs. Una A. Suomela of this city are the parents of the bridegroom.

The Rev. Ivan Gonser officiated at the double ring service before a background of evergreen garlands flanked by evergreen trees and baskets of white gladioli and mums. Loren Cady was the soloist and Dr. Theodore Meisel the organist.

The bride, given in marriage by her father, wore a gown of white pure silk. Her hair was styled with a scoop neckline with soft rolled collar, an empire bodice with

self-trim, elongated waist and a sweeping floor length skirt. A large French bow distinguished the Empire back panels which extended into a court train. A sculptured seedpearl and alencon lace cap secured her full English illusion veil. She carried a cascade bouquet of stephanotis centered with a white orchid.

The bride's sisters, Susan Harris and Katie Harris, attended her as maid of honor and bridesmaid, respectively. They wore spruce green taffeta gowns fashioned with portrait necklines, short cape sleeves and full waltz length skirts. The back French bows fell in full panels like that of the bride's gown. They wore short white gloves and headbands of holly and carried arrangements of holly and white poinsettias tied with silver ribbon.

Dale A. Suomela assisted his brother as best man and George A. Soderberg of Crystal Falls was groomsmen. Seating the guests were George P. Harris Jr., brother of the bride, Harry B. Pierce of Howell, Herbert S. Scogg of Midland and Vane H. Smith of Charlevoix.

Mrs. Harris chose a powder blue wool sheath gown with satin accents, matching accessories and an orchid corsage for her daughter's wedding. Mrs. Suomela, mother of the bridegroom, wore a pink shaded ensemble, matching accessories and an orchid corsage.

The church parlor was decorated with bouquets of white seasonal flowers and holly for the reception which followed. The refreshment table was decorated with white pompons, snapdragons and holly.

The couple will live in Midland where Mr. Suomela is a member of the faculty of the Midland Public schools.

The bride attended Bay City Junior college. The bridegroom is a graduate of Central Michigan college and did graduate work at George Washington University in Washington D. C. He is a member of Sigma Tau Gamma and Alpha Psi Omega fraternities.

guild notes...

The Charlevoix hospital took on a festive look over the recent holiday, thanks to Mrs. Ralph Hamilton and her hospitality committee.

Mrs. Hamilton, assisted by Mrs. R. G. Bennett, decorated the lobby tree and added other holiday touches in the lobby and the dining room, the outdoor tree for the birds and squirrels was decorated by a junior assistant, Susie Freedman.

Patients who were unable to go home for Christmas were not forgotten by Santa Claus who delegated the Women's Guild of the Charlevoix hospital to wrap gifts which appeared on their trays Christmas morning.

Mrs. Hamilton and Mrs. Gordon Freedman were in charge of the gift purchasing and wrapping.

The patients' tray carried other bits of holiday cheer during the entire season from the Sunday before Christmas through New Year's day. Brownie Scout troop 13, whose leaders are Mrs. Robert Pearl and Mrs. Robert McCall, made one group of favors.

Mrs. Hamilton, on behalf of the Guild, would like to thank everyone who joined in making the Christmas project a success.

Carolers visiting the hospital also brought with them the Christmas spirit as they sang the beloved carols of yesterday and today.

The candy sales have been going well with only a small amount of the peanut, coconut and mint varieties left. If you want some of these, call Fran Martin. The new vacuum-packed candies, katydid, toffee and golden crumbles have arrived and may be obtained from Mrs. Freedman or at the hospital.

Animated Pincushion

If there is any animal with an ideal existence, it is probably the porcupine—a slow, lazy and untroubled little character.

The well-adapted porky has achieved something most of us desire—cheap housing, an unending supply of food, a built-in bomb shelter, and relatively few enemies.

The outstanding characteristic of the porcupine, of course, is his coat of quills, which can number about 30,000, and vary in length from 1/2" to 5". This defense teacher a stern lesson to any animal foolish enough to attack the porky.

There are many stories of porcupines throwing their quills, but it would be a rare occurrence, according to Conservation Department biologist D. H. Jenkins.

"The quills aren't thrown like spears, although there may be a long one or two that will fly from the whipping tail," says Jenkins.

Porcupines start life in late winter or early spring, weighing about one pound at birth, and

normally are born as singletons, rarely twins. Adult porkys weigh from 10 to 20 pounds.

The porcupine usually makes its home in a hollow tree or log, or in a cave. Although chiefly vegetarians, porkys will eat meat much like any other rodent. They eat berries and aquatic vegetation when possible, but often climb tree to chew bark from the uppermost branches.

Porkys used to be common throughout Michigan, but now are rarely seen south of Saginaw. They are easily found up north, targets for hunters. The animal has a low rate of reproduction, but shows no signs of disappearing—because its formidable defense keeps losses to other animals at a minimum.

"One woman claims the first time she saw Elvis Presley on TV, she thought something was wrong with her set," Batesville (Ark.) Guard.

If you find life is empty, try putting something into it.

Nature's Camouflage

The snowshoe hare, in summer gray and in winter white, changes his coat twice a year—spring and fall—to blend with the landscape as protection against enemies. This fellow also has a pair of huge hind feet—snowshoe size—that may not exactly be in the best woodland style, but nonetheless help him bound over snowy ground in a hurry. And he and his brothers and sisters produce enough youngsters so that hunters can harvest 200,000-500,000 during each hunting season.

Adults Profit By
Heeding Children's
Outlook On Life

Our children can give us valuable lessons in optimism and a great many other things, writes Joseph Wechsberg in the January issue of Reader's Digest. In an article titled, "What We Can Learn From Children," he acknowledges his own debt to his little daughter, Poppy.

She has given him curiosity, imagination and indestructible logic. On a family journey in France, Poppy wanted to know, "Does the dog bark in French?" "I've been giving her question a lot of thought," writes Wechsberg. "I have come to the conclusion that dogs in France do indeed bark in French."

To the attentive adult, children contribute a lot in logic and lucidity of expression. Poppy has made the Wechsbergs wary of clichés. They no longer say that their old neighbor has a foot in the grave, because Poppy has just seen him with both feet in the garden. "Monsieur Duval didn't leave town under a cloud," she retorted, "he left in his car." In the eyes of children everything is wondrous and Wechsberg reports he and his wife have learned a great many things from Poppy.

"She gives us valuable lessons," he writes, "in such things as, for example, optimism. No hotel room? Wonderful! Let's camp under the trees and sleep in the drizzling rain. When a suitcase, with my books and manuscripts was stolen from our car, Poppy consoled me: 'Be glad, Daddy, now you'll have to carry less.' "She doesn't accept unpleasant facts—ignores them. She is not poisoned by disappointment—forgets it. She is never discouraged by setbacks—tries again. She's completely unafraid of ghosts, mice, heavy traffic and getting old."

Any increase in net income for Michigan farmers in 1957, will have to come from more efficient farm operation, say M. S. U. farm economists.

Farm land values will likely stay at present levels in the near future, believe M. S. U. farm economists.

Mrs. Grant Hastings

Extension Club

Mrs. Franklin Stucker will be hostess at the January meeting of the Ellsworth Extension club Tuesday evening of next week. Mrs. John Tillotson will be assistant hostess. "Sewing questions and Answers" and "News on New Standardized Patterns" will be the lesson.

Bob Bags A "Bob"

Bob DeYoung didn't have time to be scared recently when he turned to see a 30 pound bobcat while hunting with a group of men from Atwood Reformed church. He just up and shot, successfully and save his own skin.

The group was rabbit hunting, in preparation for the annual game dinner of the Couples Club, and two others in the group had sighted the bobcat in a swamp near Vanderbuilt and had shot at it but missed.

It ran off through the brush in the distance but must have circled back, surprising Bob as he turned around.

The cat measured 56 inches in length and will make a nice trophy for Bob who is having it mounted.

Locals

Guess we missed a few college students at home in Ellsworth and Atwood for the holidays so we'll add those to our list of last week's. Ken Doctor and Sandar Carpenter from Cedarville college in Ohio; Virginia Kuiper, Calvin College in Grand Rapids; Peter Oosterbaan and Verne Essenberg from Hope college; Allen Elvinga from Mt. Pleasant; Bob DeYoung, from Alma; Roscann Elvinga, Northwestern Michigan college in Traverse City; Karen Potts and Peggy Doctor from Butterworth in Grand Rapids and Cora Steel from the Muskegon School of Business. Sandra and her husband also a student at Cedarville left Saturday, Dec. 22 to visit relatives in the east.

Mrs. Vera York of Petoskey and her son, Bill, of Detroit were Christmas guests of Mrs. York's nephew, Richard Lather and family.

Mr. and Mrs. Robert Swaney of Fenton joined Virginia Kuiper, Calvin college student to spend Christmas with their parents, Mr. and Mrs. Jay Kuiper.

Mr. and Mrs. John Hoffman and children of Grand Rapids returned home Wednesday of last week after a holiday visit with Mr. and Mrs. Zell Bricker and with relatives in East Jordan.

Mrs. Tony Kuiper, who is employed in Grand Rapids, spent the Christmas holiday with her family, Mr. and Mrs. Glen Kuiper of Grand Rapids were New Year's weekend guests in the Tony Kuiper home.

T. E. Boss joined William and Ed Boss of Whittemore for a holiday visit with their sister in Midland.

Mrs. Glen Woodcock and children of Traverse City are guests in the D. C. Orcutt home. Mr. and Mrs. Orcutt were in Millersburg from Saturday, Dec. 22 till Monday, called by the sudden illness of Mr. Orcutt's father, who is now much better following a stroke.

Mrs. Mel Smith and brother, Lynn Coulter are spending the winter months in the Royal Oak-Rochester area.

Robert Reibel of Royal Oak came Saturday for a few days' visit with his brother, Lloyd Reibel and family.

Mr. and Mrs. Peter Zaldokas and two children of Grant visited from Thursday until Saturday with his mother, Mrs. Jennie Zaldokas and his sister, Mrs. Sheldon Mills and family.

Miss Frances Bundy of Greenville, Ill., came Saturday, Dec. 22 and her brother, John, of LaPeer came Dec. 19 to spend the holidays with the Richard Lather family.

Mr. and Mrs. Casey DeYoung and family of Lucas, spent Christmas with local relatives and also came up Thursday to see their mother, Mrs. George Drenth Sr.

Miss Mary Ann Riddell P. N. in Butterworth hospital in Grand Rapids visited her father, Gordon Riddell from Christmas Day until Friday. He drove down to bring her home.

Mr. and Mrs. Jake DeGroot and children were Christmas guests of the Gerrit Postmus family in Hudsonville.

The Young Peoples class of the Pilgrim Holiness church and their teacher, Mr. Ed Bradford had their annual Turkey supper Friday evening in the Ellsworth community hall dining room.

Mr. and Mrs. Henry Rubingh of Grand Rapids spent the New Year's holiday in the Mettius Rubingh home. Mr. Rubingh returned home Sunday from Charlevoix hospital where he had been a medical patient since Christmas night.

Mr. and Mrs. Ed Fielstra and children of Grand Rapids were Christmas holiday guests in the Dick Wieland home and also visited other relatives while here.

The Harnd Edson family of Alba spent the past week with the William Patterson's.

Rev. W. L. Silvers, Mrs. Silvers and family spent the Christmas holiday in Flint. While they were away, Rev. Silvers and Janet Kay drove over to Dayton, Ohio to see Mr. Silver's father. They returned to Ellsworth Friday.

Mr. and Mrs. John Jansen, Harry Cooper, Gerrit VanderArk, Peter VanderArk, Harold Jansen, Gerrit George Drenth of Ellsworth and the Peter Timmer family of Charlevoix attended the funeral of Mrs. Peter Schipma in Chicago last Friday.

Guests Christmas Day in the Hastings home were Mrs. Lorena Alcott and Mrs. Iva Coplas of Boyne City and Mr. and Mrs. James Coplas and baby of Ypsilanti.

Miss Kathryn Timmer left last Wednesday for a week's visit in Grand Rapids area. She rode down with Marvin Oosterbaan.

Mr. and Mrs. George Koster and Henry DeYoung drove to Grand Rapids to spend Christmas with relatives. George returned to Ellsworth Wednesday, while the others remained for a few days. Mrs. Koster returned Saturday with Marvin Oosterbaan, Don Heeres and Margaret Kloost-er, who are visiting home folks over New Year's.

Mr. and Mrs. Bernie DeYoung and children left Saturday to join son, Henry, in Grand Rapids and will remain until Tuesday of this week.

Mr. Ralph Sitzema, the John Klooster family, the Versie Klooster family and Mr. and Mrs. Harm Sitzema enjoyed a family gathering at the James Sitz-

Disabled Veterans Must File Income Tax Questionnaire

Income questionnaires to 21,400 Michigan veterans who receive disability pensions are in the mail, the Veterans Administration has announced.

The questionnaires must be filled completely and returned within 30 days to the VA Detroit regional office, 310 E. Jefferson ave.

Unless properly filled out questionnaires are returned within the 30-day period, pension payments may be stopped, veterans are warned.

Pensions are payable to certain eligible veterans who are permanently and totally disabled causes not connected with their armed forces service. The annual income must not exceed \$1,400, without dependents, or \$2,700, with dependents.

Dependents allowed for a living veteran for pension purposes are a wife and minor children. For income purposes, payments from VA for disability need not be reported. However, all other payments including gifts, income from employment, payments from commercial life insurance, Social Security, annuities and retirement benefits must be reported on the questionnaires.

Pension rate for a veteran who is permanently and totally disabled is \$66.15 a month. After the veteran has received the pension for 10 years, or has reached age 65, the rate is increased to \$78.75. A veteran who is receiving a pension and who needs the regular aid and attendance of another person, or who is helpless or blind, may be eligible for the top rate of \$135.45 a month.

Cadillac

Finally Believed His Eyes and Ears!

He has heard and read a great many wonderful things about this new 1957 Cadillac since it made its first appearance a few brief weeks ago—

—about its magnificent new luxury, for instance . . . its brilliant new power and responsiveness . . . its marvelous new handling ease . . . and its extraordinary new smoothness of ride.

And so, quite frankly, he began to wonder if it weren't all too good to be true. Could any motor car be as wonderful as this latest "car of cars" was reputed to be?

Well, he's decided to put his eyes and ears to the test today. And the verdict is unmistakable!

It's a joy just to lean back into those deep, soft cushions and look out over that graceful hood into the beckoning highway.

And what a revelation the car is to drive!

A curve in the road ahead? He simply follows it with the arc of his hands and the car responds with perfect obedience.

A hill in the offing? He just nudges the accelerator and the car sweeps up and over as effortlessly as if it were traveling the level road.

A stop light coming up? He presses his toe—ever so gently—on the broad braking pedal and comes to the smoothest, surest stop imaginable.

Yes, it's true what they say about this newest of Cadillacs. *This is far and away the finest motor car ever to travel the world's highways.*

How about you? Have you heard the wonderful things they're saying about the 1957 Cadillac?

Well, the proof is in the driving—and the facts about Cadillac have never been more convincing.

GI Term Policies Are Convertible To Permanent Plan

The right to convert World War I and II GI insurance from term to permanent plans is NOT affected by the new Survivor Benefits Act, a VA official said in answer to many inquiries from Michigan veterans who still hold World War I and World War II term insurance policies.

The only GI Policies which may not be converted are the five-year term Korean GI policies which another law stipulates are non-convertible.

Otherwise, "all other GI term policies are convertible, even the Korean GI term policies for which certain disabled veterans are eligible," the official said.

The Survivor Benefits Act merely limits insurance of new GI insurance policies. It does not alter the conversion rights in existing policies.

Small Things Make Big Differences

Against the somber black and white of the winter landscape we often see a startling blaze of brilliant blue where a blue jay darts from limb to limb of woodland trees. Just now, in January, few colorful birds are seen. The brownish English sparrow is here, as is the dusky starling. The gravenly dressed crow can be found and the lusterless brown-creeper. But the brilliantly garbed tanager, oriole, and goldfinches have deserted the north for milder climes.

Perhaps the blue jay remains in the Northland because he feels more at home here, having helped to make these woodlands. A nut enter, the blue jay stuffs himself all fall and buries what acorns and beechnuts he cannot eat under sticks and leaves. Then when winter comes and food is harder to find, he digs up his hidden store. But, being a forgetful creature, the bird does not remember where all his cache is hidden. In the spring these forgotten nuts sprout in the damp soil. Some of them grow into trees. Many an oak and beech forest owes its existence in part to a forgetful blue jay.

While pondering over the difference a blue jay makes in the population of Michigan, I've been dwelling too upon the multitude of other small things that make big differences. Seeds are small things, and the germinating of plants absorbs very little of our total thinking. But supposing that this year everything else went along as usual, much as last year, but with one exception. Just suppose that this year all seeds ceased ripening. Not one seed in all creation would sprout and grow. There would be no grain crops in the entire world, no vegetable harvest, and no new grass growth. Cattle would starve. Human beings would perish. The danger of a hydroken bomb would seem as harmless as a child's water pistol when compared to the devastation wrought on earth if all seeds remained un-sprouted for just this one year. Small things make big differences.

This history of civilization has often been affected by a very small and seemingly insignificant occurrence. Some scholars declare that North America might have been as predominantly Roman Catholic as is Central America had

Columbus reached the Western Hemisphere in March instead of October. As he neared the shores of this hemisphere Columbus followed the flocks of migrating birds, sure that they would lead him to land. In October the migration was southward, thus leading Columbus to Central America where he landed and began propagating the Roman Catholic faith. Had he arrived in the West in March, the migrating land birds would have been flying northward, directing Columbus toward North America, where he would have claimed the land for the Ruman Church as well as for Spain. The small matter of timing made a big difference.

We frequently hear it said, "People are the same all over the world." The saying is true if it means that all earth's children have pretty much the same basic urges and drives for food and comfort, for mating, for power over things, and for the admiration of fellow human beings. But the little differences have big consequences. All trade is built upon those little differences. Some people like to farm, others prefer fishing, some like mechanics, others prefer sales work, many like the fine arts. If it were not for these little differences in preferences, everyone would want the same job. Diversification, which makes for trade, would be impossible.

The nerve of a tooth is not as large as the finest cambric needle. If it is healthy we are unconscious of its being in our jaw. But if disturbed, such a nerve can drive a strong man nearly out of his mind. Optic nerves are small things, yet let them be removed and you are without sight. Over these tiny bundles of tissue travels all the visual splendor you will ever see. The optic nerve is a small thing that makes a great difference.

A nut is a small measurement, a mere twelve inches, but what a difference it would make if added to the length of your nose! One short hour spent in inspiring worship on Sunday can make a big difference in the other 167 hours of your week.

The key to your day is your treatment of your first half hour after waking. Spend it grumbling and your day will likely be ruined. Use your first waking moments in grateful realization of the glad gift of life and the opportunities spread before you and your day is blessed.

The secret of handling life's big problems victoriously is to be found in handling the trifles well. Small things make a big difference.

It takes large quantities of timber to keep a wood products mill like this one at Muskegon in operation. Michigan's forests are producing more and more timber each year for these mills, a result of continued improvements in forest management.

Removal Of Trees From State Land Is Costly Activity

Illegal removal of trees from state-owned land can turn out to be a very costly activity, according to recent trespass cases tried in justice courts.

State law prohibits the removal of forest products, minerals, buildings, or other property from state land without lawful authority. A person who wilfully commits this type of trespass can be ordered to pay the state three times the amount of damage, in addition to the regular fine, jail sentence and court costs assessed by the courts.

Recent cases of voluntary trespass at Gratiot-Saginaw state game area illustrate how expensive these penalties can be.

One man, convicted of removing 39 small white pine and white spruce trees from the game area, was ordered to pay \$83.30 in fines and court costs and serve 45 days in jail—and the violator must pay the state \$117 in damages, three times the value of the trees.

Another man unlawfully removed a seven-foot white spruce from the game area and was assessed a \$25 fine, \$5.40 in court costs, and must pay \$21 to the

state in triple damages. These trees were planted at the Gratiot-Saginaw area under the Conservation Department's game habitat improvement program and loss of trees means loss of valuable cover for wildlife.

Under provisions of the state law regarding removal of property from public land, a person causing wilful damages not exceeding \$200 is guilty of a misdemeanor and can receive a maximum penalty of a \$100 fine and 90 days in jail, plus court costs and payment of three times the amount of damage.

Lerps And Magpies Cut Into Australian Telephone Service

Telephone line men have odd problems. But perhaps the strangest came up recently in south-east Australia, where magpies began ringing wrong numbers and lerps disconnected telephones.

Investigation disclosed that the magpies, building nests atop telephone poles, were picking small threads from the wires—thus passing electric current to switches that set off dial numbers. Engineers met the situation by providing the birds with hundreds of ready-made nests, so acceptable that the "wiretapping" is reported virtually ended.

The lerps, on the other hand, have so far proved less amenable. What is a lerp?

Lerps, explains the National Geographic Society, are small, winged insects of Australia and nearby regions. They belong to the Psyllidae family of jumping plant lice. This season, the island continent is experiencing its worst infestation in the past quarter of a century.

The insects—of the common species Sacodyllaspis eucalypti—secrete a honey-sweet substance of fine, whitish threads. These

form a woolly interior for a scaly cover that protects the young.

Masses of the substance have been blown lately from eucalyptus and other trees onto telephone equipment. Often dampened by dew or rain, the tangled skeins were found to be enmeshing wires and causing short circuits that cut off telephone service over large areas.

Australia's sugar lerps, however, are not always a nuisance to man. Aborigines long have appreciated the insect as source of highly desired sweet.

The natives sometimes suck the sugary scales directly from the leaves or twigs to which they cling. They also scrap off the scales and steep them in water to make a delicately flavored drink that is occasionally fermented.

Manna Foretells Drought

At times, quantities of the tiny lerp particles drop to the ground as "manna." An old Australian tradition says that the presence of such manna in unusually large amounts is a warning of approaching drought.

According to one tribal legend, the first manna to fall was sent long ago by the "All-Father" god, Byambee. It rained down from trees "like liquid honey" as a reward to the tribesmen who had refused to be tempted by bee honey set apart for Byambee's own use.

After its first appearance, the

story goes, manna was always provided by Byambee to ease the hardship of drought.

In periods of lerp abundance, the insects' secretions cover branches and leaves of various tree hosts to a marked degree. Yet the Australian lerp seems to do little basic harm.

In this respect, the Australian insect is unlike many of its more destructive relatives around the world. For instance, the Pear-tree psylla—common throughout much of the United States—is regarded by pear growers as one of their worst enemies.

The puma, panther, cougar, catamount, mountain lion and American lion are all the same animals with different names in different sections of the U. S.

Did you know that three glasses of milk each day can provide more than one-third of the protein you need to maintain good health and vigor.

Mancelona Cagers Win Second Game From Kalkaska

Mancelona defeated Kalkaska for the second time this season by a score of 57 to 45 on the latter's floor Tuesday night.

Mancelona trailed 7 to 6 at the quarter but went ahead 23 to 18 at the half and 46 to 31 at the third quarter for the victory.

Dick Ryskman paced the game with 19 points for the losers. Ron John had 14 for Mancelona.

Adult Education Classes For 1957 Are Now Underway

Adult Education classes at the Charlevoix public school got underway this week with four classes holding organizational meetings, Max Novak, who is in charge of the program has announced.

A class in car driving held its initial meeting at 7:30 p. m. Tuesday and will continue to meet at this same hour every Tuesday. Registrations are still being accepted.

The lipreading class resumed its meetings Tuesday and will continue to meet in the band room at 7:30 p. m. every Tuesday.

Classes in sewing and upholstery held their first meetings Wednesday night. Mrs. Louis O'Neill will teach the class in sewing which will meet at 7:30 p. m. Wednesday in the home-making room.

Mr. and Mrs. James Pemberton of Harbor Springs will again teach the upholstery class which will meet in the manual arts department at 7:30 p. m. Wednesday.

Classes in woodworking, welding and commercial subjects will be organized as soon as a few more students are registered, Mr. Novak said.

A class in ceramics will hold its organizational meeting at the high school at 7:30 p. m. Thursday. The time and site of the class will be decided at that time.

Any resident of the area who wishes to enroll in any of the above mentioned classes or is interested in starting some other class is asked to call LI 7-6583.

Midwest Music Conference To Be Held On Weekend

The Midwest Music Conference sponsored by the University of Michigan in cooperation with various musical organizations in the state will be held in Ann Arbor this weekend.

More than 1,000 band, orchestra and vocal directors will attend the clinics, demonstrations, lectures and exhibits on the campus at the University.

The Michigan high school Band and Orchestra Association will hold its winter meeting at the same time. A highlight of this meeting will be the presentation of plaques to all officers who have served the organization since it was started in 1935.

C. A. Odmark, Charlevoix high school band director, who served as treasurer of the Association for two years, will be among those honored.

Mr. Odmark will be accompanied by Mrs. Odmark and daughter, Julie, when he leaves Thursday for the meetings in southern Michigan.

Northern Medical Society Elects Officers For 1957

Dr. Victor Mateskon of Petoskey was named president of the Northern Michigan Medical Society comprising Antrim, Emmet, Charlevoix and Cheboygan counties at a recent meeting of the organization.

Dr. Nicholas Lentini of Cheboygan was named president-elect; Dr. Edward F. Crippen of Mancelona, secretary and Dr. John Rodgers of Bellaire, delegate to the Michigan State Medical Society.

Dr. G. B. Saltonstall of Charlevoix is councillor for this district.

Band Parents Plan Benefit Dinner Jan. 24

The Charlevoix Band Parents Association has announced plans for a benefit dinner to be held at the Charlevoix high school cafeteria Thursday, Jan. 24, according to H. B. Schofield, president of the organization.

Mrs. Karl Schultz, general chairman of the dinner, has announced that the same fine meal at the same low prices will again be presented this year. It is hoped that the dinner will attract as many people as in former years when as many as 500 persons have been served.

Other committees will be named shortly but the planning of event is now underway, Mr. Schofield said in announcing the event.

All residents of the community have been asked to reserve Thursday, Jan. 24, for the annual benefit band dinner at the high school cafeteria.

Skating Rink Is Open For Season On Softball Field

Local skaters have been enjoying the new ice rink which was opened Saturday on the softball field off Garfield ave.

Large crowds of skaters of all ages have been taking advantage of the large rink which is approximately 220 ft. long and 150 ft. wide. The rink is lighted by seven 1500 watt floodlights.

The warming hut has been repaired; a new one-inch water line has been brought in from Garfield ave. to supply water in flooding the rink. Additional toilet facilities were also installed in the adjacent American Legion hall.

Until this year the rink was located on the tennis court at the site of the public schools and financed jointly by the school and the city. However, this year the school did not include the cost of operating the rink in its budget and the city assumed the cost of financing it at a new site. Community Chest will make a contribution of \$300.00 toward the cost of financing the recreation facility.

The ice rink is open 3 to 5 and 7 to 10 p. m. on school days and from 1 to 5 and 7 to 10 p. m. Saturday and Sunday, Leslie Everts, rink manager said.

Rod And Gun Club To Hold Annual Banquet Sunday

The Charlevoix Rod and Gun club will present its annual banquet at the clubhouse at 6:30 p. m. Sunday, Gordon Moeller, general chairman of the event, has announced.

A feature of the dinner will be swiss buffet steak.

Glenn E. Rose will serve as toastmaster at the program which will include brief talks by conservation leaders and several selections by the Singing Waitresses.

Tickets may be purchased from members including Clare Staley, Max Novak, Bonnie Nickerson and Jerold Mardick. Members are asked to pick up tickets as early as possible.

Dennis Gable Dies Following A Brief Illness

Dennis Gable, 18-months old son of Mr. and Mrs. Francis Gable of RR3, died Thursday at the Charlevoix hospital following a brief illness.

Funeral services were held at the Pontiac Chapel Friday with the Rev. E. F. Denay officiating. Burial was in St. Mary's cemetery. The child was born in Charlevoix July 11, 1955.

Besides his parents he is survived by three brothers, Ernest, Kenneth and George and two sisters, Shirley and Edith Ann, all at home.

"Limelight" Show To Feature City

Kenn Haven's "Limelight" program over station WFPB-TV, Channel 7, will be devoted to Charlevoix this Friday, it has been announced.

The program is scheduled for 6:30 p. m. Friday.

Mr. and Mrs. Haven were in Charlevoix recently securing information for the program.

City Council To Hear Centennial Discussion Jan. 21

A decision regarding a Centennial celebration for Charlevoix this summer was postponed until the Jan. 21 meeting of the City Council when a representative group of the city's population failed to attend the open meeting Monday night.

The few persons who did attend, however, favored the event and also suggested that it be held in connection with the annual Venetian Night celebration. They also suggested that if Charlevoix was to continue to sponsor the Venetian night celebration that it be enlarged and made a bigger attraction than in the past.

During the regular council meeting the council authorized Hal M. Hill, city superintendent, to install a street light on Eaton ave. one block off Ferry ave.

An application for renewal of a taxi license submitted by Robert Matchett was approved.

Bills totaling \$17,018.58 were approved and ordered paid.

Candidates File For Charlevoix Township Primary

In Charlevoix township, where a primary election on Feb 18 will replace the annual caucus, several candidates have filed for township offices. Mrs. Kathryn Smith, township clerk, has announced.

Four candidates are seeking election to the two vacancies on the board of trustees. They are Dale Boss and Edwin Zeitler, both incumbents, and Donald Gilbert and Henry Stephan.

In the only other contest, Stanley Houghton, a Democratic candidate, is opposing incumbent Republican candidate, H. Keith Wagner, for election for a four-year term on the board of review.

Other incumbents who are unopposed for the nomination are: supervisor, Clarence Raback; clerk, Mrs. Kathryn Smith; treasurer, Mrs. Rose Bergmann; These candidates as well as those for the board of trustees are candidates in the Republican ballot.

Residents of the township are reminded that Monday, Jan. 21, is the deadline for registering if they wish to vote in the forthcoming election.

Maria's Institutes Bridge Luncheon Service Thursdays

Maria's at the Weatheravon will offer a new service to the dining public effective Thursday, Jan. 17, William George, manager of the restaurant, has announced.

Beginning on that date, the facilities of the restaurant will be available for bridge luncheon from the luncheon hour until 5 p. m., every Thursday.

After a luncheon, the guests may spend the afternoon playing cards. Menus will vary each week. Anyone desiring reservations or further information may call LI 7-6552. Reservations, however are not necessary.

Supervisors Will Meet Here Monday

A meeting of the Charlevoix county board of supervisors has been called for 9:30 a. m. Monday by Russell Curtis, chairman of the board.

Besides approving county officers' bonds and designating depositories for county funds, the board will meet with a representative of the tax commission to study the new tax manual.

Dan W. Geneit Heads Drive For March Of Dimes

Dan W. Geneit has been named chairman of the 1957 Michigan March of Dimes fund drive to raise funds for the National Foundation for Infantile Paralysis in Charlevoix, Charles A. Robinson, Charlevoix county chairman, has announced.

Community chairmen who have been named include Mrs. William Himebauch, Barnard Rd. area; Sanford Bodley, Hayes township; Mrs. Ole Nielsen, Iron-ton district and Vernon LeFreniere, Beaver Island.

Mrs. Thomas Carey will head the Mothers' March in the city, Mr. Geneit said Wednesday in announcing that a series of special events including a coffee day, Mothers' March, blanket pitch at the basketball game, a buffet are being planned to raise funds for the March of Dimes which is now dedicated to finishing the job of stamping out polio.

In 1956 collections in Charlevoix county totaled \$5,745.14.

Kiwanis Installs New Officers For The Coming Year

The installation of officers for 1957 was the highlight of the regular dinner meeting of the Charlevoix Kiwanis club held Monday at the high school cafeteria.

Ralph S. Hamilton, secretary-treasurer of the local club for the past eight years, was installed as president, to succeed Fred W. Willis.

Other officers installed at the same time were: A. L. Livingston, first vice president; Capt. H. E. Paddock, secretary-treasurer and E. J. Edwards, Kit Carson, Vernon Mathews, E. D. Hawley, Frank Biro, Dr. Robert G. Martin and H. B. Bennett, directors.

E. W. Mitten of Petoskey, lieutenant governor of District 15 of the Michigan Chapter of Kiwanis International, was the installing officer. He was assisted by Herman Meyer, immediate past president of the Petoskey club.

Capt. Paddock was awarded a nine-year perfect attendance pin by Leonard Burns.

Pine Lake Lodge Of K. P. Installs Officers For 1957

Joseph H. Williams was installed as Charlevoix Commander of Pine Lake lodge No. 122, Knights of Pythias, at a special installation ceremony held Monday evening at the K. P. hall.

Other new officers are vice chancellor Carl Heller of Elk Rapids; Master of Work, Dan W. Geneit, retiring Chancellor Commander; Master of Arms, H. B. Schofield; Inner guard, George Roff; Outer guard, Albert Novotny Jr.; financial secretary, Albert H. Smith; treasurer, A. D. E. J. Edwards, acting grand chancellor, was the installing officer.

Masons Win First Round In Annual Cribbage Tourney

The annual cribbage tournament got underway last Thursday evening with the Masons winning the first round by 44 points.

Following the first match both clubs are pulling for reinforcements—the Masons to maintain their advantage and the Oddfellows to beat their opponents in the next round.

Herb Schofield, playing for the Masons, ran up high score for the round with 552 points. High for the I. O. O. F. was Sims Baker with 534 points.

The two organizations will get together for the next match Thursday evening (tonight). Cribbage players in both organizations are urged to be present.

State President To Address Milk Producers Meet

Glenn Lake, president of the Michigan Milk Producers association, has accepted an invitation to speak at the annual meeting of the Charlevoix Milk Producers association, according to John Weiland, secretary of the local organization.

The annual meeting will be held at the Charlevoix high school cafeteria following a dinner at noon for members and their families. During the business session the members will hear the annual report and elect directors for the ensuing year.

Boys Are Denied Scouting For Lack Of Den Mothers

Thirty-two local youngsters who want to become Cub Scouts are being denied the opportunity because there are no Den Mothers willing to assume the responsibility of Cub Den, Charles Bleha, Cub Master said this week.

At the present time Charlevoix has six dens but have enough boys for four more dens if leaders could be found.

Anyone wishing to take a den or assist with a den is asked to call Mr. Bleha.

The den-mothers and their assistants now participating in the program include: Den 1, Mrs. Ray Wood and Mrs. A. C. Mori; Den 2, Mrs. Emerald LaBlance and Margaret LaBlance; Den 3, Mrs. Ronald Swanson, Mrs. Warren Allison and Mrs. Richard Bergmann; Den 4, Mrs. E. D. Hawley and Mrs. Jeff Novotny; Den 5, Mrs. George Hutchinson and Mrs. Isaac Terr; Den 6, Mrs. Lloyd Arnold and Mrs. James Woodward.

Services Held For Mrs. A. Phillips, Former Resident

Funeral services for Mrs. Angus Phillips, 76, a former resident, were held at the Nordrum funeral home in Cheboygan Dec. 31. Burial was in the Cheboygan cemetery. Mrs. Phillips died Dec. 28 at her home in Cheboygan following an illness of several months.

Mrs. Phillips, the former Anna C. Corlett, and her husband resided here from 1930 to 1934 when Mr. Phillips was stationed here with the U. S. Lighthouse Service which later became a part of the U. S. Coast Guard. Later they lived in Harbor Springs. Following his retirement from the service, they returned to their former home in Cheboygan.

She is survived by her husband, two sons, Ivan A. of Charlevoix and Warren of Grand Rapids; three daughters, Mrs. Marshall O'Neill of Sault Ste. Marie and Mrs. Wallace Burrell and Mrs. Alvin Sangster of Cheboygan; 14 grandchildren; eight great-grandchildren; a sister, Mrs. Blanche Rolland of Tacoma, Wash., and one brother, Arthur Corlett of Chicago.

M. Shananaquet Is Sentenced By Judge C. L. Brown

Murley Shananaquet, 28, was sentenced to 18 months to two years in Southern Michigan prison on a charge of unlawfully driving away an automobile by Judge Charles L. Brown here Friday.

Sheriff Glenn E. Rose said he would be taken to southern Michigan early this week. He was released from the same institution in October after serving a sentence on a similar charge.

Alvin John, Jr., 17, who was held on the same charge will be sentenced later.

The pair were apprehended early the morning of Dec. 21 after abandoning a car belonging to William Snayde which they had taken earlier. They have been held at the county jail since that date after failing to furnish bonds set by Justice John Connolly.

Mt. McSaubia Ski Slope Draws A Large Turnout

The new Mt. McSaubia ski run was the most popular recreation area in the community over the weekend as skiers and spectators flocked to the new park to take advantage of the excellent skiing weather.

A great deal of interest has been shown in the 'skiing' lessons being offered by Royce Delaney, ski tro at the new park. The lessons will be continued this Saturday for the young skiers. Classes for beginners will begin promptly at 10 a. m. and continue until 11 when the intermediate group will receive instructions. The youngsters will again receive instructions from 1 to 2 p. m. (Beginners) and 2 to 3 p. m. (intermediates).

Free instruction to all women who have either a season or tow ticket will be offered by Mr. Delaney from 2 to 4 p. m. Sunday.

Instructions for men will be offered Tuesday and Thursday nights beginning at 7:30 p. m. Women who are unable to attend the Sunday classes may join these classes if they wish.

The tow will be in operation from 10 a. m. to 10 p. m. Saturday, 1 to 5 p. m. Sunday and 7 to 10 p. m. Tuesday and Thursday.

The ski instructions are designed for the beginner as well as the more experienced skier. Mr. Delaney said in urging local skiers to participate in the program.

A second tow on the beginners' slope will soon be in operation a spokesman for the Charlevoix Mt. McSaubia Recreation Corp. said Wednesday. An anonymous donor has purchased and given a 10 h. p. motor to the club for use on the beginners' slope.

A ski patrol will be named this week by Mr. Royce to assist on the slopes. King Saunders is manager of the park.

Rentals of ski equipment may be made at the clubhouse.

ODDS 'N' ENDS

By Fran Martin

Wasn't that some game Friday night... the one with Petoskey? And to think Petoskey had to win in the final 30 seconds... after our kids had led all the way.

But didn't they look sharp in those new white uniforms... And do you know who designed them? None other than Coach Don Carey and former coach, Del Terrill... look out Hattie Carnegie and Claire McCordell... they'll be giving you competition before you know it... But you'll have to admit they're mighty purty.

This you will not believe... but for the first time in the history of basketball in Charlevoix the Reserve team has brand, spanking new basketball uniforms all their own... maroon with white trim... and not had-me-downs from the Varsity squad... Those kids were wearing uniforms which dated back to 1935... But now they have new 'store-bought' uniforms all their own... How this basketball season is whipping past... six games behind us and 10 to go... And all of them sandwiched into eight weeks... And we'll be right right down to the wire... And we'll also bet that the league champions will lose at least two games... Any takers?

A note to Pete Burns, the announcer at all our home games... Lipstick usually comes in a bright red shade... Seems someone turned in a lipstick at the desk and Pete, trying to find its owner, announced that one in a bright red shade, had been found... Why it could have been anything from Elvis Presley's Love me Tender to Revlon's Fire and Ice and still be bright red... Too bad they don't come in flavors... or do they?

Not long ago a series of articles relating the history of Michigan's State Police ran in several state papers... Accompanying the first article was a picture of two unidentified state troopers, the first in the state, decked out in uniforms reminiscent of the 1920s, holding their valiant steeds...

guild notes...

Thanks to the cooperation of many of its members and friends, the Women's Guild of the Charlevoix hospital had a most successful Christmas season.

Mrs. Ralph Hamilton and her helpers had the place looking like a Christmas card with a lobby tree and other seasonal decorations.

Milton Carter made the work of the hospitality committee easier by contributing candies for the New Year's tray favors... Mrs. Walter Hoffman, Mrs. Jack Grubough and Frances Miller addressed cards to all members, active and inactive... wherever they might be.

To these people and all others who have joined in making the Guild activities a success a great big "Thank You and Happy New Year" is the wish of the president, Mrs. Gordon Freedman, that you can be counted on again this year.

We're glad to have Mrs. Robert Morse back as a regular pusher for the library cart... A thank you to her and to Mrs. Arthur Ranger, whom she's relieving... And to Mrs. Charles Bellingher who's been a regular "filler-in" when someone had to miss a day.

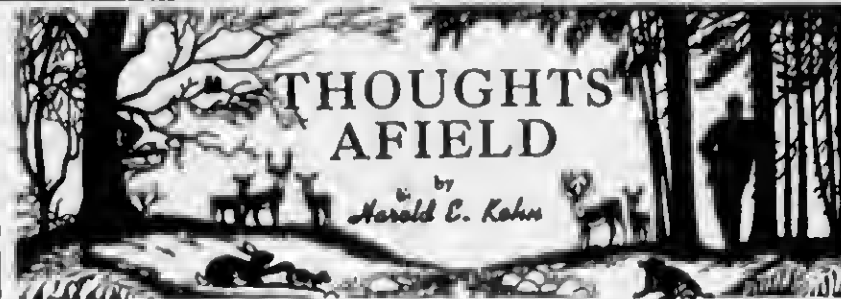

A big bouquet is due Mrs. Freedman and Miss Milner for keeping the library cart well supplied, not only with magazines and books, but with all the little things patients always seem to leave home without.

And then there's the candy... all kinds of vacuum packed cans... If you're in need of a quick gift and the unusual, this will answer your problem...

On Being Fit for Living

A chief wonder of the natural world is the fitness of things. If living creatures cannot find an environment that suits them, they change to fit their environment. If circumstances are not to their liking, they accommodate themselves to unsatisfactory circumstances. If difficulties cannot be avoided, they develop ways of mastering their difficulties.

While watching fox squirrels bound from ground to tree trunk and from limb to limb, I have often marveled at their sure-footedness. Seldom does a squirrel slip and fall. Possibly life would be more to a squirrel's taste if nature had treated him with more consideration—growing nuts on the ground in convenient piles so that climbing for them would be unnecessary. Then squirrels could go to the convenient supply and eat their fill. No strenuous, perilous climbing would be necessary. But since nature doesn't suit a squirrel's convenience, the squirrel has become adapted to nature's demands. Its leg and ankle bones are so swiveled as to make the fox squirrel agile among vertical tree trunks and swaying limbs. Its claws are long and strong for gripping bark. Its tail is fluffy and parachute-like for easing an occasional fall. Its sense of balance is unusually keen and aided by its tail, which it uses as a tight-rope walker uses an umbrella to help him cross a taut rope. The squirrel's environment is not ideal, but the animal has made the most of it.

To hear the bob-white quail chant his cheery song from a stump or fence post one would think he was wholly without care and worry. But he has concerns enough, and his short, wide wings are reminders of the quail's hazardous way of life. Unlike the herring gull and tern, whose wings are built for slow but sustained flight and day-long food-seeking, a quail's wings are designed for quick bursts of speed from its coveys, among which are the fox, the bob-cat and the domestic cat. Being a ground feeder, thriving on beetles, weevils, grasshoppers, and crickets, spiders, snails, ragweed, corn, wheat, beggarweed and cowpeas, tender leaves and fleshy fruits, the bob-white is vulnerable to attack while at his meals. But he is ready for escape, outfitted

Such people mistake stubbornness for strength of character. They boast of their obstinacy, believing it a sign of personal power. However, much unyielding stubbornness is less a mark of a strong soul than of a weak mind. It is found in generous amounts among the lowest, least intelligent creatures.

Ernest Thompson Seton once told a fable of a stubborn land-crab, who boasted loudly of his determination and indomitable spirit. "I'm unchangeable," he bragged. Once I have a purpose in mind nothing can change my course." One spring day the crab left his winter quarters in the hills and began his annual sojourn to the sea.

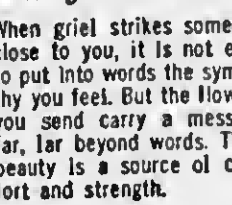

But during the winter a long line of telephone poles had been placed along the land-crab's trail. When the crab came to the first

pole he paused, thought a moment of turning aside, and then remembered his boasted stubbornness. He would not turn aside. Not one inch! He started up the pole and slipped to the bottom again. But he tried once more, and then again, and again. At last after an entire day of incredible struggle he succeeded in climbing up the side of the pole and slid down the other side. Almost exhausted he started up the second pole. This time, weakened by his efforts on the first pole, he needed many rest periods. But he painfully pushed on. Before the summer was spent the crab's wasted form was found at the bottom of one of the poles, a memorial to foolhardy stubbornness.

Among all the countless species of creatures on this planet, life Continued on page 5

Doris Wiseley And Charles Krahnke Speak Vows In Service At Barton City

The American Trinity Lutheran church in Barton City was the scene recently of the wedding of Doris Estella Wiseley and Charles H. Krahnke.

The bride is the daughter of Mr. and Mrs. L. S. Wiseley of Barton City. The bridegroom is the son of Mrs. Florine Krahnke of Wyandotte and H. O. Krahnke of this city.

The Rev. Adam Graff officiated at the double ring service in the presence of 100 guests on Saturday, Dec. 29. The church

Service Clubs Of Area Join Forces For Camp Daggett

The Charlevoix Kiwanis club has joined with service clubs of Petoskey to raise money for improvements at Camp Daggett, a camp for area boys and girls, located on the north shore of Walloon Lake.

Dr. Robert G. Martin of the Kiwanis Boys and Girls committee has been named local chairman to accept any donations for camp improvements.

The property where the camp is located was given for a camp by the late Henry Daggett of Petoskey. The gift carried two stipulations, that it be maintained as a non-profit camp by the community and that it be known as Camp Daggett. The charges made for attendance at the camp merely cover the cost of keeping the child at camp. There is no provision in the camp fee for extra funds to finance the cost of improvements. These have been financed by donations by interested residents and friends of the camp.

Since the camp was established more than 3,000 youngsters have enjoyed its fine facilities which are located on 45 acres of wooded timberland.

The Camp Daggett Improvement committee has tentative plans for many improvements before the 1957 season opens in June. Any donations to the camp improvement fund would be appreciated. These may be made to Dr. Martin.

The THIN LINE of SAFETY

When illness is accompanied by fever—even if only a degree or two—safety dictates that a physician be called to determine exactly what is causing the temperature. The only way to tell accurately if fever is present is to take the patient's temperature with a reliable clinical thermometer. One should be in every home—especially now when colds and respiratory infections are so prevalent. Come in and have us show you our line of reliable, easy-to-read thermometers.

(Continued from page 2)
that is rigidly confined to a fixed pattern is always rated lower in the scale of intelligence. A land-crab is lower than a squirrel, being less creatively adaptive. A squirrel is lower than a man, being less flexible, less imaginative, not as capable of adjustment to changes in its environment or of rising creatively to emergencies.

Every environment is less than ideal. Every job has its disagreeable aspect. Every one we meet will have some faults that will not yield to our attempts to reform. Every person has his own kinds of temptations and problems and trials, his own handicaps and sorrows. This is not the way we would like our existence to be, but this is the way life is. If we cannot change the whole universe to suit us, we can be changed to equal the universe.

God's way is not to make life easier, but to make us greater.

Girl Scout Council
Elects New Officers

Mrs. Lloyd Arnold has been elected president of the Charlevoix Girl Scout Council for 1957. She succeeds Mrs. Lester Smith who has served as head of the organization for five of the past six years.

Other new officers are: first vice president, Mrs. Robert Bergmann; second vice president, Mrs. Ray Wood; secretary, Mrs. E. D. Hawley; treasurer, Mrs. Charles Duerr; registrar, Mrs. Chester Belfy.

Brownie Scout troop, 14 met Tuesday in the kindergarten room.

We listened to records and played games. We said our Brownie Scout promise and sang the Brownie Smile Song. After a goodnight circle we went home.

Susan Lyons, scribe.

IT HAPPENED ON . . . BEAVER ISLAND

By Loy Malloy

Snow and ice have really set in here during the past week. Several inches of fresh snow are on the ground and the harbor is almost covered with ice. Several youngsters enjoyed skating on the ice Saturday.

Father Joseph Herp, O. F. M. C. expects to be gone from the Island this week to see his father, Fred Herp.

Mrs. Frank Nackerman and daughter, Colleen returned home Saturday from Detroit where they visited with the other Nackerman children.

Pete Rennie was here on Saturday to close his house (the former Ward Bennett house) for the winter months.

Mrs. Ed Burke flew to Little

Traverse hospital last week. Mrs. Burke has been on the sick list for some time.

Mary LaFreniere left during the week for Ludington where she expects to spend the winter. Her mother went as far as Charlevoix with her.

Russell and Perry Palmer who were home visiting their parents, Mr. and Mrs. Clarence Palmer, left Saturday for the mainland. Perry expects to go on the car-ferry.

Gary Gallagher, son of Mr. and Mrs. Jack Gallagher, of Manistee visited relatives on the Island last week.

Joe Seadenburgh has been on the sick list for the past week or so. He is telling better now.

Northmen Edge Rayders 52-51 In Final Minutes

Charlevoix's Norm Helms (in white uniform) and Northmen Herman Meyer (32) go up for a rebound during the Charlevoix-Petoskey game here Friday night. The Rayders lost to Petoskey in the final minute by a score of 52 to 51. The game marked the first appearance of the team in their new uniforms, white with maroon trim.

Rayders First Loss To Petoskey Since 1954

The Charlevoix Rayders dropped their first game since 1954 to the Petoskey Northmen Friday night by a score of 52 to 51 after leading the visitors until the final minute of play.

This week the Rayders will resume their Northern Michigan Class C schedule, journeying to East Jordan to take on the Red Devils who have a two and three record to date with wins over Pellston and Gaylord and losses to Boyne City, Harbor Springs and Mancelona.

The meeting has been marked by a high rivalry through the years and this game will be no exception despite the Jordanites record as compared to Charlevoix's which includes four wins over Boyne City, Pellston, Mancelona and Gaylord and one loss to Grayling.

The game will be a close one but on the basis of present records, the Rayders should get back in the win column after an absence of several weeks.

In the game with Petoskey here Friday night, the Rayders went into a 17 to seven first quarter lead, held a seven point 30 to 23 halftime advantage and going into the final period was still ahead by four points, 40 to 36, before the Northmen started to close the gap and finally went ahead by one point in the final minute on a field goal by Hal Schneider.

The Rayders were hurt by the loss of Joel Arvilla late in the third period via the foul route and Terry Davis in the final period for the same reason. Petoskey lost regular Dale Beattie shortly after Arvilla left the game.

Starting for Charlevoix were Norma Helms, Ken Balch, Arvilla, Davis and Bob Mol. Glenn Beers went in in the first period, Phil Timmer in the second and Dale Putman late in the fourth quarter.

Helms opened the Rayders scoring attack with a field goal and Balch added a free throw before Beattie sunk one from the free throw line for the visitors. Mol added two charity shots before Coach Don Carey sent Beers in for Helms.

The next three field goals were scored by Beers with Arvilla adding one to give the Rayders a 13 to one lead midway in the first period. Balch and Arvilla added a point apiece from the free throw line and Davis connected for a field goal as the quarter ended 17 to seven. Helms had returned to the line shortly before the period ended. Petoskey scored two field goals and three free throws in the period.

Beers started the second quarter, replacing Davis temporarily. Helms started to hit and dumped in four field goals and three free throws and Beers scored a field goal as Petoskey scored five field goals and six free throws to outscore the Rayders 16 to 13. To cut Charlevoix's lead to seven points, 30 to 23 at halftime.

Balch scored two field goals

and Helms and Arvilla tallied three points each on a field goal and gift shot before the latter was benched when he collected his fifth personal foul. He was replaced by Timmer. A minute later Beattie went to the bench for Petoskey as the quarter ended 40 to 36.

Petoskey scored three points to make the score 40 to 39 before Balch scored a field goal. Another Petoskey field goal by Petoskey was followed by three free throws by Helms before Petoskey scored two quick baskets to tie the score, 45-41. Balch scored two free throws and a field goal to give the Rayders a four-point margin as Davis left the game with five fouls. Petoskey scored the first of two free throws to make the score 49 to 46 before Balch scored on a long shot from the side.

Petoskey scored two baskets to make the score 51 to 50 with 90 seconds remaining. Charlevoix tried for a sure shot but lost the ball and Schneider laid up a shot as the final buzzer sounded to give the Northmen their first win over the Rayders since 1954.

Helms paced the scoring for the game with 19 points followed by Balch with 14. Vine Griffin had 12 and Dale Beattie and Herman Meyer 10 each for Petoskey. Charlevoix lost the game on the free throw line after keeping pace with Petoskey in the field goal department as each team scored 17 buckets. The visitors capitalized on 18 of 34 free throw attempts while Charlevoix was successful on 17 of 30.

Rayder Reserves Win At Petoskey To Even Games

Charlevoix's little Rayders edged past the Petoskey Reserves 39 to 38 to rack up the only win of the night Friday after the Varsity lost to the Northmen by a one-point margin.

The local five held an 11 to 9 first quarter lead, managed to stay ahead 19 to 17 at the half and 25 to 22 going into the final period before the visitors outscored them 16 to 14 to cut the victory margin to one point.

Starting for Charlevoix were Scott Supernaw, John Bingham, Bill Poquette, Dave Schuchard and Ron Vandenberg with Steve LaBlance, Ken Case, Tom Lakies, Joe Beaudoin and Bruce Pease joining the line-up in the second quarter.

Supernaw scored three field goals Bingham tallied three points and Schuchard two free throws to give the Rayders an 11 to 9 advantage. Petoskey scored their nine points on two field goals and five free throws.

In the second period, Poquette scored two field goals and LaBlance and Pease one each for a two-point 19 to 17 lead at halftime. Petoskey continued to score the major part of their points from the free throw line, scoring two field goals and four free throws.

LaBlance, Bingham and Schuchard dumped in a field goal apiece as both teams went into a scoring slump in the third quarter. Petoskey scored only five points on a field goal and three free throws.

In the final period, Petoskey outscored the local five 16 to 14 on six field goals and four free throws, while Charlevoix scored 14 points on five each by Pease and Vandenberg and four by Supernaw.

Charlevoix outscored Petoskey 15 to 11 in the field goal department while Petoskey hit on 10 of 26 free throw attempts. Charlevoix scored only nine of 32 attempts.

Supernaw paced the game for the victors with 10 points. Shanley had 14 for Petoskey.

Class C Teams Resume Schedules Following Holiday Vacation

The eight teams of the Northern Michigan Class C league will resume their loop schedules Friday after a three-weeks lay-off for all but two teams of the conference, Charlevoix and Mancelona which took on non-loop rivals during the past week.

As the teams go into the final jam-packed weeks of the season, Grayling will travel north to play at Harbor Springs, Boyne City will host Gaylord, Charlevoix will play at East Jordan and Pellston will entertain Mancelona.

With five games behind them, Grayling is leading the pack with a perfect record followed by Charlevoix and Harbor Springs with a record of four wins and one loss. In third place is the defending champion, Boyne City, with three wins in five starts; East Jordan and Mancelona with two victories and three losses are tied for fourth place and Gaylord and Pellston are in the league cellar with five losses.

The Grayling Vikings will be defending their lofty standings this week when they go against a tall, strong Harbor Springs five whose only loss has been to Boyne City. Pacing the Rams will be Don Lauer, 6 ft. 4 in. center who should be a good match for Grayling's giant Bob Strong who thus far has managed to control the backboard for his squad. Lauer is supported by teammates who will average better than 6 ft. 2 in.

The Vikings, whose home floor is the largest in the loop, may find themselves hampered by the

Ram's small quarters and this may also affect the outcome of the game.

Despite their one loss (to Boyne City), the Rams are a strong, versatile team and if they play heads-up ball they could topple the Grayling quintet from the ranks of the undefeated.

The 'hard-luck' team of the loop, Gaylord, will move into Boyne City this week, carrying with them the hope that the New Year will bring a change in their luck. The Blue Devils have lost all their games by slim margins and in most instances after they had led their opponents throughout the game. Boyne City, on the other hand, has suffered two losses to Charlevoix and Grayling, teams to which Gaylord lost by one and two point margins, respectively. The game will probably be a close one but it is doubtful if the Blue Devils can stop the Boyne City Ramblers at this time.

Pellston, sharing last place with the hapless Gaylord quintet, will host Mancelona, a team with two victories to its credit. The Ironmen were starting to shape up well before their final games in December and should become a strong threat even though they have not been the powerhouse everyone expected before the season started. Pellston has shown some promise on occasion in recent games but chances are they have not reached a point where they could stop the tall-rangy Ironmen.

Plow Is More Fatal Than Gun To Bobwhite

Good farming, rather than good marksmanship, looms as the big foe of one of farmers' best friends, the bobwhite quail.

The popular game bird thrives best in briar patches, weedy fields, fence rows, old orchards, and grassy stretches along the edges of forests, the National Geographic Society says. Cover is essential for bobwhite is a ground-dweller that forages for weed seeds and insects. It does not like to fly.

Government wildlife experts say several trends in the southeastern United States, heart of

the bobwhite's range, paradoxically are helping farmers but reducing the quail population. The practices include pasturing of more and more acres, farming larger blocks of land with modern machinery, turning poor soil to pure stands of timber, and, possibly, the use of insecticides.

Thick and plump, handsomely decked out in reddish-brown speckled feathers, the bobwhite (*Colinus virginianus*) grows about a foot long. It is a member of the attractive pheasant family and one of six quail species native to North America. Its European re-

lative, the migratory quail, figures in Old Testament history. During their quest for the promised land, the children of Israel twice were providentially provided with quail. Even today, during migration to Africa, large numbers may fall of exhaustion.

Bobwhites, on the other hand, stay put. The species ranges from New England to Texas and from Iowa to Florida, but individual seldom ventures far from the place where it was hatched.

Northern winters and southern droughts thus impose severe hardships on the bobwhite. For-

tunately, the bird is prolific, for it has numerous natural enemies—foxes, skunks, weasels, hawks, and owls. It is estimated that 80 of every 100 birds alive in the fall will die or be killed in a year.

When spring comes, the male bobwhite chooses a suitable nesting spot, perhaps a tussock of grass. Then it finds a good vantage on a rock or fence post and starts loudly calling its own name. The bird is in love.

After mating, most males give up whistling. It is the surplus male that keeps calling "Bob-

white! Bobwhite!" through the summer.

Unlike most game birds, the bobwhite is a devoted mate and a good father. It not only helps build the nest, but takes turns sitting on the clutch of 15 or so creamy-white eggs. If the mother should be killed, the father bird incubates the eggs and brings up the chicks. The members of a family comprise a covey.

During the day the quail family hunts for food in fields and brush, walking quietly in cover and skittering across clearings. Old and young are skilled at freezing when alarmed. If real danger threatens, the covey takes wing like an explosion of feathers. Gentle gathering calls

round up the scattered covey.

At day's end the covey selects a sheltered spot and settles down in a tight circle, with beaks pointing out. If disturbed, the birds make the same explosive

getaway with little danger of colliding in the dark. Each family remains together until next mating season.

Ellsworth Spotlight

Mrs. Grant Hastings
Spartan Elect

At the January meeting of the Ellsworth Sportsmen's club held Thursday evening in Ellsworth Community hall the following officers were elected to serve the coming year: President, Andrew Kooyar; vice president, Lloyd Reibel; secretary-treasurer, Richard Wieland; executive officer, George Koster.

Farm Bureau Women

Mrs. Charles Edson was hostess to the Antrim County Farm Bureau Women's group for the January meeting Tuesday of this week. A pot luck dinner preceded the meeting at 1:30 when the ladies were privileged to have Mrs. Frank Shroeder of East Jordan talk to them and also show them a number of souvenirs from the two years spent in Pakistan with her family. Mr. Shroeder served as agricultural consultant from the U.S. Government in Pakistan. Short trips to other parts of the far East proved interesting and educational too, all of which Mrs. Shroeder can picture so vividly and interestingly.

Engagement Announced

Mr. and Mrs. John Campau of Ellsworth announce the engagement of their daughter, Karen Louise, to Nelson Spoelman, son of Mr. and Mrs. John Spoelman of Central Lake. No wedding date has been set.

Locals

Mr. and Mrs. John Tillotson and son visited in southern Michigan and Toledo, Ohio over the Christmas holidays.

Mr. and Mrs. Herbert Peebles and Mrs. John Campbell were in Grand Rapids Sunday and Monday where Herb attended the bowling tournament and where they visited with the Vern Baumbach family.

August Vander Ark returned to Ellsworth Monday after a few weeks' stay in Veterans' hospital in Saginaw. He expects to return for further treatment later.

Mr. and Mrs. William Patterson

of Ellsworth and Mr. and Mrs. Harold Eisen and baby of Alba were in Royal Oak Sunday and Monday where they were called by the death of Mr. Patterson's nephew, Don Hunter, 30, who passed away Friday from complications following major surgery.

Mr. and Mrs. Doyle Edson and children of Gaylord were Sunday guests of Mr. and Mrs. Charles Edson.

Mr. and Mrs. Richard Stout of Royal Oak announce the birth of a son, Sunday, Jan. 6. Mrs. Stout is the former Mary Jean Patterson, daughter of William Patterson's.

Mr. and Mrs. John Campau have received word that their son, John, who was home on a 30-day furlough returned to his base in Puerto Rico about Dec. 1, has been promoted to Sp. 3. His address is Sp. 3 John Campau R. A. 16490072 Signal 750 3rd, A. P. O. 351 c-o Postmaster New York, New York.

Capt. William Bligh of H. M. S. Bounty brought the first few apple trees to Tasmania, an island off Australia, in 1788, the National Geographic Society says. Today the fruit is Tasmania's second most important export crop, after wool.

Mrs. W. Telegenhof Dies In Washington

Ellsworth—Mrs. Walter Telegenhof of Lyndnd, Wash., died Dec. 29, following a heart attack, according to word received here by her sister-in-law, Mrs. Rena Vander Ark.

Mrs. Telegenhof was the former Ida Vander Yacht of the Mapleville district. She is survived by her husband.

Her first husband, Martin Elzinga, was drowned in 1903. She had one son, Martin, by this marriage who died early this winter.

A traveler can visit Santa Fe, Formosa, Florida, Georgetown, Marlborough, New Amsterdam, Alexandria, and Annapolis without leaving South America. Santa Fe and Formosa are in Argentina; Florida in Uruguay; Georgetown, Marlborough, and New Amsterdam in British Guiana; Alexandria and Annapolis in Brazil, the National Geographic Society says.

Joseph Howards Observe Golden Wedding

Capt. Joseph F. Howard, beloved harbor master here, and Mrs. Howard, celebrated their golden wedding anniversary at their home at 406 east Dixon ave., Tuesday.

Joining the couple for the event were Capt. Howard's sister, Mrs. William Scharder of Medina, Ohio and his niece, Mrs. Keith Myers of Parma, Ohio, Mrs. Howard's brother-in-law and sister, Mr. and Mrs. Emory Pierce of Sault Ste. Marie and close friends.

Capt. and Mrs. Howard were married at St. Mary's church here Jan. 8, 1907, and have always resided here.

For 12 years following their marriage, Mr. Howard was associated with the O'Neill fisheries and in 1919 became an associate of the late O. E. Wilbur, agent for the Northern Michigan

Lines and other transit companies whose ship docked here regularly in those days.

Later, when Mr. Wilbur retired and the city purchased the waterfront property and constructed the present municipal dock, Capt. Howard became manager and harbor master.

Though the years he has also become known as Charlevoix's waterfront ambassador of goodwill, greeting all visiting boatmen and guiding them to slips in the land-locked harbor. Because of this and the many services he had rendered during the years, his fame has spread to every port on the Great Lakes.

Born in Cleveland Nov. 28, 1877, Mr. Howard became a cabin boy at an early age and first came to Charlevoix as an officer aboard such ships as the Kansas, Missouri, Manitou, Illinois and Puritan, which made Charlevoix a regular port of call early in the century. It was during one of these stop-overs that he first met an Irish colleen, Rose O'Neill, whom he later married. She was born here June 1, 1883.

They are members of St. Mary's church where a special High Mass in honor of their wedding anniversary was celebrated Tuesday morning by the Rev. E. Francis Denny.

Capt. Howard was a member of the church board for 30 years and was an usher for many more years. He is a member of the Holy Name Society. Mrs. Howard is a member of St. Mary's Rosary Altar Society.

Suggest Rules To 'Winterize' For Health Sake

Old man winter is officially here and, according to the Michigan Heart Association, it is time for the residents of the snow country to think of "winterizing" themselves as well as their houses and automobiles.

"Too many people," reports E. A. Irvin, M. D., of Dearborn, president of the Association, "fail to realize that winter can be very hard on hearts. It is no coincidence that the incidence of heart attack is much greater during the winter months, and all of us must learn to take it a little easier."

Wearing heavy, bulky clothes, overshoes or rubbers, fighting icy winds slippery sidewalks and snow drifts and even the mere effort of the body in combatting the cold, all make the heart work harder and faster. Add to this the strain put on the heart by winter infections and even such a strong organ as the heart may have trouble.

This advice applies particularly to those past 40 who may not be accustomed to strenuous exercise or undue physical exertion. This group must learn to "take it easy." Learn to shovel snow in stages instead of all at once and

One County Man Will Fill Quota For Feb. Draft

Charlevoix County's draft call for February has been set at one registrant who will be called for induction Feb. 25, Mrs. Eleanor Left, clerk of the board, has announced.

An additional four men will be called for pre-induction physical examinations.

On Monday of this week, four draft registrants left for Detroit where they were inducted into the armed services. They were William F. Kerr of Charlevoix, Walter R. North of East Jordan, John H. Bernadyn and Richard Massey of Boyne Falls.

One registrant, Leonard L. Burns, will report later this month for pre-induction physical examination.

perhaps this age group had better leave the strenuous winter sports to the youngsters.

But for everyone, young and old alike, the Michigan Heart Association, offers the following suggestions for "winterizing" the body: Have a complete check-up by your family physician; Do your winter work and play at a pace which will not make you overheat; Keep your weight down to normal; get plenty of rest and avoid infections.

Enrollment For Evening College Classes Is Jan. 15

Second semester enrollments for the Petoskey Evening college will be held at the Petoskey high school at 7 p. m. Tuesday, A. D. Shankland, director of the Adult Education Department, has announced.

Two classes will be offered this semester, Human Biology 152 and Public Speaking 270.

Human Biology 152 will meet every Monday night for 16 weeks and will offer three semester hour credits. It will be taught by Dr. Dean Rumbold assisted by William Catton.

Public Speaking 270 will meet once a week for 12 weeks and will offer two semester hour credits. This course will give training in the application of principles underlying persuasive speaking. Emphasis will be placed upon factors determining audience reaction, methods of thought development and organization and style techniques.

Cost of the classes will be \$11.00 per semester hour credit plus a \$4.00 registration fee.

The Petoskey Evening college under joint sponsorship of the Petoskey board of education and Central Michigan college is in its second year of operation. Its purpose is to make college work available to young people and

March Of Dimes Fund Drive Gets Underway

Dates for a March of Dimes benefit dessert luncheon at the Charlevoix Rod and Gun club and the annual Mothers March to solicit funds for the National Foundation for Infantile Paralysis were announced this week by Dan W. Genett, local March of Dimes chairman.

The benefit dessert luncheon will be given Wednesday, Jan. 23, by the Auxiliary of the Rod and Gun club. The event, which will feature homemade apple pie and coffee, will begin at 1:30 p. m. at the clubhouse and will be followed by card games with table prizes.

Mrs. Jack Lucas, Mrs. John Wolf, Mrs. Clayton Trimble and Mrs. Gregory A. Shadko have been named to a committee in charge of the benefit affair. Tickets are available from club members.

The annual Mothers' March has been scheduled for Thursday, Jan. 30. Mrs. Thomas Carey, general chairman of the special event, will name her ward chairmen and workers next week.

A blanket pitch will be held during the Charlevoix-Harbor Springs game Friday night. A total of \$47.25 was contributed during the last home game, the Rayder-Petoskey game, Mr. Genett said.

In announcing the special events planned for the benefit of the March of Dimes, Mr. Genett warned that polio is not yet licked. "Not until every person who has been crippled by polio in the past no longer needs treatment and until there is no more polio will the dread disease be licked," he warned. "In our county the cost of the medical care and braces, wheelchairs and other needs of polio victims, still far exceed the monies contributed in the county. Multiply this by the countless counties in the country and one can readily see the need of continued financial support. No polio is not licked until every one crippled by the disease no longer needs financial assistance so will you please continue to support the March of Dimes as you have in the past," Mr. Genett concluded.

Cannies in which coins may be deposited are in convenient places in all local business places. Among the early contributions to the current March of Dimes campaign is a \$10.00 donation by the V. F. W. Auxiliary.

Accounts have been opened in both the Charlevoix County State and Charlevoix State Savings banks. Anyone wishing to leave a contribution at either bank may do so.

A number of films about polio are available for showing at community gatherings, church groups and schools. Charles A. Robinson, county chairman, has announced.

The meeting will be held at the Melrose public school at Wallman Lake at 1:30 p. m. ing banks. Anyone wishing to leave a contribution at either bank may do so.

City Council To Hear Centennial Discussion Monday

Will Charlevoix have a centennial celebration this year? The answer to that question will be decided at the regular meeting of the city council at the city hall at 8 p. m. Monday.

Local businessmen and other residents of the community who are interested in sponsoring such a celebration are urged to attend the meeting at which the subject will be discussed.

If enough interest is shown, Charlevoix will have a centennial this year. If the residents of the community are not interested the plans will be abandoned now.

Price Support Loan Deadline Is Announced

Farmers planning to apply for price support loans on their 1956 crops including wheat, oats, barley, rye, dry edible beans, flaxseed or soybeans should do so this week, the Charlevoix county ACS office, has warned.

The final date for approval of loans and purchase agreements is Jan. 31. However, in the case of farm-stored loans a minimum of two weeks is required for the inspection of storage structures and the grain by loan inspectors and the obtaining of grain sample to be forwarded for grading before the loan discounts can be completed.

If the storage structure and grain are acceptable, the producer will be given an opportunity to complete the loan. The loan and chattel mortgage must be signed and on file in the county ACS office by Jan. 31.

Price supports may be obtained on the above mentioned commodities through purchase agreements by applying to the county office by Jan. 31. Purchase agreements differ from loans in that the producer receives no funds unless or until the commodity is delivered to CCC after the maturity date of the loan program. These dates vary, depending on the crop, from one to four months after the final availability date Jan. 31.

Further information regarding price support may be obtained by calling the county ACS office in Boyne City.

Local Bowling Team Is Winner For First Half

A Charlevoix bowling team composed of Elk members and sponsored by Blatz beer was the first half winner of the Petoskey Mead's Fraternal Bowling league. The winner is the only Charlevoix team in the league.

At the end of the first 17 weeks of play the team has a record of 46 wins and 22 losses.

Team members and their individual scoring averages follow: John Swanson 172; Des Milligan, 170; Hark Felix, 166; Ken Cline, 167; and Fritz Puffpaft, 172.

Report Given On Activities Of Goldman Myer Fund For 1956

A report on the activities of the Goldman Myer fund during the fiscal year which ended in August reveals that during that time a total of \$790.00 was spent for emergency assistance.

The fund has been much more active this fall, having spent \$580 during the past four months in giving emergency aid to eight families in the Charlevoix area.

Of the amount spent during the 1955-56 fiscal year, \$231.95 was spent on the milk program in the Charlevoix public, St. Mary's parochial and the Charlevoix Religious Children's schools. Through the cooperation of school personnel, milk is given children who might not otherwise receive this important diet item. The fund underwrites the cost of the milk for these children.

The amount spent for clothing, food, fuel, milk and other items last year was only slightly more than was spent during the 1954-55 year when \$740 was spent.

Scout Awards Presented At Cub Meeting

Tentative plans for the annual Blue and Gold dinner were made and Cub Scout awards presented at the monthly Cub Scout pack meeting held Wednesday at the high school gymnasium.

"Life in Puerto Rico" was the central theme for the month and Dens 1, 4 and 5 presented skits related to the theme.

Awards were presented by Uno Suomela, activities chairman, to the following Cubs: Robert awards, Robert McCall, Robert McDermott, Ronald Crandall, Darcy Olson, Larry Hutchinson, Robert Wojan, Stephen Ager, John Gibson, Robert Foster, Peter LaPlance and Michael Moore.

Lewis Poole received a Lion award with one gold and two silver arrows; Joseph LaBlance, Lion award with one gold and one silver arrow and a three year star; Keith Mitchell, gold and silver arrows for Wolf badge; Michael Greede, Silver arrow on Wolf badge; Lewis Terf, gold arrow on Wolf badge; Robert Odmark, two year star; Andy Carey and Ricky Miller, one year stars; Tom Maxwell and Robert Meston, denner stripes and Jack Stockwell, assistant denner's strip.

Charles Bleha, Cub Master, has announced that a new den of 10 boys has been started with Mrs. Ivan Whitley as den mother and Mrs. Norman Empey as assistant den mother. At least two additional den mothers are needed if all the boys who want to become Cub Scouts may do so.

Anthony Novotny Dies Following Extended Illness

Anthony F. Novotny, 59, well-known local machinist, died late Saturday at the Charlevoix hospital where he had been a patient for two weeks. He had been in failing health for more than two years.

Funeral services were held at the Pontius Chapel Monday with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born in Villamov, Bohemia, now a part of Czechoslovakia, Mr. Novotny came to Charlevoix with his parents at the age of two years. He attended the local school and during World War I served in the U. S. Army. In 1927 he was married to the former Frieda VanderHagen. He was a machinist by trade and had been employed at the Kohler Machine shop for many years.

He was a member of the Congregational church.

Besides his wife, he is survived by three sons, A. Edward of Muskegon, William R. and James A., of Charlevoix; five grandchildren; his father, Albert Novotny Sr.; a sister, Mrs. Clifford Yahr of Day Shore and seven brothers, Adolph of Mt. Vernon, Wash., William of Oregon, James of Battle Creek, Charles of Petoskey and Jeff, Frank and Albert Jr. of Charlevoix.

Republican County Convention To Be Held At E. Jordan

The Charlevoix county Republicans will hold their county convention at the East Jordan city hall at 8 p. m. Wednesday, Jan. 30, Karl J. Erber, county chairman, announced this week.

The meeting has been called to select four delegates to the Republican State convention to be held in Detroit Feb. 9.

Rites Held Monday For Geo. Finucan, Local Pharmacist

T. George Finucan, 68, retired pharmacist, died Friday at the Charlevoix hospital where he had been a patient for two days. He had been in failing health for several months.

Funeral services were held at St. Mary's church Monday morning with burial in St. Mary's cemetery. The Pontius Chapel was in charge of arrangements.

Born in Smith Falls, Ont., Oct. 30, 1888, Mr. Finucan came to Charlevoix with his parents at the age of four years. He was graduated from the Charlevoix high school in 1906. He attended Ferris Institute and the University of Michigan. About 1920 he went to Grand Rapids where he was employed as a pharmacist. Later he operated his own drug store, which he later sold. Following World War II, spent some time in Detroit and Cincinnati before returning to Charlevoix to accept a position at a drug store. He retired last fall.

Surviving are a son, Thomas W. Finucan of Muskegon; two granddaughters, Mary Susan and Ann, also of Muskegon; a brother, Richard of Nashua, N. H. and two sisters, Mrs. Mary Walsh of Lowell and Mrs. Robert M. Morse of Charlevoix.

Supervisors Will Seek Federal Aid For New Grandvue Hospital

The Charlevoix county board of supervisors adjourned Tuesday to re-convene Jan. 25 to hear a report from the Grandvue hospital committee on the possibility of obtaining Federal aid in the construction of the new hospital.

The committee has an appointment with the Office of Hospital Survey and Construction in Lansing on Jan. 23. At that time they will ask for Federal assistance in building the 60-bed hospital. Earlier a \$500,000 bond issue to finance the construction of the building was approved by the voters of the county.

Glenn Lake Speaker At Annual Meeting Of Milk Producers

Dairy men were advised to expand with the economy and improve marketing methods by Glenn Lake, president of the Michigan Milk Producers association, speaking at the annual meeting Saturday of the Charlevoix Milk-Producers association.

He further advised producers to make plans to comply with the new Grade A milk standards which will be forced on them by out of state competition. He also predicted bulk tank handling as another major requirement on producers in the near future.

John Reynolds, district sanitarian, explained some of the requirements for Grade A milk production. He indicated that in general the improvements in this area would not be excessive to comply with the standards.

Albert Cunningham was elected to the board of directors for a three-year period to succeed himself.

The members voted a \$50.00 contribution to the Charlevoix Mt. McSatch Recreation Corporation and a \$100 per member contribution to CARE.

Fish Tug 'Jackie C' Is Towed Into Port After Night Adrift

An 11-hour search by the U. S. Coast Guard for the 36 ft. fish tug, Jackie C., owned by John Cross ended successfully Tuesday when the craft was taken in tow at 11 a. m. and brought into port two hours later.

The tug had drifted for 17 hours in heavy seas in sub-zero temperatures which caused ice to form on the wooden hull.

The tug, in charge of James Driggett, was enroute to Charlevoix after lifting nets in Grand Traverse Bay when a defective clutch halted its progress off Eastport about 5 p. m. Monday.

A search for the missing vessel was started shortly after midnight by the Charlevoix Lifeboat station after Mr. Cross had reported the craft four hours overdue. It had left port at 8:15 a. m. Monday and was due at 8 p. m.

The 65 ft. cutter stationed here was dispatched to search for the tug. A snowstorm which started at 5:30 a. m. hampered operations. The Coast Guard plane at the Traverse City air base joined the search despite the storm.

At 9:30 a. m. while the plane, the cutter and the local life-boat station were conversing via radio, the tug's radio broke into the conversation. Mr. Driggett said they had been drifting and thought their location was about 14 miles due west of Charlevoix. By use of the radio direction finder the plane located the stranded tug seven miles due west of here and directed the surface craft to the tug which was taken in tow at 11 a. m.

Enroute to port the tow line snapped twice, slowing progress of the operation.

Aboard the tug with Mr. Driggett were Francis Gablew, Alex Cornstalk, Julius and Simon Wabanimkeek.

The men were hungry but otherwise in good condition when they reached port.

Adult Program Of Education For '57 Starts

Eight Adult Education classes sponsored by the Charlevoix public school are now being held, Max Novak, who is in charge of the program, has announced.

The initial meeting of a class in ceramics to be taught by Mr. and Mrs. John Reid of Eastport will be held at room 108 in the high school building at 7:30 p. m. tonight (Thursday). Registrations in this class as well as all others are still acceptable, Mr. Novak said.

The class in sewing taught by Mrs. Louis O'Neill will also meet tonight (Thursday) and every Thursday night at 7:30 p. m.

Efforts are being made to start a class in welding. If a few additional enrollments are made within the week the class will be organized, Mr. Novak said.

The class in woodworking, taught by Mr. and Mrs. James Penberton of Harbor Springs, meets at 7 p. m. every Tuesday in the manual arts department.

Four other classes, bookkeeping and typing, car driving and lip reading all meet at 7:30 p. m. Tuesday.

Residents of the area are reminded that they may still enroll in any of the classes listed above.

Classes in any other subject in which enough people are interested will also be started at any time.

Information regarding the program may be obtained from Mr. Novak, phone LI 7-6583.

ODDS 'N' ENDS

By Fran Martin

Winter with a vengeance hit Charlevoix Sunday. We'd been having lots of snow and cold weather with the temperature rarely getting above 20 degrees when whammy... it really got cold Sunday morning with temperatures as low as 10 degrees below zero and you think that isn't cold. Just go out in it... especially when there's a west wind... If this keeps up, Lake Michigan's going to freeze over... and we haven't seen that in quite a few years... Lots of drift ice, yes, but not slick glassy ice away out in the lake... We'll wait and see... And for those of you who are basking in the sun in the south, the north pier and a good part of the lighthouse is covered with ice... Of course, we can't complain too much if Lake Michigan cools off because next summer, when it's really hot (?) it will serve as our built-in air conditioner...

Remember Dave Smith who played football for Charlevoix 'way back in the late 1940's... He was the son of the Bert Smiths who left here to live in Lansing... Mr. S. once operated the bowling alley in the old Masalum building at the bridge... But back to Dave... He spent four years in the service after leaving here and then returned to Michigan State, getting his degree last June... And what happened? He's named the 1956 Suburban high school coach of the year in the Detroit area... bringing his Class B-Walled Lake squad an unbeaten season... its first since 1945 and the Interlake league title... Not bad we'd say... Looks as tho'

the boy is going places and wouldn't it be nice if he did for he's worked and worked hard for everything he's got...

Lots of mail this week... From California, a card from Mrs. Raymond Seymour who's visiting her daughter, Mrs. Fred Young in San Clemente... Sounds as tho' she's having a whale of a time... She also sent a copy of the Tour-nament of Roses magazine and was it wonderful seeing in color all the floats we'd seen on TV... San Clemente, by the way, entered a float in the parade for the first time... Perhaps you remember it... a mission scene, the First Christian Baptism, was the name of it... Mrs. Young was very elated about it... and it was a beautiful float...

And from Florida someone sent a copy of the special Orange Bowl edition... which was also most interesting... Also from the deep south a card from the Bill Matzingers... With such messages as "the temperature is 71 degrees here"... Imagine people basking in the sun... and then telling you about it!... They'd had dinner with the Pete Sharrows... who are plenty busy at their place in Miami Beach... But then, this is their busy season...

And from Phoenix, Ariz., a note from Mrs. Alvin Morrow... with a clipping about the Bull Fight Card... Gee, they list the fighters and the details just like they do the races or some other sport... The Morgrows and her parents, the Charlie Wiles, along with several others went to Nogales in Old Mexico for the fights... Now that we'd like to see, wouldn't you?

From Hong Kong, a letter from Mrs. Robert A. Paul who is on a world cruise aboard the S. S. President Monroe... With a clipping from the Kyoto Daily...

There's a picture of Mrs. P. and others on the cruise... Whom we could recognize... but that's all for the newspaper's printed in Japanese... We found her letter most interesting so would like to share it with you...

"We are passing Formosa... about 20 miles off shore. Have had a wonderful trip."

We had a rough crossing to Yokohama... Spent two days in Tokyo at the famous Imperial hotel and two days in Kyoto... another at Kobe. Rode on one of the Japanese fast express trains called the "Swallow", very modern and up-to-date with a lovely diner. Some of us went on an inland cruise. We got such a kick out of being on the local radio station as "Important personages" and in the newspaper.

Japan amazes one with its progress from an industrial angle... Many people seem poor but the well dressed hordes going to and from their work cannot be overlooked.

We arrive in Hong Kong tomorrow... always the thrill of a new port and the prospects of mail from home. We fly from Hong Kong to Bangkok and from there to Singapore, my dream city, to join the ship.

Christmas was beautiful at sea. When we returned to the ship from Kobe all our rooms were decorated even to the wreaths on each door... a big Christmas tree in the main salon and dining room. Each table had a lighted tree on Christmas day. We had coffee and rolls at 7:30, attended religious services at 8:30 and then a Christmas tree party in the main salon at 10:30. Each passenger had two gifts on the tree. We drew names and exchanged gifts and also received one from the American Steamship Co.

I am holding high the reputation of "Charlevoix the Beautiful". They accuse me of being a Chamber of Commerce.

A Happy New Year to everyone at home!

Also from the Far East a note from Joanny LaBlance who's aboard the Henderson... one of Uncle Sam's ships... The last time Joanny had written was from Brisbane, Australia... His ship along with others had been on the Formosa patrol... along with that he's been through a couple typhoons. Seems they don't hit port too often and had been only to Guam, Sasebo, Japan, Koshu, Formosa and Subic Bay in the Philippines... At the time the letter was written his ship was enroute to Yokohama, Japan... The ship will also go to Hong Kong...

He adds that in the Philippines the temperature hit 80 and 90 degrees and the work was done early in the morning because of heat on the deck... and then they went to Japan where it dropped to 22 degrees...

The ship will head for home... arriving on the west coast in late February... And in May or June, Joanny hopes to be in Charlevoix on leave... In the meantime, he sends wishes for a Happy New Year to everyone back home...

As we've said so often before Charlevoixans sure get around. This proves it.

From Lowell, Mass., a note from a former resident, Winfield Empey... who was mighty surprised when he went into a shop in Boston to inquire about a tray for the dashboard of his car and was shown one made here, he couldn't pass it up... While in Boston he also went to the radio station to see Billy Gilbert, the famous sneezer, as he describes him who was appearing in "Fanny"... He reports that he knew Bobby Jarvis of the stage about whom we've written in the past...

For several years now we've heard the cry, "When is Charlevoix going to have a centennial celebration? Everyone else is!" Here's your chance to get your two cents worth in regarding such a shindig... Only three persons appeared the last time the city council wanted to discuss it, so they've invited the general public to attend the regular meeting at 8 p. m. next Monday in the council room... If you're interested and want one, be yourself off to the meeting... Or forever hold your peace... The decision will be made next Monday so be there...

It's been mighty cold around here this week... So cold, in fact, that a local business place stuck this sign on the door: "It's too cold in here. I'm at home. Walk in and use the phone"... So help us, it's true...

Although the moving was only 800 feet, Reader's Digest reports it took five months planning and 182 persons to move five billion dollars worth of valuables held by the United States Trust Co. of New York from 45 Wall st. to 37 Broad st., last June 3. Sixty-one insurance companies underwrote the move.

Vienna Choir Boys To Give Concert At Petoskey Tuesday

The world famous Vienna Choir Boys will appear in concert at the Petoskey high school auditorium at 8:30 p. m. Tuesday under the sponsorship of the Northern Michigan Community Concert Association. It was announced this week.

This is the thirteenth time Vienna's historic Konvikt school, founded 450 years ago by Imperial decree, has sent one of its finely trained groups to our North America under the management of impresario, S. Hurok. While on the last lap of a world wide tour the choir of 22 youngsters, aged eight to 14, will appear in 70 cities in the United States and Canada. Their concert in Petoskey is one of the 70.

Featured in Cinarama and recorded extensively on several labels, the boys have appeared on several television shows during their visit to this country.

The school has three choirs on tour each year. A rotation system allows every lad in the school an opportunity to visit each country on the choir's far-flung itinerary at least once. One unit is always in Vienna to perform at St. Stephens Cathedral.

The concert by the Vienna Choir Boys is the second attraction on the 1956-57 series of the Northern Michigan Community Concert Association. The next attraction will be the tenth anniversary gift to the membership, the appearance of the famous Boston Pops Orchestra on Feb. 23.

Admission is by membership in the Association only.

Guild of the Charlevoix hospital held Tuesday at the high school industrial arts room.

At the same meeting the group voted to purchase two special youth beds complete with mattress for the children's department of the Charlevoix hospital. Mrs. C. M. Bice of the purchasing committee said the beds would cost \$179.95 each. She also reported that the wheel chair purchased recently by the Guild at the cost of \$170.10 had arrived and was in use.

The scholarship committee reported that application blanks and other information regarding the nursing scholarship offered annually by the Guild would be made available in the three high schools in the area served by the local hospital that is Charlevoix, Ellsworth and East Jordan.

Mrs. Malcolm MacDowell of the sewing committee said that one layette had been given to a needy baby and that others were boxed and ready for delivery when needed. The Guild members make and package layettes which are in most cases given only to indigent families. She also said that Mrs. W. J. McKay of Oscoda, a former resident who sews for the Guild, had offered to do additional sewing at any time.

The library art committee reported that the art was being pushed regularly by volunteers. The hospitality committee reported that favors for the February holidays had been planned.

Mrs. R. Mitchell Entertains Past Noble Grand Club

Mrs. Robert Mitchell entertained the members of the Past Noble Grand club at a carry-in supper and business meeting Thursday evening.

Mrs. Earl Blood presided at the business meeting. Mrs. Grace Geneit led the devotions. Mrs. Mitchell furnished the 'mystery' gift which was won by Mrs. Edward Swanson.

At the social hour which followed, Mrs. Blood, Mrs. Geneit, Mrs. W. E. Goss, Mrs. Fred Gill and Mrs. George Cook were awarded prizes for games played. Others present were Mrs. Luther Hannah, Mrs. Herbert Fox, Mrs. Leroy Allers, Mrs. Floyd Ikens and Mrs. E. E. Stroud.

St. Mary's Rosary Altar Society Has Annual Elections

Mrs. Herbert Campbell was elected president of St. Mary's Rosary Altar Society at a meeting held Thursday evening at the Camobell home. She succeeds Mrs. Edwin McCann in the office.

Other officers for the year are: Mrs. C. D. Geiken, vice president; Mrs. Hugh Mayne, treasurer and Mrs. Ivan Phillips, secretary. At the business meeting tentative plans for the year's activities were discussed.

If you find life is empty, try putting something into it.

Swept-Wing Dodge... only 4 1/2 feet low and all dynamite!

Step into the wonderful world of AUTODYNAMICS

It breaks through the vibration barrier!

It unleashes a hurricane of power

It tames a tornado of torque

It is swept-wing mastery of motion

Right off the bat, you'll realize there's something entirely different about driving the new Swept-Wing Dodge. You know it's the slickest piece of live action you've ever driven. The most responsive and easiest handling, too.

But the thing that really bites you is the silence! Why, all the irritating noises, all the annoying road sounds common to automobiles have vanished!

For Autodynamics has introduced a revolutionary new suspension system—Dodge Torsion-Air—

that cushions you in a "Realm of Silence." Thick cushions of "live rubber" isolate engine vibration, noise and road shock at its source.

Actually, everything is new in the Swept-Wing Dodge—from new race car torsion bars to new Push-Button TorqueFlite, from new 310 hp. V-8 engine to new Total-Contact Brakes.

This is Autodynamics in action... yours in the most exciting car that's ever come up the pike. See and drive the Swept-Wing Dodge today!

Goldman Myer Fund Reported For 1956

(Continued from page 1)
succeeded Mr. and Mrs. William Supernaw who had served for the past three years.

The Lenore Goldman Myer fund was established in 1941 following the untimely death of Mrs. Myer, daughter of Mr. and Mrs. Alvin D. Goldman of St. Louis, Mo., longtime summer residents here. It was designed to offer emergency aid to those in the Charlevoix area in need of immediate assistance other than medical care. Only persons not receiving financial aid from other sources are eligible for assistance through the fund.

Mrs. Myer, in whose memory the fund was set up had been a summer resident here since childhood and loved the community and its people although she was only a resident of the resort for three months of the year. Because of her love of Charlevoix and its residents, the memorial fund which bears her name was established here.

The initial contribution was made by Mrs. Myer's immediate family who continue to make generous contribution to it. Many people who have become acquainted with the work being accomplished through the fund now contribute to it in honor of or in memory of someone. Each year many new names are added to the list of contributors. The fund is administered here by the local administration committee headed by Mr. and Mrs. Arthur Ranger.

The man of few words doesn't have to take so many back.

Courier Letter Box

Dear Mr. Editor:

One of the many bouquets of beautiful flowers which adorned my desk in the Senate the past Wednesday on the occasion of my being sworn in as President Pro Tem of the Senate for this next two years had a card stating it was from my constituents in the city of Charlevoix. It had no name of any one individual on the card so I am asking you to print this letter expressing my sincerest thanks to those responsible for their kindness and thoughtfulness. The flowers were admired by everyone in the chamber and more than ever confirmed my belief that I represent the sweetest people in Michigan. With many thanks to the people of the city of Charlevoix I am,

Gratefully Yours

News For Mr. Webster

Mr. Webster defines a truck as "an automotive vehicle for long distance hauling" and this is technically true. But to the millions of Americans whose everyday life is geared to the flow of motor transport, a truck is much more than this.

It's a shipment of supplies for the corner drugstore where you buy; a crate of spare parts for the auto repair garage you patronize; a load of food-stuffs for your favorite grocery; shoes for little Junior, eye-glasses for Mary, paint for that bedroom you're doing over, the TV set you've been waiting for.

Life in Michigan just couldn't go on as it does today without trucks. Agriculture and industry depend on them. So do the butcher, the baker, the candlestick maker. So do you!

THOUGHTS AFIELD

Harold E. Kahn

Simplicity

One of the reasons I love winter in the North Country is that this season is one of stark simplicity. A vast amount of summer detail is swept away and only barest essentials remain. Millions of leaves have fallen and now only the naked outlines of the deciduous trees are seen. Evergreen limbs are so covered that spruces balsam, and hemlock appear less like complex assemblages of needles, twigs, limbs, and trunk than simple pyramids of white and green. Multitudes of fair weather insects and birds and animals have migrated or are in hiding and only the hardest creatures of the North brave winter winds and near-zero temperatures to make their appearance. Winter is like a master artist who severely disciplines himself to paint only what is essential to his theme and to rigidly rule out all that is not needed to portray his thought.

Winter is a white and black fundamental about the universe picture-parable of something—its simplicity. Although there are countless millions of heavenly bodies in the unimaginable stretches of stellar space, and although there are hundreds of thousands of kinds of creeping and crawling, walking and flying creatures that populate the earth, and although the green world of vegetation is represented by multiform varieties of plant life, all this multifariousness has a core of simplicity. Less than one hundred elements are in this universe. Such formulas make up all material things, from your body to the most distant star that flickers at the far edge of infinity. The Creator has tied everything together with a simple chain of unity that has less than a hundred links.

In his beautifully written book "Wind, Sand, and Stars," Antoine de Saint-Exupéry points his readers to the simple and clean lines of an airplane's fuselage and a ship's keel, and reminds us that man's engineering genius has been employed in achieving greater simplicity of line and form. "In anything at all, perfection is finally attained not when there is no longer anything to add, but when there is no longer anything to take away."

Isn't this idea of perfection contrary to modern thought and practice? We are accustomed to

thinking that life would be just about perfect if we could add more property to our estate, more salary to our income, more clothes to our wardrobe, more names to our list of social conquests. And what does our generation get for all its acquisitions but more tension, more headaches, more nervous collapse?

It doesn't take a large number of talents to make a great public servant, nor a long list of virtues to make a saint. See for yourself. List the six people in history whose lives are most significant to you. Now place opposite each name the thing for which those people were known. In almost all cases, each made but one great, significant contribution to his time; at most not more than two or three fundamental services were rendered. Just as more notes can be produced on the four strings of a violin than on the eighty-eight keys of a piano, so can more varieties of good come from a simple life than from a complex person.

One of the world's greatest benefactors and perhaps its most neglected saint was the man who invented the wastebasket. His invention should be enshrined in a special, sacred place in every home and shop and office and in every public place, a silent reminder of the necessity of eliminating the complicating entanglement of details that confuse and enfeeble our lives.

One day Luther Burbank took a visitor to his experimental gardens at Sebastopol, California, where a half-million lilies were growing. His visiting friends asked Burbank how he would ever manage to market that many lilies, and the plant wizard replied, "Why, we don't market them. We're culling them. My workmen will go through that half-million best specimens, selecting for length and strength of stem, beauty of perfume, contour of leaf and petal, and vigor of body. When they have selected the half-dozen best lilies out of the half-million, the rest will all be destroyed and turned back into the soil again. That is the simple mathematical process of selecting the best. That's the way we work in our laboratories. We throw away a million flowers to get a single bud and plant."

That is the way we get beauty. That is the way we get beauty.

Charlevoix Is Upset 62-56 By East Jordan Cagers

Rayders In Triple Tie For Second Place

The Charlevoix Rayders dropped their third straight game Friday night when they were upset by the East Jordan Red Devils by a score of 62 to 56.

This week Charlevoix will host the Harbor Springs Rams who were defeated last week by Grayling by a score of 33 to 27.

As a result of losses by the Rayders and the Rams and a win by Boyne City who defeated Gaylord 50 to 30, the three teams are tied for second place with identical records of four wins and two losses. Grayling is leading the pack with a perfect record to date.

Unless the Rayders can snap out of their slump, they may well become the victims of the Rams, a team which defeated East Jordan by a score of 51 to 34 although it must be remembered that the Jordanites were playing without their top scorer, Larry Woodcock, who this week dumped in 22 points against the Rayders.

Charlevoix is capable of playing much better ball than they have in their last three meetings. The game with Boyne City proved that. Unless they can iron out the flaws and start to click as a unit, they may well end up on the short end of the score this week. However, to come up with a win, the Rams will have to show a lot more than they did against Grayling when they scored only eight field goals during the entire game.

In the game at East Jordan Friday night, the Red Devils

Rayder Glenn Bears (8) goes up for a rebound in the game at East Jordan Friday which the local five dropped by a score of 62 to 56. Also pictured are Rayders Bob Mol (13), and two unidentified Red Devils.

took a 13 to 12 lead and increased their advantage to 31 to 26 at halftime before Charlevoix started to click and outscore their hosts 18 to 11 for a two-point 44 to 42 third quarter lead.

Going into the final period, the lead changed several times before Woodcock started to hit and dumped in 14 points for East Jordan to give his team a six-point victory.

Norm Helms, Ken Balch, Joel Arvilla, Bob Mol and Terry Davis started for Charlevoix and were relieved only by Glenn Bears and Dale Putman.

In the first quarter Helms led the scoring, hitting three from the free throw line and a field goal. Balch, Mol and Bears each added a field goal and Arvilla a gift shot as the Jordanites scored four field goals and five free throws.

Outscored 18 to 14 by East Jordan in the second quarter, Helms continued to score consistently, dumping in three field goals, Balch tallied four points and Mol and Davis a field goal apiece for Charlevoix's 14 points as the half ended 31 to 26.

The Rayders had their best eight minutes in the third quarter, outscoring the Red Devils 18 to 11 including three field goals and three free throws by Arvilla, five points by Helms and a field goal apiece by Balch and Mol.

Charlevoix held the lead briefly going into the final quarter

before Woodcock got hot and dropped six field goals and two free throws for 14 points. They also scored two more field goals and two gift shots as they took over midway in the final period. Helms again scored five points to pace the Rayders, Balch scored three gift shots, Arvilla two and Davis a field goal as the game ended.

Woodcock with 22 points and Cal Darbee with 21 accounted for the lion's share of the victory's points. Helms had 21 followed by Arvilla with 12 and Balch with 11 for Charlevoix.

Mid-Season Games Friday Will Break Conference Second Place

This week's games in the Northern Michigan Class C league will mark the conclusion of the first half of the 1956-57 schedule. As all eight teams play their seventh league games of the season, Grayling continues to lead the

pack with a perfect record of six wins. Boyne City, Charlevoix and Harbor Springs are in a three-way tie for second place followed by East Jordan and Mancelona in third and Gaylord and Pellston holding down the cellar position.

This week will find the league leaders, Grayling entertaining East Jordan, Boyne City invading Mancelona, Charlevoix hosting Harbor Springs and Pellston and Gaylord playing on the latter's floor in a battle to decide who remains in the cellar.

East Jordan's win over Charlevoix last week has been listed as an upset. The Jordanites who showed plenty of promise when the season started but who failed to shape up early in the season may post another upset this week when they take on the first place Grayling Vikings. The Red Devils started the season with four veterans including two consistent scorers, Cal Darbee and Larry Woodcock. Last week the pair scored 43 points between them.

If this outfit would begin to function as a unit they could give all comers a hard time. They may be just the team to topple the Vikings who have depended heavily on their center, Bob Strong. If Woodcock would settle down and play a good defensive game, he could halt Strong under the basket and thus cut the Vikings scoring opportunities to a minimum. All this is possible if the Jordanites do not decide to rest on their laurels and play ball.

However, Grayling has its record of six wins and the fact that

Reserves Rack Up Seventh Win At East Jordan

Charlevoix's Reserves continued their winning ways last week, racking up their seventh win of the current season, a 40 to 29 victory over the East Jordan Reserves. Their victories include a win over the Class B Petoskey Reserves.

In the game Friday, the local five set a new team record for the season, scoring 26 of their 40 points in the third period after scoring only six in the first and three in the second quarters of the game.

East Jordan got off to a 14 to six first quarter lead. The action for both teams bogged down in the second quarter as each team scored only three points. As the second half opened, however, the Rayders came to life, dumping in eight field goals and 10 gift shots in the final quarter they were again outscored 9 to 5 by East Jordan as Charlevoix emerged the victors by an 11 point margin.

Starting for Charlevoix were Scott Supernaw, John Bingham, Bill Poquette, Dave Schuchard and Ron Vandenberg. Joining the line-up later in the game were Steve LaBlance, Ken Case, Tom Lakies, Bruce Pease, Joe Beaudoin, Stan Smith, Rod Osttrum, Dick VanRaaphorst and Charles Coleman joining the line-up later in the game.

As East Jordan dumped in 14 points on four field goals and six free throws, Supernaw scored two and Bingham one field goal for the Rayders.

In the second quarter each team scored only one field goal and one charity shot. Schuchard accounted for the field goal and Pease the free throw for Charlevoix.

In the third quarter, however, things were different as the young Rayders snapped out of the doldrums and started to hit, dumping in 26 points on 10 points on two field goals and six free throws by Schuchard, three field goals and two gift shots by Bingham, four points by Vandenberg including one field goal and two charity shots, and two points each by Poquette and Pease. East Jordan scored only three points as the Rayders went ahead 35 to 20.

In the final period Charlevoix was again outscored nine to five as the Jordanites scored two field goals and five singles. Schuchard added three points to bring his total for the game to 14 and Bingham added a lay-up shot to account for the Rayders' points. Top scores for the losers was Kenny with eight points.

they are playing on their home floor in their favor. The game should be a close one, regardless of the outcome.

Boyne City will be fighting to hold their second place standings this week when they take on the Mancelona Ironmen on the latter's floor.

While Mancelona does not have a top flight team, the Ironmen could make trouble for any opponent and can be depended on to give the visiting Ramblers a good game. The Ironmen have not forgotten the one-point loss to Boyne City on the Gridiron last fall. This may be what they need to trip the Ramblers who last week moved into a second place tie with Charlevoix and Harbor Springs after defeating Gaylord by a 10-point margin. (Continued on page 8)

Last Week With Class 'C' Teams

Grayling continued to lead the league with a record of six wins after dumping Harbor Springs 33 to 27 Friday night.

In other games, East Jordan upset Charlevoix 62 to 56; Boyne City won over Gaylord 50 to 40 and Mancelona romped over Pellston 73 to 61.

Grayling 33; Harbor Springs 27
In a game in which only 20 field goals were scored by both teams, Grayling took a slim 6 to 5 first quarter lead over Harbor Springs, increased it to 18 to 9 at the half and 22 to 15 at the third quarter mark before coming up with a victory by a six-point margin. Harbor Springs scored only eight field goals in the game and were limited to one each in the first two periods.

Mid-Season Games Will Break Tie

Continued from page 7

The Blue Devils, however, put up a good game despite the fact that they were playing without their top score, Lonnie Campbell.

Boys City will probably emerge the victors in this meeting but not without a battle.

When Pellston and Gaylord meet this week, they will decide which of the two teams move out of last place. Neither has had a victory this season although Gaylord has come close to upsetting several teams including the first place Grayling Vikings.

Even without Campbell, they held the Ramblers to 10 points so they should come up with their first win of the season when they take on the hapless Hornets this week.

and Don Lauer and Dick Keller of the Rams' squad shared scoring honors with nine points each.

Boys City 50; Gaylord 40

Boys City, with its win over Gaylord, moved into a second place tie with Charlevoix and Harbor Springs with a record of four wins in six games.

Handicapped by the loss of regular Lonnie Campbell from the line-up with a back injury, Gaylord trailed the Boys City five to five; 27 to 22 at halftime after each team had scored 17 points apiece and 39 to 28 going into the final period.

Carl Charon paced the scoring for the victors with 15 points followed by John Juday and Rick Casper who had 12 points each for the Ramblers. Mike McKillop had 13 and Darwin Mason 12 for Gaylord.

Mancelona 73; Pellston 61

Playing at Pellston, Coach Jake Schurman emptied the bench with 11 players seeing action as Mancelona led the Hornets 22 to 10 at the quarter; 40 to 23 at halftime and 59 to 30 going into the final period. Pellston outscored the victors 28 to 14 in the final period to cut the Ironmen's victory lead to 12 points.

Ron Johnson dumped in 32 points including 13 field goals and six of eight free throws for the victors. Pat Cabinaw tallied 20 for Pellston.

Cheboygan 51; Pellston 49

In a non-conference game played Saturday, the Class B Cheboygan Chiefs edged past Pellston by a score of 51 to 49.

The Hornets threatened all the way but never were able to head the Chiefs who led 14 to 10; 21 to 21 and 37 to 34 by quarters. Pat Cabinaw, with 20 points paced the game for Pellston. Jim Noyce had 17 for the victors.

Open Saturday Evening

Soil Conservation District To Meet At East Jordan

The annual meeting of the Charlevoix Soil Conservation District will be held this evening, January 17 at 8 p. m. in the East Jordan Grade School auditorium. This is the ninth annual meeting of the Charlevoix District which was organized in 1948.

The meeting will start with a movie promptly at 8 p. m. The business meeting will follow under the direction of the chairman Clayton Healey. Other directors include John Weiland of Charlevoix, Robert Reidel of Boyne City, Robert Straw of Charlevoix and Harold Goebel of East Jordan. Ed Rehman, Charlevoix county agricultural agent, is secretary of the board and Bill Grimm of the Soil Conservation Service is the farm planner.

The business meeting will include the minutes of last year's meeting, treasurers report, election of two directors, awards to three winning farmers and any other business that may be brought up at the meeting.

The terms of Robert Straw of Charlevoix and Harold Goebel of East Jordan have expired. A nominating committee met early in December and selected two nominees for each position. For the area now served by Robert Straw the nominating committee nominated Loren Hamlin, Jr. and Lee Sneath, Jr. For the area represented by Harold Goebel the nominating committee nominated Norbert Nechazel and William Boss. The election will be handled by the nominating committee. They will accept other nominations from the floor by anyone who cares to make them. Anyone who lives in the district and owns land may vote in this election. They do not have to be a cooperator in the district to cast their ballot.

Robert Reidel will award certificates from the Charlevoix District to three farmers whom the board of directors selected as doing the most in completing their soil and water conservation plan during 1956. This practice of awarding certificates was started several years ago and the district gives year awards from three to five certificates. The farmers who will receive these awards this year are Loren Hamlin of Charlevoix, Clarence Reinhardt of Boyne City and Clarence Way of Charlevoix.

The principal speaker of the evening will be Richard Schroeder, former East Jordan agricultural instructor who has just completed two years in Pakistan. He will show colored slides of his activities while in foreign lands. Mr. Schroeder stated that these slides are different from any he has shown in Charlevoix county and anyone who would like to come is welcome.

There will be entertainment during the meeting furnished by local people from East Jordan. This entertainment is under the direction of Clayton Healey. Following the meeting there will be a lunch of milk and cookies served. All of the directors and officers of the district wish to extend to everyone whether they live in town or on the farm an invitation to come to this annual meeting.

Fire Damages Log Cabin Belonging To Elroy Deszell

Fire believed to have started in a defective oil burner completely gutted a cabin of split cedar pole construction owned by Elroy A. Deszell on Petoskey ave., near the city limits at 8:30 p. m. Monday. Fire Chief John Curtis has reported.

Furnishings in the 12 by 15 ft. structure as well as clothing belonging to the Deszells which was stored in the building were destroyed.

No estimate was made of the loss. The cabin was one of several which the couple rent to tourists during the summer months. The Deszells live in a nearby house.

Full employment schedules in Michigan industry may make it profitable to find part-time or full-time work off the farm as a way to boost net income, say M. S. U. farm economists.

Skiing Ideal At Mt. McSaubia

With plenty of snow and temperatures hovering just under 20 degrees, skiing conditions at Mt. McSaubia, Charlevoix's own winter park, are ideal, it was reported this week.

Local skiers under the direction of Royce Delaney, pro at the club, have packed the hill and worked to get it in condition. The trails have been excellent with many experienced skiers

using the run at all times and beginners reporting for skiing lessons at designated times.

The beginner's tow is being constructed and should be completed shortly. All facilities at the warming house should also be completed this week.

The concession operated by

Brad Stanton is now in operation. Skiing equipment can also be rented at the clubhouse.

Skiers and spectators from the area are invited to visit the run at any time but particularly over the weekend to enjoy the facilities which are open to the public.

Max Harpers Are Killed In Auto Accident

The first fatal accident in Charlevoix county since Sept. 17, 1956, a Buick City coupe, Mr. and Mrs. Max Harper were killed and two University of Michigan students were injured, one seriously.

Jack A. Cross, 22, of Detroit remained in critical condition and Joseph W. Ray, 24, of Ann Arbor was in fair condition at Lockwood hospital in Petoskey Wednesday. Ray was the driver of the second car.

Sheriff Glenn E. Rose who investigated said the accident occurred at 11 a. m. Tuesday one mile south of Boyne Falls on US 131. He said that Ray told him the Harper car, traveling south, swerved into the path of his car which was headed north. The wreckage of the two cars verified his story.

The bodies of Mr. and Mrs. Harper are at the Stackus funeral home in Boyne City awaiting arrangements.

They are survived by three sons and several grandchildren. Mrs. Harpers is the former Delcie Howe, 58, of this city. Among her survivors are two sisters, including Mrs. Leo Allard of this city, and two brothers, Leslie and Walter of Charlevoix.

Mr. Harper, 60, is a former Boyne City businessman.

Band Parents Sponsor Benefit Supper Tonight

Tickets for the annual Band Benefit dinner sponsored by the Charlevoix Band Parents Association will be held Thursday, are still on sale, C. A. Odmark, ticket and publicity chairman, has announced.

Tickets for the event which will be held at the high school cafeteria are still available from all band parents as well as members of the Senior and Reserve bands.

Mrs. Karl Schult, general chairman, will be assisted by Mrs. Verna Seymour and Mrs. Marie Blissett. The latter will be in charge of the kitchen. Mrs. John L. Boss will be in charge of the dining room and H. B. Schofield, president of the sponsoring organization, will be in charge of ticket sales at the door. Hugh Mayne heads the clean-up committee. He will be assisted by band fathers.

Menu for the event will include Swiss steak, scalloped potatoes, huttered carrots, cole slaw, rolls, cake and coffee. Mrs. Schult reports. Serving will begin at 5 p. m.

All Aliens Must Register Jan. 31 At U.S. Postoffice

Aliens living in the Charlevoix area are warned that Thursday, Jan. 31, is the deadline for filing alien registration cards.

Postmaster Peter H. Timmer issued the warning this week and said that cards were available at the Charlevoix postoffice.

Only eight registrations cards have been received to date Mr. Timmer said. There are a number of other aliens in the area who have failed to return their cards.

Those failing to comply with the Alien Registration act are liable to a fine and or deportation.

The alien registration cards are available at the local postoffice. After they are filled out they must be returned to the postmaster by the registrant.

Community Church Of God To Sponsor Annual Fish Fry

The Community Church of God will sponsor its annual fish fry at Fellowship hall Wednesday, Feb. 5, Mrs. Archie Ward, general chairman of the popular event, has announced.

The dinner will be served from 5 to 7 p. m.

Tickets for the fish fry may be obtained from Mrs. Crayton Kerr.

City Council Hears Plans For Centennial

Interest in the proposed Centennial celebration in Charlevoix this year attracted more than 20 persons to the regular council meeting Monday night to discuss the project.

After some discussion, it was suggested that the Venetian night weekend held annually the last weekend in July be enlarged to a three-day program and that the Centennial observance be held in conjunction with the established program. Those present were delegated to present the proposed program to various local organizations and to solicit the support of the community in presenting the Centennial celebration this year. They will report their progress at the Feb. 4 meeting of the council.

At the regular business meeting of the council, city superintendent Hal M. Hill was authorized to purchase a heat exchanger from the Tress Heat Exchanger Division of Buffalo, N. Y. at the cost of \$1,380.00. The heat exchanger will be used on the No. 1 Rathbun-Jones diesel engine. The council also voted to support the independent basketball team at the rate of \$5.00 per game with a maximum outlay of \$50.00 for the season. The \$5.00 fee will underwrite the rental cost of the gymnasium for each home game.

A detailed report on the repair work underway at the utility plant on Ferry ave. was made by Mr. Hill.

Bills amounting to \$12,443.76 were approved and ordered paid.

Ask Residents To Select 1957 Sports Queen

Residents of Charlevoix are being asked to participate in the selection of a winter sports queen to represent the city in the 29th annual Michigan Winter Sports Queen contest at Petoskey Feb. 9.

The four candidates for the honor are Judy Cunningham, Susan Grate, Deanna Loft and Nancy Wallace. Their pictures are on display in the Central Drug store window and ballots may be cast in the store. The deadline for voting in the Queen's contest is Friday night.

The queen named at this time to represent the city in the event at Petoskey will also represent Charlevoix in the National Cherry Queen contest at Traverse City and become the city's Venetian Queen.

In making the announcement, S. E. Coleman, secretary of the Charlevoix board of commerce, urged everyone in the community to cast a ballot for their choice in the queen's contest. The ballots may be cast at Central Drug store where the candidates' pictures are on display.

The winner will be announced next week.

Masons Narrow IOOF Lead In Cribbage

The Masons won the third round of the winter cribbage tournament with the Oddfellows Thursday night by 206 points, cutting the lead held by the I. O. O. F. to 226 points.

Emil Piechner of the Masonic team was high point man for the round with a score of 938. William Bergman scored high for the Oddfellows with 921 points.

Mt. McSaubia Ski Run Proves Popular Spot

On the left is the ski tow for the major slope. The small tow now under construction can be seen to the right near the bottom of the hill. The ski lodge is pictured at the foot of the ski run. The view from Mt. McSaubia is one of its major attractions. To the left is Little Traverse Bay on Lake Michigan and in the upper right Lake Charlevoix.

D.A.R. Good Citizenship Award Is Presented to Carol Duerr

Carol Duerr, 17-year-old Charlevoix high school senior, has been named to receive the D. A. R. Good Citizenship award presented annually by the Pe-to-se-ga chapter of the Daughters of the American Revolution, Mrs. Earl A. Young, chapter regent announced this week.

The award is presented annually on the basis of service, leadership, dependability and patriotism. The recipient, selected by the faculty and students, will receive a D. A. R. Good Citizenship pin and will also become a candidate for the state award which will be presented at the state meeting to be held in Grand Rapids in March.

Carol, daughter of Mr. and Mrs. Charles A. Duerr, has had a busy high school career. Besides being among the top students in her class, she served as class secretary during her freshman year.

She is also a member of the D. A. R. and the Girl Scouts. She has been a member of the band for four years and secretary of the band for two years.

She has been a member of the Student Council as a junior; is a member of the 1957 annual staff; is an artist on the staff of the high school publication, *Crimson Flare*; has been a cheerleader for the past three years; was a member of the Girls' Glee club as a sophomore and junior; had leading roles in the junior and senior play; was chairman of the decorating committee for the J-Hop and the Christmas ball and was a member of the Homecoming Queen's court.

Following graduation from high school in June, she plans to enroll in the college of Architecture and Design at the University of Michigan.

Carolyn Steel, the 1956 award winner, is currently enrolled at Central Michigan college in Mt. Pleasant.

Grayling got back on the victory trail Tuesday night with a 65 to 46 win over Kalkaska.

Grayling got off to a slow start and trailed 10 to 9 at the quarter before going into a slum 24 to 21 halftime advantage. In the third period they pulled out of danger for a 42 to 28 lead after outscoring the visitors 20 to 7.

Bob Strong paced the game with 31 points for the victors. Stan Mallow and Dick Ryckman shared scoring honors for Kalkaska with 21 points apiece.

Wallace Taber To Show Wild Animal Films

Wallace Taber, globe-trotting big-game hunter, author and lecturer, today was scheduled for a one-night appearance Mar. 27 in Charlevoix at the high school auditorium.

In making the announcement, Joe Williams, president of the sponsoring Charlevoix Rod and Gun club, said the popular Coloradoan would bring with him a pair of his latest, all-color African films.

"The dark continent was never portrayed more vividly than this daring photographer with a truly educated camera achieves," Williams said. "Repeatedly he puts the audience within front-row distance of Africa's largest and most dangerous big game, Cape buffalo, hippo and elephant all charge to within five-feet of the intrepid cameraman, while half-a-thousand lesser denizens of the teeming veldt perform at little more than arm's length."

Innumerable times the far-traveled photographer risked his life and his equipment to bring back modern-day Africa on celluloid in a manner that news-

Services Held For John Krehak, 78 Longtime Resident

John Krehak, 78, resident of this community for 44 years, died Friday at the Charlevoix hospital where he had been a patient for five weeks. He had been in failing health for several months.

Funeral services were held at the Pontius Chapel Monday with the Rev. Lloyd M. Schlopp officiating. Burial was in Brookside cemetery.

A native of Czechoslovakia where he was born June 12, 1879, Mr. Krehak came to this country as a young man. In May 1907 he was married to the former Katherine Janse at Toledo, Ohio. In 1907 they moved to Marion township. For many years he was employed at the Loeb Farm. Since his retirement they have resided at 913 State st. He was a member of the First Methodist church.

Surviving are his wife, Katherine; three sons, John of Wauconda, Ill., Emil of Crystal Lake, Ill., and Frank of Beloit, Wis.; nine daughters, Mrs. Jack (Katie) Adams of Prairie du Chemin, Wis., Mrs. Lloyd (Ann) Anderson of Walloon Lake, Mrs. Raymond (Rose) Kruse of Aurora, Ill., Mrs. Joseph (Sophia) Towne of Buena Vista, Mrs. Russell (Sylvia) Van Winkle of Long Beach, Calif., Mrs. Harry (Julie) Bobb of Elk-Haven, Wis., Mrs. Albert (Helen) Fanner of Crystal Lake, Ill., Mrs. Elmer (Eva) Ostrum Sr. and Mrs. Keith (Georgia) Bruhl, both of Charlevoix; 36 grandchildren; six great-grandchildren and a brother, Robert of Robertsdale, Ala.

The convention site will be the East Jordan city hall. The meeting has been called for 8 p. m.

Delegates to the state Republican convention in Detroit Feb. 6 will be named at the Charlevoix county Republican convention to be held in East Jordan next Wednesday night, Karl J. Erber, county chairman, has announced.

The convention site will be the East Jordan city hall. The meeting has been called for 8 p. m.

Plan Several Events For March Of Dimes 1957 Fund Campaign

The month-long March of Dimes fund campaign in the Charlevoix area will be climaxed during the week with several fund-raising projects, Dan W. Geneit, local fund chairman, announced Wednesday.

A special coffee day, a dessert luncheon, a buffet supper and the Mothers' March are among the events scheduled for the week.

The first major event will be party at the Charlevoix Rod and Gun club Tuesday. The luncheon, a dessert luncheon and card will begin at 1:30 p. m. and will be followed by card games with table prizes. The benefit party is sponsored by the Rod and Gun club Auxiliary. Tickets may be purchased from club members.

Coffee Day will again be featured this year with the concession at the Mt. McSaubia ski run observing the event on Saturday. Other participating business places including Schroeder and Hovey Drug, Chatterbox, Big Dipper, Coffee Cup and Mosby's restaurant will feature Coffee Day Thursday, Jan. 31. All proceeds from the sale of coffee in these places on Coffee Day will be contributed to the March of Dimes.

On Thursday evening, Jan. 31, the Airport Inn operated by Hank Felix and Des Milligan will be the site of the popular benefit buffet supper. Mrs. Marguerite Wallace is general chairman of the event which will feature a buffet supper late in the evening. Plans for the supper have been donated by Edwards' Food Mart and Esserberg's Grocery and turkey by Matchett's Turkey farm and Neff Bros. grocery. Other foods will be solicited.

The mothers of Charlevoix will march from 6:30 to 8 p. m. Wednesday evening. Mrs. Thomas Carey, chairman of the Mothers' March, has announced. During those hours they will ring doorbells and solicit your support to the March of Dimes. Mrs. Warren Allison and Mrs. Richard Bergmann are co-chairmen of the drive in the first ward; Mrs. Robert Pearl will head the event in the second ward and Mrs. Debert R. Torrell has taken over in the third ward.

Arnold Wadas will solicit business places and industry.

The fund drive to date has netted \$105.67. Mr. Geneit reported Wednesday. In making the announcement Mr. Geneit urged everyone to support the 1957 March of Dimes. "If we are to complete the job of licking polio, we must support the March of Dimes this year and every year until the job is done," Mr. Geneit added.

Development Group Holds '57 Annual Officers Election

The annual Stockholders meeting of the Charlevoix Development Corporation was held Tuesday night at the city hall.

One new director, Max Novak, was elected to succeed Charles Pontius and S. E. Coleman and Clarence Rabach were re-elected for three-year terms.

During the discussion period which followed, it was reported that as loan made by the corporation is being repaid to the corporation, it will be placed in a savings account. Only a small amount will remain in the checking account when the \$15,000 loan plus interest is repaid to the corporation, stockholders will be given a choice of leaving their money in the corporation or cashing in their stock.

It was also emphasized that the corporation was ready to cooperate in any project to bring new industry to the community or to assist any industry in becoming established here.

At the meeting of the board of directors which followed the general meeting, Frank Novotny was re-elected president of the corporation. Other officers who were re-elected were S. E. Coleman, vice president; Joseph R. Williams, secretary and A. L. Livingston, treasurer.

ODDS 'N' ENDS

By Fran Martin

Don't you just about lose your mind looking at the perfect super winter resort fashions? Last week when it was snowing and blowing so hard you couldn't see down the block, we were just about ready to take off for the southland, don some of those sunback garments and bask in the sun. But come Saturday, it cleared up so we decided we liked this country better (as tho' we had a choice). But it's fun just the same to get a preview of the clothes we'll soon be seeing around here. If you can call June 'soon'!

And speaking of fashions, we don't know what you thought of all the gowns the land's first and second ladies and the wives of the cabinet officers were wearing to the inaugural balls, but we didn't think any of them would come under the heading of 'ehi'. We'll probably end up behind the eight ball but them's our sentiments and we're staying with 'em.

When it was so blustery last Friday, we couldn't believe it when Mrs. C. M. Bice reported a robin in her yard... trying to get a crumb before those horrible grackles got all the food. And the brave little soul has been sighted since. We decided, however, that rather than a sign of spring that he was some poor unfortunate bird who, like so many of us, just couldn't afford to go south for the winter... for certainly no bird in its right mind would come north this time of year... or would he?

A reminder... now that we've lots of snow, don't forget to

feed the birds... there are so many things they like... grain, suet, peanut butter... so share your rations with the birds and you'll be repaid many times over by their antics.

Out Camp, Charlevoix-way, there's a sight that you probably wouldn't believe even if you saw it... roses blooming in the snow... that's right... Seems Barney Engelhart had roses blooming right up 'til almost Christmas time... When the frost did come, it froze them just where they were and now they look as tho' they are blooming in the snow. Among those to get quite a start when they saw them for the first time were the Bill Georges of Maria's who told us about them.

Can you believe it... the basketball season is half over... Another six weeks and we'll all be scrambling for tournament tickets... another eight games is all that's left so if you want to see our Rayders in action better get going. As our boys start the second round of the schedule we'd like to wish them luck... more than they had the first couple months of the season... they need it and you so how's about rallying 'round one swell bunch of Joes from now on in.

One of the two most popular spots in town recently has been Mt. McSaub where all our skiers, big ones, little ones and middle sized ones, spend all the time they can. And then there are non-skiers who just go out to watch the fun. The other most popular spot is the ice rink where all our skaters have been getting a workout. We just think it's the most wonderful thing that the kids... and grown-ups too, have such opportunities for outdoor sports... and right on our doorstep, so to speak, too. And if you're real ambitious, how's about climbing the mountain just

for the view... which is something.

Effective at once, the Women's Guild of the Charlevoix hospital has a new news collector for this column. She's also a new member of the Guild, Mrs. Louis Hooper who resides at 102 Nichols St., her telephone number is L1871 7-2320. All committee chairmen who report their news regularly to the collector are asked to call Mrs. Hooper by Friday with their tid-bits for the column. Many thanks, too, to Mrs. Charles Pontius who has been doing this job in the past. The Guild appreciates her fine work on a difficult assignment.

Mrs. L. E. Grate, who is in charge of the memorial cards, reports that contributions have been made to the Guild recently in memory of Mrs. Ralph Morse by Mr. and Mrs. Richard K. Paddock of Alden, Ill., and in memory of George Finucan by Mr. and Mrs. Edward K. Shanahan. For those who wish to contribute to the Guild in honor of or in memory of someone dear, the Guild sends an appropriate card in the name of the donor. In Mrs. Grate's absence during the next 10 days, Mrs. Gordon Freeman will take over this job.

How would you feel if you were returning to your birthplace after an absence of 48 years? Forty-eight years in which you had heard not a word from the brothers and sisters you'd left in 1908. That happened to come one we all know very well... Walt Henley, who has resided here for a good part of that 48 years.

Seems he left his home in Clarksville, Tenn., in 1908... and a short time later sent them a letter from Benton Harbor. He married, raised a family and always talked of going home but never got around to it. Then last month, his son, Bruce, who had grown up with stories of Tennessee took the matter into his hands. He and his wife and daughter, Roma and son, Ned, took off for Kalamazoo where Mr. and Mrs. Henley are spending the winter. They announced that they were going to Tennessee and was Mr. H. ready. He was and so was his daughter, Mrs. James Beacham and daughter, Judy.

They arrived in Clarksville on New Year's Eve, looking in a telephone directory and found the name of Henley. Stopping at a State Police post they inquired about the family and found that one of Mr. H.'s nieces lived across the street from the post.

A happy, happy reunion with three of his brothers, including a set of twins followed with the northern Henleys getting acquainted with the southern branch. For the first time he learned that his family had long ago given him up as dead. What a thrilling experience it was for everyone. And don't be surprised if you start hearing Henleys with southern accents, for they've all promised to visit Charlevoix.

Inauguration day was a very very special day for one of our local residents, Mrs. Floyd Ikens, for her grandson, Curtis Ikens, son of the Harold Ikens who live in Oak Grove, marched in the parade with representatives from the U. S. Coast Guard Academy where he is a senior student.

Have you had that shot yet? We mean of Salk vaccine. We think you owe it to yourself and to everyone you love and who loves you to inoculate yourself.

What Christ and the Church Mean To Me

This is one of a series of articles written by laymembers of various churches in the Charlevoix area and sponsored by the Charlevoix ministerial association.

By Mrs. E. E. Lomcke

A Communicant of Christ Episcopal Church, Charlevoix

To go through life with the burden of my own sins piling one on top of the other would be more than I could bear. The mere thought of it is intolerable beyond words. I know that this need not be the case; Christ has given to His priests the power to forgive sins in His name.

The Holy Communion of the Body and Blood of Christ is the very core of my faith and worship. Christ in His sacrifice for me and in giving me the Blessed Sacrament is testing my faith, love, and obedience. For who are the sinners for whom He died? I know that I am one. Were I to stay away from God's Altar, I would be refusing Christ's commanding invitation, "Come unto Me", "Do this in Remembrance of Me" and I would soon end up in a state of spiritual starvation.

By regular Confession and Communion I hope to know in holiness by sinning less and repenting more until the Last Confession and Last Communion when my soul shall pass pardoned to meet the God of Love, Jesus Christ. This is what Christ and the church mean to me.

guild notes...

A belated 'thank you' to the Brownie Scouts of troop 4 who made New Year's Eve tray flavors. A thoughtful gesture on the part of some mighty nice little girls.

A recent novel designed to brighten the days of anyone who opens its pages has been donated to the library cart by the former Charlevoixian, John Dutcher, and Mrs. Dutcher who now reside in Detroit. It's the hilarious "Guestward Ho!" which is guaranteed to keep you in stitches from start to finish. It's sure to provide many hours of light reading for the patients at the Charlevoix hospital. A generous 'thank you' to the Dutchers for remembering their home town.

And with seeds of birthdays coming up in February... Plus Valentine's Day, don't forget the vacuum-wicked candies, each summer than the other, that the Guild is selling. All proceeds go to the nursing scholarship fund.

If you're one of those people who like the coconut crunch or the peanut brittle there's a little of that left too.

For all kinds of candy contact Mrs. Freeman, Fran Martin, or stop at the Pay shop while you're down town... or at the Charlevoix hospital.

against polio. All these years you've said, "won't it be a God-send when a vaccine against polio is found"... and you gave generously to the March of Dimes through the years so this goal could be attained. And when the vaccine is perfected what about you? You haven't time, you haven't the small fee it takes (which doesn't start to add up to what you've been contributing through the years) or some other sissy and afraid it will hurt... a fantastic excuse. If you're a well it doesn't when all of our school-age youngsters take it without a fear, then that is a pretty lame excuse. Just the knowledge that the vaccine will protect you and yours against crippling polio should make you rush to your doctor's office for the series of three shots.

Have you noticed how much longer the days have become during the past month. Despite the snow, it can't help but make you feel that the days of winter are numbered and soon... another two months, the brave little Crocuses will be pushing their pretty little petals into view... and presto! Spring!

Regardless of your politics we're sure that you were thrilled at the Inauguration ceremonies in Washington, D. C. Monday. Since we're one of those people who get a lump in the throat when we hear our National Anthem as Marian Anderson sings it and who views or listens to such things with the idea that we're seeing history in the making, we couldn't help but be grateful for the privilege of living in a country where we have been given the opportunity to elect a President... and equally as important, to stand up and speak our minds if we don't agree with what he thinks. Compare that you witnessed Monday with the so-called free election in Poland Sunday... and then realize how very lucky you are to be an American.

And when you think that you haven't anything. Chum, you've the world by the tail and haven't the good sense to realize and appreciate it!

Set MSU Date For 1957 Tourist Meet

There may be snow on the ground but leaders of the tourist industry are busy planning now for the fifth annual Michigan Tourist and Resort Institute at Michigan State University, April 8-10.

Tourist association representatives and operators have braved cold winds several times this early winter to travel to East Lansing for planning sessions.

The institute annually supplements the educational work done throughout the year by M. S. U. specialists. The staff members not only issue publications but also conduct workshops to help with questions about site, construction, operation and management of motels, restaurants and resorts.

The Guild is grateful to Mrs. George Whitley who manages Fay's for stocking the candy.

Mrs. Alfred Brow and Mrs. Carl Kohler are again serving as pushers of the library cart when they're needed and Mrs. Ray Wood, a new member, has taken over the job on Monday replacing Mrs. Clark Coulter, always a faithful worker.

County 4-H Leaders Set April 29-30 For Achievement Day

Charlevoix county 4-H leaders met last week at East Jordan for their regular business meeting. William Parsons, a long-time 4-H leader from Charlevoix, was chairman of the meeting.

Several important items were discussed at this meeting. The Spring 4-H Achievement Day for Charlevoix county was set for Monday and Tuesday, April 29 and 30 at the East Jordan high school. A banquet will be on Monday evening, April 1 also at the East Jordan School.

Several awards were passed out to outstanding 4-H club members. Louise Donaldson of East Jordan received a covered cake pan for her work in food preparation; Carolyn Stokes also of East Jordan, received a Foley food mill for her work in food preservation.

Roy Elsworth of East Jordan and Nancy Erber of Boyne City received a Michigan Farmer award for being outstanding 4-H club members.

Anna Warner of Charlevoix will be the 4-H leader from Charlevoix county that will attend the district 4-H council on Wednesday, January 23. Clare Brown, home demonstration agent and Ed Reiman, county agricultural agent, were present to make announcements and discuss many 4-H items.

Directors Elected

At a meeting of the Antrim-Charlevoix Growers Association held Monday at Consolidated Food Processor's plant office, the following officers were elected: Walter Kemp of East Jordan, president; Rowley Williams of Charlevoix, vice president; and Ray Olney of Bellaire, secretary-treasurer. Directors elected were Darwin Buehl and Frank Polus of Elmira, Glen Bush of Ellsworth, Clyde Goodman of East Jordan and Russell Burns of Central Lake.

Birthday anniversary

Congratulations to Mrs. Henry Klooster of Atwood, who will observe her 91st birthday anniversary January 27, 1957. She was born in Holvert, Vreesland, Netherlands, the daughter of J. J. and Richtge Elzinga, coming to the States with an older sister when she was 15 years old. They came to Holland, Michigan from New York City and her first employment in Holland was

necessary to earn money for an older brother's passage to America.

Later, after the older brother had arrived, they earned enough to assure the parents passage and that of the other children. A few years later they came to northern Michigan, when Mrs. Klooster was 20 years of age.

She was married to Henry Klooster in April of 1889 and has lived in this area since, except for two years, they owned and operated the Atwood store from 1904 to 1924 and lived on a farm for a number of years till Mr. Klooster's death in June 1929.

She has made several trips to California and also has gone by plane to visit her daughter in Virginia. She hopes to fly to Florida this year if she is able.

She has two sons, Ed and Conrad of this area; four daughters, Mrs. John Bos and Mrs. Harold Nyland of this area, Miss Rose Klooster of Long Beach, Calif., and Mrs. Fred Alert of Richmond, Va.; twenty grand-

children and thirty great grandchildren.

Caucus Time Is here

It's time to be thinking of local government again! The people's Caucus in the village is scheduled for Monday, Feb. 4 at 8 p. m. in Ellsworth Community hall.

Township caucus date is Monday, Feb. 18 at 2 p. m. in the Community hall.

C of C Elects

The Board of Directors of the Ellsworth Community Chamber of Commerce, met Wednesday evening, Jan. 16 in the Ellsworth Community hall and elected the following officers: president, John DeYoung, re-elected; vice president, G. P. Vander Ark; secretary-treasurer, J. F. Bugai.

BIG EAR—University of Michigan astronomers and electrical engineers have set up this 28-foot-wide radiotelescope near Ann Arbor to receive radio signals from the sun. The sensitive device is expected to be in operation in February, providing information about the sun's outer atmosphere. The work is being supported by the Office of Naval Research through the University's Engineering Research Institute.

Skating Rink Is Being Rebuilt For Use This Weekend

With the return of near-zero, work on the rebuilding of the skating rink at the softball field has started, Leslie Everts, who is in charge of the project, reported Wednesday.

If the cold weather continues, the rink should be ready later in the week, Mr. Everts said.

Temperatures in the mid-30's and rain over the weekend melted the rink which had been in operation since the first of the year.

When skating is resumed, the hours will be the same as before, from 3 to 5 p. m. and 7 to 10 p. m. from Monday through Friday and 1 to 5 p. m. and 7 to 10 p. m. on Saturday and Sunday.

Welding, Ceramics Classes To Be Held Tonight At School

Classes in welding and ceramics will be held again this evening (Thursday) to determine if enough persons are interested to warrant a class in each of the subjects, Max Novak, who is in charge of the Adult Education program in the Charlevoix public schools said Wednesday.

A class in woodworking was to be held Wednesday night to determine if it is to continue.

The welding class will meet in the manual arts department at 7 p. m. tonight (Thursday). It will be taught by Robert Cook. Anyone interested who has not already registered for the class is asked to attend the initial class at 7 p. m. tonight.

The class in ceramics will meet in the high school building at 7:30 p. m. Interested persons are also asked to attend this meeting.

The class in commercial subjects will meet again at 7:30 p. m. Tuesday. Additional registrations are being accepted.

Four other classes are meeting regularly. New registrations for these are still being accepted. They are upholstery which meets in the shop at 7 p. m. Tuesday; lipreading and car-driving which meet at 7:30 p. m. Tuesday and sewing which meets at 7:30 p. m. Thursday.

Information regarding any of these classes may be obtained by calling LI 7-6583.

Deer Hunters Are Asked To Report Results Of Season

Some 16,000 Michigan hunters are being asked to supply deer hunting information in the Conservation Department's annual post card survey of hunting activity and success.

Questionnaires designed to gather information on the 1956 special seasons were mailed to more than 6,000 deer hunters in early December. About two-thirds of the post card replies from this mailing had been received by the Department by December 28. Reminders are being sent to hunters who had not answered.

Another 10,000 questionnaires will be sent out during the next few weeks to a different group of hunters, seeking information on the regular deer season.

In the present system, every 40th hunter on license lists is contacted in the regular season survey. The high rate of cooperation among hunters—as many as 95 percent respond—adds to the poll's accuracy.

Results of the poll won't be known until early spring, after all replies are received and processed.

'Middle-Class' To Be Dominant By '75 Says Economist

An America in which nearly everyone will be "middle-class" by 1975 is foreseen by one of the nation's leading economists.

Clark Kerr, chancellor of the University of California at Berkeley, in a speech at Michigan State University also predicted a reduction of working hours amounting to five hours a week on a yearly average.

Kerr said shorter working time would result from more vacations and reduction of days per week rather than from shorter work days, because of commuting time to the worker and the cost of starting and stopping work to the employer.

He said a "very desirable" development: politically and socially will be that nearly everyone will be in the middle-class, largely due to public education and greater equality of opportunity. Real wages per hour will rise about 60 per cent with productivity increasing about the same amount, Kerr said.

State Park Users Willing To Pay

A majority of those questioned in a Michigan State University survey indicated they were willing to pay for use of Michigan state parks.

The survey, directed by Dr. Thomas L. Dahle, assistant professor of communication skill, revealed that of the 4,700 users queried in the parks last summer only one of every 12 opposed charging fees for park use.

The study was made in cooperation with the Michigan Department of Conservation and a full report on the findings will be released within three weeks by the Bureau of Business Research at M. S. U.

Among other things, the survey showed that 84 per cent of those using the parks lived in Michigan.

Announce Date Of Workshop For School Directors

The Northern Michigan Association of County Boards of Education will hold its annual winter workshop at Grayling Feb. 6, Charles A. Robinson, Charlevoix county superintendent of schools, has announced.

Feature of the meeting will be a panel discussion on the following topics: current legislation, state school aids, school reorganization, and services rendered by the county intermediate unit. Guest speaker from the Department of Public Instruction will be Wilfred Clapp, assistant superintendent, discussing school organization and plant, and Max Cochran, supervisor, talking on state school aids.

At least 25 per cent of Michigan farms have inadequate wiring to handle the boost in use of electrical appliances and motors, according to M. S. U. safety specialist.

Fire control in Michigan forests has benefits other than safety. Productive land use is one of its major purposes, including timber production, game management and recreation development.

Rod and Gun Club News

Accuracy of pistols may be bringing silent doubt in the minds of some of the shooters at the Charlevoix Rod and Gun club matches held Thursday evening on the indoor range at the club house. New names have been popping to the top of the score sheet from all over the page.

Harold Lang took the top spot from Orvie Richardson three weeks ago. Gordon Neff stepped in the next week to lead the group only to have Richardson win the match last week. Runners up in these matches have been Bernie

Golden Gloves Tourney Opens In Traverse Jan. 31

More than 300 application blanks for the annual Golden Gloves amateur boxing tournament have been mailed to team sponsors through the northern section of the lower peninsula as a preliminary to the tournament which is scheduled to open at St. Francis gymnasium in Traverse City Jan. 31.

In addition to teams competing in the district elimination contests, there will be a number of individual, self-sponsored contestants.

Brownie Vincent, president of one of the sponsoring organizations said this week that up to 80 boxers are expected to appear in the elimination bouts Jan. 31 and Feb. 2. The finals are scheduled for Feb. 9.

The 1957 Golden Gloves tournament is being sponsored by the Traverse City Record-Eagle and the St. Francis Athletic Association. Proceeds above the cost of the tourney will be placed in the Association treasury for the promotion of additional sports events.

Minnie Mae DeVries Wins Pie Contest

Minnie Mae DeVries, an Ellsworth high school senior, won her second cherry pie baking contest sponsored by the high school Monday. She topped a field of 25 contestants and will represent Ellsworth in the Antrim county contest to be held at the Ellsworth high school Feb. 1.

Pauline Reibel was runner-up in the contest and Harriet James placed third. Both are senior students. Fourth place winner was Theima Drenth, a freshman who was competing for the first time.

Wallace Taber To Show Animal Film

(Continued from page 1)
papers widely have called "unbeatable, whole-family entertainment... colorful, thrilling and educational."

"Among the photographic firsts racked up by the enterprising entertainer," Williams said "are laughing cobra, gyrating giraffe, blood letting natives, charging Cape buffalo, impish impalla, klauterbing kob and scenery such as few American ever associate with Africa."

Newspaper, radio and TV critics have been lavish in their praise of the colorful, educational yet down-right thrilling program. In Los Angeles, Taber's program was likened to a hybrid between the daring of a Martin Johnson classic and the serene, true-to-life nature series now being released by Walt Disney.

"If you enjoyed Beaver Valley, if you liked Martin Johnson," Williams said, "you'll love this program in which a single American, sportsman pits wits with the most dangerous that Africa has to offer. The greatest tribute that can be paid Wallace Taber is merely to say that he is still alive."

Williams said the program is colorful, whole-family entertainment popularly priced at \$1.00 for adults, 50c for students under 16, are included. Advance tickets are available from club members — tickets may be had at the box office of the auditorium the night of the show.

Charlevoix Telephone Lines

LES JOHNSON
Michigan Bell Manager

SNOW IS FUN FOR THE kids. But it sure can be disappointing for grown-ups, especially when it means that trips to visit friends and relatives have to be called off. Don't let the miles keep you apart when blizzards blow and the weather isn't fit for man or beast. Get together by telephone. Long Distance rates are low and you can talk as long as you want. Remember, when Old Man Winter spoils your trip, enjoy a visit the comfortable way—by telephone.

EVER THINK HOW convenient public telephones are? They're your phone away from home. When you're out shopping or traveling, the public telephone is the best way for you to keep in touch. Call home if you've forgotten something or want to check on the children. Call ahead to let folks know if you're going to be late. Public phones, whether in convenient outside booths or in the stores where you shop, are ready to handle your calls. Let them help keep your mind at ease.

THE TINY TRANSISTOR
The tiny transistor (shown here with a pen point to give you an idea of its size) is an electronic marvel. One of these days when you make a Long Distance call, your telephone operator will use transistors like this to help put your call through. This tiny electronic device generates musical tones which will automatically connect you with the number you're calling. For inventing transistors, three telephone scientists working at Bell Laboratories were recently awarded the Nobel Prize.

Mail Service Is Aid To Education Says Congressman

"Next to the public school system itself," writes Rep. Usher L. Burdick of North Dakota in the January Reader's Digest, "second-class postage is the finest thing Congress ever did for the education of the American public. As one who believes that democracy cannot work without knowledgeable citizens, I should like to express my hope that this service will long continue unimpaired."

Mr. Burdick recalls that he learned his ABC's in the Sioux country of North Dakota from a magazine called Farm, Home and Fireside. It carried exciting stories, described new farming methods and provided tantalizing glimpses of the world beyond the horizon.

"We could get a Farm, Home and Fireside for 25 cents because in 1897, the year I was born, Congress cut down postage rates for magazines and newspapers so more people could afford to buy them. Congress figured that the more the people read and learned, the better government by the people would work."

"And they were right. I finally went to college and got housebroken to books; but for me, as for most Americans, newspapers and magazines remain essential teachers. Many of these publications, so essential to the maintenance and growth of our freedom, simply could not exist

does our bank pay only 2% on savings?

Good question! Deserves a good answer.

Banking laws require that a large part of our deposits be held in cash on which we derive no income. Our investments are limited to high grade securities paying a low return. In addition, we make only the highest type of loans on which we charge a very reasonable rate of interest. Because our income is limited in order to provide maximum security for your money we can pay only 2% on savings . . . but,

Your deposit in our bank has one priceless ingredient of which few investments can boast. Because our assets are liquid, your money is available whenever you need it . . . 100% on the dollar. We invite your account.

Charlevoix Loses To Harbor Spring Rams 63 To 46

Rayders, East Jordan In Third Place Tie

The Charlevoix Rayders were dropped to a third place tie with East Jordan as the first half of the current basketball season ended Friday after losing to Harbor Springs by a score of 63 to 46.

As a result of their victory, the Rams are now in second place with Boyne City who won over Mancelona. Grayling is still leading the loop by one game despite their loss to East Jordan. Mancelona is in fourth place, Gaylord in fifth and Pellston in the league cellar as all eight teams of the Northern Michigan Class C league go into the final lap of the 1956-57 season.

This week the Rayders will travel to Mancelona to take on the Ironmen who have a record of three wins in seven games Charlevoix has four victories in as many starts.

In the first round, the Rayders won over the Ironmen 54 to 51 on the level hardwoods. Since then Charlevoix has wins over Gaylord, Pellston and Boyne City in loop play. Mancelona's victory has been over Gaylord. Pellston and East Jordan. The Rayders should come up with a win over the Ironmen, especially if they regain some of the spark they showed early in the season.

Starting for the Rayders in the game against the Rams were Norm Helms, Kenny Balch, Joel Arvilla, Terry Davis and Bob Mol. Phil Timmer and Dale Putman joined the line-up in the second quarter and Larry Ingalls and Glenn Bearss went into the game in the final period.

Except for the opening minutes of the game when Helms had put the Rayders ahead with a field goal and later in the period when the score was tied 7 to 7, the Rayders trailed the Rams as the latter went ahead 17 to 13 at the quarter; 33 to 25 at the half and 48 to 36 at the third quarter mark.

Paced by Don Lauer who controlled the backboards all evening besides scoring 18 points, Harbor Springs tied the score 2-all with a field goal by Dick Keller after Helms had scored the opening bucket. The Rams pulled ahead 7 to 4 after Helms had scored again before Mol on a free throw and Arvilla with a field goal knotted the score 7-all.

Although Arvilla scored a field goal and Balch and Davis hit on two free throws each, the Rayders trailed 17-13 as the quarter ended. The Rams had racked up 17 points on four field goals and nine free throws.

In the second quarter Helms scored two field goals and Arvilla one before the former was replaced by Timmer after collecting his third personal foul in the game. Balch scored a field goal and two free throws and Mol a double counter as the half ended 33 to 25 with the Rams ahead although both teams had scored nine field goals each. Mol, who had drawn his third personal foul, also left the game briefly.

Harbor Springs pulled away to a 36 to 25 advantage before Helms connected with a field goal. He added two more field goals, Arvilla scored on a field goal and a free throw and Davis a field goal to cut the Rams' third quarter lead to 12 points, 48 to 36.

With one minute gone in the final period, Arvilla left the game via the foul route and was replaced by Timmer. Helms scored a field goal and a free throw as the Rams torched ahead 56 to 29 before Davis added three points on a field goal and a free throw. With two minutes remaining Helms went to the bench and was followed later in the game by Mol as both collected their fifth personal fouls.

Davis and Balch added a field goal apiece for 46 points as the Rams continued their scoring spree of 15 points in the final period for the victory.

The Rams had only one more field goal than Charlevoix, 19 to 18, but made up the necessary points on the free throw line where they scored 25 points on 36 attempts while Charlevoix scored only 10 on 22 attempts. The Rayders collected 23 personal fouls, seven more than the visitors.

Last Week With Class 'C' Teams

Action in the Northern Michigan Class C league Friday night saw East Jordan hand the league leading Grayling Vikings their first loop defeat of the season by a score of 51 to 49 in an overtime after the regulation game had ended 40-all.

While this was happening Harbor Springs was defeating Charlevoix 63 to 46. Boyne City was dumping Mancelona 65 to 42 and Gaylord was racking up its first win of the season a 69 to 49 victory over Pellston.

As a result of the action Grayling's lead was cut to one game; Harbor Springs and Boyne City (Continued on page 10)

Rayders Joel Arvilla and Kenny Balch wrestle with Dick Keller of Harbor Springs for the ball in the Rayder-Rams game here Friday night. In the foreground is Rayder Bob Mol ready to join the action. In the background are Rams Pete Graham (32) and Bob Lauer (26) and Rayder Norm Helms (32).

Northern 'C' League Starting Final Lap Of '56-'57 Schedule

With the teams of the Northern Michigan Class C league starting on the final lap of the 1956-57 league schedule this week, Boyne City will entertain Grayling, Harbor Springs will play at Gaylord, Pellston will host East Jordan, and Charlevoix will travel south to Mancelona.

In their initial meeting with Grayling, the Boyne City Ramblers were downed by a three point margin. However, since then the defending champions have hit the victory trail, losing only to Charlevoix following their

loss to Grayling. Until last week the Vikings continued their winning ways, dumping all comers until they met East Jordan and lost in an exciting overtime game.

The Vikings are still a good team but they have been hurt by the loss of Dave Lowe, an all-conference guard last season who has served the Viking squad well as play maker and consistent scorer.

Boyne City is out to keep its loop title and with the season half gone will have to win this one if they are to go into first place for the first time with Grayling. If Boyne City is up and if Coen Bruce Smith doesn't come up with a likely replacement for Lowe, an assignment which hardly seems likely, Boyne City could come up with a win.

Lowe will be out of the line-up for at least another month due to a back injury suffered before the holidays, Coach Smith reports.

Gaylord finally hit the victory trail last week with a 20-point win over Pellston. As a result, they can be counted on to be up for the meeting with Harbor Springs this week, a team to whom they lost earlier by six points after leading the Rams throughout the game.

If Harbor Springs should let down after their tough game with Charlevoix last week, the Blue Devils could upset the big Rams five.

East Jordan is another team that will have to watch itself this week and not let down after a tough game or they might find themselves upset by the Pellston Hornets who have been unable, thus far, to become a serious threat to anyone. However, if the Jordanians should feel too confident after their overtime win over Grayling, Pellston just could upset them. Stranger things have happened although it hardly seems likely that it will happen at this time.

State Plans Scores
Of Attractions For
Summer Tourists

An action-packed year is ahead for Michigan's 1957 visitors. Already more than 125 special events are included on the Michigan Tourist Council's vacation calendar for the coming year.

Headed the list are 32 winter sports events during January, February and March. They include ski-jumping tournaments, downhill and slalom ski races, winter carnivals, ice-fishing festivals and ice-skating meets.

Michigan's spring vacation season will be ushered in with 22 events from April through mid-June, with maple syrup and mushroom festivals, smelt and perch runs, blossom celebrations, and fishing festivals among the main attractions.

Highlighting the summer vacation season are 51 events on the three-month calendar from June through August, all pointing up Michigan's famed water attractions—boating, water-skiing, fishing, swimming and beachside loafing.

Michigan's vacation year comes to a blazing climax in the fall with 23 events planned to call special attention to autumn color tours, birds and small game hunting, rifle and archery deer hunting, canoe races and western-style rodeos.

Law Limits Time
Wild Game May Be
Held in Freezers

The coming of home and public deep freeze food storage plants in recent years has made an old game law increasingly important to Michigan's sportsmen.

The law declares that game birds and animals may be kept 60 days after the close of the respective hunting season. But if a sportsman wants to keep the legal game meat longer than that, he can request and obtain a permit from any conservation officer.

Ducks, geese and other migratory waterfowl are covered by a federal law that allows a hunter to keep the birds 90 days.

Last Week Class C

Continued from page nine moved into a two-way tie for second place dropping Charlevoix to a third place tie with East Jordan. Mancelona is now in fourth place; Gaylord in fifth and Pellston alone in the loop cellar.

East Jordan 51; Grayling 49. In the game at Grayling it was the Jordanites' Larry Woodcock who saved the game for the Red Devils as he dumped in the tying bucket as the horn sounded at the conclusion of the regulation game and the winning basket in the overtime.

East Jordan got off to a 13 to 10 first quarter advantage before Grayling started to hit for a 27 to 22 halftime lead which the Jordanites whittled to one point, 36 to 35 at the three-quarter mark. In the final period the game turned into a see-saw battle with Woodcock letting go with a long shot which was in the air as the final horn sounded. The bucket tied the score 47-all forcing the game into an overtime in which a freshman, Dick Kraemer scored the first basket to put East Jordan ahead 49 to 47 before Tony Doremus scored for Grayling to again knot the score.

As time ran out Woodcock went in to score the winning basket.

Woodcock also paced the game with 18 points including eight field goals while Bob Strong and Doremus shared scoring honors

for Grayling with 13 points each.

Boyer City 65; Mancelona 52

Boyer City romped into a 17 to 14 first period advantage over Mancelona before the Ironmen went ahead briefly early in the second period for the only time in the game as the Ramblers went into 32 to 23 halftime and 61 to 36 third quarter leads.

Mancelona lost its punch when Johnny Phillips and Bob Hardy were benched the entire second

period after collecting three personal fouls in the first period. The Ironmen lost Hardy via the foul route when he returned to the game briefly in the third quarter.

John Juday of Boyne City and Roi Johnson of Mancelona shared scoring honors with 23 points each.

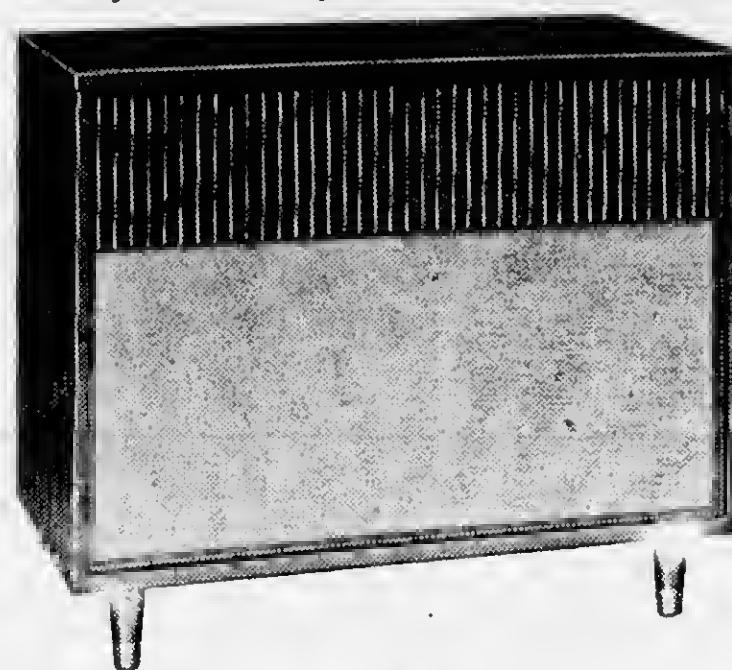

Gaylord 69; Pellston 49
Paced by Mike McKillop who

had 22 points, the Gaylord Blue Devils rolled over Pellston by a 20-point margin to rack up their first win of the season after several near misses.

The Blue Devils led the Hornets all the way 15 to 14; 36 to 22 and 52 to 39 by quarters. Harry Bail had 19 points for Pellston.

Pellston now remains alone in last place, a spot they have shared with Gaylord until this week.

On Being Alive

"Life" is a word that occurs frequently in our vocabulary without our knowing exactly what it means. In a vague way we understand what "life" is, but try to define it specifically without consulting a dictionary. What is alive and what is not?

The raccoon that snatches his lunch of crayfish or mussels from our woodland stream is alive. So is the bunchberry that blooms on the brookbank in summer. So are the trees that shade the laughing waters. But the rocks that dimple the stream's surface are not alive. Nor is the water itself. Ground pine is alive but the soil from which it grows is not. But what are the differences between the living and non-living things of a woodland?

For one thing, it is clear that living things must have food, and they seek it. Food-seeking seems to be the chief preoccupation of most living things, whether it be a raccoon fishing in a stream, a deer browsing on maple shoots, a fox prowling for deer-mice, a dragon fly hunting mosquitoes, or a wild plant searching in the soil for chemicals and moisture and trapping sunlight for starch making. All living things seek food for staying alive. A rock has no hunger nor does a rubber drop or a stretch of flowing water.

Moreover, living things repair their worn and injured parts by new growth. Non-living things do not. As a raccoon's hair or a mink's whiskers, or a white-tail buck's antlers are shed, new ones are grown to replace them. As a plant's leaves drop off new leaves are grown to take their place. Some of the food these living things digest is used in making these necessary repairs. Growth of new cells and tissues is typical of living things.

Not so with the non-living. As the swift waters of a stream jostle the rocks against each other and they are worn, they do not replace their lost mass with new growth. As the naturalist's shoe soles wear from walking on forest floor and stony beach, they do not grow new leather. A shoemaker may repair them but they cannot grow the material to repair themselves. The power of growth is peculiar to living things.

Living things give birth to young. Non-living things do not. Plants have seeds or offshoots. Human mothers cuddle reproductions of themselves. But big boats do not give birth to little

goodness?

How is your appetite? Another question — how is your digestion? All living things take material from outside of their beings absorb it into their bodies and transform this matter chemically into energy and movement and growth. A hidden Brook raccoon reaches into the stream for small aquatic animals, rinses them off, chucks them into his mouth and they are broken up by his digestive system, and the nutrients are distributed by his blood system to build new raccoon body cells. The low-growing bunchberry sends its roots into the damp earth and uses the richness it finds there for building greenish-white flower clusters, shiny green leaves, and bright red globular berries. All living things at Hidden Brook and elsewhere on the broad earth are assimilators of good they find around them.

How alive are you? Can you take from your environment the good that is there and absorb it into your way of life? Can you send the taproots of your thinking down into a situation and assimilate the nutritional elements that are there? One person can look at the glorious stripes of color that comprise a sunset and murmur, "That reminds me, wife, let's have bacon for breakfast tomorrow." Another beholding the same grandeur exclaims, "The heavens declare the glory of God and the firmament showeth His handiwork!" One gets no good out of the glory spread before him, he is but reminded of one more thing he wants. The other makes awe, wonder, and reverence out of what his mind absorbs.

One visitor to an European art museum grumbled about the old masterpieces the guide was showing him. "What is all the fuss about?" he muttered. "I can't see anything in those old paintings that deserves so much praise and such an expensive showing." The guide took all he could and then turned on the unappreciative complainer. "Listen, Mister," he exclaimed, "these pictures are no longer on trial. You are!"

The best things in life — great paintings, fine literature, good music, profound religion, marriage, the home — are no longer on trial. We are. What good do you absorb from them and use in building stronger character, bigger mind, and greater soul? How is your digestion?

Are you still changing and growing? All living things change or perish. Whenever a person dies it is because some part of the body that is worn or injured does not grow new tissues in time to replace the old. In a plant or animal, in a ground pine, a raccoon, or growing boy, as organs wear out, tissue by tissue they are rapidly repaired through rest and nutrition. But when one gets far enough in arrears through lack of rest or nutrition, or accident or disease, death is the certain result. Natural death occurs when ever new growth does not repair injured or worn cells.

The life of the spirit is much like that of the flesh. We must keep on growing or die. Life constantly wears on our courage. It wears on our love. It exhausts our patience. It tires our spirit of helpfulness. Unless there is inspiration to match our expenditures we waste away. How about it? Are you growing new courage, love, patience, helpfulness? Are you becoming stronger? Are you a bigger and better person than you were last year, last month and yesterday?

And lastly, another striking difference between living and non-living things is in the power to reproduce themselves. After it has finished flowering the bunchberry plant will develop seeds in its little red berry, and when these seeds are carried away by bird or beast and fall upon favorable ground new bunchberry plants will sprout and grow. The maple will spill winged seeds upon the winds and some distant day young maples will sway to the tune of Hidden Brook breezes. The raccoon will father little covelets.

But the skillet at Hideaway House will never bear baby frying pans, nor will our house give birth to little cottages, nor our chairs have litters of little stools. The power to reproduce themselves belongs to living things alone.

Just as every living thing on earth is the reproduction of some other thing that lived before it, so every inspired person is the product of an inspirer. Every good life has issued from some other person who lived splendidly. Every believer in God has come to Him through some other believer. Good living things reproduce themselves. It is in this way that goodness is maintained upon the earth.

How alive are you? Are the good things in your life being reproduced in the lives of others so that they will be here long after you are gone? Are you passing on to future generations the best that is in you?

One old saint was once heard to pray, "Lord, keep me alive as long as I live." While existing here, are you showing signs of being alive?

The First Congregational Church

Next Sunday's Sermon

"What For?"

Harold E. Kohn, preaching

at 11:00 a. m.

If you now regularly attend another church in our town, this notice is but a neighborly greeting and wish that you and your church may prosper. If you do not already have a church home, it is an invitation to attend Charlevoix's Congregational Church next Sunday.

Soil Conservation District Annual Meeting In Held

Lee Sargent Jr., of Charlevoix and Norbert Nachazel of East Jordan were the two directors elected to the board of directors of the Charlevoix Soil Conservation District at their annual meeting held last week Thursday evening at East Jordan. About 85 brave people weathered the storm and attended this ninth annual meeting.

The meeting opened with the showing of the film entitled "This Is Michigan." Mr. Burrows of the East Jordan school and his physical education boys did some tumbling acts.

Ed Robman, county agricultural agent and secretary of the board read the minutes of the last annual meeting. Ken Russell, George Klooster and Doug Knudsen all of East Jordan were in charge of the election. Robert Reidel of Boyne City presented the treasurer's report.

Mr. Reidel also presented the awards to three farmers who had cooperated very fully with the Soil District. Those three farmers were Loren Hamilton, Jr. of Charlevoix, Clarence Reinhardt of Boyne City and Clarence Way of Charlevoix.

King Strang History Subject At Kiwanis Dinner Meeting

The history of King Strang and his Mormon Colony on Beaver Island was the subject of Leonard Burns' talk at the regular dinner meeting of the Charlevoix Kiwanis club Monday night.

Twenty-eight members attended the meeting at the high school cafeteria. A questionnaire of 14 inquiries regarding King Strang and his Mormon colony was passed to members before Mr. Burns started his talk.

The proposed Centennial celebration was discussed and a delegation to represent the club at the Monday night Council meeting was appointed.

Several girls from the Ken Russell and Clayton Healey families sang two numbers for the audience. Richard and Lillian Schroeder, who recently returned from Pakistan, showed some slides and gave a very interesting discussion of life in Pakistan.

Following the meeting, lunch of milk and cookies was served to the group. The milk was donated by Ideal Dairy of Boyne City and the cookies were made by the wives of the directors and personnel of the district.

Supervisors Will Meet Here This Friday Morning

The Charlevoix county board of supervisors will reconvene at 9:30 a. m. Friday at the courthouse here to hear a report on the possibility of obtaining federal aid in the construction of the new Grandview hospital.

A \$500,000 bond issue to finance the cost of the 60-bed one-story fireproof building has already been approved by the taxpayers of the county.

However, in an effort to lighten the tax load, efforts are being made to obtain Federal aid through the Hill-Burton Act whereby the federal government offers financial assistance to units constructing hospitals.

The new Charlevoix hospital was partially financed through this arrangement.

Officers Elected By Mary Burns Church Circle

Recently elected officers of the Mary Burns circle of the First Congregational church assumed their duties at a meeting held Wednesday at the home of Mrs. C. M. Bice.

Miss Kay Fitch, the new president, presided at the business meeting at which the program for the year was drawn up. Mrs. Robert Lieberman is the new vice president and Mrs. Henry Ingalls, secretary-treasurer. Mrs. Arnold Wadas is the retiring president.

Following the business meeting, refreshments were served by Mrs. Bice and the co-hostess, Mrs. Verla Seymour.

Dickens Study Club Has Annual Menu Luncheon

Twenty-four members of the Dickens Study club met at the home of Mrs. Clarence F. Wood Monday for their annual menu luncheon.

Each member brought a dish made from her favorite recipe to the luncheon. Later members exchanged recipes.

Mrs. Angus L. Fochtman gave an interesting lesson on the Mississippi river from the time of its discovery to its place in the country's economy today.

Mary Foley Honor Guest At Shower

Mary Foley, whose wedding to William Mosier will be an event of Feb. 2 at the Community church o. God, was guest of honor at a bridal shower given Tuesday evening by Mrs. Archie Ward at the Ward residence.

Twenty-four guests enjoyed games and a social evening followed by refreshments served at a table centered a bride's cake and decorated with hearts and lighted tapers.

The many gifts which were presented to the bride-elect later in the evening were placed under a canopy of pink and green streamers.

Dr. Harlan Hatcher Again Cultural Activities Head

For the third consecutive year, Dr. Harlan H. Hatcher, president of the University of Michigan, has accepted appointment as chairman of the Cultural Activities Board for the 1957 Michigan Week celebration.

Dr. Hatcher will coordinate activities of seven committees in the fields of music, architecture, community theaters, history, literature, fine arts and Michigan folklore. These committees will plan a state-wide program for every community to encourage residents to participate in the development of Michigan Culture.

Draft Board Calls Four Men For Exams

One Charlevoix draft registrant is among the four from Charlevoix county who have been ordered to report Feb. 13 for pre-induction physical examinations.

He is Kenneth R. Allison. Others who will report at the same time are Louis B. Matelski of Boyne Falls and William J. Dunlop and Charles L. Easton, both of Boyne City.

One registrant will be called for induction into the armed services Feb. 25 to fill the county's February draft quota.

Norm Helms Rates With High Point League Players

Charlevoix Rayder Norm Helms, has placed fourth among the top scorers of the Northern Michigan Class C league at the halfway mark in the current basketball season.

Helms has a total of 112 points in seven games for an average of 16 points per game in loop play.

Joel Arvella, Rayder center placed 14th. Kenny Balch 64

points for the season.

Leading the league in scoring for the first half of the schedule is Ronnie Johnson of Mancelona who has a total of 139 points in league play or an average of slightly under 20 points per game. The 16 year-old junior guard has scored a total of 56 field goals and 27 free throws in 42 tries at the free throw line. He scored 32 points against Pellston. The lowest number of points in a game was 14 scored against Grayling.

He is followed by Last season's top scorer, Don Lauer of Harbor

Springs who has a total of 120 points for an average of 18 points per game. Last season at this time, Lauer had scored 106 points and had a total of 243 for the entire season. Lauer's points were scored on 49 field goals and 28 of 49 free throw attempts.

John Judy of Boyne City with 116 points in fourth and Larry Woodcock of East Jordan fifth with 103 points.

Others and their totals are: Bob Strong of Grayling, 107; Carl Chason of Boyne City, 104; Darwin Mason of Gaylord, 103; Cal Darbee of East Jordan, 96;

Mike M-Killop of Gaylord, 88; Harry Bail of Pellston, 82; Arvilla of Charlevoix, 76; Dick Keller of Harbor Springs, 71; Dave Lowe of Crayling, 70 points scored in five games. John Holstad of Mancelona, Pat Cabinaw of Pellston and Pete Graham of Harbor Springs had 67 points apiece.

Laying flocks will be more profitable during the year starting Sept. 1957 than in the season just ahead. M. S. U. farm economists advise buying chicks this winter and spring to be ready for this price rise.

Community Chest Will Elect Directors Feb. 11

An open meeting of the Charlevoix Community Chest will be held at the Charlevoix high school band room at 8 p. m. Monday, Feb. 11, Robert Lieberman, Community Chest president, has announced.

Chief purpose of the meeting will be to elect four directors. The terms of Mr. Lieberman, Mrs. Gordon L. Freedman and Clark Dolliver expired Dec. 31 and Reginald Greenway, who has one year remaining on his term of membership, has resigned.

A report on the activities of the Chest board since the 1956 fund drive will be made and tentative plans for the 1957 drive will be discussed.

Klondike Derby To Be Staged At Petoskey Feb. 10

The annual North District Boy Scout Klondike Derby will be held at the Petoskey Winter Sports park Sunday, Feb. 10.

Registration will be accepted from 1 to 1:30 p. m. The Derby will begin at 1:30 p. m.

Each sledge entered will be judged by its construction as to Excellent, Standard or Participating. Each boy who registers will receive a colorful patch for his uniform; each patrol or crew will receive a ribbon award for the Patrol or Crew Flag Pole. The scoring of Patrols will be done against a standard.

The scoring will classify all patrols in three groups. Participating: every patrol that completes the course but does not rate Standard or Excellent; Standard: Patrols whose work is of quality given in the Boys Handbook as required for Tenderfoot or First Class and Excellent: Patrols who do better than that required who exhibit superior ability and effort over and above that required in the Handbook.

Willard R. Taylor Dies In Traverse City Hospital

News of the death of Willard R. Taylor, 44, Traverse City, assessor and husband of the former Helen McCall, has been received here.

He died Sunday at Munson hospital following a brief illness.

Besides his wife, he is survived by a son, Richard and a daughter, Mrs. Josephine Kanute, all of Traverse City.

Funeral services were held Thursday at the Hibbard chapel with burial in Oakwood cemetery in Traverse City.

Two Arraigned Circuit Court On Forgery Charges

Joseph H. Washburn, 25, of Boyne City, and Carl P. Beyer, 16, also of Boyne City, were arraigned in circuit court here Wednesday morning before Judge Charles L. Brown.

Washburn pleaded guilty to a charge of statutory rape involving a 15-year-old girl. His case was referred to the probation officer for investigation. His bond was reduced from \$2,000 to \$500.

Both Washburn and Beyer pleaded guilty to charges of forgery. Their cases were referred for investigation. Bonds of \$500 on the forgery charge were continued.

They are being held in the Charlevoix county jail after failing to furnish bonds. They will be sentenced later.

Washburn was arrested Jan. 14 and Beyer was returned here from Muskegon Jan. 18 by sheriff Glenn E. Rose after Washburn implicated him in the forgery charge.

Winter Sports Queen Named

Deanna Left, 17-year-old Charlevoix high school senior, has been named to represent Charlevoix in the 29th annual Michigan Winter Sports Queen contest at Petoskey, S. E. Coleman, secretary of the Charlevoix board of commerce has announced.

Deanna was elected from among four candidates to represent Charlevoix in the Winter Sports Queen at Petoskey. She will also represent Charlevoix at the National Cherry Festival in Traverse City and serve as Charlevoix's Venetian Night Queen in July.

Other candidates were Judy Cunningham, Suzanne Grate and Nancy Wallace.

Deanna is an avid skier during the winter and is equally enthusiastic about golf and swimming in the summer. She also skates.

The daughter of Mr. and Mrs. Gerald L. Left, she has brown hair, blue eyes and is 5 ft. 6 in. tall.

As a candidate for Michigan they will join other candidates at Winter Sports Park in Petoskey on Saturday afternoon, Feb. 9, to display her talents as a skier and skater. The candidates will then go to the Perry Hotel where they will be interviewed by the judges.

At 6:30 the candidates for queen will attend the Queen's banquet at the hotel and later attend the Coronation ball. The new queen will be crowned during the intermission.

March of Dimes Supper Sponsored By Airport Inn

A buffet supper and a jam session at the Airport Inn tonight (Thursday) will bring the March of Dimes fund campaign to a close in the Charlevoix area, Dan W. Geneit, fund campaign chairman has announced.

In addition coffee day with the proceeds from the sale of coffee going to the March of Dimes will be held today at the Chatterbox, Big Dipper, Coffee Cup, Mosby Restaurant and Schroeder and Howey Drug.

The buffet lunch at the Airport Inn will be served at 11 p. m. under the direction of Mrs. Marguerite Wallace. Area musicians will entertain at the inn for a jam session under the direction of John Kroken who is arranging the popular affair.

The final blanket pitch will be held during the Charlevoix Gaylord game Friday night, Mr. Geneit said.

To date a total of \$192.67 has been contributed to the March of Dimes. This figure does not include the contributions through the school or as a result of the Mothers' March which was conducted Wednesday night. It does include \$33.00 from a dinner given at the Norwood and a \$10.00 contribution from the Community church of God, Women's Missionary Aid.

Hess Furniture Adds Three New Staff Members

Ralph V. Hess Sr. of Hess Furniture has announced the addition of three new members to his staff.

Don Brown, who has been a sales representative for the Morwell Steel Products Inc. of Ellsworth since June, has joined the staff as a floor salesman. Prior to June Mr. Brown was associated with the Goodyear Co. for four years and managed a store in Michigan City, Ind., before returning to Charlevoix last spring.

Mrs. Robert Wallace has taken over the interior decorating duties and will be in charge of the draperies department and serve as interior decorating coordinator. She attended DePaul and Indiana University where she studied interior decorating.

Mrs. Chris VanKoeveer succeeds Mrs. Max Blanchard as bookkeeper. At present a resident of Ellsworth, she was formerly associated with the Gulewood Outfitting Co. in Grand Rapids for six years. She plans to move to Charlevoix in the near future.

Mr. Hess also said the store was going to open a new gift shop in the spring. It will be located in the main building at 113 Bridge st. and will feature a fine line of gifts for the home.

He also plans to convert the off Bridge st. on VanPelt Place into showrooms. He has already leased the second floor of the Geiken building at 211 Bridge st. for storage space in preparation for the change.

Mr. Hess has operated Hess Furniture here since the fall of 1954.

Ski Enthusiasts Find Conditions Good At McSaubia

Skilling has been excellent at the Mt. McSaubia ski run this week with skiers from several northern Michigan communities and visitors from southern Michigan taking advantage of the facilities.

A packed base is presently covered by several inches of powder snow which has fallen almost daily during the past week.

The beginner's tow is nearing completion and should be in operation this weekend. When this is completed, additional lights will be placed on the hill thus bettering the lighting situation.

Other phases of the project are shaping up well and progressing as planned.

Royce Delaney of Boyne City, instructor at the hill, has several programs for skiers in mind and plans to present several events for the entertainment of both skiers and spectators shortly.

County Democratic Convention To Be Held Here Feb. 13

The Charlevoix county Democratic convention will be held at the Charlevoix city hall at 8 p. m. Wednesday, Feb. 13, Archie Murphy of East Jordan, county chairman, has announced.

The convention will be held to elect delegates to the state Democratic convention in Grand Rapids Feb. 28.

Hearing Set To Air Greyhound Bus Schedules

A hearing on the reinstatement of Greyhound bus service between Charlevoix and Detroit will be held at the city hall here at 8 p. m. Monday, Feb. 11, it has been announced.

Representatives of the Michigan and the Greyhound Bus Co. will be on hand to answer any questions regarding the bus service which was discontinued last September.

Representatives of local businesses and industries as well as those from surrounding communities which depended on the bus line for passenger and express service will be present to urge reinstatement of the service.

The hearing grew out of action taken in September by the Charlevoix city council. At that time the council forwarded a resolution to the Michigan Public Service Commission and the bus company asking the service on the line be reinstated in "an effort to relieve the perilous situation now confronting industries not only in Charlevoix but other areas served by the bus line."

At that time complaints to the council from industries said the inconvenience of transportation has imperiled customer service on the part of existing industry and may make it impossible for industries to expediently carry out necessary defense programs.

All persons interested in having the bus service reinstated are urged to attend the hearing at the city hall at 8 p. m. Feb. 11.

New APC Program For Charlevoix County Approved

The new 1957 Agricultural Conservation program for Charlevoix county has been approved in Lansing, it was announced this week.

Plans are now being made by the county committee and office manager for a series of educational and registration meetings to be held in February.

Tentative plans for a training meeting for community committeemen to be held during the second week of February have been made by the county committee composed of Carlton H. Smith, chairman; Clayton Healey of East Jordan, vice chairman; and Robert W. Reidel of Boyne City. At this meeting changes in the APC program will be discussed and the community committee men will have an opportunity to familiarize themselves with the program in order to offer greater assistance to farmers in their respective communities.

William N. Grimm, soil conservation technician, states that this year's program is the best ever offered. He adds that he is sure the farmers will agree when they become familiar with the important changes and the added practices.

Approximately 145 Charlevoix county farmers will receive \$24,500 in payments for APC practices carried out in 1956. More than \$23,500 of this has already been sent to farmers who have completed their practices. The balance will be paid when the programs are completed in the spring.

This is an increase of 140 percent over the amount earned by Charlevoix county farmers in 1956 and an increase of 60 percent in the number of farmers participating in APC practices.

Conservation contracts may be signed until March 15.

Supervisors Approve Grandvue Hospital \$500,000 Bond Issue

The Charlevoix county board of supervisors, at a special meeting held Friday at the courthouse here, opened the way for the construction of the 60-bed addition to the Grandvue hospital by approving the \$500,000 bond issue approved earlier by the taxpayers of the county.

The issue was approved by a vote of 20 to 2 with three members absent.

The bond issue, approved in the August primary and November general election, will be used to finance the cost of constructing and equipping the medical facility for the aged.

As a second step, the board entered into a contract with the J. & G. Davenport Co. of Grand Rapids for final plans and specifications preparatory to advertising for bids.

Following that the board approved the sale of the bonds by the Kenower, McArthur and Co. of Grand Rapids and extended the sale date from April 1 to October 1 in the event the company should need the extra time.

A committee which consulted with representatives of the Office of Hospital Survey and Construction in Lansing on Wednesday reported that at the present time federal funds available under the Hill-Burton Act have been pledged for this year. However, Charlevoix county's request for assistance will be placed on file and investigated.

In a final action, the sale of 37 shares of bank stock was approved. The county had acquired the stock at the time the banks were re-organized during the bank holiday.

Hospital Guild Plans Luncheon And Card Party

The Women's Guild of the Charlevoix hospital will sponsor a benefit Valentine luncheon and card party at Maria's of the Weather-vane Inn, Mrs. Gordon L. Freedman, president of the sponsoring organization, has announced.

The luncheon will begin at 1 p. m. and will be followed by card games. A door prize will be offered.

Proceeds from the event will be used to purchase equipment for the Charlevoix hospital.

Tickets will go on sale Monday and may be obtained from Fran Martin, Mrs. Karl Schultz, Mrs. Freedman and at the Weather-vane Inn.

W. J. Marme, Sr., 81 Dies Following A Brief Illness

William J. Marme, Sr., 81, resident of this community for the past 10 years, died late Tuesday at the Charlevoix hospital following a brief illness. He had been a patient at the hospital less than two days.

Funeral services will be held at the Pontius Chapel at 9 a. m. Friday with the Rev. Lloyd M. Schlopp officiating. Burial will be at Gladwin.

Born in Newwied, Germany, March 22, 1875, Mr. Marme came to the United States the following year with his parents who settled in Chicago. On Nov. 7, 1895, he was married to the former Alice H. Stevenson at Milwaukee, Wis. They resided in Chicago and later in Indiana before going to Flint in 1926. In June 1946 they came to Charlevoix to make their home at 403 Petoskey ave. Mrs. Marme preceded him in death on Oct. 13, 1948.

Before coming to Charlevoix he had been a member of the Salvation Army.

He is survived by two sons, William J. Jr., of Charlevoix and Arthur E. of Davison; a daughter, Mrs. Kenneth (Clara) Ennis of Saginaw; 32 grand-children; 21 great-grandchildren and two sisters, Mrs. Alma King of Boroda and Mrs. Bloom of Peoria, Ill.

Stranded Tug 'LaBlance' Gets Coast Guard Aid

A distress signal in the snow brought assistance from the U. S. Coast Guard for the tug, LaBlance, which was stranded in a cove at High Island, four miles west of Beaver Island.

Emerald LaBlance, owner of the tug who was returned to the mainland by the McPhillips flying service after the helicopter from the U. S. C. G. Air Base at Traverse City had taken him to Beaver Island, said that a clutch on the tug had broken after a 15 mile trip through fields of drift ice. The tug was preparing to anchor in a cove at High Island when the clutch broke about 3 p. m. Wednesday.

The signal in the snow was noted by Joseph McPhillips, who was flying the mail to Beaver Island about 3 p. m. Thursday. He reported the signal to the Coast Guard and the helicopter was dispatched to investigate.

Aboard the tug with LaBlance were Danny Anthony and Richard Townsend. The latter two remained at High Island while LaBlance came to the mainland for repairs. He returned to Beaver Island Monday and was taken to High Island by the lifeboat from the Beaver Island lifeboat station.

The three men had gone to High Island to bring cattle from the island to the mainland from the herd raised on High Island by Richard and Warren Townsend of Zealand.

The herd presently numbers approximately 70 head of cattle. The owners plan to remove about 30 from the herd and bring them to market on the mainland. When weather permits they will be brought to Northport or Charlevoix and trucked to market.

Sticks and haystacks on the island provide shelter for the herd. The owners visit the island regularly to see that the herd has food and water.

ODDS 'N' ENDS

By Fran Martin

The weather sure cooperates with the skiers and the skaters this week. Came Monday and the weather warmed up and there went our snow and ice. But by Thursday it was colder, it had started to snow, the rink was being put in shape and come the weekend. . . . both the ski run and the rink had one of their biggest weekends. . . . Now if it will continue to stay cold and snow just enough to keep the ski run in top shape, what more can we ask. . . . And when our friends in the south hear the weather reports and feel sorry for us up here. . . . don't waste your sympathies. . . . if we're to be a winter resort we've got to have snow and cold weather. . . . And anyway, wouldn't you rather have our winter now than all spring and summer?

Remember the robin Mrs. C. M. Bice saw in the tree recently? . . . Mrs. Allen Campbell reports seeing not one but four robins plus a blue jay in a tree near her house. . . . So we guess there were quite a few birds which decided to remain for the winter. . . .

If you're dressed warm enough and have the patience, we understand that the gulls and several kinds of wild ducks put on quite a show down in the channel between Lake Michigan and Round Lake. . . . We saw several skimming along on the water like flashes the other day but it was too windy to stay and watch the show. . . . And anyway, we don't know one kind of a duck from another. . . . With Round Lake frozen over most of the time recently, things have been pretty tough for the gulls. . . . And only for the kindness of people around the lake who put out food for them they might go hungry. . . .

Wonder how all our skiers are doing up in the Laurentians? . . . We hear that our city super, Hal Hill, was presented with an appropriate gift before he left, a dictionary. . . . the kind which translates English into French and vice versa. . . . But heaven help the poor French Canadians for who ever heard French spoken with a southern accent. . . .

We were among a large group which packed the Petoskey auditorium last week to hear the Vienna Choir Boys. . . . a group of 22 boys in the eight to 14 year age group who sang like angels. . . . It is hard to believe that these youngsters' voices could be trained so beautifully in the few years they are in the school. . . . The songs they sang in their own sweet style were familiar to everyone. . . . Our favorite was the lullaby with which they closed the concert. . . . But if we enjoyed it, we know three people from our own community who, no doubt, were carried back to other days when they were mere children and heard the same songs. Hal Forbiger and Mrs. Ralph Hamilton who were born in Austria and Mrs. Robert Reed, a comparative newcomer to our shores.

who lived in Austria and Germany after leaving her native Yugoslavia. . . . All three literally sat on the edges of their seats, taking in every word. . . . And we are sure, remembering other days and loved ones. . . . But back to the boys. . . . A friend of ours was heard to remark. . . . "They sing like angels. . . . and to think they are just plain everyday boys when you look at them." . . . But we're sure it was a happy experience for everyone.

Back to the weather if you don't mind, with one of those "you won't believe it" sort of things. . . . Mrs. Lester Smith was leaving the Terry Rice home last Monday night which was mild for this time of year when something fluttered past the porch light. . . . She couldn't believe her eyes so she called her niece, Mrs. Rice. . . . And both swear it was a moth miller. . . . the kind that we see so often in the summertime. . . . Wonder where he'd been hibernating. . . .

If Paul Kullander asks you to go on a motor trip with him, let us clue you, don't accept his offer especially if it includes an overnight stop along the road. . . . Seems he, Mrs. K. and their son took off the Friday before Christmas for Florida. . . . On the second night out they stopped at a little place in Tennessee for the night. . . . Being very tired after traveling all day, they hit the sack early after leaving orders to be called early in the morning. . . . Come the dawn. . . . or what Paul thought was the dawn. . . . He heard some roosters crowing, it was getting light outside and Paul figured the fellow had forgotten to call them. . . . So what happened? . . . He rous out Mrs. K and Dick, they go quietly to their car and prepared to drive away when someone noticed a clock (they'd forgotten to take any kind of a timepiece with them) and guess what. . . . it was only 11:30 p. m. . . . A quick conference was held and they decided to go on for they'd had about four hours sleep. . . . And what about the rooster? . . . Like Paul they had mistaken the bright moonlight for dawn. . . .

Have you joined "Operation Armor"? . . . Dr. Jonas Salk, who discovered and perfected the anti-polio vaccine which bears his name said Saturday, in addressing the American Medical Society, "There need be little or no paralysis polio if all potential victims are vaccinated against the disease." . . . What have you done about protecting yourself and your loved ones? . . .

Did you take a good look at your life magazine this week? . . . Northern Michigan has four pictures in the special picture story on "Uses of Winter." . . . Quite a spread, we thought. . . . Hope you enjoyed it for if anyone should be an authority on winter it's those of us who live with it all too many months of the year. . . .

And a great big Happy Birthday to one of oldest and certainly one of our most beloved summer residents, none other than Alvin D. Goldman. . . . May you enjoy every minute of this birthday and many, many more in the years ahead. . . .

What Christ and the Church Mean To Me

This is one of a series of articles written by laymembers of various churches in the Charlevoix area and sponsored by the Charlevoix Ministerial Association.

By Uno A. Suomela
Member Bethany Lutheran Church

Christ and the church have been part of my life since childhood. I was baptized, attended Sunday school, and confirmed in the Lutheran faith.

During my early childhood I was taught to pray and the importance of leading a Christian life was instilled in me by my mother. Sunday school taught me the way Christ would have me live.

In my formative years, especially in the teen years, I was greatly benefited by the above training.

The lives of all young people are affected by the decisions they make in their everyday living. Having learned how Christ lived and how He wanted us to live has been a powerful influence in my life. It stabilized my youth and now in later years it has given me courage and strength to live a useful life.

Christ, through the Bible and the church, has taught me that I cannot enter into the Kingdom of God by my own deeds or efforts. I must have faith and believe that only through Christ can I be saved.

Christ's pattern for God-pleasing Christian conduct, as taught by my church, helps me to try to live a happy life, to have a pure heart, to live peacefully with my fellow man, to be a power for good in this world and to prepare for the life everlasting in the world to come.

"My advice, sir—get De-Icer!"

It's in Standard Gasolines

... and of no extra cost to you! A car without De-Icer is a "sitting duck" for gas line freeze. When weather's cold outside, moisture can condense in the fuel system, freeze, and shut off the gas line. Engine stutters, even "conks out." That's gas line freeze. But it won't bother you ever when you use STANDARD WHITE CROWN Premium or RED CROWN Regular. Both now have De-Icer, Standard's ice-fighting sunshine additive blended in the refinery. Card Of Thanks

We wish to express our deepest thanks and appreciation to our relatives, neighbors and friends for the beautiful floral tributes, the memorial contributions and the many kind acts of sympathy shown to us during the recent illness and at the death of our beloved husband, father, grand father, and great grand father, John Krehak. Mrs. John Krehak and Family.

In Memoriam

In loving memory of our dear husband, father, son, and brother, Carl Towseley, who passed away February 2, 1956, one year ago. Friends may think we have forgotten. When in time they see a smile. Little do they know the heartaches.

That our smiles hide all the while.

God gave us strength and courage

To bear that parting blow, But what it meant to lose you, No one will ever know.

As we loved you so we miss you.

In our memory you are near; Loved remembered, longed for always.

Bringing many a silent tear. We cannot bring the old days back.

Your hands we cannot touch; But we shall never lose sweet memories.

Of the one we loved so much. Mrs. Harriet Towseley and Children

Mr. and Mrs. Amos Towseley Mr. and Mrs. Harold Towseley

In Memoriam

In loving memory of our dear son, brother and grandson, Eddie Patrick, who passed away Feb. 3, 1955, two years ago Sunday.

In memory's lovely garden, Where remembered joy blooms fair.

Your memory, dearest Eddie, Is the brightest blossom there. Somewhere above this troubled world.

Safe beyond all grief and care, Our Eddie rests in heavenly peace.

God grant someday we meet him there.

Mother and Daddy, Ronnie and Carol, Grandparents.

Card Of Thanks

We would like to express our gratitude and appreciation to our friends and neighbors for their words of comfort, expressions of sympathy, floral tributes and other acts of kindness shown us at the death of our dear sister and brother-in-law, Delsie and Max Harper.

Sister and brothers of —Mrs. Harper.

Dinner By Band Parents Brings Record Crowd

The annual Band Parents dinner held last Thursday at the Charlevoix high school cafeteria, was one of the most successful of a long series of successful dinners sponsored by the group, H. B. Schofield, president of the organization, has reported.

More than 500 people were served in record time and incomplete financial reports reveal that a profit of approximately \$350 was realized for the organization.

Mrs. Karl Schultz, general chairman, and Mrs. Schofield joined in thanking the community for the wonderful support of band programs. Special recognition is given to all those who worked so cheerfully and diligently to put the dinner over. Several of the hardest workers were not even band parents but pitched in where needed.

Harbor Springs Pistol Team Wins From Charlevoix

The Harbor Springs pistol team outshot the Charlevoix Rod and Gun club team by 58 points in a match staged last Thursday night on the local indoor range. The five top men on the Harbor team racked up 1236 points against the five Charlevoix men who scored 1206.

Following are individual scores of the two teams, Harbor Springs: Varno, 247; C. Price, 252; K. Price, 254; J. Wright, 264; J. Karlay, 246. Charlevoix: B. Ward Jr., 249; O. Richardson, 226; H. Lang, 215; S. Williams, 230; G. Neff, 249.

Discussing the possibility of staging an invitational northern Michigan pistol match, the two clubs decided to co-operate in arranging a match to be held in Charlevoix early in March.

Need Nominees For Michigan's 1957 Mother Of The Year

The names of candidates for the Michigan Mother of 1957 are now being accepted, it was announced this week.

This is not a contest for young mothers as the youngest child of the nominee must not be less than 15 years of age.

Qualifications for the American Mother are: first, she must be a successful mother as evidenced by the character and achievements of her individual children; she must be an active member of a religious body; she must embody those traits highly regarded in mothers; courage, cheerfulness, patience, affection, kindness, understanding and a homemaker's ability; that she exemplify in her life and conduct the precepts of the Golden Rule and that she have a sense of responsibility in civic affairs and that she be active in service for public benefit.

The State Mother of the Year will become a candidate for the American Mother of the Year. Deadline for nominations is March 5. Application blanks may be obtained by writing to the Michigan Mothers Committee, Box 1010, Pontiac, Michigan.

Several Groups Of Income Taxpayer Should File Early

Most taxpayers who find that they are due refunds on Federal income taxes withheld in the preceding year will make every effort to prepare and file returns as soon as the filing season starts, in hopes of an early check from Uncle Sam to reimburse the excess tax payments.

"We're glad to receive returns," District Director A. M. Menninger declared. "Most of them can be processed pretty quickly and refund checks sent on their way back to these alert filers. But we'd also like to get some of that same cooperation from two other classes of taxpayers—those who owe nothing, and those who owe a few dollars."

"We suggest that every taxpayer, and especially those who spent during 1956 large sums that might be deductible, compute his tax both ways, by taking the standard deductions and by itemizing deductions—then file under the method which is to his advantage. The taxpayer who does that now, even if he finds he owes a few dollars, will be putting behind him a task which he must find easier to look back on than forward to."

"The taxpayer can be more certain of his monthly, seasonal or annual budget with this duty be-

Village Caucus

Ellsworth village People's Caucus is next Monday evening, February 4, at 8 p. m.

Since there is only one caucus, a good turnout assures your village voters a good representation. In fact, it is the caucus that sets the trend of who will serve you on your village Council.

Terms of Arthur Drenth, Max Bolser and Maynard Alward will have expired at the close of this year. William Petter, village clerk is not eligible for re-election as he is an employee of the state.

Anniversary

Dr. and Mrs. B. J. Beuker of East Jordan were guests of Mr. and Mrs. John Timmer last Friday afternoon in observance of the 34th wedding anniversary of the Timmers. Guests that evening were Mr. Timmer's brother-in-law and sister, Mr. and Mrs. Dick Oosterbaan.

Organist Honored

Mrs. Hans DeYoung was honored at a surprise gathering of members of the Atwood Reformed church last Tuesday evening, January 22. The occasion was planned in tribute to Mrs. DeYoung for her 20 years of faithful service as organist of the church.

Mrs. Peter Burns was chairman of the committee on arrangements. The refreshment table was centered with a small scale organ and bench complete with the organist dressed in maroon robe like that worn by the choir members.

A program was presented with each organization contributing a special number. Mrs. Jennie Essenberg of Holland, a former member, wrote a special poem to commemorate the occasion.

Mrs. D. Young was presented with a lovely occasional chair, a gift from the members.

A pleasant social hour was

climaxed with the serving of a delicious lunch.

Engagement Announced

Mr. and Mrs. Anthony Kuiper of Ellsworth announce the engagement of their daughter, Shirley Grace of Grand Rapids, and Earl L. Bray, son of Mr. and Mrs. George Bray of 706 Lafayette S. E. Grand Rapids.

An April wedding is being planned.

What Is It?

Speculation ran high Monday afternoon when John Tiltonson came in from fishing near Big Fish Inn (aptly named) with a 49" long, 22 1/2 pound fish, but no one could determine just what kind. It had some marks of the muskellunge and other marks like that of a pike.

This is John's second big catch, his first big one was a large Musky speared about two weeks ago last Saturday.

Does John have a "corner" on all the big ones?

Mrs. Merion Best Dies Following An Extended Illness

Funeral services for Mrs. Merion Best, 52, were held Saturday afternoon, January 26, at 2 p. m. in the Pilgrim Holiness church, Rev. W. L. Silvers officiated. Burial was in Ellsworth cemetery.

Mrs. Best passed away in Charlevoix hospital Wednesday evening, January 23, after an illness of several years. She was born in 1898, the daughter of Mr. and Mrs. W. P. Smith and has always lived in this area.

She taught school for several years in Ellsworth and in the Wright District. On December 24, 1920, she was married to Merion Best and to this union were born five sons, Bernard and Robert of Ellsworth, Howard of East Jordan, William and John stationed at the Oscola Air Force Base.

Survivors include her husband, the five sons, her father, W. P. Smith of Ellsworth; two sisters, Mrs. Isabel Vandenberg of Detroit and Mrs. William Petter of Ellsworth, and nine grandchildren.

Charlevoix Defeats Mancelona By 61 - 57 Score

Jump ball finds Rayder Joel Arvilla (14) in dark uniform and Mancelona's Bob Hardy (in white uniform) going up in the air as other members of the two teams poise for the action to follow.

Pictured clockwise from lower left are Rayder Kenny Balch (6), John Phillips (44), Ron Johnson (43) Rayder Norm Helms (3), Bob Johnson (35), the official, Rayder Bob Mol and John Holstad (45). Only player not shown is Rayder Terry Davis.

The 61 to 57 victory by Charlevoix put the Rayders back in the win column.

Rayders Clash With Gaylord Here Friday

The Charlevoix Rayders got back in the victory trail last week with a 61 to 57 victory over the Mancelona Ironmen on the latter's floor Friday night.

The win by the Rayders placed them in a three-way tie for second place with Harbor Springs after the Rams had dropped a game to Gaylord and East Jordan after the latter had won over Pellston.

This week the Rayders will take on two loop rivals hosting Gaylord here on Friday and traveling to Pellston to take on the Hornets next Tuesday.

When Charlevoix played at Gaylord they came up with a victory in the final seconds on a field goal by Bob Mol. To date the Rayders have a record of five wins and three losses including one to Harbor Springs,

whom the Blue Devils defeated by a 57 to 54 score last week. This was Gaylord's second victory of the season the first being a win over Pellston.

During the first half of the schedule the Blue Devils lost several games by close margins and now that they are the victory trail will be a tough opponent. Charlevoix will have to play their best brand of ball if they are to halt the Blue Devils in the game here Friday.

On Tuesday the Rayders will meet Pellston Hornets on the latter's floor. Last week the Hornets played the best game of the season and held East Jordan for three periods before the visitors forced a tied for a 10-point victory. If any team has a tie-down when they meet the Pellston five, they could find themselves on the short end of the score. If the Rayders feel that this game is in the bag, they may well come up with a loss. Pellston will be without the services of Harry Ball and Clark Marshall who are no longer in the line-up following disciplinary action by Coach John Toth.

After losing four games in a row, something unheard of in local sports circles in recent years, the Charlevoix Rayders made their way back into the win column with a four-point victory over Mancelona on the Ironmen's floor.

Starting for Charlevoix were Norm Helms and Kenny Balch who scored 20 points apiece, Joel Arvilla, Bob Mol and Terry Davis. Glenn Beers joined the line-up in the second period and Dale Putman saw limited action in the final period.

The Rayders took an early lead and at the end of the first quarter were ahead 12 to 10 on six points by Helms, five by Balch and a free throw by Arvilla. Mancelona had five field goals.

Mancelona with six field goals and three free throws outscored the visitors in the second period after Charlevoix had talked only 14 points. Balch had two field goals, Helms Arvilla and Beers one each while Mol and Davis scored two points apiece from the free throw circle.

Charlevoix held only a one point 26 to 25 lead going into the third period but after another eight minutes of play stretched their advantage of three points, 43 to 40. Balch, who had finally started to shoot, came up with seven points on three field goals and a gift shot, Helms and Beers scored two field goals apiece and Davis added one. Seven of Mancelona's 15 points were scored on free throw in the third quarter.

Although Mancelona's Ronnie Johnson scored 11 of his 21 points in the final period, the Rayders managed to outscore the Ironmen 18 to 17 on four field goals by Helms, two by Balch, one each by Arvilla and Mol and two free throws by Davis. Again seven of Mancelona's 17 points were scored on free throw line.

Figures reveal that Charlevoix outscored Mancelona 25 to 20 on field goals but Mancelona hit on 17 of 25 free throws attempts. The Rayders were successful on 11 of 26 tries.

Class C league play, Boyer City romped over the visiting Grayling Vikings 22 to 13; 31 to 24 and 44 to 35 by quarters.

Charon set his impressive scoring record with 14 field goals and 11 of 13 free throw attempts. He was followed by John Juday who had 16 points for Boyer City. Tony Doremire had 17 and Bob Strong 16 for Grayling. Boyer City lost Doug Newville in the third quarter. Steve Williams midway in the final period and Charon in the closing seconds.

All Teams In Conference Face Two Game Schedule This Week

This week will be one of two weeks during the regular basketball season when all eight teams of Northern Michigan Class C league will play two games on both Friday and Tuesday.

On Friday, Feb. 1, Boyer City will play at East Jordan, Harbor Springs will host Mancelona, Grayling will entertain Pellston

and Charlevoix will meet Gaylord on the local hardwoods.

On Tuesday, Feb. 5, Boyer City will host Harbor Springs, East Jordan will journey to Gaylord, Mancelona will entertain Grayling and Charlevoix will invade Pellston.

When East Jordan played at Boyer City earlier in the season, the Rams had everything their own way, rolling up a 69 to 51 win over the Jordanites. Since then, however, the Red Devils have dumped Charlevoix and Grayling and the Devils seem to have found their stride. In addition, they will have the advantage of playing on their home floor.

Last week, Boyer City moved into a first place tie with Grayling and will have this standing at stake when they travel to East Jordan. If East Jordan can halt Carl Charon who last week dumped in 39 points against Grayling and if Larry Woodcock and Cal Darbee are hitting, the game could be a close one with the outcome a toss-up.

Harbor Springs dropped a close game to Gaylord last week and will take on another tough opponent in Mancelona this week. In the game the two top scorers in the league will be pitted against each other. Ronnie Johnson with an average of 20 points per game in loop play will head the Mancelona aggregation while Don Lauer with an average of 18 points per game will spearhead the Rams' attack.

Last Week With Class 'C' Teams

The Gaylord Blue Devils upset Harbor Springs 57 to 54 to highlight the action in the Northern Michigan Class C league Friday night.

In other games Boyer City defeated Grayling 67 to 51 to move into a first place tie with the Vikings while Charlevoix won over Mancelona 61 to 57 and East Jordan dumped Pellston 53 to 43.

Gaylord 57 Harbor Springs 54
Playing at Gaylord, the Blue Devils took an 11 to 10 first period lead before the Harbor Springs five snapped back to control the game 29 to 24 at halftime. Gaylord, with their sights on a victory, settled down to outscore the visitors 19 to 15 in the third period despite the fact that they lost regular Dick Riddle via the foul route. In the final period the Rams forged ahead but with time running out the Blue Devils closed the gap and in the final minute, Riddle's replacement, Duane Jenkins put Gaylord ahead 55 to 54. A final bucket by Lonnie Campbell as the horn sounded gave Gaylord a three-point victory over the Rams.

Darwin Mason with 23 points paced the game for the victors. Don Lauer had 22 for Harbor Springs.

The Power of Waiting

Throughout the entire range of the animal kingdom, from the lowest, simplest creatures to the highest, we can trace a growing capacity to wait for the basic hunger to be satisfied. The microscopic one-celled amoeba bumps into a food particle. Instantly it surrounds the particle and absorbs it. There is no waiting period between stimulus and response. An earthworm eats its way through the soil, with no preliminaries of sighting food at a distance and then going after it. The earthworm never needs to wait for his meals. They are always in the lumps of earth next to him. He but opens his mouth and they are his.

But the solemn-eyed great horned owl who hoots across our moonlight meadow bears all the marks of a creature fashioned for waiting. His big, saucer-like eyes signify the interval that exists between the onslaught of hunger pangs and satisfaction of appetite. First his food, deer mouse, snowshoe rabbit or ruffed grouse, is seen at a distance. Then he must spread his wings and launch himself in the direction of his prey. Before the warm, live flesh becomes his supper he must stretch his needle-sharp hooked talons and grasp and kill his victim. Only then can this pirate of the night sky sate his hunger. An owl is equipped by nature for putting up with preliminaries for waiting.

A snowshoe rabbit sensitive nose is for smelling food, as well as danger, at a distance. An interval exists between sensing and satisfaction. The fox's strong legs and padded feet are for hunting-end stalking its prey—which means waiting. The fox-squirrel's storage of acorns, hickory and beech nuts against winter's scarcity implies a still greater waiting period between preparation and gratification. The higher animals are those that must observe preliminaries. They are the creatures who can wait.

The highest animal of all, man, is the creature with the greatest capacity for waiting for his desires to be satisfied. When man is at his best he has patience. When he is at his worst, he is impatient.

The honest laborer, working for his living, slowly accumulate his possessions, believing that at last his efforts will be rewarded. The trickster, the gambler, the ardent believer in luck and the crook contrive to by-pass all preliminaries and to get what they want, immediately. They want to take short-cuts. What a robber tries to do in a moments time with a gun at a bank-teller's window, the

workman does with prolonged toil. Both are after money and what money can buy. But what a difference in the way they seek it. Of course, patience is not the only difference between them. But it is a significant one.

Two women lie on adjacent beds in a hospital room. Both suffer pain. Both face days of uncertainty. And, at best, both are confronted with a long convalescence. But what a world of difference in their attitudes! Although both are served by the same doctors and nurses and have the same surroundings, one is fretful, depressed and complaining and the other is radiant.

When one is asked how long she will be in bed she crankily replies, "Forever. I suppose, if I don't get better care than this!" But when the other is asked how long she must remain in the hospital she cheerfully responds, "Only a day at a time." The difference? Primarily one of patience, the capacity to wait.

Patience with preliminaries is found among the highest types of character in the mating relationship. In primitive society there was no need for waiting, no need for courtship nor for consent of the partner nor for a ceremonial wedding. Satisfaction of the mating instinct was almost immediate, as it is among cattle, dogs, sparrows and rats. Present day casual sex relationships, the quick taking and shedding of sex partners are reversions. The show an absence of civilized restraint. They are bestial. The finest homes are founded upon patience, the capacity to wait until physical attraction grows into companionship, or until an angry word dies on the tongue, stillborn, or until a stormy disagreement blows over and there follows a quietness conducive to reflection, penitence and forgiveness. Happy homes are built, in part, of blocks of patience.

Waiting is one of the distinguishing marks of a civilized mind. Probably no development in human history was more important than when some early man or woman planted a seed in the ground and waited to see what would happen. That was the beginning of agriculture.

Some years ago, during the construction of the East River bridges in New York, the engineers were perplexed and frustrated by an old sunken barge that lay embedded on the river bottom. Efforts had been made to remove the obstruction by using giant steel cables pulled by powerful engines, but to no avail. Derrieks wouldn't work. Nothing

vin the foul route. Grayling lost Aubrey Welch late in the game when he collected his fifth personal foul.

Charon's record of 39 points in regular play is two points behind the scoring record set by Charlevoix's Bill Wallace who dumped in 41 points in tournament play at Petoskey in 1950.

East Jordan 53 Pellston 43

The East Jordan Red Devils edged past Pellston Friday night after the Hornets had given the visitors a scare by leading them most of the way.

Pellston jumped into an 18 to 12 first period lead and held a one point 26 to 25 lead at half-time. In the third quarter the Jordanites managed a one-point 36 to 35 advantage and racked up a 10 point margin as the game ended.

Larry Woodcock dumped in 24 points and Cal Darhee had 16 for the victors. Pat Cabinaw had 15 and Ray Durkalec 12 for the Hornets who played their best game of the season. Pellston was without the services of Harry Bail and Clark Marshall who are no longer in the line-up.

that was tried succeeded. Then a young man, fresh from engineering school, begged permission to try an idea. He waited for low tide and then had a large barge towed to a spot directly over the sunken derelict. Then he ordered divers to tie cables between the floating barge and the submerged wreckage. When this had been done he and his men stood back and waited. Slowly and quietly the mighty tides of the great Atlantic came into the East River, silently lifting the floating barge and with it the sunken boat. The young engineer had hitched his task to the powerful Atlantic tides, and waited, patience is often just that—waiting for God's tides to take hold.

A prattling woman onetime approached the Polish pianist, Ignace Paderewski, after a concert at which he had played and could, "Oh, Mr. Paderewski, you must have had a world of patience to learn to play as you do."

"It's not that at all," my dear woman, replied Paderewski. "I have no more patience than anyone else. It's just that I use mine."

Like our animal brothers, the owl and rabbit and fox-squirrel, we are equipped for waiting. Everyone has some patience. The best people use theirs.

Teams Face Two Game Schedule This Week

Continued from page 8

looked good. If they can stop later they might well come up with a victory over the second place Rams. However, if the Rams snap back after their loss to Gaylord they could give the Ironmen a close game.

Even though the Garrying Vikings have lost two loop games, to East Jordan and Boyne City, they are still expected to come up with a victory over the Pellston Hornets who gave East Jordan a close game last week but who have not developed into a real threat at this time.

Harbor Springs will meet Boyne City in a return game next Tuesday. Unless the Rams show more than they did in their initial meeting with the defending champions, the Ramblers should continue their victory march.

Two old rivals, Grayling and Mancelona, will meet in a traditional battle on the Ironmen's floor. Mancelona, until now has been no match for the first-place Vikings but without Dave Lowe the Vikings might fall victims to Mancelona.

In their first meeting East Jordan dumped Gaylord by a 51 to 12 score but things may be different when the Blue Devils host the Jordanites next week. Unless East Jordan can forge into an early lead and hold it, they may find themselves on the short end of the score in the return game with Gaylord.

Polio Shots For Adults Urged By Medical Society

Who needs polio shots? The question was answered by the second part of the "Operation Armor" campaign of the Michigan State Medical Society which is called "14 to 40".

These figures according to the Walls of Detroit, mean that a concerted effort will be made to emphasize the fact that poliomyelitis is not solely a children's disease.

"Polio is no respecter of persons or ages," Dr. Walls said. "An increasing number of polio cases are found in the age group of 14 to 40 years."

The emphasis of the campaign is shifting for the moment to the older age group—without losing sight of the grave importance of immunizing children.

Immunization for diphtheria, tetanus, whooping cough and smallpox is provided routinely in the doctor's office for his regular patients. The important thing now is to add polio to the list of diseases routinely covered. This will take care of the children now and in the future. But persons aged 14 through 40 need polio immunization to complete their present protection. Public health authorities estimate that 75 percent of the population must be immunized to remove danger of epidemics.

"Operation Armor," said Dr. Walls, "is the medical profession's way of making an outstanding contribution to the health of the public for, in spite of protestation to the contrary by certain individuals and groups, it has been repeatedly demonstrated that these immunizing agents do work and do protect against these diseases. The tremendous decrease in the number of persons con-

Local Scouts To Be Re-organized As Community Troop

Scouting activities in Charlevoix are being re-organized under a "Community" troop, according to plans discussed at a meeting of parents and Scouting officials held Wednesday at the Charlevoix high school.

It was decided that by combining the heretofore separate troops, a much more complete Scouting program can be carried out with the same amount of adult supervision.

Twenty-two boys and about 20 parents attended the meeting. Leonard "Pete" Burns, Neighborhood commissioner, expressed pleasure at the sizeable turnout and the enthusiasm shown, and predicted that a full and active program can be undertaken if parents and other interested adults continue to lend support.

The Community troop will be under the direction of Scoutmaster Fredrick "Frosty" Freese, assisted by Troop Committee chairman, Rev. Lloyd M. Schlopp; secretary-treasurer, Harry Ladd; and committee members, Karl Schultz, Harry Stewart, Robert Bergmann, Ted Miller, E. D. Hawley, Arnold Wadas and Charles Duerr.

Scout meetings will be held regularly at the City hall at 7:30 p. m. Wednesday. All boys interested in Scouting are urged to attend the meetings. A full-scale Scouting program including the Klondike Derby, over-night hikes and camporees is being planned.

Mr. Burns emphasized that all that is needed to make the program successful is enough adult participation.

Class C Teams Scored Wins In Non-Loop Games

Three Northern Michigan Class C teams have racked up victories over non-loop opponents.

On Tuesday Boyne City rolled over Petoskey by a score of 69 to 46 and Gaylord trounced Cheboygan 76 to 65. On Saturday night Harbor Springs defeated the Class B Cheboygan Chiefs 70 to 45.

At Boyne City John Juday dumped in 22 points and Carl Chason 21 as the Ramblers led Petoskey 21 to 16; 34 to 26 and 50 to 38 by quarters. Denny Hitchmough and 14 and Vince Griffin 13 for the Northmen.

Paced by Darwin Mason with 22 points and Lonnie Campbell with 20, the Gaylord Blue Devils took a 19 to nine first quarter lead and increased it to 36 to 23 at halftime and 59 to 39 at the third quarter to defeat the Chiefs. Mickey Bourrie had 18 and Armand Nordberg had 17 for Cheboygan.

Playing at Harbor Springs Cheboygan snatched an 11 to eight first quarter lead but the Rams came back to take a 33 to 21 half-time advantage and to increase it to 61 to 29 going into the final period.

Don Lauer tallied 21 for the victors and Mickey Bourrie had the same number for the Chiefs.

New County Building Nears Completion

The new Charlevoix county building located at the corner of State and Mason sts., here is nearing completion and will be ready for occupancy shortly.

Ground was broken for the two-story section of the building early in May. The one-story section to the left of the picture will be completed when funds are available. The 80 year old building which has served as a courthouse can be seen in the far left of the picture.

Lake Construction Co. is the general contractor.

Rayders Pick Up 67-42 Victory From Pellston

The Charlevoix Rayders made their way back into the win column Tuesday night with a 67 to 42 victory over Pellston on the latter's floor.

The win left Charlevoix in third place behind the league-leading Boyne City Ramblers with a record of eight wins and two losses and the second place Grayling Vikings who have won seven and lost three games. Charlevoix

has won six games in 10 starts.

In Tuesday's game, Norm Helms, Glen Bearss, Ken Balch, Bob Mol and Terry Davis started for the Rayders with Joel Arvilla, Phil Timmer, Larry Ingals, Mike Genett, Dale Putman, Barry Pierce and Stan Harwood seeing action later in the meeting.

The Rayders got off to a slow start and trailed the last place Pellston Hornets 10 to 8 at the quarter after Helms had scored two field goals and Bearss and Mol one each.

However, in the second period the local five found their stride and dumped in 24 points to bring the Rayders to a 24-10 lead at the half. Helms accounted for 11, Balch six, Davis five and Mol and Arvilla one point each.

In the third period it was much the same story and the Rayders continued to hit scoring 21 points including seven by Helms, two field goals each by Balch and Arvilla and two each by Bearss, Mol and Davis.

In the final quarter Coach Don Carey emptied the bench and with many substitutions, the Rayders continued to hit scoring 21 points including five by Helms, three by Bearss and one each by Mol, Timmer and Arvilla.

Helms with 27 points scored on 12 field goals and three of seven free throw attempts was top scorer for the game. Balch had 10; Bearss, Mol, Davis and Arvilla, seven each; and Timmer two points.

Pat Cabinaw had 18 and Ray Dursile and Dwains Johnson 10 each for Pellston.

Charlevoix outscored Pellston 28 to 12 in field goals while connecting on 11 of 23 free throw attempts. Pellston completed 18 of 28 attempts. Pellston had 15 and Charlevoix 17 personal fouls.

Delegates Named To Republican State Convention

Four delegates and ten alternates to the Republican State Convention in Detroit Feb. 16 were named at the Charlevoix county Republican convention held in East Jordan Wednesday.

Delegates are Karl J. Erber, Robert Bridge, Sam E. Rogers of East Jordan and Mrs. Arthur K. Rouse of Boyne City.

Alternates to the state meeting are Mrs. Erber, Mrs. Bridge, C. B. McGinnis, F. R. Bulow, Ivan Phil-Tip, John Wolf, and E. K. Shanahan of Charlevoix, Mr. Rouse and Guy C. Conkle Jr. of Boyne City and Howard P. Porter of East Jordan.

The delegates will be instructed when they attend the state convention.

It's the original noise that counts; most people are merely echoes.

Delay Action On Centennial To Feb. 21 Meet

The decision regarding a centennial celebration for Charlevoix this summer was postponed until the Feb. 21 meeting of the council after formerly interested persons failed to appear at this week's meeting.

All persons and organizations who have been urging the observance of the centennial anniversary are asked to attend the next meeting which has been postponed until Feb. 21 because of Feb. 18 the primary election.

Ralph S. Hamilton, mayor pro tem, presided at the Monday meeting in the absence of Mayor Janis Miller.

The council went on record as favoring proposed legislation that would permit commercial banks to buy and sell public revenue bonds. A certified copy of the resolution will be forwarded to Senator William Fulbright, chairman of the Senate Banking and Currency Committee, in Washington.

Norman D. Auce, J. Lawrence Fenot and Hugh Mayne were named as election commissioners for the Feb. 18 primary election.

An increase in the charge of opening and closing graves at Charlevoix's two cemeteries between Dec. 15 and April 1 was approved. The charge was increased to \$39.00 from \$60.00 for this service. The rate for Sunday openings remains at \$80.00.

Bills amounting to \$17,153.21 were approved and ordered paid.

Greyhound Bus Service Hearing Set For Monday

Representatives of the Michigan Public Service Commission and the Greyhound Bus Co. will be in Charlevoix Monday for a hearing on the re-instatement of Greyhound bus service between Charlevoix and Detroit.

The hearing will be held at the city hall at 8 p. m.

Local civic leaders and representatives of business and industries will be joined by those from other communities formerly served by the bus company in requesting that direct bus service to Detroit be reinstated.

All local business men and heads of industries are urged to attend the meeting.

Deanna Left In Winter Sports Queen Contest

Charlevoix's new queen, Deanna Left, will be among the 14 young women from throughout the state who will be competing Saturday for the title of Michigan Winter Sports Queen.

The queen's contest which will be climaxed by the coronation of the 1957 queen during the coronation ball Saturday evening is one of the highlights of the 29th annual Winter sports festival at Petoskey.

During the afternoon the candidates will display their winter sports abilities at Winter Sports park and later meet for an interview with the judges who are "Lucky" Kosich of Capitol Airlines Chicago office, Ralph Truax, photographer for the Grand Rapids Press, and R. T. White representing the West Michigan Tourist and Resort Association.

The queen's banquet will be held at the Hotel Perry at 6:30 p. m. Later the candidates and their escorts will attend the Winter Sports ball at the Petoskey high school gymnasium where the wife of Michigan's popular governor, Mrs. G. Mennen Williams, will officiate at the coronation ceremony at intermission.

Queen Deanna will be escorted to the ball by Jerry Albright, local resident and a student at Ferris Institute in Big Rapids. She will wear a variegated blue ballerina length nylon chiffon gown and matching accessories.

Mrs. Leslie T. Ball and Mrs. Robert Morse representing the Shakespeare club which is sponsoring the queen will accompany her to Petoskey Saturday.

Blue-Gold Dinner For Cub Scouts To Be Held Feb. 13

Joining the Cubs and their Den mothers in honor of the occasion will be their parents, members of the Cub Scout committee and members of their sponsoring organization, the Kiwanis club.

A feature of the program which will follow the dinner will be the Webelos ceremony during which Scouts A wards will also be given to all Cubs by Uno Suomela.

Mancelona Upsets Grayling To Give Boyne City Top Spot

In the Northern Michigan Class C league Tuesday night, Mancelona upset Grayling 51 to 43 to push the Boyne City Ramblers into undisputed possession of first place after the latter edged past Harbor Springs 53 to 52 in an overtime game after the regulation game had ended 47 all.

In other games Gaylord upset East Jordan 63 to 61 and Charlevoix defeated Pellston 47 to 42.

Mancelona 51 Grayling 43—At Mancelona the Ironmen forged into a 13 to 10 first quarter lead, increased it to 27 to 20 at halftime and held a five-point 35 to 30 third quarter lead. With 2 1/2 minutes remaining Grayling trimmed Mancelona's lead to four inches but the Ironmen pulled away for their first win over Grayling in recent years. Ronnie Johnson continued to pace the victors with 21 points. Bob Strong had 18 for Grayling.

Boyne City 53; Harbor Springs 52 (overtime)

Boyne City went into a 12 to nine first quarter lead but at halftime the Rams had whittled their advantage to one-point, 20 to 19, before going ahead 37 to 34 as the game went into the final period. The Rams continued to lead until the final second when a field goal by Carl Charon knotted the score 47-47 at the final whistle. In the overtime it was again Charon who pulled the game from the fire with another free throw. Harbor's Don Lauer with 22 points was top scorer. Charon had 19 for the victors.

Caylord 63 East Jordan 61—At Gaylord the Blue Devils led 18 to 16; 31 to 30 and 51 to 41 over East Jordan before the Red Devils forged into a two-point lead with 20 seconds remaining. Two free throws by Gaylord's Lomie Campbell tied the score 61-61 and a bucket by Mike McKillop gave the Blue Devils the two-point victory.

News of the death of Mrs. Della Daniels, a former local resident and sister of Mrs. Margaret Bacon, has been received here.

She died Monday at Ellsworth, Wis., where she has resided for many years. She was a native of Charlevoix and lived here as a child and young woman.

Funeral services and burial will be in Ellsworth, Wis., Thursday.

Democrats To Hold County Convention

Four delegates to the Democratic state convention to be held in Grand Rapids Feb. 28 will be elected at the county convention to be held at the city hall here at 8 p. m. Wednesday.

Archie Murphy, county chairman, will preside at the county convention.

March Of Dimes Fund Reaches Total Of \$1165

A report on the progress of the current March of Dimes fund campaign this week revealed that a total of \$1,165.04 has been contributed to date.

In making the report, Dan W. Genett, local fund chairman, gave the results of various fund-raising activities.

The Mothers' March last week Wednesday netted \$426.90 with residents of the first ward contributing \$119.14; second—ward, \$159.20 and third ward \$148.65.

The buffet dinner at the Airport Inn which featured a jam session by local musicians netted \$84.85. The coffee day last week was very successful and resulted in \$71.57 in contributions. At Schroeeder and Hovey Drug the sales totaled \$7.45; Coffee Cup, \$17.72. Big Dipper which also furnished rolls \$25.70; Mosby's restaurant, \$5.55; Chatterbox where Dutcher's Market furnished the coffee, \$15.15.

Contributions totaling \$58.71 have been placed in canisters with the largest amount, \$8.26 in canisters at Supermarket. A solicitation of the business district, which at this time is incomplete, has netted \$78.00. Grade school children have contributed \$129.86.

Other contributions have been received from Rod and Gun club Auxiliary, \$9.00; V. F. W. Auxiliary, \$10.00; W. M. S. of the Church of God, \$10.00; Rebekah Lodge, \$9.00; American Legion Auxiliary, \$5.00; Norwood W.S.C.S. \$33.40; Burnard Grange 689, \$15.55; Inwood Ladies Aid, \$5.00; Norwood school, \$4.32; McGeagh Farm Bureau, \$5.00.

Blanket pitches during three basketball games have netted \$132.28 for the March of Dimes.

Residents of Beaver Island have contributed \$44.00 to the current drive.

A final report on the drive will be made next week by Mr. Genett.

Fish Tug Grounded On High Island 11 Days Released By Sundew

The tug, LaBlance, stranded at High Island four miles west of Beaver Island in northern Lake Michigan since Jan. 22, was towed to Charlevoix Sunday by the Coast Guard cutter, Sundew.

The tug had left here Jan. 22 for the isolated island to remove cattle owned by Richard and Warren Townsend of Zeeland. A distress signal in the snow requested assistance the following day after a clutch on the tug had broken after working its way through 14 miles of drift ice enroute to High Island.

The helicopter from the Traverse City air base returned the owner, Emerald LaBlance, to Charlevoix to pick up repairs, leaving Dan White and Richard Townsend at the island. LaBlance returned to the tug Jan. 28 aboard the 65 ft. patrol boat stationed here.

Latter to the week, drift ice driven into the passage between the islands by a southwest wind, pushed the tug aground on High Island.

The Sundew was dispatched to its assistance Friday after the tug had crossed the ice from High Island to Beaver Island to request help.

After making its way through fields of drift ice, the Sundew pulled the tug from the beach Sunday and towed it to Charlevoix.

The Sundew was met out side the pier by the 65 ft. patrol boat which towed the tug to the municipal dock where repairs on the damaged rudder and shaft have been made.

Aboard the tug were 14 bulls butchered during the week. They will be marketed in the area.

The trio had gone to High Island to round up a part of the herd of 70 Herefords and bring about 30 of them to the mainland. When the tug was damaged, it was decided to butcher the young bulls and bring them in one trip.

High Island is owned by the Townsend brothers who visit the island regularly to care for the animals. Sheds provide protection against the weather and they feed from haystacks and feeder stations.

Rites Held Monday For Leo A. Putman, World War Veteran

Leo A. Putman, 60, World War I veteran and resident of this community since 1930, died Friday at the Charlevoix hospital where he had been a patient for a week. He had been in failing health for several years.

Funeral services were held at the First Congregational church Monday with the Rev. Harold E. Kohn officiating. Burial was in Brookside cemetery.

Born near Gaylord in Otsego county July 26, 1896, Mr. Putman served in the army during World War I. In 1919 he was married to the former Rhoda Peters at Gaylord. The family resided there until coming to Charlevoix in 1950.

Besides his wife he is survived by six sons, Richard of Belleville, M-Sgt. Roger of Fort Campbell, Ky., Pvt. 2-c Everett T. of Fort Leonard Wood, Mo., Ronald, Ernest and Dale of Charlevoix; five daughters, Mrs. Ruth Graham of Petoskey, Mrs. Doris Hart of Columbiaville, Mrs. Helen Coleman of Belleville, Mrs. Marion Poet of Remulus and Mrs. Betty Patrick of Norfolk, Va.; 26 grandchildren; a brother, Vance of Draper, Utah and four half-brothers, Arvie of Columbiaville, Newton, Harold and Donald of Gaylord.

Kelly - Bennett Vows Exchanged In Ironton Congregational Church

Baskets of white pompoms, pink gladioli and ferns and lighted tapers decorated the altar of the Ironton Congregational church Sunday for the wedding of Beverly Ann Kelly and Donald Bennett, Private First Class, U. S. Army.

The bride is the daughter of Mr. and Mrs. Sam Kelly and Mr. and Mrs. Peter Bennett are the parents of the bridegroom.

The Rev. Kenneth Mitchell officiated at the nuptial service in the presence of more than 100 guests. The soloist, Lyle Walker, sang "O Promise Me" and "I Love You Truly", accompanied by the organist, Mrs. Wayne Saunders who also played the traditional wedding marches.

Given in marriage by her father, the bride chose a dressmaker suit of deep pink faille complimented by a pink flower hat, winter white accessories and a corsage of white feathered carnations and pink rosebuds.

Gail Kelly, as her sister's only attendant, wore a suit similar to the bride's in a soft pink shade, and pink and white accessories. Her corsage was also of white carnations and pink rosebuds.

Charles McDermott assisted the bridegroom as best man and ushers were Avery Wilson of Hart, cousin of the bridegroom, and Leonard Strange of Ellsworth, cousin of the bride.

Mrs. Kelly selected a navy dress with white accents and winter white accessories for her daughter's wedding. Mrs. Bennett, mother of the bridegroom, wore a beige wool dress and white

accessories. Both had corsages of white carnations and red roses.

A reception followed in the church dining room where the refreshment table was graced with a tiered wedding cake and arrangements of seasonal flowers.

After a brief northern Michigan wedding trip, the couple will leave this weekend for Fort Leonard Wood, Mo., where Pfc. Bennett is stationed with the U. S. Army. For traveling the bride wore a blue suit and matching accessories.

Husbands Guests Of Garden Club At Weathervane

Colorful azalea plants and lighted green tapers decorated the tables at the Weathervane Inn Tuesday night for the Garden club cooperative dinner.

Guests at the dinner were husbands of the members.

An entertainment program arranged by Mrs. Gordon Freedman and Mrs. Karl Erber featured a take-off on the popular television series "What's My Secret?"

Foley - Mosier Marriage Vows Are Spoken In Double Ring Ceremony

The Community Church of God was the scene Saturday of the wedding of Mary Esther Foley and William Gene Mosier.

The bride is the daughter of Mr. and Mrs. Laurence Foley. Mr. Mosier is the son of Mr. and Mrs. Louis Mosier, former residents who now live at North Manitou Island.

The Rev. George L. Majors officiated at the double ring service in the presence of 200 guests. Baskets of white seasonal flowers, greens and lighted tapers decorated the altar for the occasion. Mrs. Leonard Burns was the organist and played a program of traditional music and the wedding marches and accompanied the

soloist, Roberta Swanson. The bride, given in marriage by her father, selected a waltz length gown of white tulle for her wedding. It was styled with a fitted bodice, Peter Pan collar, bracelet length sleeves and bouffant skirt. Her fingertip veil of bridal illusion fell from a Juliet cap and she carried a cascade bouquet of pink and white carnations.

Mrs. Dean Davenport of Mt. Pleasant as matron of honor wore a princess style gown of pale blue nylon fashioned with a scoop neckline, short sleeves and full skirt. Margaret Foley, sister of the bride, and Darlene Mason, as bridesmaids, wore princess style sleeveless gowns similar to the honor attendants in light blue and pink respectively. They carried colonial bouquets of white fringed carnations and pink mums.

Gordon Mol served the bridegroom as best man and ushers were Mr. Davenport and Lynn Payment of Empire, nephew of the bridegroom.

For her daughter's wedding Mrs. Foley chose a cocoa brown dressmaker gown with a jeweled neckline, winter white accessories and a corsage of yellow carnations. Mrs. Mosier, mother of the bridegroom, wore a navy dressmaker suit with winter white accents, winter white accessories and a white carnation corsage.

Immediately following the wedding, the couple greeted the guests at a reception at Fellowship hall.

After a two weeks wedding trip in southern Michigan the couple will reside at 1109 1/2 East Chippewa st. in Mt. Pleasant. For traveling the bride chose a beige and brown suit, beige accessories and a yellow carnation corsage.

Both Mr. and Mrs. Mosier are graduates of the Charlevoix high school. The bride is also a graduate of the Traverse City Academy of Beauty. Mr. Mosier is a senior student at Central Michigan college where he is affiliated with Phi Sigma Epsilon fraternity.

Here's the bomb THAT BROKE THE "low-price" lineup!

This big high-stepping Chieftain started a revolution with a carload of "firsts" and an eye-popping price tag!

The low-price field never looked like this before! The handsome husky you see right here has the boat still rocking . . . with more power, more wheelbase, more room—and more sheer pride of ownership—than ever before possible on a well-trained budget! Just look at what they're making room for now in the low-price lineup: a strapping 347 cu. in., 10 to 1 compression ratio Strato-Streak V-8 . . . a whopping, road-hugging 122 inches of wheelbase and an all-new suspension system for a Level-Line Ride that's next best thing to a magic carpet! And this streamlined beauty takes on the field with more than six dozen "firsts", all proved by 100,000 of the roughest, toughest test miles a group of facts-minded engineers could devise! If this sounds like a wonderful buy—it certainly is! Our advice is to stop drooling and price it! At a cost less than a lot of the low-price jobs, this newcomer is making big-time buyers out of former "all-three" owners!

LOOK! NEW FORD TRUCKS for '57

The Ranchero! More than a car, more than a truck—it's a completely new kind of vehicle. A real pack horse that handles more than half a ton.

Totally new Tilt Cab! America's lowest priced, most modern Tilt Cab line. Six complete new series, up to 60,000 lb. GVW.

New pickup with Styleside body, standard at no extra cost, gives you stunning style and the biggest capacity of any half-tonner. Available in 6 1/2' and 8 ft. body lengths.

LOOK again!
They're modern through and through

The boldly modern styling you see just hints at how deep-down modern the '57 Fords really are!

New Ranchero rides, handles and looks like a modern car. It's a rugged truck that carries over half a ton—more than many standard pickups. Ford's all-new Tilt Cab Series brings modern design to the big-truck field. It's America's lowest-priced* Tilt Cab line.

New Ford pickups back up their modern styling with higher power, completely new cabs, a new kind of ride. Styleside bodies are biggest of any pickup.

The trucks shown here just touch the sweeping changes in the new Ford line for '57. See your Ford Dealer for complete details on the truck to fit your job.

*Based on a comparison of factory-suggested list prices

NEW cabs—completely new—stronger, roomier, smarter! New wider windshield. New inboard step, new Hi-Dri ventilation.

NEW hydraulic clutch standard in all models from pickups to landers. Easier to operate—works like hydraulic brake. Clutch and brake pedals are suspended type!

NEW Styleside pickup bodies standard at no extra cost. America's biggest pickup bodies! Side loading's for easier with full-width body.

NEW riding comfort! Big new roomy cabs, completely new chassis suspension and increased visibility improve handling ease.

NEW chassis strength! New frames, up to 13% stronger. New sturdier front and rear axles! New higher capacity springs!

NEW power advantage! Higher horsepower, freer breathing, higher compression ratios, new Super-Filter air cleaner. Short Stroke engine design—V-8 or Six, in every model!

For '57 and the years ahead—

Charlevoix Boy Scouts To Enter Klondike Derby

Charlevoix's Boy Scouts, under the direction of their new scoutmaster, Frosty Freese, will go to Petoskey Sunday to participate in the tenth annual Klondike Derby held in conjunction with Petoskey's 29th annual winter carnival.

Approximately 20 local Scouts with four leaders are expected to enter the derby. Acting assistant Scoutmaster, Larry Burns will accompany the group along with a number of local Kiwanians.

Scout patrols and their sleds from communities throughout the northern district will register at Petoskey Winter Sports park beginning at 1 p. m. Shortly after 1:30 p. m. they will be dispatched to derby problem stations where they will be tested for their ability in problems of first aid, fire-building, tenting and knot tying. Judges will also check their sled making abilities.

At 3:30 p. m. an inside picnic will be held at the 4-H Center with participating scouts admitted free.

Charlevoix Kiwanians will assist at the first aid station while those from Harbor Springs will assist at the fire-building station. Gaylord at the tent station and Cheboygan and others will assist in judging the knot-tying. The event will be concluded with the presentation of awards to competing patrols.

Parents and friends are invited to the Klondike Derby. There will be no admission charge.

Did you know that three glasses of milk each day can provide more than one-third of the protein you need to maintain good health and vigor.

Charlevoixians On West Coast Plan Annual Picnic

The fifth annual Charlevoix-Southern California picnic will be held at Glendale, Calif., Sunday, Feb. 17. Gale E. Hines and Charles E. Emrey, co-chairmen of the event have announced.

All former Charlevoixians and their families who reside in southern California are invited to attend the basket picnic at noon Sunday, Feb. 17, at the lodge in Brand Park in Glendale. The park is located at the intersection of Grand View Blvd. and Mountain st., the site of last year's picnic.

Coffee, cream and sugar will be furnished. Further information regarding the event may be obtained from Mr. Hines whose address is 14790 Round Valley Drive, Sherman Oaks, phone state 147523 or Mr. Emrey who lives at 1320 N. Central ave., Glendale. His phone number is Citrus 33082.

Masons Cop Lead In Cribbage Tourney

After trailing for four rounds in the annual Mason-Oddfellow cribbage tournament, the Masons went on a scoring spree in the fifth round Thursday evening. They out-scored the Oddfellows by 897 points for the round, giving them a lead of 535 points in the tournament book.

Ed Allen, playing for the Masons, pegged up high score for the evening with 968 points. High point man for the Oddfellows was Sims Baker with 877 points.

Devere Bird Hits Million Dollar Prudential Club

Devere Bird of Adrian, who has been associated with the Prudential Life Insurance Co. for more than 20 years, recently became the first million dollar producer out of the Detroit district office.

This not only qualifies him for the Million Dollar Round Table sponsored by the company, but also the Prudential Million Dollar club and the agency Million and One club. He will also have an opportunity to attend the company's meeting at White Sulphur Springs, W. Va., later this year.

He is the son of Mr. and Mrs. Frank Bird of this city.

Farm land values will likely stay at present levels in the near future, believe M. S. U. farm economists.

Card Of Thanks

I want to thank the entire staff of Charlevoix hospital especially Dr. S. Grate, Stationmaster and Martin and the nurses and aids who took such wonderful care of me during my recent convalescence there. Thanks also to all our friends and relatives for their flowers, candy, magazines and good wishes. To all who helped out my family with baked goods and etc. Last but not least I want to thank George Sharrow for the blood donation.

Mrs. Miles Russell.

Card Of Thanks

We would like to express our gratitude and appreciation to the people of Charlevoix for their kindnesses to us during the illness and death of our dear husband and father, Leo Putman.

We especially would like to thank the doctors and nurses at the Charlevoix hospital for the excellent care given him during his last illness and the Rev. Harold E. Kohn for his words of sympathy. We would also like to acknowledge the floral tributes and other acts of kindness shown all of us.

Mrs. Leo Putman and Family.

"LET'S GET THE FAMILY TOGETHER if the weather's good." That "if" used to be a mighty big one. But now you can get the family together no matter what the weather or how far apart all of you live. A Conference Call will do it. You just give the operator the names and addresses or telephone numbers of the members of your family. She'll get them all on the line at the same time, whenever you want. Call the Long Distance operator soon and have her arrange a Conference Call. It'll be fun.

HERE'S A WONDERFUL IDEA for you folks with a son or daughter stationed with the armed forces in Europe. Why not enjoy a telephone visit with them over the new overseas telephone cable. After 6 p.m. or all day Sunday you can call just about any place for as little as nine dollars, plus the 10 per cent federal tax. Would be quite a thrill to talk to loved ones across the ocean, wouldn't it? Lots of people are doing it. More than 15,000 made overseas calls during the first month the cable was in use. And the number is growing every day. To place your call to Europe, just call Long Distance and ask for the "Overseas Operator."

Sweet, smooth and sassy—that's Chevrolet all over. Above, you're looking at the Bel Air Sport Coupe.

Clings to the road like a stripe of paint!

The '57 Chevy can give lessons on taking curves and holding the road to just about any car going. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

A car has to have a special kind of build and balance to keep curves under control. And nobody outdoes Chevrolet in that department! It "corners" with all the solid assurance of an honest-to-goodness sports car. Chevy doesn't throw its weight around on turns because it carries its pounds in the right places.

And if the road should turn upward, Chevy can take care of that nicely, too—with up to 245 h.p.*

Come on in and take a turn at the wheel of a new Chevrolet.

IT HAPPENED ON . . . BEAVER ISLAND

By Loy Malloy

It's the first week of February and we hope the worst of our winter is over. Mr. Ground Hog didn't get to see his shadow here on Saturday, according to the old timers that means that winter won't be so long.

Mr. and Mrs. Russell Greene and Mrs. Lloyd McDonough arrived here Tuesday. The Greens plan to stay a week.

Mrs. Ralph Johnson spent the past week with her son-in-law and daughter, Mr. and Mrs. Bud McDonough. Mr. Johnson arrived Sunday afternoon.

Mr. and Mrs. Jewell Gillispie are the proud parents of a baby girl born, Jan. 29.

Mary Bonner and a friend arrived Sunday to visit Mary's parents, Mr. and Mrs. Pat Bonner.

Sunday afternoon Michael and David Buckner celebrated their

birthdays. Mr. and Mrs. Bruce McDonough of Ludington are the parents of a son born on Feb. 1.

Russell Palmer left during the past week for Manistee where he plans to visit for awhile.

Patrick and Johnny LaFrenier and Jimmy Martin spent one night on the Island during the past week.

Timothy John McDonough was christened on Sunday. His parents had open house in the afternoon to celebrate the occasion.

A group of friends helped Karen Pischner celebrate her birthday during the week.

Emerald LaBlanc, Danny Anthony and Richard Townsend waited over from High Island on Friday for supplies. They were met at Denogal Bay by young James Gallagher.

Mrs. Ed Burke returned home

Cadillac

His Golden Anniversary at the Wheel!

In Texas, there is a gentleman who is currently driving out his fiftieth year at the wheel of a Cadillac car.

In New Jersey, there is another gentleman who has purchased every yearly model that Cadillac has produced over the past fifty-three years.

These are simply dramatic examples of one of the most remarkable truisms in all motordom: that once a man takes the wheel of a Cadillac, he usually remains at the wheel of a Cadillac!

To be sure, a motor car would have to offer many unique virtues in order to win so generous a place for itself in the affections of so many.

And, in the case of Cadillac, we think these virtues are self-evident.

There is, first of all, quality. No effort of styling or design or craftsmanship is ever spared

to make Cadillac the finest possible motor car.

There is beauty and luxury and performance. The car's magnificent styling and interior coachwork have, over the years, brought Cadillac an inbred majesty and elegance that are entirely its own . . . and Cadillac engineering has been the industry's constant inspiration.

Finally, there is reputation. Never in automotive history has another motor car sustained such an abiding public conviction in its own goodness.

And, certainly, these basic Cadillac ingredients have this year reaped their richest harvest.

So whether you've been at the wheel of a Cadillac for half a century . . . or have yet to spend your first hour in the "car of cars" . . . you should see and drive this newest of Cadillacs.

Need we say more?

Rayders Bow 47-37 To Inspired Gaylord Quintet

Will Meet Ramblers At Boyne City Friday

The Charlevoix Rayders bowed to an inspired Gaylord quintet by a score of 47 to 37 Friday night on the local floor.

The loss was the Rayders' fourth of the current season, leaving them with a record of five wins and four losses after Friday's game.

This week the Rayders will journey to Boyne City to play the first place Ramblers, who currently share the league lead with Grayling with a record of seven wins in nine games.

In their first meeting on the Rayder floor, the Charlevoix team, playing probably their best game of the season, won 55 to 44. However, since then the Rayders have racked up only one win in five games while Boyne City who

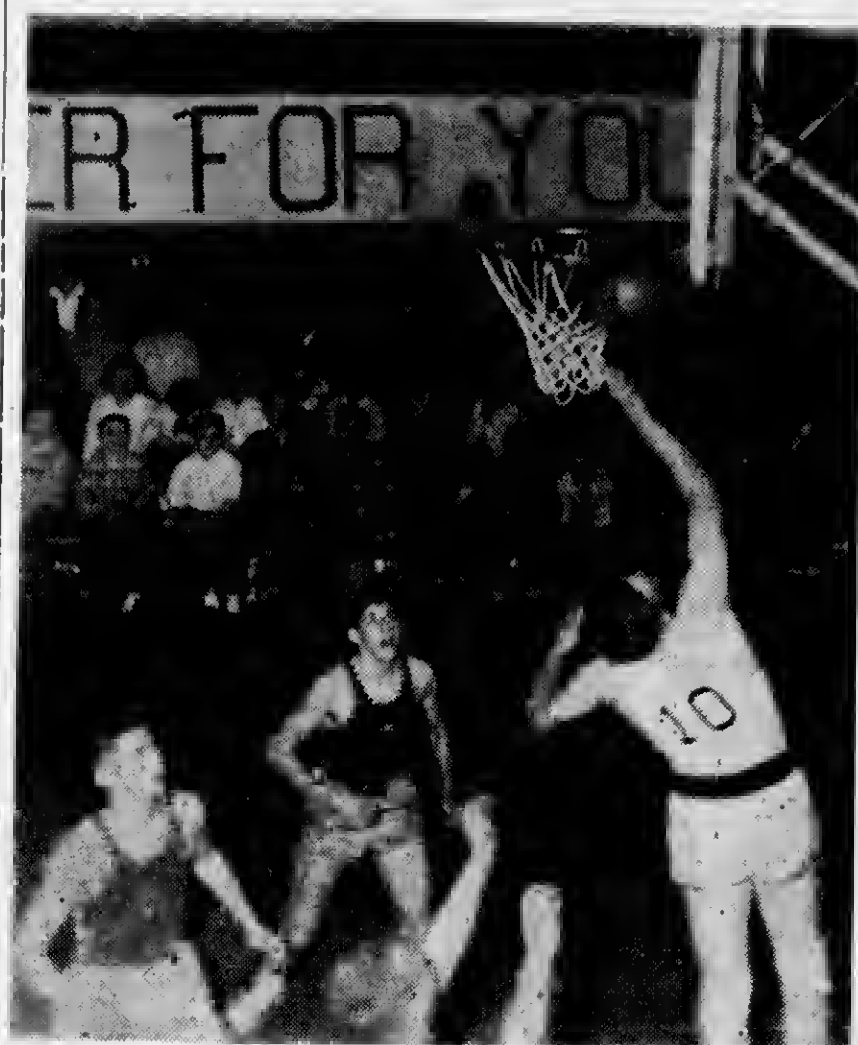

got off to a slow start have hit the victory trail and have remained there with losses only to Grayling and Charlevoix early in the season.

As the Rayders showed earlier they are capable of playing a much better type of ball than they have displayed in recent games. They could be inspired by the old rivalry between the two schools to come up with a win over the Ramblers but on the basis of records they will definitely be the underdog when they go against Boyne City Friday night.

In the game with Gaylord last week the Rayders took a slim 10 to nine first quarter lead before the visitors outscored them 13 to eight to go into a 22 to 18 halftime lead. Gaylord continued to outscore the local five 16 to 14 in the third period and nine to five in the final quarter for their first win over Charlevoix in the latter's floor in many years.

Norm Helms, Ken Balch, Joel Arvilla, Terry Davis and Bob Mol started for the Rayders. Glenn Bearss and Mike Geneit joined the line-up in the second period with Phil Timmer and Dale Putman seeing action later in the game.

Charlevoix got off to a good start in the meeting with the Blue Devils, scoring six points before Gaylord collected two points on the free throw line. Arvilla gave the Rayders their first point on the free throw line. He was followed by Davis who hit on one and then scored a field goal. Mol added another two-point. Bearss replaced Davis

Rayder forward, Ken Balch (10), goes up for a shot in the Charlevoix-Gaylord game here Friday. Also in the action are Blue Devils Mike McKillop (6), John Burnison (7) and Keith Riddle. The Rayders dropped the game to the visiting Gaylord quintet 47 to 37.

and scored a field goal as Charlevoix went ahead eight to two. However, Gaylord scored five from the free throw line before Helms gave the Rayders a bucket. Gaylord scored their first field goal of the game as the period ended with the Rayders ahead 10 to nine.

Going into the second period Arvilla scored a basket to make the score 12 to nine but Gaylord scored three quick baskets and a free throw to take a four point lead. Balch added two field goals to tie the score 16-all before the visitors pulled away to a 22 to 18 halftime lead.

Gaylord continued to pace the game, outscoring the Rayders 17 to 15 but hit on 13 of their 22 free throw attempts while the Rayders capitalized on only seven of their 22 chances.

Midway in the period the Rayders went ahead briefly 32 to 31 on a field goal by Geneit but again the visitors forged into the

lead as the quarter ended. Going into the final period Gaylord pulled away 42 to 33 midway in the quarter before losing Lonnie Campbell via the foul route. Balch scored a field goal and two free throws to give the Rayders 37 points before going to the bench at the three-minute mark after collecting his fifth personal foul.

With two minutes remaining Helms was lost when he injured his ankle. Gaylord, with victory within their grasp slowed the game by stalling, scoring only three points as time ran out.

Gaylord scored only two more field goals than Charlevoix or 17 to 15 but hit on 13 of their 22 free throw attempts while the Rayders capitalized on only seven of their 22 chances.

Darwin Mason was top scorer with 16 points. Balch with 12 led the scoring for the Rayders.

Last Week With Class 'C' Teams

Action in the Northern Michigan Class C league was highlighted by upsets Friday night as Gaylord dumped Charlevoix 47 to 37 and Mancelona edged Harbor Springs 51 to 50 while Boyne City was trouncing East Jordan 72 to 53 and Grayling was rolling over Pellston 75 to 57.

Mancelona 51; Harbor Springs 50. Playing at Harbor Springs Mancelona jumped into a 14 to six first period lead which Harbor Springs was never able to overcome. At halftime the Ironmen were ahead 27 to 22 and held a 12-point 43 to 31 third quarter advantage. As the final period drew to a close, the Rams started to hit but their 19 points, including 12 by Don Lauer, came too late.

Ronnie Johnson continued his scoring spree, hitting for 29 including 12 field goals. Lauer had 20 for the Rams. Johnson and Lauer are the two top scorers in the loop.

Boyer City 72; East Jordan 53. Paced by Carl Charon with 28 points, the Boyne City Ramblers romped into a 12 to 10 first quarter lead, stretched it to 31 to 23 at halftime and 45 to 33 going into the final period over the East Jordan Red Devils. Cal Darbee with 20 points was top scorer for the Jordanites.

Grayling 75; Pellston 57. The Grayling Vikings had no trouble with the Pellston Hornets as they led the visitors 15 to eight; 35 to 20 and 51 to 32 by quarters. Tony Doremire paced the game with 22 points for the visitors. Pat Cabinaw had 20 for Pellston.

Win At Gaylord Gives Reserves Ten Straight

Charlevoix's little Rayders ran their winning streak to 10 victories Friday night by downing the Gaylord Reserves 57 to 32.

The local five romped into an 11 to three first quarter lead; increased it to 29 to 15 at halftime and 43 to 30 at the three-quarter mark.

Starting for Charlevoix were Scott Supernaw, John Bingham, Ken Case, Bill Poquette and Ron Vandenberg. Joining the line-up later in the game were Steve LaBlance, Joe Beaudoin, Rod Ostum, Tom Lakies, Stan Smith, Charles Creleman, Jim Ladd, John Martin and Dick Goike.

Ron Vandenberg scored four points, Supernaw, Poquette and Beaudoin a field goal apiece and Bingham a free throw to account for the team's 11 points as the first period ended. Gaylord had scored a field goal and a free throw.

The local five outscored the visitors 18 to 12 on five points by Beaudoin, four each by Case and Vandenberg, field goals by Ostum and Lakies and a single by LaBlance to go ahead 29 to 15 at halftime. Gaylord's scoring was limited four field goals and four free throws.

In the third quarter Bingham scored four, Ostum and Lakies three points each and Supernaw and Poquette a field goal apiece to put the Rayders into a 43 to 30 third quarter lead. The visitors tallied four field goals and four free throws.

In the final period, the local quintet again scored 14 points on two field goals and a free throw by Bingham, field goals by Ostum and Ladd, two free throws each by Beaudoin and Lakies and a gift shot by Case. Gaylord scored two field goals.

Ten of Charlevoix's 14 players got into the scoring column. Top scorer was Bingham with 10 points. Burnison had 11 of Gaylord's 32 points.

Missing from the Charlevoix line-up was freshman, Dave Schuchard, who will be out for the remainder of the season on

Farther On

Usually when I take a walk along the tumbling stream, at Hidden Brook or along the sandy beach at Wide Sky Harbor every few feet I think, "I must stop now and return to the house and my duties." But then a glimpse of some intriguing object up ahead draws me on. What elfin creature was that vanishing among the streamside rocks? What new shrub sprouts from amidst the cedars? What tracks are those there in the sand? What kind of wild flowers peeps through the ferns at me? And I go on a way.

Thus it is with life. Carefree childhood, or vibrant youth, or mature middle-life, or serene and venerable old age—any one of these would make a good stopping place, each having its peculiar enjoyments, but we are drawn inexorably on to the next stage of living and its unique adventures.

So it is with death. Death is the invitation God gives us to go farther on, where there is still greater beauty to behold, still deeper mysteries to be solved, still greater fellowship to be enjoyed, still greater heights to climb.

Death is an invitation to go farther on.

Rayder Reserves Score 50-35 Win Over Pellston

Charlevoix's little Rayders continued along the victory trail by trouncing the Pellston Reserves 50 to 35.

The local five went ahead nine to three at the quarter, outscored Pellston 22 to 4 for a 31 to seven halftime lead. Going into the second half Pellston got back into the game and outscored Charlevoix 16 to five to cut the Rayders lead to 36 to 23. In the final period Charlevoix scored 14 and Pellston 12 points.

Starting for the Rayders were Ron Vandenberg who had four points, Joe Beaudoin who scored nine, John Bingham, four; Ken Case, seven and Rod Ostum, five. Others who scored were Jim Ladd with two points; Scott Supernaw, with six, Steve LaBlanc with three; Stan Smith with two; Bill Poquette with six and Charles Coleman with two. Others who saw action were Don Sanborn, Dick Goske, Floyd Genia, John Martin and Jim VerWys.

Jim Anderson had 12 for Pellston. Charlevoix had 19 field goals; 12 of 23 free throw attempts and 18 personal fouls. Pellston scored nine field goals; 17 of 23 free throws and had 14 personal fouls.

Farmers May File To Retain Wheat Acreage Quotas

Farmers who have under-planted their acreage allotment for wheat may retain the history of their farm for allotment purposes under the Agricultural Stabilization and Conservation program, Carlton F. Smith, chairman of the Charlevoix county ACS committee said this week.

Farmers who wish to preserve future acreage allotments must notify the county ACS office of their desires and sign the proper request forms.

The county ACS office in Boyne City will have a supply of the forms which must be filed in the office by May 1.

Donald Solomon, Former Resident, Dies In Detroit

Donald J. Solomon, 46, former local resident, died Tuesday at Sarnoga hospital in Detroit where he had been a patient for five days. He had been in ill health since suffering a heart attack in November.

The body will arrive today (Thursday) from Detroit for funeral services at the Pontius Chapel at 10 a. m. Saturday. The Rev. Harold E. Kohn will officiate. Burial will be in Brookside cemetery. On Wednesday a service was held at the Verheyden Funeral Home in Grosse Pointe.

Mr. Solomon was born in Boyne City Sept. 20, 1910, the son of Mrs. Owen A. Solomon and the late Mr. Solomon. He came to Charlevoix with his parents at the age of four years and attended the Charlevoix public schools. In early 1930s he became associated with the Michigan Bell Telephone Co. He served in the U.S. Army during World War II and participated in the African and European campaigns. Following his discharge from service he returned to Charlevoix for several years before going to Detroit about 1950. He was employed by Commercial Carriers.

Surviving are his wife, the former LeVonia Krehak and three sons, Donald Jr., Albert and Gordon, all of Grosse Pointe Woods; his mother, Mrs. O. A. Solomon of Charlevoix, two brothers, Clyde of Traverse City and Leon of Port Huron; and three sisters, Mrs. Edward Sobleskey of Petoskey, Mrs. Harold Withers and Mrs. Franklin Ochs of Charlevoix.

Lincoln's Birthday To Be Observed

Lincoln's birthday anniversary, Feb. 12, will be observed Tuesday by a number of local offices and business places.

The offices in the Charlevoix county court house will be closed for the day as will both banks.

Federal departments such as the post office and draft board do not observe the day as a legal holiday.

Plans Progress For Ski Show At Mt. McSaubia Run

Skiing at the Mt. McSaubia ski run has been excellent and a big weekend is anticipated, a spokesman for the Charlevoix Mt. McSaubia Recreation Corp. said Wednesday.

There was a fine turnout for skiing Tuesday night and an even larger group is expected to visit the run tonight (Thursday) if the cold weather continues.

Plans are now afoot for a big ski show at the run the weekend of Feb. 23 and 24. Royce Delaney, pro at the slope, is planning a ski ballet, a torchlight parade and other entertainment for that time.

The beginner's tow is now in operation, and this will add much to the efficiency of the operation.

Mr. Delaney gives skiing lessons Saturday and Sunday and anyone wishing information regarding them may inquire at the lodge or contact King Saunders who manages the park.

A meeting of the board of directors of the Charlevoix Mt. McSaubia Recreation Corp. has been called for Tuesday at the ski lodge. The meeting will get underway after the run is closed for the night. All members are urged to attend since there are several important issues to be discussed.

Services Held For Mother Of Former Island Priest

News of the death of Mrs. Joseph E. McLaughlin, 76, mother of Rev. Fr. Frank McLaughlin, at St. Mary's church in Saginaw Sunday has been received here.

Funeral services were held Thursday at Hemlock where the Rev. Fr. McLaughlin is pastor of St. Mary's church. Burial was in Mt. Olivet cemetery in Saginaw.

Besides her son she is survived by a daughter, Sr. Mary Kevin, a teacher at Aquinas college in Grand Rapids; three sons; 11 grand children, four sisters and two brothers.

Mrs. McLaughlin resided on Beaver Island when her son was pastor of Holy Cross church there.

Representatives Named To Scenic Trails Council

The appointments of Anthony J. Passo of Traverse City and the Rev. Fr. Linus Schrems of Lake Leelanau as representatives of the Diocesan Scouting committee of the Council of Catholic Men made by the Grand Rapids diocese have been confirmed.

Mr. Passo will be the lay leader and Father Schrems the council chaplain.

The addition of this committee to the Scenic Trails Council, Boy Scouts of America, will aid greatly in furthering the program of action now being carried on by the rest of the operating committees of the council and the Protestant Advisory Committee in their respective fields.

Bus Service Hearing Indicates Settlement

The prospect of having direct Greyhound bus service between Charlevoix and Detroit re-instated looked brighter this week than it has at any time since the service was discontinued in September following a public hearing at the city hall here Monday night.

Man Disarmed, Jailed After Gunning Spree

Freddie E. Arnold, 26, of East Jordan, charged with felonious assault with a dangerous weapon against three individuals, was arraigned before Justice John Connolly in justice court here Wednesday. He was bound over to the March term of circuit court.

Justice Connolly set bond at \$2,500 on each count and Arnold was returned to the Charlevoix county jail when he failed to furnish bond.

Arnold was arrested early Tuesday morning at his home on the outskirts of East Jordan after he appeared at Cal's Tavern at 11 p. m. Monday, struck his wife, Yvonne, and threatened her, threatened the owner of the tavern, Ivar Iversen, and then fired two shots into the air with a .22 cal. revolver before leaving the tavern, according to Sheriff Glenn E. Rose.

Accompanied by State Police from the Petoskey post, Deputy Philo Sumner, and East Jordan police, Sheriff Rose started a search for Arnold.

About 2 a. m. the officers went to the Arnold home, demanded admittance and were admitted by Mrs. Arnold, who told officers her husband was in bed with a loaded high powered rifle. After a struggle, the officers disarmed him, and brought him to the county jail.

Arnold is charged with felonious assault with a dangerous weapon on his wife, Mr. Iversen and a roomer in his home, Bernice Sutton, without intent to commit murder and with intent to inflict great bodily harm less than murder. He threatened Miss Sutton after returning home from the tavern with his wife.

Mrs. Arnold told officers that her husband had waited for them with the loaded rifle for two hours before retiring for the night. Officers arrived a short time later.

Soap Box Derby To Be Promoted By Kiwanis Club

Plans for a Soap Box Derby for the youngsters of the area have been announced by Arnold J. Wadas, chairman of the special Soap Box Derby committee of the Charlevoix Kiwanis club which is sponsoring the event.

The event will be held on Sunday afternoon of the Venetian Night weekend July 27 and 28.

It will be open to all boys and girls in the Charlevoix, East Jordan and Boyne City area in the 10 through 14 year age group.

Mr. Wadas said that certain rules must be observed in building the soap box cars. They must have brakes and proper steering mechanisms. All entries will be inspected before they will enter the Derby. Each entry must not weigh more than 75 pounds and wheels must not exceed 12 inches. The club has made arrangements for helmets for all entries.

Every entry will receive a prize and the three top winners will receive worthwhile prizes.

Further information will be announced as it is available by the committee composed of Mr. Wadas, Leonard Burns and Dr. Robert G. Martin.

Soo Entry Named Winter Queen In Petoskey Contest

Joan Catherine Henderson of Sault Ste. Marie, a lovely brunette was named Michigan Winter Queen at the 29th annual Michigan Winter Sports contest held in Petoskey over the weekend.

Deanna Left, Charlevoix high school senior, represented the city in the contest. She was one of 15 contestants from various parts of Michigan. Miss Henderson was sponsored by the student council at Soo Tech where she is an honor student.

The new queen will fly to Chicago shortly to make a television appearance and to spend some time at the Travel Show.

Mrs. G. Mennen Williams, wife of Michigan's governor, officiated at the coronation ceremony held during the Queen's ball at the Petoskey high school gymnasium.

Charlevoix's Queen Deanna was escorted to the ball by Jerry Albright.

March Of Dimes Reports \$1280 In Fund Drive

A final report on the recent March of Dimes fund campaign in the Charlevoix area reveals that a total of \$1,280.49 was contributed.

Dan W. Genet, local fund chairman, said that several contributions were made during the week including a total of \$463.90 in the Mother's March; an additional \$240.00 bringing the total contributed by business to \$102.00 and another \$50.00 by the Rod and Gun club bringing its total to \$14.00.

Other contributions include: American Legion, \$5.00; Eastern Star, \$5.00; Coffee day at ski run, \$5.00 and Hayes township, \$70.00.

Anyone who has not contributed to the March of Dimes and would like to may leave his contribution with Mr. Genet.

Music Students To Hear Famous Orchestra Concert

A rare musical treat is in store for the students of northern Michigan on Saturday, Feb. 23, when they will have an opportunity to attend a special student concert presented by the world-famed Boston Pops orchestra directed by Lajos Shuk, which will appear on the Community Concert series that evening.

The student concert will be presented at the Petoskey high school auditorium at 7 p. m. All members of the Charlevoix high school and Charlevoix reserve bands, who will be in Petoskey that day to participate in the District Band and Orchestra Festival, will attend the student concert through special arrangements by the Charlevoix Band Parents association, which will foot the expense. The two Charlevoix bands will attend the concert in a body.

Tickets will also be available to students who are not members of the two bands and may be purchased from C. A. Odmark, Charlevoix high school band director. Admission is only 50 cents, a price which should enable anyone wishing to do so to attend.

This concert is being presented by the Northern Michigan Community Concert association as a gesture of good-will. A complete sell-out is anticipated but even so a deficit will be incurred and will be borne by the concert association. Please note that the matinee is a special concert and membership cards to the evening performance of the concert will not be honored for the afternoon concert.

The program to be played for the students by the Boston Pops Orchestra is as follows: "Coriège" from "LeCoq d'Or", Rimsky-Korsakoff; "Water Music", Handel; "Londonderry Air", Arr. Granger; Excerpts from "Gaiety Parisienne", Offenbach; "Allegro Scherzando" from "Concerto in Minor", Saint-Saens; Ruth Slenzarska, piano soloist; "Nutcracker Suite", Selections, Tchaikovsky and "Stars and Strips Forever", Sousa.

Father And Son Banquet To Be Held Monday Eve

The annual Father and Son banquet will be presented at Harmony hall of the Methodist church at 6:30 p. m. Monday under the sponsorship of the W. S. C. S.

The Rev. William Blanning of Traverse City, district superintendent of the Grand Traverse district of the Methodist church, will be the speaker. The Rev. George L. Majors will give the toast to the sons and his son, George Richard, will respond with a toast to the fathers. The Rev. Lloyd M. Schlopp will give the invocation.

Dean Davenport will be the toastmaster.

The menu for the banquet will feature fried chicken and all the trimmings.

Tickets for the annual event may be purchased from Mrs. Wayne Belding, phone 2394 or Mrs. Abe VerWys, 2919.

Community Chest Meet Names Three Directors

Three new members were elected to the board of directors of the Charlevoix Community Chest at the annual meeting held Monday evening at the Charlevoix high school band room.

They are Mrs. J. K. Reed, Mrs. Carl F. Kohler and Karl Schultz who were elected for three year terms to succeed Robert Lieberman, Mrs. Gordon L. Freedman and Clark Dooliver.

Boy Scouts Put Through Paces At Klondike Derby

Three Charlevoix Boy Scout patrols were among the 29 from throughout northern Michigan to participate in the annual Klondike Derby held at Petoskey Sunday. Charlevoix's Scouts were accompanied by assistant Scoutmaster Larry Burns.

The Lightning Patrol won a blue ribbon and the Cobra and Flying Eagle patrols were awarded yellow ribbons.

During the afternoon patrol members pushing their Klondike sleds over a given route stopped at stations to display their talents in first aid, knot tying, fire building and tent pitching.

All patrols participating were members of Troop 11. Personnel of the various troops follow: Lightning patrol, George Schultz, patrol leader, Stan Martin, Darrell Somerville, Charles Seale, Mike Ashley and Jim Bergmann; blue ribbon.

Cobra patrol, John Martin, patrol leader; Gerald Keiser, Barry Pierce, Gary Balch, Bruce Kroken and Gerry Balch; yellow ribbon.

Flying Eagle patrol, Ray Schultz, patrol leader; Jim Ladd, Demar Bodley, Clair Harwood, Stewart VerWys and Charles Bergmann; yellow ribbon.

The event was sponsored by the Kiwanis clubs of the area. Charlevoix Kiwanians who were in charge of the First Aid station were Fred Willis, Dr. Robert G. Martin, Glenn Snider, Arnold Wadas, Harold Totton, E. J. Edwards and Leonard Burns who is also Boy Scout neighborhood committeeman.

After the Derby the boys gathered at the 4-11 clubhouse where they received refreshments and their awards.

A total of 178 Boy Scouts from Charlevoix, Wolverine, Cheboygan, Harbor Springs, Petoskey, Boyne City, East Jordan, Gaylord and Traverse City participated in the event.

Masons Hold Lead In Cribbage Play

Sixth round of the Masons-Oddfellow cribbage tournament went to the Masons with a lead of 307 points, giving them a total lead of 840 points for total lead.

Erwin Belfy, playing for the Masons took high score for the evening with 967 points. High score man for the I. O. O. F. was George Bergman with 934 points.

Ice Show Date Is Postponed A Week

The ice show which was to have been presented at the municipal rink last night (Wednesday) has been postponed until next Wednesday, Feb. 20.

The postponement became necessary when warm weather followed by snow made it impossible to get the rink in shape for the event.

Bruce Shecker of Petoskey and a group of Cheboygan skaters numbering at least 20 will present an ice show featuring racing, dancing and figure skating. The show will begin at 8 p. m. weather permitting.

The public is invited to attend the show without charge.

Guild Sponsoring Valentine Luncheon

Maria's at the Westervane will be the scene this noon of the Valentine luncheon and card party sponsored by the Women's Guild of the Charlevoix hospital.

The luncheon will begin at 1 p. m. and will be followed by card games. A door prize will be offered.

Few Contests Develop In City And Township Primary Next Monday

Voters in the city of Charlevoix and Charlevoix township will go to the polls Monday to elect city and township officers.

Only major contest to develop in the city is for the office of mayor with incumbent James Miller being opposed by John Wolf.

Mr. Miller is well known in city politics, having served the first ward as alderman before he was named mayor in May, 1955. Last year he was elected to the office.

Mr. Wolf has resided in Charlevoix for a number of years after retiring from his position with the building and safety engineering department for the city of Detroit.

With the exception of Edward P. Hansen who is a candidate for third ward alderman to succeed Ralph S. Hamilton who is not seeking re-election, all other names on the ballot are those of incumbents who are unopposed for nomination. They are: clerk, Hugh Mayne; treasurer, Nelle A. Hammond; first ward supervisor, Ivan A. Phillips; first ward alderman, Clare E. Staley; second ward supervisor, Theodore R. Miller; second ward alderman, Franklin Boss; and third ward supervisor, Jesse Smith.

All are candidates on the Republican ballot.

Charlevoix Township is holding its first primary election to nominate township officers. In the past the township held a caucus.

There are only two contests on this ballot, for township trustees and board of review.

Seeking the nomination as a trustee on the Republican ballot are Dale E. Boss and Edwin P. Zeiter, both incumbents, Donald M. Gilbert and Henry Stephens.

For the nomination as a member of the board of review, the incumbent, H. Keith Wagner, whose name appears on the Republican ballot, is opposed by Democrat, Stanley Houghten for the office.

Other candidates who are seeking nomination without opposition on the Republican ballot are incumbents: Clarence F. Rabach, supervisor; Kathryn B. Smith, clerk; and Rose Bergmann treasurer.

Fred W. Bancroft, incumbent, whose term expires this spring, has stated that he will be a write-in candidate for nomination to the office of justice of the peace.

Polls at the city hall will be open at 7 a. m. and will remain open until 8 p. m.

In the township the polls will open at 7 a. m. and close at 8 p. m.

Charles Saganek Dies At Wyandotte

Charles Saganek, about 40, a former resident who has resided in Wyandotte for 20 years, died unexpectedly Monday at a Wyandotte hospital.

Funeral services were scheduled to be held at the Catholic church in Wyandotte at 9 a. m. Thursday with burial in a Wyandotte cemetery.

A native of Charlevoix, Mr. Saganek had been employed by the Michigan Alkali Co. for the past 20 years.

Among his survivors are his wife, the former Agnes McClenaghan; a son, Charles and a daughter, Gladys, all of Wyandotte and several brothers and sisters.

Mrs. Jessie Winder Dies In Indiana

Mrs. Jessie Winder, 77, a former resident who has resided in Easton Rapids for many years, died Thursday at the home of her son, John Winder, in Fort Wayne, Ind.

Funeral services were held at the Eaton Rapids Methodist church with burial in Rose Hill cemetery.

Mrs. Winder and her late husband Dr. C. J. Winder a dentist, at one time operated the Charlevoix hotel which at that time was located at the present site of East Park.

ODDS 'N' ENDS

By Fran Martin

As you've no doubt noticed, or if you're not in northern Michigan, you know that all our inland lakes are covered with drift ice as far as one could see. All this explanation is to get across to you that it's been kinda cold in these here parts. But that didn't stop our milkman, Sonny Belfy, who took a swim in Torch Lake recently. We found out yet whether it was intentional or not!

Every once in a while, the Courier receives a letter from someone who hasn't seen Charlevoix in years. Recently a letter addressed to the office arrived from John Shea who now lives at Utterson, Ont. In it he asked for copies of the paper and said that he once lived in Charlevoix when his brother, Levi Shea, operated a harness shop on Bridge st. Some of you old-timers will no doubt remember him.

Spring hit us in a big way last week. Or perhaps that's wishful thinking and we should say we had a February thaw. Anyway, for a while it took a lot of our snow and sure raised havoc with skating and skiing. But with the temperature hitting 10 above Sunday it looks as though the rink will be ice again and with a little luck we might have snow so we can have the big Mt. McSaubia weekend celebration that's been planned for this weekend but no doubt will be held whenever we get snow. We figure that as long as it's winter, we'd rather have it now instead of May or June. So, on with the snow and cold weather until spring, that is.

More
We can't cook but we find the perusing of old cook books a very interesting pastime. Recently Mrs. Robert Reed loaned us a couple she found and they are priceless. One is known as the Charlevoix cook book published in 1907. Just 50 years ago. . . and contains favorite recipes of many of the prominent residents of the community at this time. . . Mrs. John Aekert Jr., Mrs. Fred W. Mayne, Mrs. R. W. Padock, Mrs. J. A. Auld, Mrs. J. B. Parsons, Mrs. J. E. VanAlsburg, Mrs. George Smith, Mrs. O. D. Hammond, Mrs. O. D. Wood, Mrs. H. Lee Iddings, Mrs. John Burns, Mrs. E. H. Green, Mrs. Archibald Butters to name a few. . . Names that represent Charlevoix's history near the turn of the century. . . And the recipes. . . Why these people didn't weigh a ton we'll never know for everyone has a cup of cream or a cup of butter. . . and eggs by the dozen. . . And icings had a million or so calories. . . But just the same they sounded mighty good. . . And in the back of the book were two most unusual recipes. . . 'How to cook a husband' and how to preserve a husband. . . Gee, things weren't any different then than they are now.

A second one, looking a century or so old, is the Everyday Cook book. . . And it must be old for it contains recipes for cooking all sorts of wild game including venison, duck, partridge, rabbit and pigeon. . . There's no publishing date in this book but

the recipes are wonderful. . . But what we liked best was a section in the back of the book. . . a sort of "How to do this and that" section. . . One that we like came under "What the well-dressed young woman will wear". . . And heading the list was something she shouldn't be caught dead in. . . We quote: "I may here at once state that high-heels are absolutely forbidden by fashion. . . Only on cheap shoes and boots are they now made and are only worn by common people. A good bootmaker will not make high heels now, even if paid double price to do so. Ladies. . . that is, real ladies. . . now wear flat-soled shoes and boots, a la Cinderella". . . So help us. . . that's what it said. . . But some bootmaker along the way must have succumbed the double price for look at the spiked, jeweled stiletts we have today.

And then there was the quinine cure for drunkenness. . . made from fresh quill-red Peruvian bark soaked in a pint of diluted alcohol. . . Just the thoughts of the mixture would make the average person climb on the wagon for keeps.

Oh yes, if you're having trouble with the flies getting on your gift picture frames, try this: Boil three or four onions in a pint of water and apply with a soft brush.

These are just a few of the priceless gems found in this old volume.

What Christ and the Church Mean To Me

This is one of a series of articles written by laymembers of various churches in the Charlevoix area and sponsored by the Charlevoix Ministerial Association.

By Ernest Peaslee
Member First Baptist Church

Every individual and every organized group of individuals has more or less influence for better or for worse over those with whom they associate and in turn are often influenced by their associates.

Because of the influence of Christ and the Church, I am not the same person I would have been without their influence. Also, they have provided me with many opportunities to have at least a small part in helping them to accomplish the purpose for which they exist. For example, when we hear the reports of some of our juvenile court judges telling what a large per cent of juvenile delinquents have never attended Sunday school, we realize the need and opportunity to try to bring the youth under the influence of the Sunday School and help them to get started right so that they can resist the bad influence with which they have to contend, and thus help them to become useful and respected citizens instead of delinquents.

This is only one of the opportunities we have to use our influence for something better and if we fail to take advantage of such opportunities, we become largely responsible for the results.

Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

A hefty slice of federal rivers and harbors money is tagged "Michigan". Last week, when president Eisenhower sent his budget message to Congress, I was glad to note that our efforts for more improvements have been successful. I counted no less than forty projects for our state, costing \$21,605,000. Smallest item is an investigation at the Augers River—costing \$4,600. Largest is \$13,000,000 for construction at the Great Lakes connecting channels. Other projects span the State from Keweenaw to River Rouge and from South Haven to Au Sable. The sums proposed by the President, of course, are subject to Congressional approval and you'll be hearing more about individual Michigan projects as we take them up in the Appropriations Committee.

Pared-down Surpluses . . . a rise in farm income . . . and a higher standard of living. . . are the aims of a farm bill which I am co-sponsoring. We are proposing a scientific study and research program to develop new industrial uses for farm products. The exciting possibilities here are almost limitless. Frozen foods, soy bean adaptations, and other new processes are only the beginning. Newer and more original concepts will follow proper research.

Junior Junket — The U. S. Department of State is considering a good will concert tour of Poland by the National High School Orchestra of America, based at the famed National Music Camp at Interlochen, and affiliated with the University of Michigan. Expenses would be shared by the two governments. I believe a trip by these young people would boost European-American relations. These are outstanding boys and girls from all over the United States and they can be our most effective ambassadors of good will.

A promise kept — Recently I announced that one of my initial efforts in the 85th Congress would be establishment of a standing Senate Committee on Veterans Affairs. I introduced a resolution to accomplish that last week. Did you know our 22 million veterans and their families and dependents constitute almost half the population? Surely we owe this large segment of our nation prompt and full consideration of its problems. Too often in the past veterans' matters have been pushed aside or neglected for lack of an appropriate Senate Committee. The permanent body I have in mind would devote itself exclusively to veterans' matters—pensions, life insurance, compensation, vocational rehabilitation, hospitals.

Investigate!—That's what I've asked the Committee on Interstate and Foreign Commerce to do. I am urging a public hearing on the latest price hike by the newsprint industry. Within the past few years the price of newsprint has tripled. Profits of Canadian companies, who supply

eighty per cent of our newsprint, have in some cases jumped fifty percent this past year.

American newspapers, especially smaller ones, face a serious financial problem because of rising newsprint costs. Small businesses are being forced to curtail advertising. The Federal Trade Commission, at my request, is checking the situation. When a date is set for a Senate hearing, we intend to find out once and for all whether these outrageous prices and soaring profits are engineered by an international newsprint cartel.

Tax rebate — When Uncle Sam moves into a community, local citizens usually are proud as punch. But when budget time rolls around, Mr. and Mrs. Taxpayer discover that distinguished company can be costly. Federal property is tax-exempt and that places a bigger share of the cost of local and state government on individual's and businesses. For some time I have been concerned over the amount of federal property which has been removed from local tax rolls in Michigan. The answer, I hope, lies in passage of a bill I co-sponsored last week. It provides for local governments to receive certain payments "in lieu of taxes" on federal property. Each case would be carefully screened, of course, but the net result should be relief for Mr. and Mrs. Taxpayer.

The Ways and Means committee headed by Fran Martin has been busy with plans for the Valentine luncheon and card party at Maria's of the Weathervane.

Those attractive Valentine posters you've seen around were made by Mrs. Edward Lemeke, a talented gal, indeed. . . and the Guild is most grateful to her.

We hope you'll be with us at 1 p. m. Thursday for the very delicious luncheon Maria and Bill George have promised. . . and for the card games to follow.

The scholarship committee has been busy adding the final amendments to its requirements and this week the announcement regarding the nursing scholarship will be available to interested student in the Charlevoix, Ellsworth and East Jordan schools. You'll find a story elsewhere in the Courier regarding the scholarship.

You're reminded that condy is available, the yummy vacuum packed kind that everyone loves so much. . . It's available at the hospital, at Fay's and of course from Mrs. Gordon L. Freedman and Mrs. S. E. Coleman. . . There's just a bit of the coconut and peanut crunches left also.

A big thank you for someone who came through in an emergency, Mrs. Arthur Ranger, cart pusher, who answered the call recently when someone was needed in a hurry.

Try Oven-Easy Chicken Hash

Catch a whiff! That's real old fashioned chicken hash you smell. . . similar to Grandma's with two modern exceptions.

The first is canned boned chicken, readily available in today's stores in 5-ounce cans. . . perfect for salads, sandwiches and casseroles. The second newcomer to the kitchen is a handy can of condensed cream of chicken soup. If you feel prone to "extravagance", use the light cream that Granny probably used. It's not necessary though, for the creamy soup gives richness, all by itself.

We visualize some crispy cornsticks on the side, plus a tall cranberry salad you can mold ahead of time. YOU might visualize this as a hearty breakfast. Lots of men like potatoes for breakfast, especially those who put in an extraordinary physical day. However you serve it, whoever you serve it to. . . you'll know one thing. This recipe is here to stay!

Scalloped Chicken Hash

2 cans (5 ounces each) boned chicken or turkey
1 can (1 1/2 cups) condensed cream of chicken soup
3 cups diced cooked potatoes
1/2 cup shredded sharp cheddar
1/2 cup milk
1/2 teaspoon onion salt
1/2 teaspoon dried parsley flakes
1/2 teaspoon black pepper

TRY "DEVILISH" LIVERS

Are you tempted everytime you see a recipe for chicken livers, but then decide it's too much trouble? There's a wonderful solution for you in the form of frozen chicken livers found in your grocer's freezer. These livers are easy to use and best of all, at hand anytime you're "in the mood". Here's how to fix a quick hot supper: Thaw 1 package (8 ounces) frozen chicken livers as directed on the package; sauté in 2 tablespoons butter for 5 minutes. Stir in 1 can (10 1/2 ounces) beef gravy, 1/2 teaspoon chili powder, and 1/2 teaspoon dry mustard. Heat slowly for 5 minutes. Serve over toast, rice, or noodles. Makes 3 to 4 servings. *FWS*

57th Wedding Anniversary Is Observed By Mr. and Mrs. Smith

Mr. and Mrs. William F. Smith will observe their fifty-seventh wedding anniversary Wednesday. A family gathering at the home of the couple at 106 Petoskey ave. Sunday afternoon will mark the occasion.

Altar Society To Sponsor Party At St. Mary's School

Plans for an all-games party at St. Mary's school hall Tuesday evening have been announced by Mrs. Ferbert Campbell, president of the sponsoring organization, the St. Mary's Rosary Altar Society.

Proceeds from the party which is scheduled to begin at 8 p.m. will be used to purchase dishes for the school hall.

Mrs. Leslie Ball is general chairman of all-games party. She will be assisted by Mrs. Frank Burgoon, Mrs. Arthur Heilig, Mrs. Elmer Gibson, Mrs. Hugh Mayne, Mrs. Jack Lucas and Mrs. Robert Morse.

A good ice cream topping is chocolate sauce with ground cinnamon.

Mr. and Mrs. Smith were married at St. Francis Xavier church in Petoskey Feb. 20, 1900 and have spent their entire married life in this community.

Mr. Smith, who was born at Two Rivers, Wis., April 1, 1874, continued to sail for some time after their marriage before returning here to establish a draying business which he operated until the early 1920's. At that time he became manager of the Ayes Boals farm in Hayes township. In 1930 he retired and he and Mrs. Smith moved to their present home. Mrs. Smith is the former Catherine C. Haggerty. She was born in Berea, Ohio, Aug. 5, 1874, and came to Hayes township with her family at the age of nine years.

Both are members of St. Mary's church.

Among those who will join them Sunday in observance of the occasion will be their son and daughter-in-law, Mr. and Mrs. John Smith and family of Petoskey, and their sons-in-law and daughters, Mr. and Mrs. Fitch Tooley and daughter of Bayne City and Mr. and Mrs. Hugh Mayne and daughters, Mr. and Mrs. Harry E. Bingham and family and Miss Mary Smith, all of Charlevoix.

Oyster Supper Is Planned By VFW

The Veterans of Foreign Wars, Post No. 1153, will sponsor its annual Oyster supper at the post home at 6:30 p.m. tonight (Thursday), R. J. Nowland Jr., post commander, has announced.

All members are urged to invite prospect members. All veterans are invited to attend this annual stag affair and the business meeting which will follow.

A nominal charge will be made for the oyster supper which will be prepared by William Suprenant and his staff. There will be chili for those who do not want oysters.

Cancer Society Plans Showing Of Educational Film

The Charlevoix county unit of the American Cancer Society will sponsor the showing of two films about cancer for the women of the Charlevoix area at the First Congregational church at 2 p.m. Friday, Mrs. Charles Bellingier, unit director has announced.

All women of the community are invited to view these educational films and to remain for the tea which will follow in Friendship hall.

Mrs. Leland Warner Honored At Shower

Mrs. Leland Warner was guest of honor at a pink and blue shower given Thursday evening at St. Mary's hall. Mrs. Edward Stanek and Mrs. William Kane were the hostesses.

Guests gathered for games with prizes going to Mrs. Frederick Keis, Mrs. Archie Himebauch, Mrs. James Woodward, Mrs. Louis McKenzie, Mrs. Edward Hansen and Mrs. James Williams.

The many gifts were presented to the honoree in a decorated bassinet.

A social hour and refreshments followed.

Elective officers of the Rebekah lodge who were installed were: vice grand, Mrs. Glenn Rose; recording secretary, Mrs. Jerold Murdick; financial secretary, Mrs. Lawrence Swanson; treasurer, Mrs. Floyd Ikens.

Appointive officers are: conductor, Mrs. Guy Stutzman; warden, Mrs. Earl Blood; inside guardian, Mrs. Raymond Boak; outside support, Mrs. William Bergmann; right and left supports to Noble Grand, Mrs. Luther Hannah and Mrs. George Cook; aids to vice grand, Mrs. Edward Lakies and Mrs. Harry Powers; chaplain, Mrs. Florence Cameron; musician, Mrs. Robert Mitchell.

Installing officers were Joseph Williams and Mrs. W. E. Goss, president; Glenn Rose and Mrs. Grace Gmeil, grand wardens; Ed Weldy of East Jordan and Mrs. Sims Baker, grand secretaries; Cecil Blair of East Jordan and Mrs. Luther Hannah, grand treasurers; Lawrence Swanson and Mrs. E. E. Stroud, grand guardians; Cash Hayden of East Jordan and Mrs. George Cook, grand chaplains; Sims Baker and Mrs. Fred Southwood, grand marshalls.

Following the installation ceremony, a social hour, refreshments and dancing to music by the Warner orchestra were enjoyed by local members and friends and visitors from East Jordan.

Youth Indulgence Is Major Issue At P. T. A. Meeting

The regular meeting of the P. T. A. was held at the high school cafeteria Wednesday with the Rev. Wilton Rinker, president of the organization presiding.

One of the major issues discussed at the meeting was the problem of smoking, drinking and gambling among the teenagers of the community. The committee will meet with law enforcement officers and other agencies in the community to discuss the problem and perhaps to come up with a solution to it. A report will be made at the next meeting. Named to the committee were the Rev. Lloyd M. Schlopp, Kenneth Sweet, Karl Schultz, Robert Richards and Terry Rice. The committee will also meet with Louis Hooper, child welfare worker and Ernest Foster, Friend of the Court.

The programs for the remainder of the current school year were outlined and include a play by school students at the March meeting, portraying some problem pertaining to the school or home; a talk by Robert Gillispie of the staff of the Child Guidance Clinic in Petoskey at the April meeting and a discussion of projected plans for the future of the Charlevoix schools by the board of education at the May meeting. An election of officers will be held at the March meeting. Named to the nominating committee were Charles Bleha, chairman, Mrs. Ralph McRae, Mrs. Jeff Novotny, Mrs. Charles Duerr and William Farsons.

The results of the questionnaires circulated earlier among P.T.A. members were announced and discussed.

The hospitality committee made up of first grade room mothers served refreshments at the conclusion of the meeting. They were Mrs. James Gallagher, Mrs. Thomas Carey, Mrs. Robert Ashley, Mrs. Robert Lieberman and Mrs. Robert Gill.

Mr. and Mrs. Robert Goss had as their weekend guests the latter's mother, Mrs. Charles Spare and her brother-in-law and sister, Mr. and Mrs. Arlo Crites.

Ned D. Wagner returned Sunday to his home at Buckroe Beach, Va., after visiting several days with his mother, Mrs. Henry Wagner, a patient at the Charlevoix hospital.

Mr. and Mrs. Stanley Evers have returned to Oscoda after spending the weekend with the former's parents, Mr. and Mrs. Amandus Evers.

Mr. and Mrs. Kit Carson spent the weekend at Houghton where they attended the annual Winter Carnival and visited their son, Kit, who is a student at Michigan Tech. This week they plan to leave for a six-weeks vacation in the south.

Mr. and Mrs. Robert Carey and daughter, Robyn, have returned to Evanston, Ill., after spending several days with the former's father, Leo Carey, and other relatives. While here they were the guests of the former's brother-in-law and sister, Mr. and Mrs. S. E. Coleman.

Miss Eleanor Gallagher, of St. James, who has completed her course at Aquinas college in Grand Rapids, is visiting at the home of her uncle and aunt, Mr. and Mrs. Edwin McCann.

Mrs. James Gibbons and daughter, Tricia, of Bay City are spending a week with her parents, Mr. and Mrs. Leslie T. Ball.

Mr. and Mrs. Earl A. Young left Tuesday for New York from where they will sail Friday aboard the Queen Elizabeth for a six-weeks tour of Europe.

Mrs. Lawrence Feindt and son, Larry, left Thursday for Albion to visit her parents, Mr. and Mrs. H. G. Bastian.

I personally wish to endorse Jim Hiller for Mayor. His efficient manner of approaching the many city problems is going far to improve the economy and progress of Charlevoix.

County Cancer Unit To Sponsor School Program

The Charlevoix county Unit of the American Cancer Society has opened an educational program in the schools in the county.

More than 250 students from five county schools are taking part in the program designed to acquaint students and parents with the danger signs of cancer and the need for early diagnosis. Participating schools are Charlevoix, Boyne City, East Jordan, Boyne Falls and St. James school.

Materials being made available to the students include the books, "Youth Looks at Cancer" and "Cancer in the High School" and the films, "From One Cell" and "148,000 Could Live".

Copies of Dr. Cameron's book, "The Truth About Cancer" have been presented to the public libraries by the county unit.

Mrs. Charles Bellinger, county chairman, reports that details of a nursing scholarship sponsored by the county chapter will be announced shortly. Setting up the scholarship is a committee composed of Dr. Robert G. Martin, Mrs. John Savory of East Jordan, Mrs. Thelma Behling of Boyne City and Mrs. J. C. Marshall.

New Children's Book Written By Summer Resident

A delightful children's book entitled "Fur on the Moon", written by one of Charlevoix's prominent summer residents, David B. Silberman, has made its appearance in the bookshops.

The charming little book, illustrated by Dorothy Christy, contains 10 amusing stories which Mr. Silberman has told to his grandchildren through the years.

The children in the book are named for his grandchildren. In the series of adventures they meet the amazing 'make-believe' characters, take exciting trips to the moon, Mars and other unlikely places and have thrilling experiences that any child would love.

Publish Report On TB Problems In Michigan

Michigan is doing a good job of treating tuberculosis but so good a job in preventing the spread of the disease, according to "Tuberculosis in Michigan", a new study of TB facts and figures being distributed this week by the Michigan Tuberculosis Association.

The study also reveals that 15 new cases of TB were reported in Charlevoix county in 1955 and that 42 TB cases were under health department supervision. These include active cases in hospitals, active cases not hospitalized and inactive cases which require supervision to prevent relapse.

Modern treatment methods have cut the number of TB deaths by 70 percent in 10 years ending in 1955. However, the number of new cases reported last year has continued to average just under 6,000.

"TB in Michigan" attributes the continuing high number of cases to intensified case research, growing population, and the fact that most TB cases are found too late to prevent infection in others.

To "break the chain of infection" it is necessary to find all cases and to find them in the early stages. At present, four out of five new patients admitted to Michigan TB hospitals arrive with their disease in advance stages.

In addition on the report shows that an estimated 4,000 persons have TB, don't know it and are the source of countless new infections. The number was based on X-ray screening program reach only one in four people. The study was financed by Christmas Seal funds.

Pallister Motel Opened In Detroit By W. T. Butters

The Pallister Motel, located at Woodward ave. and Pallister ave. in Detroit, was formally opened Sunday.

The 50 unit motor court which was scheduled for completion earlier will be managed by Mr. and Mrs. William T. Butters who owned and operated Butters' Sunset Lodge here until it was destroyed by fire in October.

The Pallister was built by the Pallister Motel Corp. of which three well-known summer residents here are members. They are Mrs. Julius Gilbert, Martin Butzel and Leonard J. Lewis all of Detroit.

Former Ironton Youth Runner-up In Shiawassee

Norman White, a former resident of the Ironton district who now resides near Henderson in Shiawassee county, was runner-up for the title of "Outstanding Young Farmer" in his resident county, according to a clipping received at the Charlevoix Courier.

A former student at the Charlevoix high school, Mr. White now resides on a 258 acre farm near Henderson. As runner-up in the competition, he was commended for the fine strides in countour farming techniques and such projects as tree planting in the short time he has been farming.

Clarence Ruess of Bennington Township was the top winner in the county. He will represent the area in a search for the finest young farmer in Michigan.

Flags Presented To Brownie Scouts

Two Brownie Scout troops were presented with American flags last week by the Auxiliary of the Veterans of Foreign Wars.

They were Troop 3 whose leaders are Mrs. Russell Dohm, Mrs. Jack Rader and Mrs. Paul Burkhardt and Troop 15 whose leaders are Connie Maxfield and Mrs. Gerald Lakies.

The two new flags bring to 12 the total number presented to Girl Scout and Brownie troops through their sponsoring organizations. The other flags were purchased through the V. F. W. Auxiliary.

Voters of Charlevoix

Are you satisfied with your present administration? In voting don't let church or fraternal association interfere with your voting. These should be kept out of politics. You vote for the candidate who is the best qualified and looks out for the best interest of all the people.

The city expenditures are way too high and the people with low incomes must be protected. You probably still remember our Trailer Park deal and the hiring of a \$9,000.00 engineer. Our Police budget could be some what reduced as long as we have in addition a Sheriff and State Police close by. A closer check to be made with our city vehicles in regards to the high gasoline consumption and the use for private transportation. A city attorney is needed who advises the council properly and his decisions to be based on State Laws. One Year the law is enforced and the next year the same law is cast aside. We collected little over \$700.00 for about 30 boat slips at \$1.00 per day but not a cent was collected from our city dock. This money collected should be given to the city and a fair salary paid to the man in charge of the dock. The taxpayers paid out close to \$4,000.00 to repair the dock and office. Do you call this good government? Taxpayers money is paid out very freely. Let us stop being Santa Claus and make Charlevoix a good place to live in.

Home Demonstration Agent Tells Ways To Add Variety To Menus

Just because you have been "frying" hamburgers all these years, it's no reason to continue. Trying some other method of cooking will not only add variety to your menus, but will make your daily food fetching job that much more interesting.

Basically there are two methods of cooking meat, explains Clare Brown, Charlevoix county home demonstration agent; dry heat and moist heat, depending on whether liquid is used. Each has several variations. Dry heat methods which are ideal for tender cuts are: oven roasting, broiling, pan broiling and pan frying. Moist heat methods which create tenderness, which softens tissues of less tender cuts, include: braising, stewing and simmering in water.

True oven roasting, explains Clare, is used for large, tender cuts. No water is added and the meat is not covered even with aluminum foil. A 325 degree oven is usually the desired temperature and the meat is placed in a shallow roasting pan on a rack, fat side up. The fat melts and bastes the roast as it cooks.

Hamburger patties, as well as other small tender cuts, may do well by being broiled. Steaks and chops should be cut at least 1 inch thick for best flavor results. They can be broiled frozen

or thawed. Clare cautions that broiling is not recommended for fresh pork, which requires longer cooking time, or for veal, which is lacking in fat. But, smoked ham and bacon are often broiled.

Pan broiling is similar to broiling except the meat is cooked by direct contact with hot metal of the pan instead of by direct heat as in actual broiling. No fat is added. To prevent meat from sticking, the pan may be rubbed with a small piece of fat trimmed from the meat. Fat is usually poured off as it accumulates in the pan.

Pan frying is like pan broiling except that a small amount of fat is added to the pan. This method is used for breaded or flour-coated meats, for small frozen cuts and for meats which are very low in fat, such as liver or cube steaks.

For less tender cuts and for some tender cuts such as pork and veal chops, steak and cutlets and pork liver, try braising. Braising is ideal for pork shoulder. Such a cut is tender, but reaches its flavor peak only after long slow cooking.

In braising the meat is seasoned and browned and then liquid is added; it's covered and allowed to simmer. Meats are braised with such liquids as water, tomato juice, broth or cider.

H. Felix and T. Browe tied for high series this week but both were for a losing cause. Sinclair Oil took four points from Airport Inn and Townhouse took three from Browe Electric. Felix fired a 213 and 551 series and Browe rolled a high game of 191 and a 551 series. Felix's 212 took high game honors.

Bob Gil and Ted Ager led the Sinclair's to a four game sweep with identical 528 series. Freedman's No. 2 took over first place in the standing by taking three points from Neff's.

In other games Moonlight Gardens took four points from Freedman's No. 1. Brown Motors took four from Swanson's Gravel and Puff's took three from Charlevoix Cleaners.

The high team games for the week were: Sinclair 848; Townhouse, 846. Taking high series were Sinclair with 2493 and Airport Inn with 2385.

District Executive For Scenic Trails Council Has Resigned

The resignation of John Murchie as District Executive of the Northern District of the Scenic Trails Council, Boy Scouts, has been announced by Donald E. Berg, Scout Executive of the council.

Mr. Murchie is leaving the Council to enter business in Harbor Springs. His resignation will become effective March 1. He has served the council since July 1, 1953.

Soil Bank Payments Determined By Basic Acreages On Farm

Farmers earning payments under the Conservation Reserve program of the Soil bank know that the "soil bank base acreage" is an important part of the plan, but they may not fully understand why or how it is determined. Carlton Smith, chairman of the Charlevoix county Agricultural Stabilization and Conservation committee, said this week.

A "soil bank base acreage" is determined for each farm to be included in the Conservation Reserve program in order to insure that a producer does not put land into the Conservation Reserve and then increase his production of non-conserving crops on the rest of the farm by shifting land from conserving or idle use to non-conserving uses, he explained.

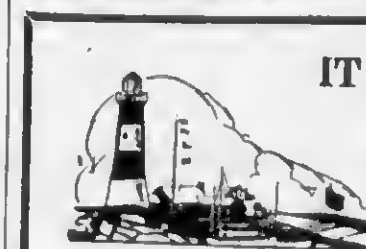

He went on to explain that the soil bank base acreage for a farm is "the average of soil bank base crops grown during the years since 1954 and previous to the first year of the Conservation Reserve contract."

Farmers interested in learning further details about participation in the Soil Bank Conservation Reserve program should contact the county ACS committee.

In Memoriam

In loving memory of our dear husband and father, Archie Brown, who passed away Feb. 12, 1954.

IT HAPPENED ON . . . BEAVER ISLAND

By Loy Malloy

The weather is starting out bright and clear for another week. Last week was really nice. It almost would give you spring fever.

Mr. and Mrs. Art (Lano) McCafferty and family and Landonis Mooney are visiting their parents, Mr. and Mrs. Frances Mooney.

Dr. William, John C. Norton, an engineer, and Franklin Sears of Marine Construction Co. of Traverse City, were here during the past week to study further the possibilities of building a dock.

Patrick LaFreniere Jr., has returned to the Island.

Last Thursday evening the annual meet of the Beaver Island Civic Association was held in the Parish hall. Election of board members was held and those elected were: Donald Cole, Mrs. Dorothy McGregor, Mrs. Bud Left, Lloyd McDonough and D. Archie LaFreniere.

Mr. and Mrs. Bud Left have gone on a trip to the mainland. They expect to be gone about 10

days. Danny Gallagher, son of Mr. and Mrs. Johnny Gallagher, celebrated his 10th birthday on Saturday. A few of his school pals helped him celebrate the occasion.

Archie LaFreniere Sr. and Archie Jr. flew to the mainland Sunday to pay their respects to the family of Marshall Griffin, who died in East Jordan on Saturday. He was a brother-in-law of Archie Sr.

Mr. and Mrs. Roger Carlisle have returned to the Island after an extended visit on the mainland.

Mrs. Grant Hastings

Service Held For Edward H. Boss, 60, Former Resident

Ellsworth—Edward H. Boss, 80, former Ellsworth resident, died early Saturday morning at Whittemore, Michigan, where he had made his home for the past three years with his brother, William.

Mr. Boss operated the local hardware store with his father from 1903 to 1925 when they sold out to the late Kos Klooster. He was a member of the Ellsworth Marine Band until it was disbanded several years ago.

Mr. Boss was an authority on ox roasting and was in demand in all parts of the state to supervise roasts at different functions. At one time he was invited to roast the ox in Alabama celebration and accepted the invitation. His ox roasting career started about 1912 and continued until about 1930.

Mr. Boss served as Banks Township clerk in 1917 and 1918. He was born in Banks Township Nov. 11, 1876 and lived most of his life in this vicinity.

He is survived by three brothers, Tracy of Ellsworth, George of Portland, Oregon, William of Whittemore, Mich., and one sister, Mrs. John (Blanch) Kuhn of Midland.

Services were held at the Ellsworth Pilgrim Holiness church Tuesday afternoon with Rev. Douglas VanGessel officiating.

Burial was in Ellsworth cemetery.

Caucuses

Because a recently held caucus to nominate candidates for village offices was ruled out of order, a second caucus has been called for Monday, Feb. 18, to be held at the Community hall at 7:30 p. m.

Talent Show

A large crowd attended and enjoyed the senior sponsored talent show in Ellsworth Community hall Saturday night.

Taking first place prize of \$10.00, was Barry Pischner of Charlevoix with a vocal and instrumental number; second prize of \$7.00 went to Jean Slough of East Jordan for her vocal selection; third prize of \$5.00 went to Gile Yettaw, Cynthia and Nanette Edson of Ellsworth with a novelty musical number. Honorable mention went to the Clarinet ensemble composed of Claudia Dawson, Carol Peebles and Pat McPherson of Ellsworth.

Judges were Miss Donna Young of Central Lake, Mr. L. B. Karr of East Jordan and Mr. Herbert Schfield of Charlevoix.

There were 11 entries from Charlevoix, East Jordan and Ellsworth.

Old Land Marks Gone

Progress takes its toll in many ways. Recently some of the oldest and largest trees in Ellsworth gave up to progress when the Consumers Power Co. crew trimmed and cut them down as a safety measure because of the power lines.

These old trees stood in front of the property now owned by Morry Taylor. They were planted by Henry and Alex Yettaw, who built the house about 1893, to serve as a boarding house and was operated under the name of Hotel Columbia. Later in 1898 it was taken over by Dr. Dewey Ford and Dr. Ruy Ford.

P. A. T. To Meet

A representative from the Scenic Trails Boy Scout council in Traverse City will be present

at the Banks Township P. T. A. meeting to be held next Tuesday at 8:15 p. m. in Banks school. He will explain the organization of a Cub Scout pack with the possibility and hope that the local P. T. A. can sponsor such a program for the 8 to 11 year old boys in this area. If you are a parent of a boy in this age group and are interested, the meeting should be of value to you.

Mother-Daughter Honored

Mrs. Leonard Strange and baby daughter, Brenda Jo, of Ellsworth were honored at a shower held Friday evening in the Sebe DeVries home in Atwood. Mrs. Peter Vander Sleek assisted Mrs. DeVries.

The honor guests received a number of lovely gifts.

Bride-Elect Honored

Miss Gladys Fiedstra whose marriage to Richard Dreyer will be an event of this coming Saturday, was honored at a miscellaneous shower, held Friday evening in the social room of the Ellsworth Christian Reformed church.

Games provided entertainment. Gladys opened her gifts and expressed her appreciation to the guests.

Hostesses were Mrs. Albert Fiedstra, Mrs. Casey Harthorn, Mrs. Henry H. Heeres, Mrs. Jake DeGroot and Mrs. G. P. Vander Ark.

Richard Rius Breaks Leg

Richard Rius, seven year old son of Mr. and Mrs. Henry Rius, suffered a broken right leg in a sledding accident Monday after school while playing with the children of Mr. and Mrs. James Klooster of Atwood, at their home. Rius was taken to Charlevoix hospital, where X-rays revealed both bones were broken about half way between the knee and ankle.

Surgery was performed Tuesday morning and a plate inserted. He will be hospitalized about 10 days and the long days can be brightened by cards and notes.

Boyne City Cagers Defeat Charlevoix Rayders 44-40

Rayders Overpowered In Last Quarter Drive

In a nip and tuck battle in which the lead changed countless times, the Charlevoix Rayders bowed to the first place Boyne City Ramblers by a score of 44 to 40 Friday night.

The game, played on the Ramblers hardwoods saw each team score 15 field goals as the score at the end of the first quarter stood at 14-all. In the second quarter, the Rayders managed a slim 24 to 23 halftime lead before Boyne City took over 32 to 29 going into the final period.

Starting for the Rayders were Norm Helms, Ken Balch, Phil Timmer who took over the center duties formerly assigned to Joel Arvilla who will be out of the line-up for the remainder of the season, Bob Mol and Terry Davis, Mike Geneit and Glenn Bearss were the only other Rayders to see action.

With both teams playing cautious ball, Davis scored two field goals and two free throws, Balch came up with a field goal and two free throws and Helms and Mol scored a field goal apiece as Boyne kept pace on five field goals and four free throws.

Four field goals by Helms and one by Balch gave the Rayders a one-point, 24 to 23 advantage at halftime as the Ramblers scored three field goals and three singles.

In the third period, the Rayders were outscored nine to five as Davis dumped in a bucket, Mol hit on two free throws and Helms added one. Boyne City countered with four field goals and a charity shot to take a three-point 32 to 29 lead. Charlevoix tried to come back in the final period but Boyne City's accuracy on the free throw line was too much for the local

Mol scored one field goal and two charity shots, Timmer added one lay-up shot and one free throw. Davis, with five personal fouls, also left the game in the final minute of play.

The game was a defensive battle all the way as both teams were held to 15 field goals. However, Charlevoix committed 19 personal fouls on which the Ramblers connected on 14 of 26 attempts for the four-point victory. Charlevoix connected on 10 of 17 attempts. Boyne City had 11 personal fouls called.

Carl Charon was held to 12 points in the meeting while his teammate, John Juday, tallied 11. Helms had 11 and Balch 10 for the Rayders.

Little Rayders Control Game At Boyne City

Charlevoix's little Rayders racked up win No. 12 Friday with a 56 to 34 win over the Boyne City reserves despite the fact that they were playing without three regulars, Ron Vandenberg, and Bill Requette who were moved up to the Varsity squad and Bruce Peese who has a broken finger.

The little Rayders romped in to a 14 to nine first quarter lead, held a 24 to 19 halftime edge and 37 to 27 advantage at the third quarter mark. In the final period they outscored Boyne City 20 to seven for the lopsided victory.

Starting for the Rayders were Tom Lakies, Scott Supernaw, John Bingham, Ken Case and Red Ostrum, Joe Beaudoin, Stan Smith, Charles Coleman, Jim Ladd and John Martin joined the lineup later in the game.

Charlevoix's lads dumped in 14 points on six points by Lakies, four by Supernaw and two each by Bingham and Ostrum to get the local five off to a 14 to nine first period lead.

In the second quarter Case accounted for half of the 10 points Charlevoix scored in the period. Bingham added four, Lakies, Supernaw and Case a field goal each as the Rayders went ahead 24 to 19 at halftime.

Case won five points paced the scoring going into the second half, Lakies tallied four and Bingham and Ostrum a field goal each to outscore Boyne City 13 to eight for a 37 to 27 advantage going into the final period.

Supernaw dumped in eight points as the local five outscored Boyne City 20 to seven. Ostrum accounted for six more while Bingham scored a field goal and Beaudoin and Smith added a point apiece from the key.

Supernaw, with 17 points, paced the scoring for the game followed by Lakies with 12 and Bingham with 10. Shotelis had nine for Boyne City.

Rayders To Meet Gaylord And Petoskey In Games This Week

Northern Michigan Class C teams will go into the home stretch this week with only three games remaining on loop schedules.

Charlevoix will host the second place Grayling Vikings, Gaylord will play at Mancelona, East Jordan will entertain Harbor Springs and Boyne City will journey to Pellston.

In a non-loop game, Charlevoix will meet Petoskey in a return game on the Northmen's floor Saturday night.

The Rayders will take on the Grayling Vikings on the local hardwoods this week and should come up with a win over the team which downed them 65 to 45 in their initial meeting. Since then the Vikings have lost to Boyne City, East Jordan and Mancelona. They got back in the victory last Friday with a two-point win over Gaylord and with regular guard, Dave Lowe, back in the lineup will be prepared to take on Charlevoix this week. Despite the fact that the Vikings have two more victories than their hosts, the Rayders, if they play ball, should even the count and take the visitors.

On Saturday night the Rayders will renew relationships with the Class B Petoskey outfit which downed Charlevoix by a score of 52 to 51 the first time round. This game should be close and there's more than a slim chance that Charlevoix will take the Northmen.

In the second time round, the Gaylord Blue Devils are avenging earlier losses with little effort. After losing six straight games, they racked up wins over such teams as Harbor Springs, East Jordan, Charlevoix and Pellston before losing to Grayling by a two-point margin last week. Their first game with Mancelona was lost by a five-point margin. This week, Gaylord plans to even that score and very well may if they play the heads-up ball they have displayed at times. Mancelona, however, will be protecting its third place standing currently shared with Charlevoix and Harbor Springs and will be a tough opponent. The game will undoubtedly be close but the scrappy Blue Devils will have a very slim edge.

East Jordan was without the services of their top scorer, Larry Woodcock, when they met Harbor Springs in December and lost to the Rams by a score of 51 to 34. However, this time things may be different for the Red Devils will be playing on their home, which always seems to give them a boost. But they will probably be handicapped by the loss of Cal Darbee who may be out of the lineup indefinitely. Despite this they will be a tough adversary and the Rams will find themselves battling every second of the way if they hope to remain in third place.

First place Boyne City will play at Pellston.

When Burned

You can know wood thoroughly only after you have burned it. Hidden beneath the bark are secrets that only burning will reveal. There lie the tars and creosote, acetone and ethylene, resin and gums, wood oil and wood alcohol, acetic acid and sugars and a variety of confined gases. Flame unlocks the prison cells and sets these hidden captives free.

Fire is a revealer. It tells us what was there all along, but unknown. It manifests characteristics of wood that remain concealed until log becomes fuel. Then each word burns with characteristic flame. Each emits its own individual aroma. Each finds, at last, its voice and crackles, sighs, or softly murmurs, according to its temperament.

Impregnated with resins, gums and oils, spruce and pine logs burn with a fierce flame and a sharp crackling.

Elm, heavy with moisture and slow to dry no matter how long it is weathered after cutting, sobs and blubbers, and sheds watery tears as it burns.

Balsam and hemlock, spruce and tamarack are exhibitionists, wildly celebrating their demise as they carelessly throw sparks all around as if to take the whole world with them when they go.

Paper birch spouts a vivid, yellow flame, and apple wood furnishes a multicolored light. The blaze of hickory is nearly the hottest of any American wood. Indians taught our pioneering forebearers to use hickory in preference to any other of the abundant woods found here in this new land. So they did, for heating their cabins and smoking their hams and roasting their shins.

All woods reveal something, thus far hidden about themselves when they are burned. What fire does for wood is a crisis does for character. A crisis is character's opportunity to express its hidden nature. No one knows or shows his real colors while life is pleasant, easy and comfortable. Under stress, whatever that strain might be, the human spirit manifests its weaknesses and strengths.

Perhaps this is one reason a good God allows suffering in His world: it is the only way we can find out what we really are.

Little Theater Offers 'The Robe' As Dramatized

A dramatized version of the late Lloyd C. Douglas' famous book, "The Robe," will be presented by the Petoskey Little Theater March 4 and 5, Ross Stankes Jr., director of the group, has announced.

"The Robe," was chosen purposely by the Little Theater to coincide with the approach of the Lenten season, the feeling being that this was a fine story with spiritual impact that, at the same time, offered dramatic challenge of a type different from plays heretofore presented. The presentation of the John McGreevey dramatization is through special permission from the Drama Publishing Co. of Chicago.

The personnel of Petoskey's Little Theater realize it is impossible to put on the dazzling spectacular presentation that was possible in the cinema. However, the story is kept intact in the stage version, and, with lighting effects, music and costumes closely interrelated with the acting, the theater group feels that this presentation will offer a memorable experience to those who attend the play.

Season tickets will be honored but single admissions will be available at the door.

line concluding on 75 of their attempts. Larry Woodcock with 23 points scored on five field goals and 13 of 14 free throw attempts paced the game for the Red Devils. Ronnie Johnson and Bob Hardy shared scoring honors for the victors with 12 points each.

Grayling 57; Gaylord 55

Gaylord's winning streak was broken Friday night by an old rival. Grayling, after the Blue Devils lost Lonnie Campbell with 2 1/2 minutes to go and another regular, Dick Riddle, with 90 seconds remaining. Gaylord went ahead 16 to 14 at the quarter but the Vikings came back to knot the score 26-all at halftime. Going into the third quarter Gaylord again took the lead, for a 45 to 38 advantage as the period ended. As the game drew to a close, Grayling closed the gap and then went ahead after Gaylord lost Campbell and Riddle. Grayling's Bob Strong was top scorer with 26 points scored on 11 field goals and four of six free throw attempts. Darwin Mason had 14 for Gaylord.

Harbor Springs 71; Pellston 53

With only six players in uniform, Pellston finished the game with only four men on the floor after losing Ray Durkalec midway in the final period and Duane Johnston with 30 seconds remaining.

Paced by Dick Keller who had 25 points, Harbor Springs led 26 to 13; 39 to 27 and 61 to 31 by quarters. Pat Cabinaw had 18 for Pellston.

One Charlevoix county draft registrant Leonard K. Burns of Charlevoix, has been ordered to report for duty in the armed forces Feb. 25 to fill the February draft quota. He is a volunteer.

One registrant will be called for induction and one for pre-induction physical examination in March.

Guild Will Give Nursing Scholarship

(Continued from page 1)
The field of professional nursing, will be paid to the recipient at the rate of \$100.00 upon entrance into an approved school of nursing and \$100.00 on the anniversary of this occasion for the next two years. However, if the student withdraws from the school for reasons other than illness, the money she has received must be repaid to the Guild.

Application blanks for the Guild scholarship may be obtained at the office of high school principals in East Jordan, Ellsworth and Charlevoix and must be returned to the Scholarship Committee at Charlevoix no later than April 15.

The scholarship recipient will be selected by a committee composed of Mrs. Freedman, Mrs. L. E. Grate, Frances Milner and Frances Martin of the Guild and Keith Annear of East Jordan, and H. E. Bingham of Charlevoix, principals in their respective schools and Richard Lather, superintendent of the Ellsworth schools.

The selection will not be made until all applicants have been accepted or rejected by the nursing school where they have filed applications.

Joan Heilig, Charlevoix high school graduate who is now a freshman student at the Mercy Central School of Nursing in Grand Rapids, was the recipient of the first nursing scholarship offered by the Guild.

Robert Bridge Is Awarded Citation By Treasury Dept.

Robert Bridge, Charlevoix county Savings Bond committee chairman, has been awarded a coveted Treasury citation in recognition of the fact that, under his leadership Charlevoix county achieved its 1956 U. S. savings bonds sales goal of \$197,320.

Total purchases of series E and H savings bonds by residents of Charlevoix county were \$228,738.00 in 1956, which compared with \$216,823 in 1955.

Mr. Bridge also received the Eisenhower Prayer Award which is a beautifully laminated copy of the prayer given by the President on the occasion of his first inauguration Jan. 20, 1953. The accompanying certificate is signed by Secretary of the Treasury, George M. Humphrey and by the State chairman of the U. S. Savings Bonds Division.

Charlevoix county was among the 43 Michigan counties which attained their 1956 savings bonds quotas.

Auto Collision Fatal To One: Six Injured

A Norwood township resident, Mrs. Paul Schantz, 58, died early Monday at the Charlevoix hospital from injuries received Sunday night in a two-car collision 12 miles south of here on US 31 which injured six others.

Mrs. Schantz, who was a passenger in a car driven by her husband, Paul, 63, suffered multiple fractures on a dental injury. She was taken to the hospital via ambulance and died eight hours later.

County Democrats Name Delegates To State Convention

Charlevoix county Democrats named delegates and alternates to the State Democratic convention in Grand Rapids Feb. 28 at their county convention held Wednesday at the city hall.

Delegates named were Ralph Hemil of Boyne City and Julius Elzinga of Charlevoix. Alternates are Mrs. Elzinga, Mr. and Mrs. Theodore Tuisson and Maurice J. Foster, all of Charlevoix.

The delegates were uninstructed.

Mrs. Elmer Rood Succumbs After Extended Illness

Ellsworth—Mrs. Elmer Rood, 67, died Feb. 13, in the Charlevoix hospital where she had been a patient since November 1955. She was born Ella Caroline Olson, April 12, 1889 in Boyfield, Wis.

On Nov. 26, 1910, she was united in marriage to Elmer Rood in Iron River, Wis.

After living in Boyfield for some time they came to Ellsworth in 1923 where Mr. Rood became associated with the canning factory.

Survivors are her husband, Elmer, three sons, Lloyd of Pierston, Ind., Walter and Melvin of Ellsworth and seven grandchildren; three sisters, Mrs. Anne Sundquist, Mrs. Christine Mahn and Mrs. Albertina Irmann, all of Boyfield, Wis.

Services were held Saturday afternoon at the Pilgrim Holiness church with Rev. W. L. Silvers, pastor of the church, officiating. Burial was in the family plot in Ellsworth cemetery.

Class 'C' Teams See Action In Non-Loop Games

In two non-league games played Tuesday night Grayling dumped Kalkaska 56 to 46 and Pellston lost to Cheboygan 62 to 81. In a third game played Saturday night, Harbor Springs trounced Cheboygan 67 to 53.

At Kalkaska, the home team romped into a 14 to 9 lead over Grayling before the latter went ahead 26 to 24 at halftime and 43 to 34 going into the final period. Allen Ryckman paced the scoring with 18 points for Kalkaska.

At Pellston the Hornets almost dumped the visiting Class B Cheboygan Chiefs but saw their hopes shattered as they lost four regulars in the last four minutes of play.

Harbor Springs, however, trounced the Chiefs on the latter's floor Saturday night. Pete Graham dumped in 22 points as his team led 19 to 5; 26 to 20 and 50 to 35 by quarters. Armand Nordberg had 13 points for the Chiefs before leaving the game in the third quarter after collecting five fouls.

Survey Business To Determine Bus Re-Instatement

Jack Foster, representative of the Greyhound Bus Co., was in Charlevoix on business Monday and Tuesday.

While here he called on all local industries which might be interested in using the freight and express service offered by the bus company.

The survey of all industries along the route formerly served by the direct bus route from Charlevoix to Detroit is being made by the bus company following a hearing here last week during which the seven communities located on the route asked that enough industries support the service offered by the bus company, the bus company may consider reinstatement of the service.

Plan Special Feature Event At Mt. McSaubia

Plans for a Mt. McSaubia weekend at the ski park with a special program of entertainment arranged by Royce Delany, ski instructor, were announced this week.

The big event will be held the weekend of March 2 and 3 and will feature two days filled with special entertainment.

Saturday afternoon, March 2, will be devoted to the children with special entertainment especially for them.

The Winter Sports queen who is to be selected this week by Charlevoix high school students will be crowned during a coronation ceremony Saturday evening. A torch light parade on the ski slope will climax the Saturday night festivities.

Sunday afternoon will be Mardi Gras day with all skiers appearing in costume. Those who fail to appear in costume must pay a special fee.

With the snow covered with a fall of new snow and the temperatures hovering in the 20's, skiing conditions have been very good. A large crowd gathered at the park Tuesday evening. A forecast of below normal temperatures during the next 30-day period is expected to keep the slope in excellent condition.

In order that skiers may use the facilities as much as possible during the few remaining weeks, the park will be open from 8 to 10 p. m. Wednesday and Sunday evening. Season tickets, however, will not be valid on these nights.

Wednesday has been designated as ladies day with the park remaining open from 2 to 4 p. m. There will be a nominal charge for use of the facilities at this time.

If you have not visited the park this season, you are invited to do so sometime during the weekend. Everyone is invited to the park for the special festivities planned for the weekend of March 2 and 3.

Churches Sponsor First Hymn Sing At Barnard Church

The first of three Hymn Sings sponsored by the Charlevoix Ministerial association will be held at the Barnard Reformed church at 9 p. m. Sunday, the Rev. Wilson Rinker, pastor of the host church, has announced.

C. A. Odmark, director of music in the Charlevoix public schools, will direct the hymn sing. He will also play a violin selection, accompanied by Joseph Hanna of Petoskey who will play a medley of gospel hymns.

Bertman Rowe of Petoskey, widely-known concert baritone, will sing and during the last 15 minutes of the hymn sing will lead the group in singing hymns chosen by the congregation.

Everyone in the community, especially the young people are invited to attend the gospel hymn sing.

Similar hymn sings will be held at the First Methodist church March 31 and at Community Church of God April 28.

Only when traveling long distances do Canada geese fly in the well-known V-shaped pattern.

Set Deadline To Apply For Soil Program

The deadline for signing soil bank conservation reserve contracts effective this year has been extended from March 15 to April 15, it was announced this week.

The conservation reserve program is a long range program of the Soil Bank under which farmers may sign contracts to divert general crop land from the production of crops to soil and water conservation uses, tree planting and wildlife protection for periods of three, five or 10 years. On the five and 10 year contracts, payments up to 80 percent of the cost of establishing a conservation practice may be made to participants. All participants will receive annual per acre payments for land in the reserve for the duration of their contracts when they remain in compliance with the program.

The farmer who delays signing his contract for the Conservation Reserve program on the assumption that he will build up his base acreage may be disappointed, is the warning issued this week by Carlton H. Smith, chairman of the Charlevoix Agricultural Stabilization and Conservation committee.

In explanation Mr. Smith points out that the total funds available for the program are limited. At the start each farmer receives a payment for establishing cover on the designated land and then receives an annual payment which, for the county as a whole, averages about \$10.00 per acre.

A greater share of the total available funds must go to make annual payments and less will be available for payments on new contracts. This may mean that fewer farmers will be able to join the program in 1958 than this year and still fewer in '59 and '60.

Information regarding this program may be obtained by calling the Charlevoix county ACS office in Boyne City or by contacting Mr. Smith.

Charlevoix High School Bands To Participate In Festival

The annual Qualifying Festival for District two of the Michigan School Band and Orchestra Association will be held at the new Lincoln school in Petoskey Saturday.

Two Charlevoix bands, directed by C. A. Odmark, will go to Petoskey to participate in the festival. They are the 58-piece Charlevoix high school band which is scheduled to appear at 11:30 a. m. and the 47-piece Charlevoix Reserve band which will play at 2:25 p. m.

Charlevoix's two bands are among the 12 northern Michigan bands entered in the festival at Petoskey. Each will play three concert selections and two sight-reading numbers before the judges for criticism and ratings.

Judges will be Leonard Falcone, director of Michigan State University bands, Keith Stein of the Michigan State faculty, Norman Dietz, director of the Central Michigan college band and Edgar Ross of the Central Michigan faculty.

Rex Hewlett, director of the Mt. Pleasant high school band, will serve as judge in the district Solo-Ensemble festival being held Saturday in conjunction with the Band and Orchestra festival. Charlevoix's only entry in this event will be Ellen Miller, French horn soloist, who will be accompanied by David Miles.

The Charlevoix high school band, entered in Class C, will play the following three numbers, "March Forth" by Moore, the required number, "Fantasy for Band" by Erickson and the selected number, "Impressario Overture" by Mozart. The senior band last year earned a first division rating in the district festival and went on to take top honors in the state festival at Muskegon. This year's band is seeking another top rating in district competition and an opportunity to participate in the state Class C festival to be held in East Lansing, April 13.

The Reserve band, composed of 47 eighth and ninth grade music students, is making its first appearance in district competition. Entered in the Class C junior high classification, the younger group will play "Activity" by Bennett as their warm-up number, the required selection, "Two Moods" by Grundman and (continued on page 10)

The Masons continued their winning streak over the Oddfellows in the seventh round of their annual tournament last Thursday night, stretching their lead to 1042 points. They outscored the I. O. O. F. 200 points in the round.

George Bergmann, playing for the Masons scored 960 points for high man. Fred Bergmann scored high for the Oddfellows with 932 points.

Council Meeting Called To Decide On Centennial

The Charlevoix city council will meet at the city hall tonight (Thursday) for its regular meeting, postponed from Monday because of the primary election.

A decision regarding a centennial celebration for Charlevoix will be made at the meeting. Representatives of all local organizations and others supporting the project are asked to attend the meeting in the council room at 8 p. m.

Township's First Primary Election Draws Light Vote

In Charlevoix township which held its first primary election Tuesday, only 49 registered voters out of a possible 125 appeared at the polls. In the past the township held a caucus to name candidates.

In the major contest for two seats on the board of trustees, Henry Steffen polled 31 votes and incumbent Edwin P. Zeiler received 24 to win the nomination over incumbent Dale E. Boss who received 16 votes and Donald M. Gilbert who polled 20 votes.

In the only contest on the ballot between Republicans and Democrats, Republican incumbent H. Keith Wagner polled 32 votes for member of the board of review while his Democratic opponent, Stanley Houghton, the only Democrat on the ballot, received no votes.

Incumbents who won nomination were supervisor, Clarence F. Rabach, 38 votes; clerk, Kathryn B. Smith, 39; treasurer, Ross Bergmann, 39 votes; justice of peace, Fred W. Bancroft, 20 votes as a write-in candidate.

Mr. Bancroft, Dale E. Boss and George A. Odmark received one write-in vote each for constable and Bradford Foster received three and George Cook one for highway commissioner. Bernie Ward Jr. received one write-in vote for supervisor.

A. James Hiller Wins Nomination For Mayor In Light Primary Vote

In the only contest in the primary election here Monday, incumbent E. James Hiller defeated John Wolf for the nomination for mayor.

The election created little interest and only 451 voters out of a possible 1775 visited the polls.

Hiller polled a total of 289 votes, receiving 98 in the first ward, 103 in the second and 86 in the third while Mr. Wolf received 28 in the first, 65 in the second and 69 in the third wards for a total of 162 votes.

Others who won nomination without opposition were treasurer, Nelie A. Hammond who received 395 votes and clerk, Hugh Mayne who polled 389.

In the wards Clare Staley received 102 votes as alderman and Lynn Phillips 105 for supervisor in the first ward. Karl Erber received one vote and Richard Edwards two for the aldermanic post and Max Novak, Clarence Wood and Herbert Campbell, one each for supervisor.

In the second ward Franklin Boss received 137 votes for alderman and T. R. Miller, 123, as supervisor. Arthur Staley and Earl A. Young received one vote each for the office of supervisor.

Edward Hansen received 129 votes for alderman and Jess Smith 124 for supervisor. George Plumm and Ralph S. Hamilton polled one vote each for the office of alderman and Allen Campbell one for supervisor.

John Connolly received a total of 25 votes for the office of justice of the peace; H. E. Paddock received 13 and Ralph Hamilton three. Others who received one vote each were Le Moerland, Steve Dubell, Mike Hamlin, Leonard Burns, Charles Bleha, Jeff Novotny and Robert Wallace.

Write in candidates for constable in the first ward and the number of votes each received were: Joseph Howard, 11; Charles Bleha, two; and Earl A. Young, John Swanson, Fay Davis, Max Novak, Richard Edwards, Richard Bergmann, Leonard Burns and Herbert Schofield, one each.

In the second ward the following write-in candidates were named: J. K. Moore who received five votes; Frank Oleksy who received two and Grover Genett, Clarence Coblenz and Clarence Heise, one each.

Write-in candidates in the third wards and their votes included: Henry Supernaw, 12; Carl Korth, three; Julius Elzinga, 10; Helms, Martin Elzinga and Buck Dillison one each.

Winning the nomination in the primary election is tantamount to nomination. The names of the winners will appear on the ballot in the April 2 general election.

Father And Son Banquet Draws Capacity Crowd

More than 210 fathers and sons gathered at Harmony hall of the Methodist church Monday evening for the annual Father and Son banquet sponsored by the Women's Society of Christian Service.

The Rev. William Blanding, superintendent of the Grand Traverse district, gave an interesting and inspiring talk addressed to the sons in the audience as well as their fathers.

Dean Davenport as toastmaster introduced the Rev. George I. Majors who gave the toast to the sons and his son, George Richard, who responded with a toast to the fathers. The Rev. Lloyd M. Schlopp gave the invocation. Don Bogart led the group in singing many familiar songs.

The Kiwanis club and their guests attended the banquet as a group.

Susanna Wesley Circle To Sponsor Spaghetti Supper

The Susanna Wesley circle of the Methodist church will sponsor an Italian spaghetti supper at Harmony hall next Thursday, Feb. 28.

Mrs. James Barni is general chairman of the event. Serving will be from 5 to 7 p. m. Tickets may be purchased from circle members.

Team Drawings For Tournaments To Be Held Tuesday

Drawings for the annual Class C district tournament in which Charlevoix will participate beginning March 6, will be held at the Petoskey high school at 4:30 p. m. Tuesday.

Drawings for the Class B district tournament will be held at the same time.

The tournament is scheduled to open Wednesday, March 6, with all four Class C teams playing in two games. The Class C finals will be held Friday night.

All four Class B teams will play in games scheduled for Thursday with the Class B finals being held Saturday night.

Drawings for the Class C and D tournament at Gaylord will be held the same day.

Clubs Accepting Invitations To Pistol Matches

Early response to the invitation to a pistol tournament to be held at the Charlevoix Rod and Gun club March 3, indicate there will be about 25 contestants representing four clubs in northern Michigan.

Clubs expressing a desire to participate include Traverse City, Roscommon and Harbor Springs along with the Charlevoix club, according to Gordon Neff who has had the responsibility of extending the invitations.

A delegation from the Harbor Springs club, co-sponsoring the tournament with Charlevoix, will meet with the local club Thursday evening to work out further details of the shoot.

Legal Holiday To Be Observed Feb. 22

In observance of Washington's birthday Friday, Feb. 22, the U. S. postoffice, draft board, liquor store, banks and all county offices will be closed for the day. Offices at the city hall, however, will remain open and schools will be in session.

ODDS 'N' ENDS

By Fran Martin

Don't know how you feel about it, but to our way of thinking we're on the last lap of winter with only a few weeks remaining and spring is just around the corner. Of course that corner is several blocks away but with the days getting longer and with the sun shining again, why, who can worry about winter?

But by the looks of things, we're going to have more than a little skiing and skating during the next few weeks. According to the long range forecast, the temperatures the next 30 days are going to be below normal. So who knows, maybe we'll be enjoying our winter sports for another few weeks.

Only two more basketball games remaining in this year's schedule so if you want to see our Raiders in action, better hit yourself off to the gym Friday night and see the kids play East Jordan. They've been doing all right recently despite their losses. When kids give their best, what more can you ask? So how's about turning out for the home game this week. And for the forthcoming tournaments, which will get underway at Petoskey the first full week in March.

Don't know who's the most excited about the families in Miss Roberts' room at school. The youngsters or the teachers? We happened to be down at school recently and everyone asked us if we'd been to visit them. We hadn't so we made a quick trip to her room only to find two families of hamsters. Some of them not much bigger than a minute but all cute as buttons. Seems the little ones were just learning to eat their food from a dish. And you should see them fill their little chops. regular little pockets in their cheeks.

Had a grand chat recently with a former Charlevoixian, Ned Wagner, who was here from Virginia. He has a wonderful new interest in Little Theater and down there they don't fool. They've done, among other things, "South Pacific" and "Kiss Me Kate" plus a number of other plays. It's a large group which attracts members from Hampton, Norfolk and that general area. plus service people stationed there. Interest in northern Michigan's Little Theater is lagging, we understand, so why not join up and give them a boost. It sounds like great fun.

And speaking of fun. We had a wonderful time the other night at the annual Cub Scout Blue and Gold banquet, which, to our way of thinking is equalled only by the Girl Scouts Father and Daughter banquet. It's fun to see the little ones receiving their awards. They're all so serious about it. And it's fun too because you see so many people you seldom see on the street. Right now there's need for Den Mothers so why not join in the fun and get yourself a den. your programs are planned and you'll love working with the youngsters. It's a shame that any child should be denied the privilege of belonging to the Cub Scouts for lack of den mothers.

If you're interested, call Charlie Bloha... or see Pete Burns

Know anyone who's been at the Zanzibar at the Gulfstream Hotel in Fort Lauderdale recently? We received a very clever folder from there... but sorry to say, didn't recognize the writing. Guess all our people who are wintering elsewhere are having themselves too good a time to remember us back here. We've had little mail. However, we expect a story on the Charlevoix-California picnic held in Glendale over the weekend. It's always nice to know who attended. And from Daytona Beach a note from Mrs. Raymond Nowland with a big hello for friends and a thank you for all the cards and letters. But she's going strong again now so you'll be hearing from her.

Remember the robins we mentioned a couple weeks ago? Our good friend, Will Hampton, came up with an explanation of them he'd gotten from the curator at the wildlife section of Blaney Park in the upper peninsula. Dr. Karl Christofferson. He thinks, as a result of his work with wild animals and birds, that a new breed of robins is developing. He had a flock of them at the park. Mr. Hampton writes, he described them as not as full breasted and with slightly different markings on the head. A curator at the Fish and Wildlife division in Washington has heard of them and asked for a specimen which Dr. Christofferson sent along. But as yet has no formal announcement about the snow-loving robins. Who knows... maybe Charlevoix is one of the places where this development is taking place. Now wouldn't that be something.

We created a lot of interest last week with our little squib about John Shay who once lived in Charlevoix. Mrs. E. J. Smith called to say she was a cousin of his but didn't realize he was still alive. And was going to get a letter off post-haste to him. She told us that the harness shop his brother, Levi, once operated was located in the block between Mason and Antrim sts., about where Dal Henry's barber shop is now located. Several others remembered the family and told us interesting things about them.

What Christ and the Church Mean To Me

This is one of a series of articles written by laymembers of various churches in the Charlevoix area and sponsored by the Charlevoix Ministerial Association.

By Clarence Way
Member Assembly of God Church

Since Christ took my place on Calvary, became my substitute, and bore all the wrath of God means Eternal and complete deliverance from sin, its guilt and consequences. To break this down a bit, since sorrow, sickness, and death are the results of sin, He means victory over Spiritual death, resurrection from Spiritual death and as much victory over sorrow and sickness as I will trust Him for in this life. These all He bore in His own body on the tree and has become to me the Author of the life more abundant. This new life in Jesus brings a joy, richness, and happiness never known before. Thus He means health, joy, and security, in fact every thing in this world and in the world to come that my hungry, needy soul could crave. With Him in my life the otherwise ordinary humdrum of affairs in this world spring into new grandeur and usefulness.

The church is His body into which we are baptized, or placed by the Spirit for the purpose of serving and pleasing Him during our lives in this world. It thus becomes our Spiritual abode or "domestic enroute" or as one has said: "A Heaven to go to Heaven in." The church affords

that fellowship so vital to the Christ pleasing life. It is in the local church, or group that we "work out our own Salvation" as "God works in us". It is our great task of reaching others for the Lord. It is in the church services where we may minister one to another and be built up and refreshed in our zeal for the work of the Lord. These and vastly more Christ and the church means to me.

Marie Nielsen Becomes Bride Of James Shepard In Church Ceremony

Marie Nielsen, daughter of Mr. and Mrs. Ole E. Nielsen, of Iron-ton, became the bride of James Shepard, son of Mr. and Mrs. William Shepard of East Jordan in an impressive double ring service solemnized at the Community Church of God Saturday evening.

The Rev. Kenneth Mitchell, pastor of the Iron-ton Congrega-tional church, officiated at the service in the presence of 200 guests. Arrangements of white gladioli, mums and snapdragons with accents of pink and lighted tapers graced the altar for the candlelight ceremony.

Mrs. Charles Bellinger, aunt of the bridegroom, played a pro-gram of traditional music and the wedding marches. She also ac-companied the soloist, Mrs. Char-les Pontius.

Escorted to the altar by her father, the bride chose a gown of white nylon lace over satin for her wedding. It was fashion-ed with a fitted bodice, Peter pan collar, long sleeves and flow-ing floor length skirt. A seed-pearl tiara secured her finger-tip veil and she carried a bouquet of white mums, red roses and mi-niature red velvet hearts.

Barbara Nielsen as her sister's maid of honor wore a gown of medium blue taffeta styled with a scoop neckline and full skirt with an overskirt of matching net. Mrs. Dean Davenport of Mt. Pleasant, cousin of the bride, as bridesmaid, wore a gown of light blue taffeta identical to the honor attendant's. Each carried a heart-shaped bouquet of red roses and white mums.

Darlene and Marlene Cunn-ingham, twin cousins of the bride, were flower girls. They wore floor length gowns of light blue taffeta and carried baskets of white flowers and red hearts.

Kenneth Shepard, of East Lan-sing served his cousin as best man. Sam Milstein, also of East Lansing, was groomsmen. Law-rence Chanda of East Jordan and Bruce Taber of Lansing, cousin of the bridegroom, acted as ring-bearers. Mrs. Nielsen chose a navy dress and pink accessories for her daugh-ter's wedding. Mrs. Shepard, mother of the bridegroom, wore a navy crepe dress with white accents and pink accessories. Both had corsages of pink and

white mums. Immediately following the cere-mony, a reception was held at Fellowship hall. Mr. and Mrs. Clyde Cunningham, uncle and aunt of the bride, were master and mistress of ceremonies.

For traveling on their wedding trip to southern Michigan, the bride selected a chocolate brown suit and matching accessories. The couple plan to spend two weeks in East Lansing while Mr. Shepard completes the last term of a short course at Michigan State University. After mid-March they will reside in East Jordan.

Both are graduates of the East Jordan high school. The bride is also a graduate of the Muskegon School of Business. Mr. Shepard will complete a series of short courses at Michigan State Uni-versity March 6.

Wedding guests were present from East Jordan, Iron-ton, Boyne City, Lansing and other southern Michigan cities.

Pythian Sisters Hold Installation For New Officers

The Pythian Sisters of the Charlevoix Temple No. 149, re-cently held a private installation of officers at the K. of P. hall.

New officers who were in-stalled at that time were Mrs. Glean Ingalls, past chief; Mrs. Jess Penn, most excellent chief; Mrs. Albert Edwards, excellent senior; Mrs. Albert Smith, excel-lent junior; Mrs. George Roff, manager; Mrs. Abe VerWys, sec-retary; Mrs. Harold Dutcher, treasurer; Mrs. George Cook, protector and Mrs. Charles See, guard.

Mrs. A. D. Cunningham was the installing officer.

Following the installation cere-mony, members enjoyed re-freshments and a social hour.

Book Reviews Are Feature Of Dickens Study Club Meeting

Two book reviews were fea-tures of the regular meeting of the Dickens Study club held Monday at the home of Mrs. Harley I. Ochs.

Mrs. R. G. Bennett reviewed "Oliver Twist" and Mrs. Harry Ladd reviewed "Great Expecta-tions".

Cards from Mrs. Malcolm Mac-dowell, club member who is on a two-months cruise to South America and Africa, were read by members. The cards were sent from Trinidad.

Refreshments and a social hour concluded the meeting.

Cancer Society Is Seeking Materials

The local division of the Char-levoix county unit of the Amer-ican Cancer Society is seeking white goods to be used for pads for a cancer patient.

Old sheets, pillowcases or other pieces of white material would be acceptable, according to Mrs. J. C. Marshall, who said that the local group making up to six dozen pads a week.

Anyone having such materials is asked to call Mrs. Marshall.

Banks Caucus Results

Correction

Eighty-six interested citizens turned out at the Banks Township caucus Monday afternoon. The clerk's office was the main interest since Mr. T. E. Boss, township clerk for the past 48 years announced that he would not be available for nomination. John Kooyer was placed in that office on the ticket by a large majority.

Presiding at the caucus was Nick DeYoung as chairman, John Timmer as clerk, Tom Wynsma and George Jake Drenth as tellers. Other offices filled on the ticket were Paul Doctor, supervisor; Gerrit John Drenth, trustee; John Peebles for a four year term, justice of the peace, Peter John Drenth, two year term; William P. Smith, as member of the Board of Review, Nick DeYoung, John Timmer, and Gerrit Rubingh as the caucus committee, all incumbent officers and placed on ballot by unanimous vote.

In the write up last week about the passing of old land marks, your correspondent misunderstood about the Ford family. It was stated that the Ford's, who operated the sanatorium in Ellsworth in the house now occupied by the Merry Taylor family, were brothers. Instead they were Doctor Dewey Ford and wife Ruey Ford.

Village Caucus Results

Sixty village citizens attended the village caucus Monday night. In the race for village president, Charles Edson won over John DeYoung by a 15 vote lead after a second ballot.

John Kooyer won the place of clerk by a large majority. Rhea Dawson incumbent treasurer won by unanimous consent of the voters.

George Koster won by a good majority over Maynard Alward whose term will expire for trustee a two year term. Max Bolser incumbent trustee, whose term

Gives 14% More Knock-Free Power IT'S POWER-PRIMED WITH ROCKET FUEL

You benefit from not just one but two mighty fuels when you power up with Sinclair POWER-X. In this new premium gasoline, Sinclair combines the power of high octane gasoline with rocket fuel — the same fuel used in 500,000 horsepower rockets.

New POWER-X gives 14% more knock-free power. You can feel the difference in fast starting—rocket get-away—knock-free power for hills—velvet-smooth performance on the highway.

And it's stall-proof, freeze-proof—and rust-proof (with RD-119®). See your Sinclair Dealer. Power up with POWER-X — power-primed with rocket fuel.

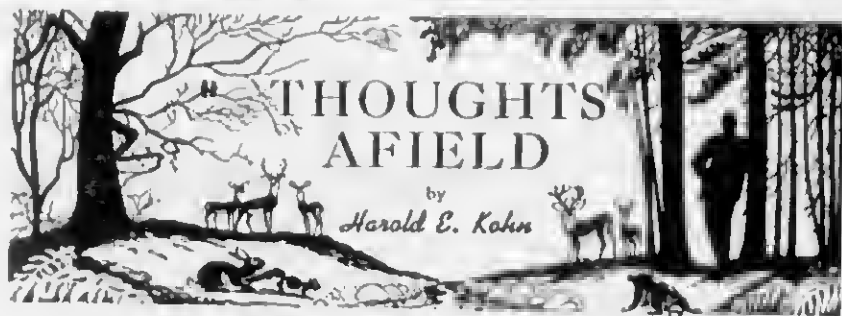

Keep New-Car Power for 100,000 Miles. Use New Sinclair Extra Duty Triple X Motor Oil (Multi-Grade) and change the oil regularly as your car manufacturer recommends.

THOUGHTS AFIELD

Harold E. Kohn

One Shot

Stories of the phenomenal shooting accuracy of our pioneering forefathers seem somewhat exaggerated. Some say that they laughed at a rifleman as hopelessly clumsy with a gun if he hit a squirrel anywhere else but the eye when shooting from fifty yards away. While in our time such amazing expertness is found only in circus sideshows and movie and television exhibitions, it doubtless was common in frontier days.

One reason why early American hunters were so skilled with a long-rifle was that they were always in practice. They had to be. At the cabin in the clearing there were hungry mouths to be fed, and the meager crops on the tiny acreage at the forest edge would not supply all the family's wants. So daily the head of the family and the half-grown boys lifted their rifles from crude racks on the cabin wall and stole silently away into the tall timber and spread out to hunt down deer, squirrels, turkey, or whatever their luck would bring. Daily practice, born of necessity, made skillful riflemen of the frontiersmen.

Not only did an American pioneer enjoy almost constant practice with his gun, but he shot with the intense concentration of a desperate man, as if each shot was the only one he could take at his game. It was "either now or never". The old muzzle-loading rifle took up to fifteen minutes to reload. In case a deer was missed with the first shot he could hardly be expected to wait around while the hunter again reloaded his gun. He promptly disappeared, and with him vanished hopes of fresh meat for a hungry family. Either the hunter got his prey with his first shot or he did not get it at all. His first shot was his only shot, so he made it his very best.

The disadvantage modern hunters suffer from the repeating gun or the semi-automatic rifle is that it makes for carelessness.

and inaccuracy. If a rifleman missed with his first shot, he has another an instant another that he can squeeze off in seconds. As a result he often shoots recklessly. Seldom does he aim with concentrated desperation because he is aware he has more than one shot in his gun. He develops a deep-seated "I-have-lots-of-chances" attitude. So he seldom takes good care of his first opportunity.

We would all live more skillfully if we abided by the "only one shot" philosophy. Supposing all of us in our town or in America would discard our "automatic rifle attitude"—acting as if we had a guarantee of innumerable days and years ahead of us, so if we spoil the present we can still make amends in the tomorrow. Instead let everyone pretend he has only one day to live. He must make the most of it. He will then soak up the beauties lying unappreciated near him. He will spread all the happiness he can around him, thickly and as far as his influence can reach. He will be outgoing and responsive. He will be cheerful and un-critical of his family and friends and even his enemies. He will be loving and forgiving.

Living as if God has given you but one day to live is a way of making all your days happy and meaningful, for yourself and for others.

POWER...to cut time costs every trip!

New DODGE PowerGiants

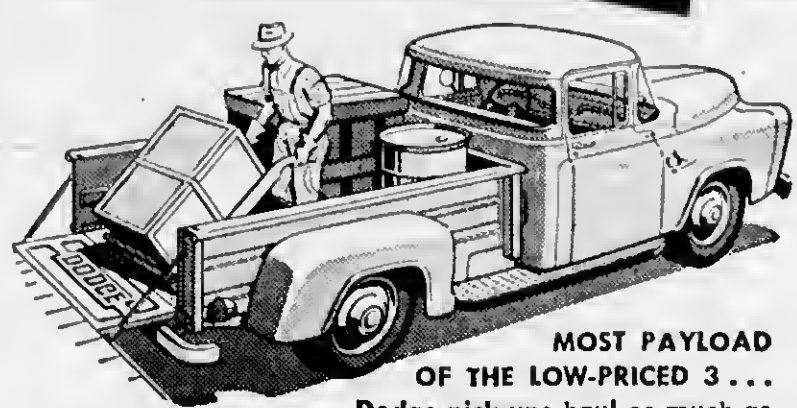

You get a power reserve in a Dodge Power Giant that pays off every mile you drive. From 204-hp. pick-ups to giant 232-hp. tandems, Dodge gives you the most power of the low-priced three... actually as much as 31% more.

Extra power means faster acceleration, safer passing... cuts your time costs every trip. It cuts operating costs, too, because it lets your Dodge engine loaf under loads that make less powerful engines whine with strain. Less strain means less wear, fewer repairs. And the special design of these Power Giant V-8's delivers full-powered performance on regular gas.

More power lets you haul bigger loads. That's why Dodge can offer bigger payload capacities in every weight class. For instance, the Dodge 300 pick-up packs up to 73% more payload each trip than comparable competitive makes. And that's the kind of payload advantage that many times means one trip instead of two.

Dodge is the easiest handling truck on the road—with the shortest turning radius for easier parking and quicker zip-in-and-out maneuverability. Power steering is available for most models. And, for the first time on any truck, Dodge offers the extra convenience of a push-button* automatic transmission for the easiest driving ever.

**MOST POWER

Low-Priced 3**

**MOST PAYLOAD
OF THE LOW-PRICED 3...**
Dodge pick-ups haul as much as
73% more than other low-priced makes.

Combine all these features with smart new Forward Look styling and comfort-designed cabs and you've plenty of reason to take a good look at a Dodge. Why not do it soon? You'll find your Dodge dealer's deal will help you decide on a new Dodge Power Giant right now!

Grayling Wins Second Tilt With Charlevoix 49-43

Personal Fouls Cost Red Rayders The Game

The Charlevoix Rayders dropped a close game to Grayling Friday night by a score of 49 to 43 and as a result were tumbled to fourth place in loop standings.

With only two games remaining, the Rayders will host East Jordan on the local hardwoods Friday night.

In their first meeting the Jordanites dumped Charlevoix by a score of 62 to 56. However, since then the Blue Devils have been dropped to fifth place with a record of five wins in 12 starts while Charlevoix has a six and six record in league play. If the Rayders should continue to play the type of ball they have displayed in their last two games, they should come up with a win and retain their present standing.

In the game with Grayling Friday night, it was again the free throws that made the difference rather than the field goals. As Charlevoix outscored the visitors 19 to 18 on the double-counters department, Grayling collected only five personal fouls in the meeting, all in the second period, while the Rayders, playing a scrappy type of game in which they consistently went after the ball thus drawing fouls in the scramble, had 18 personal fouls called on them.

Starting for the Rayders were Norm Helms, Kenny Balch, Phil Timmer, Bob Mol and Terry Davis. Glenn Bearss was the only other player to see action.

Faced by big Bob Strong, who tallied 17 points in all and assisted by regular guard, Dave Lowe, who was back in his stride after an absence of several weeks, Grayling took a 12 to 8 first quarter lead, scoring five field goals and two free throws. Mol hit for two field goals and Helms and Balch dumped in one apiece to account for the Rayder's eight points.

However, in the second quarter the local five outscored the visit-

Rayder Kenny Balch (10) goes up for a jump shot in the Charlevoix-Grayling game here Friday. Viking guard, Dave Lowe (12) goes up with him in an effort to halt the scoring threat while Bob Mol (in the background) and Viking Bill Roberts watch the action under the basket. Charlevoix lost to the Vikings by a score of 49 to 43.

Going into the second half, the game became a seesaw battle of charity shots.

With one team and then the other scoring a field goal. Midway in the period a bucket by Balch tied the score 32-all and as the period ended Charlevoix went ahead for the first time 36 to 35.

Helms scored a bucket to make the score 38 to 35 before Strong stepped to the free throw line and dropped in two points. Balch put the Rayders in front 40 to 37 before the Vikings pulled away to a five point lead with two minutes remaining. Terry Davis with a free throw and Helms with a field goal cut the visitors' advantage to two points but two quick baskets in the closing minutes was too much for the Rayders as the Vikings wrapped up the game by a six point margin.

Strong was top scorer with 17 points followed by Lowe with 13 for Grayling. Helms scored 16 and Balch 13 for Charlevoix.

Little Rayders Walk Away With Grayling 51-30

Charlevoix's little Rayders rolled over the Grayling Reserves Friday night by a score of 51 to 30.

Paced by Scott Supernaw, who had 19 points, the Little Rayders outscored the visitors 21 to eight in the field goal department as they led 12 to 7; 24 to 16; and 34 to 19 by quarters.

Starting for the local five were Tim Lakkies, Supernaw, John Bingham, Ken Case and Rod Ostrum, with Joe Beaudoin, Stan Smith, Charles Coleman, John Martin and Jim Ladd also seeing action.

With Lakkies leading the way with seven points, Charlevoix took a 12 to 7 first quarter lead as Supernaw and Bingham added a field goal apiece and Ostrum a free throw. The visitors scoring was confined to one field goal and five free throws.

Charlevoix duplicated their scoring in the second period as Supernaw scored four field goals and Lakkies and Ostrum connected for one apiece for a 24 to 16 halftime advantage. All but two of Grayling's nine points were scored on the free throw line.

In the third quarter Bingham and Ostrum contributed four points each and Supernaw two from the free throw line as the Rayders went ahead 34 to 19 after the visitors scored only three points in the period.

Charlevoix racked up 17 points in the final period as they pulled away from Grayling who scored only 11. Supernaw tallied seven Coleman three, Bingham, Case and Beaudoin, a field goal each and Martin a free throw.

Grayling scored five of their eight field goals in the final period. They also added a free throw for 11 points.

Allison was top scorer for Grayling with 10 points.

YOU REAP THE BENEFIT

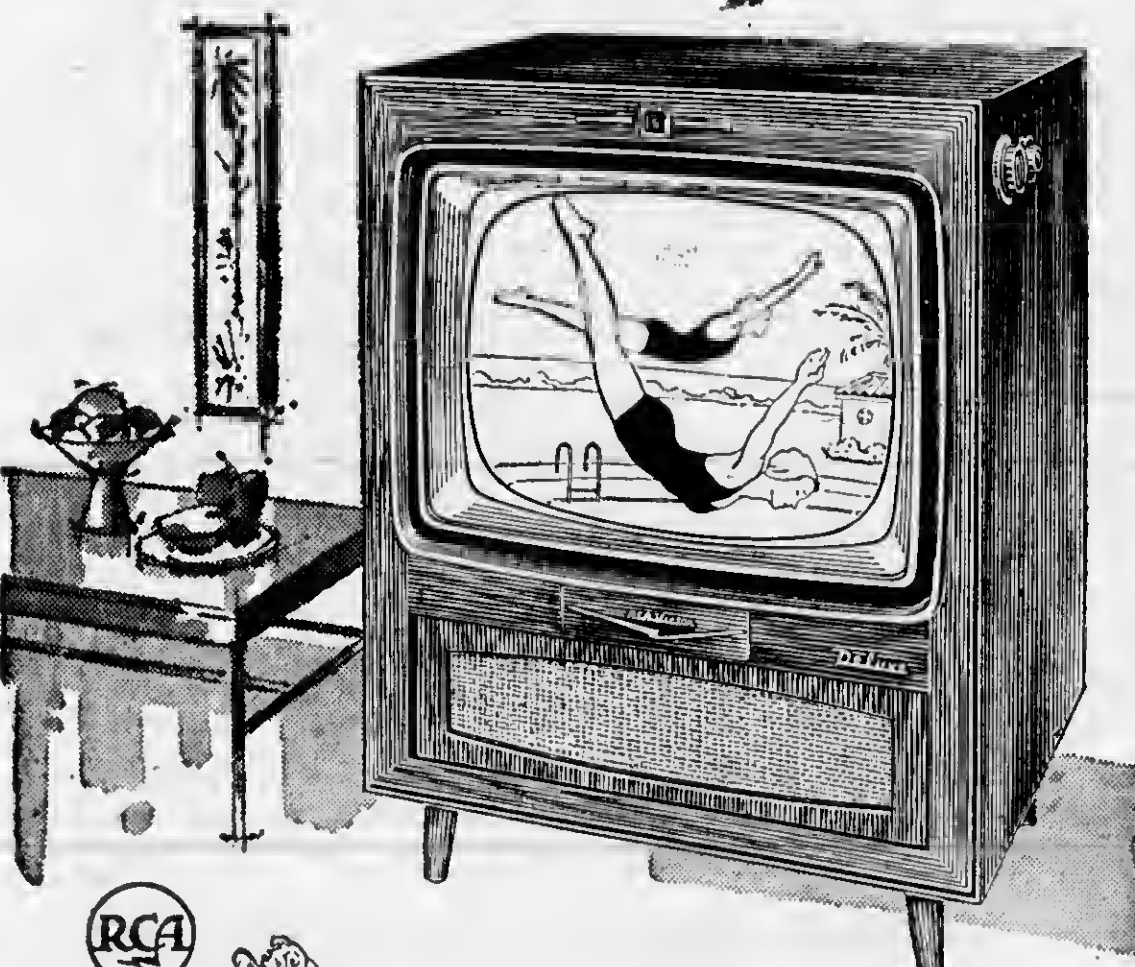

Nowadays, manufacturing plants don't have to put up with the expense and inefficiency of keeping large inventories of materials and parts on hand.
 Trucks and truck-trailers, by providing swift, direct, door-to-door transportation service, have made such costly procedure a thing of the past.
 The modern assembly line extends, in effect, beyond the manufacturing plant itself to the commercial motor vehicles which continuously supply industry with 'round-the-clock shipments of materials and parts.
 Yes, trucks and truck-trailers are indeed assembly lines on wheels, serving industry in a way that brings an ever-improving standard of living to all the people.

Charlevoix Soil District Re-Elects County Directors

The Charlevoix Soil Conservation District directors at their regular meeting held last week re-elected the same officers as last year. Three officers included Clayton Healey, East Jordan, chairman; John Wieland, Charlevoix, vice-chairman; Robert Reidel, Boyne City, treasurer; and Ed Robinson, county agricultural agent, secretary.

One of the main items of business held during last week's meeting was making plans for Soil Stewardship Week and Soil Stewardship Day. Soil Stewardship Week is from May 26 through June 2. The soil board has ordered some material which will be offered to the ministers in Charlevoix county. These ministers, if they wish, can use this material for a basis for sermons on Soil Stewardship Sunday.

The Charlevoix board meets once a month. The regular meeting time is the second Wednesday evening of every month and the meetings are held in the county agent's office in Boyne City. Anyone who is interested may attend these board meetings.

The Soil District is voted in by the people of Charlevoix county. The directors would welcome any suggestions regarding the operation of their program.

County Education Boards Hold Area Winter Workshop

The Northern Michigan Association of County Boards of Education held its annual winter workshop at Grayling recently.

The day's program included brief talks on current school issues, by Wilfred Clapp, Superintendent of Schools and Reorganization, and Max W. Cochran, Consultant, Finance and State Aids, both of the Department of Public Instruction. A panel of superintendents and board members acted as resource personnel.

G. W. Boswell of East Jordan, president-elect of the organization, and Charles A. Robinson, Charlevoix county superintendent of schools, arranged the program. During the noon period the group was taken on a conducted tour of the Bear Archery Co., which manufactures archery equipment. A total of 170 persons are employed at the plant.

Educators Are Guests Of Northern Superintendents

Members of the Michigan Legislature were guests of the Northern Michigan Superintendents' Roundtable at a dinner in Lansing recently. Purpose of the dinner meeting held at the Hotel Olds was to become better acquainted with the problems of legislators and to present the need for better equalization of state-aid payments to schools throughout the state if equal opportunity for all children is to be achieved.

More than 50 persons, including 11 area legislators, attended the meeting. Charlevoix county was represented by Clarence B. Maggison, state representative; Sept. T. Howard Bray of Boyne City; Supl. R. G. Bennett of Charlevoix; and Charles A. Robinson, county superintendent of schools.

The minutes of the January 21, 1957 meeting were dispensed with.

Alderman Hamilton offered the following resolution and moved its adoption, supported by Alderman Bellinger.

RESOLUTION

WHEREAS Oscar Stroud owns certain land in the Township of Charlevoix adjacent to the land of the City of Charlevoix that is being sold for Trailer Park purposes and has requested that the City of Charlevoix sell him a triangular shaped part of its land to straighten out his property line; and

WHEREAS the Common Council of the City of Charlevoix deems it to be for the best interest of the City to sell that part of said land hereinafter described for the sum of Two Hundred (\$200.00) Dollars, which it deems to be an adequate consideration and upon the conditions hereinafter recited;

THEREFORE BE IT RESOLVED that the City of Charlevoix sell and convey to Oscar Stroud for the sum of Two Hundred (\$200.00) Dollars, that parcel of land situate and being in the Township of Charlevoix, Charlevoix County, Michigan described as follows, viz:

"Beginning at the intersection of the West eighth line of Section 24, Town 34 North, Range 8 West, with the Southerly line of Highway US 31; thence South on said eighth line to the East and West quarter line of said Section; thence East on said quarter line 75 feet; thence Northwesterly to the point of beginning; being a part of Government Lot 3, Section 24, Town 34, North, Range 8 West."

which conveyance shall contain the following reservations and conditions, viz:

A. No buildings or other structures shall be erected or maintained upon said land and premises.

B. No trees, brush, or bushes other than trees now growing on said land shall be maintained on said premises which would obstruct the view of Lake Charlevoix from Highway US 31.

C. Said premises shall be maintained in a neat and orderly manner so as to present an attractive appearance to the said highway and surrounding areas and no activities shall be committed or permitted thereon which shall be detrimental to the Trailer Park and the uses of said Trailer Park property of the City and its Grantees, adjoining the land herein conveyed to the East.

BE IT FURTHER RESOLVED that the Mayor and Clerk be, and they are hereby authorized and directed to execute and deliver said conveyance on behalf of the City of Charlevoix to complete said transaction.

Resolution adopted by the following Yea and Nay vote. YEAS: Aldermen Hamilton, Kipke, Staley, Bellinger, Boss, and Gebeau. NAYS: None. ABSENT: None.

Alderman Kipke offered the following resolution and moved its adoption, supported by Alderman Gebeau.

RESOLUTION

WHEREAS the City of Charlevoix has for a number of years been greatly in need of a Trailer Park facility both for its residents and for tourists and the City officials have for the past several years attempted to have such a facility established; and

WHEREAS Marvin C. Goss, of 1052 North Woodward, Birmingham, Michigan, has offered to purchase certain land in the Township of Charlevoix hereinafter described, owned by the City of Charlevoix for the sum of Seventeen Hundred Fifty (\$1,750.00) Dollars, for the purpose of establishing and operating a Trailer Park upon conditions hereinafter recited; and

WHEREAS the Common Council of the City of Charlevoix deems it to be for the best interests of the City to sell said land for said purpose upon the terms and conditions outlined;

THEREFORE BE IT RESOLVED, that the City of Charlevoix sell and convey to the said Marvin C. Goss for the sum of Seventeen Hundred Fifty (\$1,750.00) Dollars, that parcel of land situate and being in the Township of Charlevoix, Charlevoix County, Michigan, described as follows, viz:

"Beginning at the intersection of the West eighth line of Section 24, Town 34 North, Range 8 West with the Southerly line of Highway US 31, thence Southeast to a point on the East and West quarter line 75 feet East of the West eighth line; thence West on said quarter line 75 feet to the said West eighth line; thence South on said eighth line to the shore of Lake Charlevoix; thence Northwesterly along said shore to the North and South quarter line of said Section; thence North on said quarter line to the Southeastly line of said highway; thence Southwestly along said highway right-of-way line to the point of beginning; being a part of Government Lot 3, Section 24, Town 34 North, Range 8 West, except right-of-way of Pere Marquette (Now C & O) Railroad."

which conveyance shall contain the following reservations and conditions, viz:

A. The said property shall be used only for the purpose of constructing, operating, and maintaining a House Trailer Park thereon, commonly known as a "Trailer Park", including such uses as are commonly incidental to said business such as sales and rental of trailers and the sale of supplies and services and rental of equipment to the people living in said Trailer Park and including the rental and or sales of recreational equipment. Provide, however, that two residences shall be permitted.

B. No buildings or other structures, other than signs related to the business on said premises shall be erected or maintained on said land and premises within twenty-five (25) feet of the South line of Highway US 31 right-of-way or on top of the bank adjacent to Highway US 31 so as to block out the view of Lake Charlevoix from said Highway.

C. Access to the land herein described from State Trunkline 31 (U. S. Highway 31) shall be confined to the Easterly 100 feet of said lands, or at such other location or locations as shall be approved by the Michigan State Highway Department.

D. All grading on said lands immediately adjacent to Highway US 31 shall first be approved by the Michigan State Highway Department.

E. That if suitable construction and grading as necessary to establish a Trailer Park meeting the requirements and approval of the Michigan Department of Health for the accommodation of not less than (20) House Trailers at an expenditure of not less than Fifteen Thousand (\$15,000.00) Dollars is not completed and said Trailer Park placed in operation within two (2) years from the date hereof this conveyance shall become null and void and the title to said lands and premises shall revert to the City of Charlevoix with full and immediate right of re-entry and the purchase price shall be refunded.

F. The Trailer Park on said property shall be open and operated twelve (12) months each year and shall be maintained in a neat and orderly manner with the activities such as laundering, clothes drying, the storing and burning of garbage, etc., regulated so that all said lands and premises shall present an attractive appearance to the

adjacent Highway and surrounding areas.

G. It is provided that the Common Council of the City of Charlevoix, Michigan, may at any time, lift or waive any or all of the foregoing restrictions by appropriate action taken by said body.

H. The covenants in each and every particular above to run with the land and to be constructed as real covenants attached to and running with the land.

I. The first party reserves unto itself, its successors and assigns, a perpetual right-of-way and easement to construct, re-construct, operate and maintain its electrical high voltage power lines together with the necessary guy wires and poles and its water lines approximately in the same manner as now located, and such other utility lines as it may from time to time require on, over, and through the above described lands, together with the right of ingress and egress over said lands and the right to make the necessary excavations for said purposes and the second party for himself, his heirs and assigns does hereby covenant that he shall not in any manner disturb or endanger said utility lines.

BE IT FURTHER RESOLVED that the Mayor and Clerk be, and they are hereby authorized and directed to execute and deliver said conveyance to complete said transaction on behalf of the City of Charlevoix.

Mr. and Mrs. Cartier To Observe 58th Wedding Anniversary Monday

Mr. and Mrs. Fred E. Cartier, residents of Charlevoix for 55 years, will observe their fifty-eighth wedding anniversary at their home at 110 Belvedere ave. Monday.

No formal observance of the occasion has been planned.

Both Mr. Cartier and the former Hannah Seife were residents of Chatham, Ont., when they crossed the border and were married at Adrian, Michigan, on Feb. 25, 1899. They returned to Chatham to make their home but in June, 1901, Mr. Cartier came to Charlevoix to be employed in a local tailor shop. In the fall of that same year he opened his own shop and returned to Canada for Mrs. Cartier and their sons, Harold and Claire.

Mr. Cartier's first shop was located at 308 Bridge st., now part of East Park. From his doorway, he watched Charlevoix grow from a rough lumbering town and commercial fishing center to its present position as a major summer resort town and the home of several small industries.

Always civic-minded, Mr. Cartier served several terms as second ward alderman, was a member of the Charlevoix hospital board of directors, a member of the Charlevoix hospital board of directors, a member of the park commission and the Charlevoix board of commerce. For many years he was a director of the West Michigan Resort and Tourist Association and was local correspondent for the Grand Rapids Press from 1922 until 1945.

In the late 1930 Mr. Cartier moved his business off Bridge st. for the first time when East Park was built. He later sold his dry-cleaning business and several years ago he retired.

Though he is retired from business, his interest in the community is as keen as ever and almost daily he travels the length of Bridge st., keeping an eye on local activities.

Mrs. Cartier has always remained in the background, rearing her family and devoting her attention to church interests.

Until recently she was an active member of the Congregational church, its Margaret Parker circle and the Garden Club. She was born in Chatham Sept. 1, 1880.

Mr. Cartier was born in Chatham Dec. 7, 1872. He is a member of St. Mary's church.

The couple has three sons, Harold of New York City and Dover, N. J., Dr. W. W. Chaire of Grand Rapids and Stanley of Atlanta, Ga., a daughter, Mrs. Willis A. (Hilly) Cross Jr. of Grand Haven and 12 grandchildren.

Cub Scouts Given Awards At Annual Blue-Gold Dinner

The annual Cub Scout Blue and Gold banquet was held at the high school gymnasium Wednesday evening with more than 200 Cub Scouts, their Den Mothers, Scout officials, members of the Kiwanis club, which sponsors the Scouts and other guests in attendance.

Highlight of the program was the Webelos ceremony at which Quinton Stone of Petoskey officiated. Following the impressive ceremony Lewis Poole, Joseph LaBlanc, Tom Hawley, John Ochs, Larry Edwards, James Stewart, Robert Odmark and David Novotny were accepted into the Boy Scouts by Frederick Freese, Scoutmaster.

In behalf of the Webelos, James Stewart presented their Den Mother, Mrs. E. D. Hawley with a gift. Recognition was also given Mrs. Jeff Novotny, who was assistant den mother of the group.

Uno Suomela, award chairman, presented awards to the Cubs. Receiving Bear awards were John Bankdoll who also received a two year star; John Duerr who also received a Denner stripe; Michael Creede, who also received a gold arrow; Jack Stockwell, who also received a one year star, gold arrow on Bear award, assistant Denner stripe and two silver arrows; John Bleha, gold arrow on Bear award.

Receiving Bobcat awards were Edmund Bogart, Scott Fales, David Goldstick, Dan Swanson, Jerry Meggison, Ray Wood, James Toft and Bill Simpson.

Wolf awards were given to Robert McCall, Danny Swanson, Billy Simpson, David Whitley, Jimmy Terr, Keith Mitchell who received both a gold and silver arrow; Warren Belding, a silver arrow; Larry Hutchinson, gold arrow and Robert VanRaaphorst, silver arrow and Denner's stripe; Andy Carey, Ricky Miller and Delbert Terrill received one year silver stars and Robert Meston was presented with a Denner's stripe.

Mr. Suomela was assisted by Tony Duerr and Alnac Arvilla who presented the awards to a parent of the child who then pinned it on his uniform.

Charles Bleha introduced the Den Mother and Leonard Burns, neighborhood commissioner, introduced guests at the dinner. The Rev. Lloyd M. Schlopp gave the invocation. George Hutchinson was master of ceremonies.

The human body's circulatory system is the world's most remarkable transportation system, reports the January Reader's Digest. It is an estimated 60,000 to 100,000 miles long, longer than any U. S. railroad, and blood circulates through the system at five quarts per minute—7200 quarts every 24 hours.

High School Bands To Play at Festival

(Continued from page 1)

The selected number, "Evangeline" by Buchtel. This band is a training group for the Senior band and is entered in this festival to gain the experience necessary for Senior band participation. They are scheduled to perform at 2:25 p. m.

The festival in Petoskey Saturday has been scheduled so that participating musicians will be free to attend the special student concert by the Boston Pops Orchestra appearing in Petoskey under the sponsorship of the Northern Michigan Community Concert association. The concert will be presented at the Petoskey high school auditorium at 3 p. m. The Charlevoix Band Parents association has made arrangements for all Charlevoix band students to attend the special concert.

The 12 bands appearing in the festival Saturday, which is scheduled to begin at 8:50 a. m., are Alanson, Ellsworth and Mackinaw City in Class D; Harbor Springs, Gaylord, Boyne City, East Jordan, St. Ignace and Charlevoix in Class C; Rogers City and Petoskey in Class B and the Charlevoix Reserve band in Class C junior high.

Thirteen bands from the southern section of District 2 will participate in a similar festival in Traverse City Saturday.

Local Firemen To Attend Meeting At East Jordan

Sherman Thomas, East Jordan fire chief, has extended an invitation to members of Charlevoix's fire department as well as other city officials, to attend a meeting at the East Jordan city hall at 7:30 p. m. Monday.

A similar invitation has been extended to Boyne City fire-fighters and city officials.

Purpose of the meeting is to discuss fire-fighting equipment and how best to utilize the equipment in the county.

A film devoted to fire protection will also be shown.

Fire Chief John Curtis and several of his volunteer firemen and other city officials are planning to attend the meeting.

Valentine Party Well Attended

The Valentine luncheon and card party at Maria's at the Wetheravane Inn Thursday, sponsored by the Women's Guild of the Charlevoix hospital, was enjoyed by more than 90 local residents and their guests.

Door prizes of vacuum-packed candies sold by the Guild were won by Mrs. Leslie T. Ball and Mrs. Charles Wiesler. Mrs. Don Gilbert won the beautiful angel cake donated by Mrs. Fred Tyler.

Crowning Of Ski Queen To Feature Carnival

Joan Brady, Charlevoix high school senior and member of the Mt. McSaubia ski patrol, will be crowned ski queen at the first annual Mt. McSaubia ski carnival scheduled for this weekend.

Mayor James Hiller will officiate at the coronation Saturday evening. The festivities will begin at 8 p. m. and will be climaxed by a torchlight parade featuring skiers carrying lighted torches descending the ski run.

Renovation Of Hatchery Here Proposed

A budget of \$130.00 for proposed improvements of three federal fish hatcheries located in Michigan includes \$47,000 for the renovation of the hatchery located on Palmer st., it was revealed recently in a news story from Washington, D. C.

The budget proposed improvements of the hatcheries for use in producing lake trout when the lamprey menace is ended.

The program for the year starting July 1 calls for the removal of present rearing tanks and installation of a new type of tanks and other remodeling projects. John L. Farley, acting director of the Bureau of Fish and Wildlife, in supporting the request for \$130,000 said that the Great Lakes must be restocked with lake trout quickly when the sea lamprey finally is controlled. Only through propagation programs can there be stocks of fishes to put in the Great Lakes.

Other hatcheries in Michigan where improvements will be made are at Marquette Forest and Pendergill Creek, both in the upper peninsula.

Episcopal Men Plan Annual Pancake Supper

The men of Christ Episcopal church will present a traditional Shrove Tuesday pancake supper at the church hall from 5 to 7 p. m. next Tuesday.

For most people the tradition of pancakes on the day before Lent begins is a custom of long standing.

Those who require a special attraction will be delighted to learn that S. E. "Irish" Coleman will again be the man mixing the batter as only he can. Served with these pancakes will be sausage made by Mike Hamilton's own secret recipe. Not to mention all the other "good-to-eats" that go with the meal.

You won't want to miss this once-a-year feature meal so bring the whole family and prepare to eat until your heart is content. There will be no limit on how much you can eat!

Council Again Holds Decision On Centennial

At a meeting postponed from Monday because of the primary election, the Charlevoix city council met Thursday to canvass the vote of the Monday election and to make decisions on several other issues.

A decision regarding a centennial celebration for Charlevoix was postponed until March 4. Ralph S. Hamilton, mayor pro tem advised that the Board of Commerce meet with representatives of the American Legion, V.F.W., Kiwanis, Rod and Gun club and other organizations and individuals interested in such a celebration before the March 4 meeting. He asked that a report of the meeting be made at the next council meeting. Efforts are being made to extend the Venetian weekend celebration to three full days.

The council approved expenses not to exceed \$100.00 for Justice John Connolly who will attend a conference for Michigan law enforcement officials at Michigan State University Tuesday through Thursday of this week.

Bills amounting to \$14,117.59 were approved and ordered paid.

St. Patrick's Day Dinner Date Set By Rosary Society

The St. Mary's Rosary Society will sponsor its annual St. Patrick's Day dinner at the new school hall Sunday, March 17. Mrs. Herbert Campbell, president of the sponsoring organization, has announced.

Plans for the event will be completed at the regular meeting of the society scheduled for Thursday, March 7, at the school hall.

Charlevoix High School Band Wins First Rating In Festival

The Charlevoix high school band returned Saturday from the District II Band and Orchestra Qualifying Festival with another first division rating, its tenth in 11 years of participation in area competition under the direction of C. A. Odmarr.

The first division rating qualifies the band for the State Class C festival to be held at Michigan State University in East Lansing April 13.

All four judges who heard the band at Petoskey Saturday gave it a first division rating. Comments for the most part were technical in nature but all complimented the band and its director, Mr. Odmarr, on a fine performance.

Leonard Falcone, director of bands at MSU said "The band has a clean and precise ensemble, good tone quality, fairly good intonation, nice style and good musical feeling." Keith Stein of the MSU faculty wrote that "The band is very musical and, all in all a real treat to hear" while Norman Dietz, director of bands at Central Michigan College at Mt. Pleasant commented "A fine band with good possibilities in the State Festival if you can polish your performance!" Edgar

The Rev. T. B. Thodesen, pastor of the Assembly of God church here, attended the fourth Religious Affairs course conducted by the Federal Civil Defense Administration in Battle Creek recently.

Fifty-four ministers, priests and interested laymen from 11 religious denominations participated. They were briefed on civil defense in terms of the probable use of nuclear weapons, capabilities of potential enemies of the United States, probability of attack on the home front and the probable nature and scope of an enemy attack.

County 4-H Leaders May Be Awarded Trip To M. S. U.

Three Charlevoix county 4-H leaders will be awarded a trip to Michigan State University early in March, according to Ed Rebnan, county agricultural agent. Any of the more than 75 4-H leaders in the county are eligible for this trip. The Michigan 4-H club Foundation is holding a 4-H Leaders' conference at Kelllogg Center on Saturday and Sunday, March 2 and 3.

The 4-H club Foundation will pay all expenses, both travel, rooms and meals to the 4-H leaders who will attend this program.

Any 4-H leader who would like to go to this 4-H Leaders' conference are urged to contact the local County Extension office. There is no charge all expenses will be paid. A very nice program has been set up, one that will be of value to any 4-H leader who can attend.

Day Of Prayer To Be Observed By Local Churches

The annual World Day of Prayer will be held at the First Congregational church at 3 p. m. Friday, March 1, Mrs. H. E. Paddock, chairman of the event, has announced.

Theme of the service held annually on the first Friday of Lent is taken from the Romans, "Who Shall Separate Us?"

Special music will be by the Congregational Youth Choir under the direction of C. A. Odmarr. Participating in the service will be members of Christ Episcopal, First Methodist, First Baptist, Assembly of God Churches and the Community Church of God. The service, however, is open to both men and women of all faiths.

Officers Elected By Civic Group At Beaver Island

St. James, B. I.—Arlene LaFreniere was elected president of the Beaver Island Civic association, at the annual meeting held recently.

Other newly-elected officers are: vice president, Roger Carlisle; secretary, Mrs. Bud McDonough; treasurer, Mrs. Bud Left.

State Blue Cross To Award Nursing Scholarships To 10

Michigan Blue Cross has announced that for the seventh straight year it will award 10 nursing scholarships of \$300.00 each, with the winners to be chosen by the Michigan League of Nursing on a competitive basis.

The contest is open to all high schools seniors and graduates in Michigan and will run from Feb. 15 to March 31.

Application blanks together with rules and instructions for entering the 1957 competition are available through high school principals, Future Nurses clubs, approved schools of nursing, all Blue Cross offices or by writing directly to the Michigan League of Nursing, 567 Hollister Bldg., Lansing, 8.

The League, whose special scholarship committee will determine the winners, is the statewide recruitment and education agency of the nursing profession.

The committee will judge the contestants on the basis of the written application, scholastic grades, the report of the high school principal and achievement on a standard test.

To be eligible for the final judging, the contestant must complete the application and return it to the League's scholarship committee by March 31, the contest deadline.

The Blue Cross nursing scholarship program was established in 1951. Only 172 applications were received the first year as compared with more than triple that number, 543, in 1956.

ODDS 'N' ENDS

By Fran Martin

Last weekend was an exciting one for Charlevoix. First our little ole Rayders went out and won themselves a game. On Saturday our bands went off to Petoskey and did themselves proud with the big band coming up with a first division rating which will allow them to participate in the state class C festival. . . . and the little band composed entirely of eighth and ninth graders and appearing in festival competition for the first time came up with a second division rating in their class. . . . And after the festival more than 100 band members along with many more local youngsters attended the student concert by the Boston Pops orchestra. . . . and they loved it.

But not any more than the adult audience that packed the auditorium for the evening performance of this wonderful wonderful orchestra. . . . Each number they played was better and more thrilling than the last. . . . The music was either designed to show the versatility of the orchestra or to please the varied tastes of their audience. . . . and both goals were reached. . . . when they played music from "My Fair Lady" we swear they could have asked for the world with a little red fence around it and everyone there would gladly have given it to them. . . . And never have we seen more generous maestro. . . . Everyone adored him. . . . The concert was meant to be a 10th anniversary gift from the Northern Michigan Concern Association. . . . and we think it was the greatest gift they could have found. . . . And all tied up with a beautiful pink bow, too! If you get the idea we enjoyed it, you're right. . . . We wouldn't have traded it for the world. . . . One of those rare treats that makes this life worth living.

And don't forget that the basketball tournaments start next Wednesday. . . . By the time you read this the drawing will be made and the mad scramble for tournament tickets will be on. On Friday our youngsters go to Harbor Springs to take on the Rams. . . . And next Wednesday they'll be meeting one of three teams, Harbor Springs, Pellston or Boyne City. . . . Right now we'd like to thank the Rayders for a lot of good basketball this winter and to wish Coach Carey and his lads the best of everything in next week's tournament games. . . . We love you all and we're behind you all, and we mean ALL, the way.

Here we're talking about basketball but after talking with Bob McCall Saturday it seemed, for a little while at least, as if summer was right around the corner. . . . The talk naturally turned to golf for we swear that guy would rather play golf than eat. . . . Like everyone else he's hoping for a good summer, resort-wise, and thus a good season at his golf

range. . . . Now golf is a game we never cared much for but we've come to realize that there are a lot of people who do. . . . Though we don't know a birdie from an eagle, we probably follow the tournaments as closely as anyone. . . . so we talked about this one and that one, but especially his good friend whom many of you met, Wally Burkemo. . . . who's been doing OK this winter along the tournament route.

And then, of course, there's baseball. . . . With all the teams in winter camps, we'll be hearing more and more about all the teams but in these parts the Tigers will head the list. . . . Wanna make any wagers about this season?

How many of you watching the Lux Theater on TV last Thursday night recognized one of the featured actors? . . . Or did he just look familiar and you've been trying to figure out ever since who he was. . . . Well, we'll help you out. . . . It was Bill Talman of Detroit who spent a lot of time here as a youngster and still comes back on occasion, we understand. . . . Remember now?

You'll probably be hearing about it one of these days. . . . the sign that's made it's appearance on a trailer in Ruskin, Fla., for the winter. . . . It's a sizeable one and reads "Bernie and Vella Schrader Charlevoix, Michigan". . . . The Bernie Schraders are proud of the town and are doing their bit to publicize it. . . . no matter where they go.

How about that rain storm that bit us over the weekend. . . . Temperatures well into the 40's and rain sure raised havoc with our show. . . . but this time of year one can expect most anything weather-wise so why act surprised.

And with Easter coming so late this year, there'll be no excuse for the gal's not to wear their new spring outfits. . . . giddy hats and all. . . . Don't forget that Lent starts next Wednesday. . . . the only time we can remember it starting this late in the year. . . . What are you giving up for the Lenten season? . . . And wouldn't you like to be in New Orleans for the Mardi Gras next week?

How did you like that song our own Tip Riley penned? . . . The one the Glee Club sang at half-time during the game the other night. . . . Sung to the tune of "Oh What a Beautiful Morning", it was very clever. . . . and very well done by the glee club.

There's a search on by James S. Poole, he of the sunnyside in the Detroit Free Press, for the largest trees in the state. . . . In a recent issue of said publication was a picture of Gordon Neff, along side an enormous cedar stump some 15 ft. around. . . . If you know where there are any exceptionally large living trees, how about sending the info along to Mr. Poole who's conducting the search.

Mrs. Frank Noble called us the other day to tell us about a friend of hers from Norway, Mrs. Sophia Ksenholt, who had written her of her travels to Ethiopia to visit her son. . . . She writes that the

What Christ and the Church Mean To Me

This is one of a series of articles written by laymembers of various churches in the Charlevoix area and sponsored by the Charlevoix Ministerial Association.

Frank Boss
Member of Barnard Reformed Church

Have you ever thought what kind of a world this would be, if God had never sent His only Son into the world to redeem it, or have you ever thought you would like to live in a city where there was no church, or do you just take these things for granted, if you haven't given this some thought please do, because God has a plan for your life.

The first thing is that you accept Christ as your Savior. Christ to me means everything. He is an example of what we should strive to be.

During World War II when the fighting was at its worst, and I thought I had not a friend who cared. I knew His presence was ever near me, because I had committed my life to His care.

I thank God daily I was reared by a Godly Mother, the church and its ministers had a big part in the moulding of my life.

The church is not just some place where you should have your name on its records, it is a place where you should be

working and teaching to those who do not understand about the teachings of Christ.

YOU have to do something with Christ, if YOU do not accept Him, YOU have rejected Him.

Charlevoix IN UNIFORM

Sgt. and Mrs. Richard Haggerty and family arrived recently from Fort Rucker, Ala. Sgt. Haggerty will spend 30 days here before reporting for an overseas duty in Germany. His family will remain here for the present but will join him there later in the year.

S-Sgt. Theodore Browne of Kinross Airforce Base near Sault Ste. Marie visited his parents, Mr. and Mrs. Ted Browne from Wednesday until Sunday while enroute to his base after a trip to Indiana. Mr. Browne and family took him to Kinross base on Sunday.

Trays at the Charlevoix hospital were made more attractive during February's many major holidays by clever favors designed to bring to mind the 'special' days during the month. . . . Mrs. Ralph Hamilton of the hospitality committee reports that Mrs. Helen Richard's fifth grade made the clever Lincoln Day favors; Miss Frances Milner's second grade and Mrs. B. E. Wright's Brownie Scout troop 4 furnished Valentine favors that told the patients everyone loved them. And on the anniversary of the Father of our country, Mrs. Jeannette Nowolny's third grade made favors reminding of George Washington's childhood—a log with miniature hatchet and tiny cherries on it. A big thank you from both the patients and the Guild.

The Guild as well as Maria's at the Weatherwene are still receiving compliments on the Valentine luncheon and card party. Cupids with bows and arrows and clever Valentine table decorations made by Mrs. Edward Lemcke added a festive touch. The Guild would like to thank Bill and Maria George for their fine cooperation and gracious hospitality.

To Mrs. Fred Tyler a special bow for the beautiful angel cake she made and decorated. According to the family of Mrs. Don Gilbert who won the cake it was even better than it looked.

And from the ways and means committee a thank you to all members and their guests for their untiring efforts and support of the event.

You'll be interested to know that the proceeds from the luncheon will be used toward the purchase of two youth beds for the children's department at the hospital. They are now on order and should arrive any day. Sometime when you're at the hospital, ask to see them and the other things the Guild has purchased for the hospital. It's nice to see that the money you contribute is actually being put to a good use.

A thank you, too, to Mrs. Charles Pontius and Mrs. S. E. Coleman for serving as library cart pushers in an hour of need.

Don't forget the vacuum packed candy the Guild is selling. The sale of these goodies support the nursing scholarship fund so again, your contributions are be-

guild notes...

Charlevoix-California Picnic Attracts 70 Former Residents

The Charlevoix-California picnic at the lodge in Brand Park at Glendale Park recently attracted more than 70 former Charlevoixians and their families, according to Gale Hines and Charles H. Emrey, co-chairman of the annual event.

The group gathered for a picnic dinner and a social hour. A highlight of the entertainment was a tape recording of two songs by the Charlevoixes. Mrs. E. D. Hawley, Mrs. Charles Bellinger and Mrs. Charles J. Pontius.

On the register at the picnic were the names of the former residents. Their home addresses, however, were not given but most are from the Glendale-Los Angeles area. They are: Mr. and Mrs. Harry Walsted, Mr. and Mrs. Robert C. Emrey and children, Robert Jr. and Jimmie, Pamela Oiler, Mr. and Mrs. Arthur Edwards, Mr. and Mrs. Clyde Shepard, Mr. and Mrs. Edward McKeown and children, Edward Jr., Mark, Steve, Kathleen and Susan, Dr. and Mrs. Frederick Young and children, Tommy and Jimmy, Mrs. Raymond Seymour, Mr. and

Mrs. Clinton Grother, Otto L. Hines, Mrs. Ada Todd Clark, Mrs. Georgia Todd Kalbfleisch, Mrs. Lillian Emrey Preston, Mr. and Mrs. Don Herrick and children, Billy, Barbara, Carolyn and Nancy.

Also Mr. and Mrs. Luther McCann, Mr. and Mrs. Charles H. Emrey, Mrs. Mason (Catherine) Rose, Mr. and Mrs. John Rose and children, Jr. Robert, Donald, Barbara, Lawrence and Paul, Theodore Gravelin, Mr. and Mrs. Lou E. See, Gale E. Hines, Mr. and Mrs. Maurice Davenport and children, Maurie Jr. and Valerie, Mr. and Mrs. Gordon Todd and daughter, Donalyn, Mr. and Mrs. Edward Trombly, Mrs. Hazel Pearl Phillips, Mr. and Mrs. J. Ainslee Mayne, Mrs. Margaret Price Alexander, Carolyn Cram, Mr. and Mrs. Homer Struthers and children and Mrs. Ursula Struthers.

The picnic is held annually on the third Sunday of February and all former residents now living in California or their relatives are invited to the event.

Will Observe Anniversary

Mr. and Mrs. George Clark, lifelong residents of Charlevoix county, will celebrate their golden anniversary Monday, March 4.

An open house to which relatives and friends have been invited will be held at the Community Church of God Fellowship hall from 2 to 5 p. m. Saturday March 2 in honor of the occasion.

Mr. and Mrs. Clark were married in Charlevoix March 4, 1907, and have always maintained a home here despite the fact that Mr. Clark's work has often taken them elsewhere. He was employed at the Loeb Farm for many years and later resided in the Grand Haven-Muskegon area while Mr. Clark was employed as a mechanic with the Lyons Construction Co. of Whitehall. Following his retirement eight years ago, they returned to their farm home in Marion township. Since the he has been employed at the Belvedere Golf course.

Mr. Clark was born in Hayes township March 4, 1885. Mrs. Clark, the former Gertrude E. Tenny, was born at East Jordan March 8, 1891. They are members of the Congregational church. Mr. Clark is active in the Margaret Parker circle of the church. Planning to join Mr. and Mrs. Clark on the occasion of their golden-wedding anniversary are their daughter, Mrs. Otis (Eva) Thiel of Reed City, their two sons, John H. of Grand Haven and William W. of Holland, their seven grandchildren and eight great-grandchildren.

Past Noble Grand Club Entertained By Mrs. W. E. Goss

The Past Noble Grand club met at the home of Mrs. W. E. Goss Thursday evening for a potluck supper and Valentine party.

Mrs. George Cook assumed her duties as president of the club and presided at the business meeting. Other new officers are: vice president, Mrs. Goss; secretary, Mrs. Leroy Allers; treasurer, Mrs. Floyd Ikens; chaplain, Mrs. Earl Blood; marshal, Mrs. Luther Hannah.

At the social hour which followed games were played and Mrs. Grace Genett won the mystery prize furnished by Mrs. Lawrence Swanson.

Janice L. Zeittler Engagement Told

The engagement of Janice L. Zeittler of Grand Rapids to Leonard Rayman of Flint has been announced by the bride-elect's parents, Mr. and Mrs. John Zeittler Sr. of Charlevoix and Lake Worth, Fla.

Mr. Raymond is the son of the late Mr. and Mrs. James Rayman. Plans for the wedding have not been completed.

Double Birthdays Observed By Dinner

Mr. and Mrs. Pearl Johnson had as their guests recently the latter's brothers and sisters-in-law, Mr. and Mrs. Will Taylor of Atlanta and Mrs. and Mrs. Lawrence Taylor of Detroit.

The occasion was also Mrs. Will Taylor's birthday anniversary and the group enjoyed a dinner which featured a birthday cake.

50 Persons Assist In Presentation At Little Theater

Petoskey Little Theater's production of "The Robe" which will be presented at the Petoskey high school auditorium March 4 and 5, involves more than 50 people working on various phases of the play.

In addition to the cast of 24, others are working on lighting effects, a special musical background, costumes, staging and hand properties. Butler Clave of Petoskey is equipping the auditorium with five high-fidelity speakers for the important tie-in music.

"The Robe", written by the late Lloyd C. Douglas, tells the story of Marcellus, the Roman soldier, who tossed dice for Christ's garment at the crucifixion and won. The dramatization of the story by John McGreevey is very effective and keeps the main events intact. The play was chosen purposely by the Little Theater group to coincide with the approach of the Lenten season.

Little Theater season tickets are usable for the performances

of "The Robe". Single admissions will be available at the door.

Annual Jamboree Increases Scout Quota In District

The Scenic Trail Council has been allotted 20 additional reservations for the fourth national Boy Scout Jamboree at Valley Forge in July, it has been announced.

This will bring the combined total contingent to more than 80 boys and leaders from the council which includes 17 northern Michigan counties. At present 67 registrations have been received and plans are under way to recruit the extra personnel.

Reservations are being accepted now at the Scenic Trails Council office and interested parents should contact their scoutmaster or headquarters at once.

The trip will include two days in Washington and one in New York as well as 10 days at the Jamboree. It is expected that a big league baseball game in Philadelphia will be included in

One Secret of A Happy Life

The excessive timidity of the cottontail rabbit fascinates me. I've sometimes wondered why and I've just about concluded that it is because the rabbit's chronic anxiety is so closely paralleled by a similar fearfulness often found in human beings. The rabbit is a victim of indiscriminate anxiety. Unlike the common crow of North America, which seems to detect the difference between a man carrying a walking stick and one holding a gun and will act boldly toward the first and flap away, scolding harshly, from the second, the cottontail runs as fast from the one as from the other. The cottontail business away from the hunter who carries a gun and aims to take his life. But he also flees from the most innocent, unarmed, nature lover who is merely out for a casual saunter and would do him no harm. The bunny imagines harm where there is none. He suffers from a morbid imagination.

A timid person is like an anxious rabbit, scourged by fancied evil all around him. And there is timidity or morbid imagination worse than that caused by hidden guilt feelings.

The guilty fancies evil where none abides. He dreams up motives in the minds of others that are unreal. He is plagued by enemies that are non-existent. As the writer of Proverbs said: "The wicked flee when no man pursues."

The person who has committed a crime and is as yet uncaught is afraid of all representatives of the law. Not only the policeman on his track frightens him, but all policemen are regarded as his enemies.

A woman whose misdeeds have thus far been successfully hidden is afraid of all whispering. She not only fears the whispering that is about her, but all whispering, because it might be about her.

A man who has violated his marriage vows and has been disloyal to love is apt to resent all his wife's questioning about his whereabouts. No matter how innocent the inquiry may be, he fears it signifies she may know something about his unfaithfulness.

The business man or woman who has been disloyal to a trust in handling someone else's money is chronically fearful that people know. The most harmless questions concerning his stewardship strike terror within him. Has anyone guessed? Does someone know? Are they catching on?

There are some people who could never feel comfortable in a church, because whenever the Bible is read it speaks to their condition. It finds them. Whenever a sermon of profound insight into human nature and human need is preached, they feel as if their condition is known. They can't quite put their finger on the cause, they will tell you, but going to church—any good church—makes them feel uneasy.

In the Old Testament book of Genesis the story is told of how Adam and Eve had eaten the forbidden fruit. Then they hid themselves away in the garden, attempting to escape God's sight. But God called out for Adam, asked him where he was and why he was hiding, and Adam answered, "I was afraid . . . and I hid myself."

That is the story of guilt in Old Testament days and in all time. Guilt feelings make a man shrink from discovery. He becomes fearful and furtive.

As the old Roman, Publilius Syrus, put it, "A guilty conscience never feels secure." And Shakespeare later added, "Conscience does make cowards of us all."

There is only one satisfying answer to such guilt-induced timidity. The cure is forgiveness. Confession should be made to the person aggrieved whenever that is possible. It often helps to tell a wise counsellor. Above all, God should be told of our penitence, ever though He already knows, and He should be asked for forgiveness, for all wrongdoing at long last is against Him. Restitution should be performed, and then, when secretiveness is at an end one will not feel furtive, for there will be nothing to hide.

No spiritual urge is greater than this need to be forgiven. Nothing else matters much until that is done, and a person can stand almost anything as long as his conscience is clear and his heart is clean. Dr. Roy Burkhardt once told how a boy left home to do something that his parents felt was morally wrong. While gone he was involved in an accident and lost both legs. The boy was broken hearted, and so were his parents when word of the tragedy reached them. In telling the story later, the boy's father said, "When his mother and I saw him in the hospital cot, lying there aware that he had lost both legs he said, 'Will you forgive me?' They both hugged him and said, 'Of course. We have already forgiven you.' Then the boy exclaimed, 'Then I can live without my legs!'"

Mrs. James Timmer and son returned to Grand Rapids Saturday after a week's visit here. Mr. and Mrs. Wayne Evans and baby of Bellaire took her home and Mrs. Evans and baby remained for a week's visit.

Mrs. Maggie Klooster left last week for a visit with Rev. and Mrs. Clifford Vander Ark, and children in Sanford, Iowa.

Small Communities Afford Valuable Experiences For Youth Development

Valuable Experience To Youth . . .

Even though the child from the small or rural community may need to prepare to make his way in urban society, there is every reason for him to make use of his small community experiences, says Robert S. Fox, director of the University School at the University of Michigan.

"Educators today believe that good learning experiences utilize and grow from the child's own environment. It makes good sense for children to tackle problems that are real and immediate," he says.

"In the small or rural community, families are closely knit," Professor Fox reminds. "They have many experiences as family units. The school, too, is usually not large and every child is known. As he progresses through school his potential contributions can be identified and recognized."

"This atmosphere of friendly closeness also prevails in the community. Every citizen should have a part in the school. And children should have many opportunities to participate in community activities."

"Friendly associations with other members of the community . . .

A person can live happily without legs or arms or hearing or sight, as hundreds of handicapped persons have proved. But no one can be happy with an uneasy conscience.

One secret of successful and happy living is that of having a clear conscience.

Gladys Fielstra - Richard Dreyer Vows Spoken In Church Ceremony

Ellsworth—In a ceremony solemnized at the Ellsworth Christian Reformed church, Gladys Fielstra, daughter of Mr. and Mrs. Albert Fielstra, became the bride of Richard L. Dreyer, son of Mr. and Mrs. George Dreyer of Grand Rapids.

The Rev. Henry Zwaanstra officiated at the service on Feb. 16 before an altar decorated with arrangements of yellow and white gladioli. Henry Drenth of East Jordan sang "Because" and "The Lord's Prayer", accompanied by Mary Jean Essenberg who also played a program of traditional music and the wedding marches.

Given in Marriage by her father, the bride chose a ballerina length gown of white lace over taffeta for her wedding. A cap of matching lace and taffeta secured her fingertip veil and she carried a white Bible topped with white roses.

Karen Fielstra of Elk Rapids, niece of the bride, was her only attendant. She wore a gown of blue net over taffeta and carried a bouquet of yellow and white chrysanthemums and carnations.

Allen Dreyer of Grand Rapids assisted his brother as best man.

Mrs. Fielstra selected a charcoal blue dress and black accessories for her daughter's wedding. Mrs. Dreyer, mother of the bridegroom, wore a navy dress and pastel blue accessories. Corsages of yellow carnations complemented their costumes.

Immediately following the ceremony, a reception was held in the church parlor. Mr. and Mrs. Maynard Fielstra of Elk Rapids, brother and sister-in-law of the bride, were master and mistress of ceremonies. Assisting were Joan Fielstra of Elk Rapids, Sharon Prince and Mr. and Mrs. Delbert Car-

attended the wedding were Mr. and Mrs. George Dreyer and daughter, Kathy, and son, Allen, Mr. and Mrs. John Can Ark, Mr. and Mrs. Edward DeVree, Mr. and Mrs. Abe VanTil, Mrs. Bessie Woldyke, John Prince and grandchildren, Sharon and Douglas Prince, Mrs. Mary Ruitter, Mr. and Mrs. Harm Fielstra, Mr. and Mrs. Julius Rubingh and children, all of Grand Rapids, Mr. and Mrs. Gerritt Postmus of Hudsonville and Mr. and Mrs. John DeHamm-

Teenagers Of Century Ago Had Few Worries About What To Do With Time

Were teenagers as busy a hundred years ago as they are now? Well, you be the judge! Here's what 17-year-old Elizabeth Gurney wrote in her diary on Dec. 7, 1857 when she was living with her folks and her sister Clara on a farm in Centerville in St. Joseph County. The diary is in the possession of the University of Michigan Historical Collections.

"This morning five o'clock sent me out of bed and about building the fire. Studied nearly an hour before time to get breakfast on my piece that I am to write at the next elocution class. Was paid for early rising, if not in studying, in viewing the clouds and their various changes from early in the morning until after sunrise.

"After breakfast, Ma put a fire in the kitchen stove and in a short time she and Clara were washing. They would not let me help so I concluded to do the next best, which was to wash dishes (which usually falls to my lot at such times), and sweep the bedrooms, back parlor, stairs and partly sweep the chambers, which occupied my time till noon."

With pardonable pride she continues, "I had the washing all out on the line by half past eleven and dinner before twelve. By two we had the kitchen cleaned out, the bedrooms dusted, the butter churned and the oilcloth washed. Were some tired when we got through."

She continues, "Rested a while, then I went down to Mrs. Benson's to see about a berth pattern, look down their copy of Bellows' Magazine, some buttermilk and a roll of Dutch cheese, came home around by the Post Office, got some papers and a letter. Set up a stocking this afternoon and this evening composed music for more than an hour. I think that we have done a pretty good day's work."

However, the entry for the following day makes it clear that Lizzie was only human, after all: "This morning," she confesses, "I was not up so early as yesterday as the bed acted as a center of gravitation."

Happily a farm girl's life was not just plain toil. Lizzie concludes the day: "The singers stayed after school this afternoon to see about singing for the elocution class. They have got their pieces all selected and the singers all appointed for each piece. At eight o'clock the bell rang and soon after we all went over to the school house and had a lecture from Mr. Chadwick of 'Three Rivers on the subject of music. Had a melodeon there and some singing. They have raised \$33 toward getting up a singing school."

LUMBERING IN MICHIGAN: LUMBERING IN MICHIGAN BEGAN TO ASSUME THE PROPORTIONS OF A MAJOR INDUSTRY IN 1849 WHEN 550 MILLS WERE OPERATING. HOWEVER, THE INDUSTRY REACHED FULL MATURITY IN 1860 WITH 1,000 MILLS PRODUCING NEARLY 800 MILLION BOARD FEET OF LUMBER.

EFFICIENCY PLUS: THE MICHIGAN FARMER IS ONE OF THE MOST EFFICIENT PRODUCERS OF SUGAR BEETS IN THE U.S., OR ANYWHERE IN THE WORLD. IN THE PAST 7 YEARS, MICHIGAN GROWERS HAVE INCREASED THEIR PRODUCTION PER ACRE BY BETTER THAN 30 PER CENT, AS COMPARED WITH THE NATIONAL AVERAGE OF 20 PER CENT.

Aid Hungarian Students At MSU

Ten scholarships are being reserved for Hungarian student refugees at Michigan State University.

The scholarships, part of those normally available to foreign students, have been announced to the World University Service, the organization responsible for coordinating efforts to place Hungarian students in American universities, according to M. S. U. Vice-President Thomas H. Hamilton.

It was estimated that there probably will be no more than 150 students among the first group of refugees from Communist terror in Hungary who are admitted by the United States during the current emergency.

Refugee students admitted will present some unusual problems, it was pointed out, in that few will speak better than broken English. They may lack formal academic credentials and will be interested principally in highly specialized fields such as agriculture, forestry, geodesy and medicine. Michigan State offers intensive English instruction for foreign students.

"Michigan State University, as an institution, can certainly do no less than its student and faculty members have done as individuals in seeking to alleviate the distress of these unfortunate people," Dr. Hamilton commented. "We can offer an educational home for a few students, and we hope this will be of encouragement and assistance to some who make their way to our country."

Use permanent-type anti-freeze in farm tractors. The high operating temperatures of a tractor engine cause alcohol to evaporate point out M. S. U. agricultural engineers.

Boundry War Brought Gen. Lee To Settle Michigan-Ohio Dispute

A War Between the States—in this case, Michigan and Ohio—brought Robert E. Lee to the Great Lakes Region in the summer of 1835, says F. Clever Bald, assistant director of the University of Michigan Historical Collections.

Betrothed

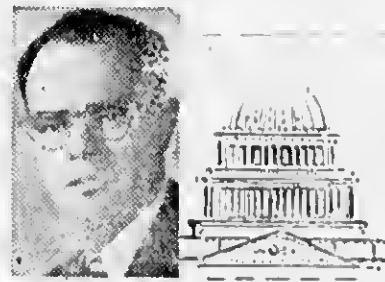

Mr. and Mrs. Lee S. Mason have announced the engagement of their daughter, Phyllis Ann, to Dr. Wendell C. Kitchin, son of Dr. and Mrs. Paul C. Kitchin of Columbus, Ohio.

The bride-elect is a graduate of the Charlevoix high school and the Grace Hospital School of Nursing in Detroit. Dr. Kitchin received his D.D.S. degree from Ohio State University in Columbus, Ohio.

Wedding plans have not been completed.

Senator Potter reports

... the latest news from Washington of special interest to Michigan ...

A barrage of budget mail has hit Capitol Hill and my office is no exception. Scores of letters are pointing across my desk, expressing all shades of concern—from mild disapproval to grave apprehension—at the size of the federal budget.

I share that concern. Seventy-two billion dollars is quite a bit of a change for Mr. and Mrs. America to spend in a single year. While I am confident that Congress will be able to whittle this out-size spending program, I would be less than candid if I predicted monumental savings. As a member of the Committee on Appropriations, I have the task of trying to effect economies on the president's money requests. You may be sure that I shall work vigorously to trim the budget, without detriment to our national defense and essential government services, and with the aim of providing some well-deserved relief for the American taxpayer.

My thanks go to every one of you who have written me about this. Opinions from home are precisely what I want and need to perform satisfactorily as your Senator. The Wheat War is my name for the current battle over the plan to change standards. Department of Agriculture officials, for the first time in twenty years, are taking a long, hard look at standards for wheat, with the idea of improving its quality. They've proposed eleven changes, and two of them would work a real hardship on Michigan wheat farmers. I am urging Secretary of Agriculture Ezra Benson to kill these two changes:

Reduction of minimum moisture requirements for tough wheat and reduction of limits of wheat of other classes. Yesterday, at a standard conference attended by

Largest Coral Reef Is 1,250 Miles Long

The Great Barrier Reef of Australia, 1,250 miles long, is the world's largest coral structure, the National Geographic Society says. Like an iceberg, most of the reef's 80,000 square-mile area lies under water. A loose chain of shoals, reefs, and lonely islands bestrides the stupendous mountain of submerged coral. Nature is bizarre in a coral tide pool, where animals resemble plants and plants look like stone. The coral itself, an aggregation of tiny skeletons of trillions of tiny sea animals, takes a multitude of fantastic forms resembling cauliflower, asparagus, cabbage, dainty fans, lace, stag antlers, and the human brain.

Wheat state Senators, I explained how the two proposals would down-grade Michigan wheat and bring severe losses to our farmers. Wheat represents about ten percent of our State's cash farm income and I don't intend to stand by and watch that figure drop.

Quietly, but very effectively, in Michigan cities, and across the nation, Recovery, Incorporated has been working wonders with nervous and former mental patients. I was so impressed with Recovery's self-help system that I asked the National Institute of Mental Health to study their work.

Now under way, the study will determine whether Recovery's methods should be adopted by hospitals and mental institutions. Since 1937, when the late Dr. Abraham A. Low developed the self-help technique, Michigan has played a leading role in the work. Mrs. Treasure Rice of Brighton, who has spearheaded Recovery in our State, reports the 1,200 persons in ninety groups are meeting weekly in Michigan alone. Recovery has operated without public financing, or appeals for funds. If the NIMH study team reports favorably, Recovery's pioneering methods will be brought within reach of additional thousands of people, a significant advance on the frontier of mental health.

A New-Fangled four syllable word—automation—lies behind legislation which I am sponsoring. Automation is bringing greater miracles of production within our reach, but it is doing so by replacing men with machines. It wins out certain types of jobs at the same time it creates a need for more highly-skilled positions. Last summer, for example, the United Automobile Workers listed these skilled jobs as needed for the age of automation: tool and die millwright, machine repair, hydraulics, electricians, sheet metal, metal patternmaking and pipefitting.

There is a distinct shortage of facilities to train people for such jobs. Last week I joined 34 other Senators of both parties in sponsoring a measure to assist the states to expand vocational training facilities. The measure encourages States and local communities to develop vocational programs of less than college grade in keeping with local, state and national needs and sets up a system of matching-fund assistance.

The future of America is tied to the skills and productivity of our people. Any effort to build these deserves prompt Congressional action.

The famed Confederate general was born 150 years ago (Jan. 19, 1807) in Stratford, Virginia.

He was called to Michigan to work as an engineer in the Army Engineer Corps assisting Captain Andrew Talcott in taking observations to establish the exact boundary between Michigan and Ohio—a dispute so hot it later became known as the Toledo War. Talcott had been Lee's immediate superior at Fort Monroe in Virginia when they were stationed there together for several years. They were close friends.

In 1817 a line had been run by William Harris, who surveyed it according to Ohio's claim, which included Toledo. Michigan's Governor Cass complained and another line, called the Fulton line, was drawn. Ohio protested that the Fulton line was not accurately run and so Captain Talcott was ordered to run a correct line in 1834.

He followed the Fulton line with corrections. In the summer of 1835 he came back to make some more observations and it was at that time he asked that Lee be assigned to him to help with the surveying work.

Meantime Michigan had asked for admission to the Union, claiming the requisite population of 60,000. Congress wouldn't consent because of the boundary problem and so the legislature, at acting governor Mason's suggestion, called a constitutional convention in the spring of 1835.

Governor Lucas of Ohio called out the militia and Governor Mason called out the Michigan militia and sent several raiding parties into Toledo. President Andrew Jackson, who had appointed acting governor, ordered Mason to accept the constitution. He refused. Jackson then removed Mason from office in August, 1835.

Nevertheless, in October elections were held and under the new constitution Mason was elected governor of the state.

Finally Congress ordered Michigan to accept the terms of Congress, by which Ohio was given the Toledo strip and Michigan, as compensation, received the whole of the Upper Peninsula.

Michigan, angry and humiliated, called its gain of "the land of perpetual snows" an unfair deal. As it turned out, the Upper Peninsula, rich source of copper, and iron and valuable tourist country, was worth far more to the state than the Toledo strip would have been.

Reprinted By Request

Ed. Note—the following article which appeared in the Courier last week under the heading, "What Christ and the Church Mean to Me" is being reprinted at the request of the author, Clarence Way, who felt that typographical errors resulted in a misinterpretation of the views he wished to express. The articles are published as a public service to the churches of the community.

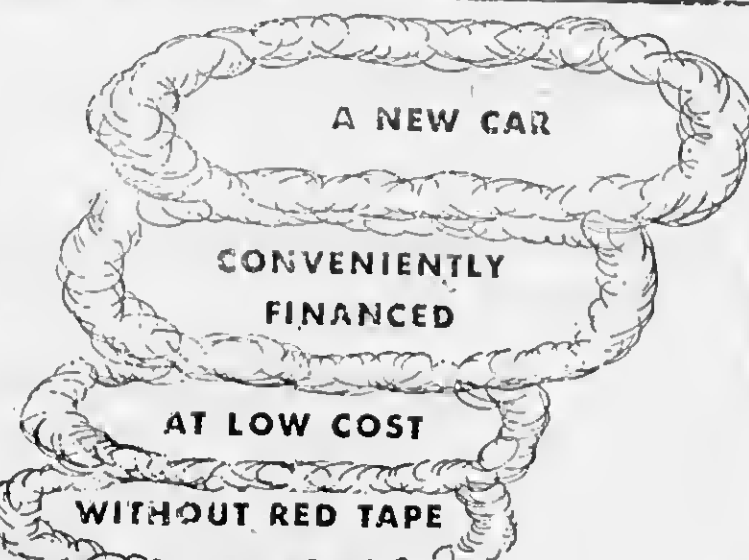

Since Christ took my place on Calvary, became my substitute, and bore all the wrath of God against sin in my place He means Eternal and complete deliverance from sin, its guilt and consequences. To break this down a bit: since sorrow, sickness, and death are the results of sin, He means victory over spiritual death, resurrection from physical death and as much victory over sorrow and sickness as I will trust Him for in this life. These are all He bore in His own body on the tree and has become to me the Author of the life more abundant. This new life in Jesus brings a joy, richness, and happiness never known before. Thus He means health, joy, and security, in fact everything in this world and in the world to come that my hungry, needy soul could crave. With Him in my life the otherwise ordinary humdrum of affairs in this world spring into new grandeur and useful meaning.

The Church is His body into which we are baptized, or placed, by the Spirit for the purpose of serving and pleasing Him during our sojourn in this world. It thus becomes our Spiritual abode or "domestic enclave" or as one has said: "A Heaven to go to, Heaven in." The church affords that fellowship so vital to the Christian life. It is in the local church, or group that we "work out our own Salvation" as "God works in us." It is our great partner in the all important task of reaching others for the Lord. It is in the church services where we may minister one to another and be built up and refreshed in our zeal for the work of the Lord. These and vastly more Christ and the Church mean to me.

Former Student Is Honored By Zonta Club Of Traverse

Yvonne Hulce, a freshmen student at Northwestern Michigan college in Traverse City was honored recently by being chosen girl-of-the-month by the Zonta Service club of Traverse City.

She was presented with a girl-of-the-month bracelet by Mrs. Gladys England, secretary of the Zonta club, at a luncheon given at the Park Place hotel. Mrs. Florence Oakes, women's counselor at the college, introduced Miss Hulce with the recommendation of the faculty at the college.

Miss Hulce, Mrs. Oakes said, was a fine student at the college, a good citizen and an outstanding example of a girl who knew her capabilities and was developing herself to the limit of her capacity. She is enrolled in a medical secretarial course at the college.

Miss Hulce, valedictorian of the 1956 graduating class of the Charlevoix high school, is the daughter of Mr. and Mrs. L. D. Hulce. She was active in 4-H club work and a member of the Bay Shore Presbyterian church.

Justice Connolly Attends Traffic Conference At MSU

Justice John Connolly was among the Michigan law enforcement officials who gathered at Michigan State University Tuesday for a three-day conference to exchange ideas and concepts for upgrading enforcement efforts toward reduction of traffic accidents.

Conducted by the Highway Traffic Safety Center and Continuing Education Service at MSU, the conference will enable all types of enforcement officials to cooperatively develop solutions to safety problems in their own areas of activities. Traffic court judges, prosecuting attorneys, sheriffs, state and local police officials will pool their knowledge and experience in finding better ways to make enforcement an educational rather than a punitive process.

Sprinkle icy walks with finely ground salt mixed with sand. This mixture will break up the ice and prevent slipping while the ice is melting. Fine salt will be diluted quicker and not as injurious to nearby shrubs as concentrated rock salt.

Thank You

To the Citizens who voted for me at the Primary. Many Thanks! Many of my supporters asked me to run on stickers but you know as well as I do this is a very questionable matter. The citizens who wanted a change in city government did not put in enough effort to win the primary. Let us watch carefully next year.

Thanks again,

Veterans Groups Urge Eligible Men To Affiliate

An appeal to unattached veterans of World War I and II and the Korean conflict to join and help support a service organization, it matters not which one, in his home or nearby community, has been issued by the Leslie T. Shapton post No. 226, American Legion.

Only qualification for such membership is duration and nature of the veteran's service in the armed services of the United States and the character of his discharge.

Veterans, as such, have their own peculiar problems as well as those common to veteran and non-veteran. They often need help or the cooperation of others to assist them in helping themselves.

They can readily obtain such assistance from the service officers of local units of such national organizations as the American Legion, Veterans of Foreign Wars and others who work directly and personally with individuals.

There are also funds controlled by the various organizations which may be tapped to furnish quick relief in emergencies as well as the women's auxiliaries of those organizations whose members are ready and willing to give invaluable aid where circumstances require it. This is especially significant where the children of veterans are concerned.

Probably the most frequent con-

Weight-Gas Tax Money Pro-rated To Communities

Charlevoix county road commission and cities and villages in the county have received checks from the Michigan State Highway Department as the result of the recent distribution of Weight and Gas Tax monies under Acts 51 and 57.

Under the former, the county road commission has received \$55,714.79 for expenditure on county roads and the city of Charlevoix has received \$4,806.71 for expenditures on roads and streets. Elsewhere in the county, Boyne City received \$6,485.06; East Jordan, \$3,460.07 and Boyne Falls, \$657.83.

Under Act 57, the monies raised by the extra 1 1/2 cent gas tax, and the additional weight tax, Charlevoix county has received \$6,484.48, while the cities in the county have received the following amounts: Charlevoix, \$567.33; Boyne City, \$765.42; East Jordan, \$408.40 and Boyne Falls, \$77.65.

Each veteran will have with the unit service officer is in the matter of dealing with the Veteran's Administration and with state authorities in regard to pensions, disability allowances, back pay, GI loans and insurance, hospitalization, and many other matters requiring assistance of some informed person.

Eligible veterans may join a service outfit by contacting any office or member of the organization.

In Charlevoix Clifton Sundberg is commander of the local American Legion post and R. J. Nowland Jr. is commander of the Charlevoix post No. 1153, Veterans of Foreign Wars.

Charlevoix Wins From East Jordan By 48-35 Score

Rayders Now In Fourth Place Tie With Harbor

The Charlevoix Rayders racked up their seventh win of the current season Friday night with a 48 to 35 victory over the East Jordan Red Devils.

The win moved the Rayders into a tie with Harbor Springs for fourth place.

This week Charlevoix will journey to Harbor Springs to take on the Rams in a battle which will determine possession of the standing as the 1956-57 season draws to a close. Charlevoix must trim the Rams in this meeting if they hope to finish the season in the first division.

Cagers Get Last Chance To Better Positions In League

The 1956-57 Northern Michigan Class C basketball season will draw to a close this week with the Boyne City Ramblers hosting Mancelona, Grayling playing at East Jordan, Charlevoix invading Harbor Springs and Pellston entertaining Gaylord.

Boyne City, already assured of a share in this year's title, will be defending their first place standing this week when they take on the Mancelona Ironmen who last week moved into third place behind the Ramblers and Grayling. With so much at stake the Ramblers, with a record of 11 wins in 13 games, will be at their best. Mancelona, however, has almost as much at stake for this is the highest the Ironmen have finished in league standings for some time and they, in turn, will be out to upset the Ramblers and keep their present place in the standings.

The Ironmen could upset Boyne City and if Grayling wins over East Jordan the season could end with Boyne City and

Reserves Take 45-35 Victory From E. Jordan

The Charlevoix Reserves got back into the win column this week with a 45 to 35 victory over the East Jordan Reserves.

With John Bingham scoring 18 points and Scott Supernaw 16, the little Rayders romped into a 15 to 4 first quarter lead before coasting on to victory with a 27 to 16 halftime lead and a 42 to 27 lead going into the final period.

Other starters for the Rayders were Joe Beaudoin, Kenny Case and Rod Ostrum. Tom Lokies, Stan Smith, Bruce Pease, Charles Coleman, Jim Ladd and John Martin joined the line-up later in the game. Bingham dumped in eight points, Supernaw three field goals and Beaudoin five points in the first quarter to give the local lads their best period of the game. East Jordan scored only two field goals as Charlevoix took a 19 to 4 quarter lead.

East Jordan scored six free throws on three trips to the key and added three field goals to outscore Charlevoix 12 to 8 in the second quarter after Supernaw had scored two field goals and Bingham and Beaudoin one each.

After seeing their lead trimmed to 10 points at halftime, the little Rayders came up with a good third period, scoring 15 points on three field goals by Bingham, four points by Supernaw, a field goal each by Ostrum and Beaudoin and a gift shot by Case. The little Red Devils tallied 11 points.

In the final period with a number of substitutes finding their way into the lineup, Charlevoix's scoring was limited to a field goal and free throw by Smith. East Jordan scored eight points, all from the free throw line.

Beaudoin scored nine points behind Bingham and Supernaw. Taylor and Bennett shared scor-

Fund Chairmen To Organize For Cancer Crusade

American Cancer Society fund chairmen from Charlevoix county will join cancer fighters from eight other northern Michigan counties for a campaign meeting in Traverse City Friday to plan the 1957 annual Crusade in the Michigan Division.

Planning to attend the luncheon meeting at the Bethlehem Lutheran church in Traverse City are Mrs. T. B. Reynolds of Advance, county fund chairmen, Mrs. George Roff of Charlevoix, Mrs. Max Damoth of East Jordan and Mrs. Ed Starback of Boyne City, fund chairmen in the respective communities and Mrs. Henry Erber, city chairman in Boyne City.

This meeting will be for lay workers from Traverse City and Antrim, Benzie, Charlevoix, Emmet, Kalkaska, Leelanau, Manistee and Missaukee counties.

Organization, public information, special events with emphasis on educating the public to cancer facts are some of the subjects to be discussed.

Arthur L. Crampton, executive director of the Michigan Division of the American Cancer Society, will speak on campaign organization. Other speakers will be Mrs. John Borg of Lansing, Division chairman of volunteer activities and Miss Kay Murtlock of Grand Rapids, director of public information for Michigan.

Skunk cabbage, often the first plant of spring, takes its name from the odor released when it is bruised. Rushing the season, the herb grows up through frozen ground, sometimes pushing aside snow.

Announce Prizes To Be Awarded In Soap Box Derby

Prizes for the Soap Box Derby to be held here July 23 under the sponsorship of the Kiwanis club were announced this week by Arnold Wadas, chairman of the special event.

First prize will be an English bicycle valued at \$50.00; second prize, a sleeping bag and mattress valued at \$40.00 and third prize, a deluxe pup tent equipped with floor and netting and a hand axe.

As soon as the prizes arrive they will be exhibited at the Toy and Hobby Harbor. Entry blanks will be available there, at the Charlevoix Cleaners and from Leonard Burns at school.

Plans for making a soap box entry will be made available at the same time. It will not be necessary to follow the plans but they are being offered to youngsters who have had no experience in building racers.

In order that entries may be given a pre-race inspection so youngsters can make last minute alterations, three local garages have offered to check them. They are Uhlen's Pontiac-Cadillac garage, Brown Motors and the Charlevoix Oil Co.

Of major importance in constructing these racers are adequate steering and braking devices, Mr. Wadas said.

Serving with Mr. Wadas on the Soap Box derby committee are Mr. Burns and Dr. Robert G. Martin.

Tickets For Finals To Be Available At Local School

If Charlevoix goes into the finals, tickets for Friday's game will go on sale at the superintendent of schools office at 8:30 a. m. Thursday.

The Class C district tournament in which the Charlevoix Rayders were scheduled to play opened at Petoskey Wednesday night.

The winners will meet in the Class C finals at 8 p. m. Friday.

Two Sentenced For Forgery In Circuit Court

Monday was a busy day in circuit court here as the annual March term opened with Judge Charles L. Brown presiding.

Joseph Washburn, 25, of Boyne City was sentenced to four to 14 years on two counts by Judge Brown. The two sentences are to run consecutively. The first on a charge of statutory rape involving a 15 year old girl and the second a forgery charge. He will be transported to Southern Michigan prison later this week.

Carl P. Beyer, 16, also of Boyne City, who was involved in the forgery charge with Washburn was placed on three years probation with the recommendation that the first year be served in camp Pugsley, a probation camp near Traverse City.

Freddie E. Arnold, 26, of East Jordan was arraigned on three charges of felonious assault. He pleaded guilty to assaulting Iver Iversen, owner of Cal's Tavern near East Jordan. The case was referred to the probation department for investigation and he will be sentenced at a later date.

On Tuesday, Arnold was brought before Justice John Connolly on a charge of carrying a concealed weapon. His case was bound over to circuit court. He is being held in the Charlevoix county jail in a \$2,500 bond.

Six East Jordan youths ranging in age from 15 to 17 years pleaded guilty to a charge of simple larceny. The details of the probation including fine, court costs and restitution will be added to the probation charges at a later date.

The six who were charged with taking various items from resort cottages are Calvin J. Darbee, 17, David Nachazel, 17, Glenn Kavalski, 16, Gary M. Chahak, 16, Robert Johnson and Jon Bos, both 15, all of East Jordan.

Name Chairmen For St. Patrick's Event At St. Mary's

Committee chairmen for St. Patrick's dinner to be held at St. Mary's school hall Sunday, March 17, were named by Mrs. Herbert Campbell, president of the sponsoring organization, St. Mary's Rosary Altar Society, at a regular meeting of the group Thursday evening.

Mrs. Emil Pischner will be in charge of the kitchen and Mrs. Marguerite Wallace will be chairman of the dining room committee.

Mrs. Hugh Mayne of the Altar Society and Mrs. Joseph McPillips of the Little Flower Guild will serve as co-chairmen of the ticket committee.

Funeral Services Held Monday For Mrs. Edward Allen

Mrs. Edward E. Allen, 75, died early Sunday at Grandview hospital near East Jordan where she had been a patient since 1953. She had been an invalid for many years.

Funeral services were held at the Pontius Chapel Monday with the Rev. George L. Majors officiating. Burial was in Brookside cemetery.

Born in Grand Rapids Oct. 16, 1881, the former Edith M. Rose was married to Mr. Allen in 1909. They came here to make their home at 201 E. Lincoln ave. in 1912. At one time Mrs. Allen taught piano in Charlevoix.

She is survived by her husband.

School Receives \$5,483 Fund From Telephone Co. Tax

The Charlevoix public schools have received \$5,483 as its portion of the Michigan Bell Telephone Company's payment to the state primary school fund, it has been reported.

Schools in the county, including Charlevoix, received a total of \$22,038 from this source. Payments are based on the school census of 1,621 in Charlevoix and 4,154 in the county. The tax amounts to \$5.37 for each youngster in the state between the ages of 5 and 10.

Democrats Plan To Hold Rally At Deer Lake Mar. 15

Charlevoix county Democrats will meet at the Wilson Local Farmers hall on the Deer Lake road near Boyne City March 14 for a spring rally. Mrs. Ted Tunison, county chairman, has announced.

The rally will open with a 6:30 p. m. potluck supper which will be followed by a business meeting.

All county Democrats are urged to attend this important spring meeting.

Mrs. Tunison has assumed the duties of chairman following the resignation of Archie Murphy of East Jordan.

P.T.A. Officers Re-elected At Annual Meet

Officers of the Charlevoix P. T. A. were re-elected without opposition for another year at the regular monthly meeting of the group held Monday at the high school band room.

They are: president Rev. Wilson Rinker, second vice president Uno Suomela, secretary Mrs. H. E. Padlock and treasurer Mrs. James Hillier. Only new officer is Mrs. Isaac Terr who was named first vice president.

Following the election, the Rev. Lloyd M. Schlopp, chairman of the fact-finding committee, reported on the results of his committee's work on the problems of teen-age smoking, drinking and gambling. He said that teen-agers definitely need and want parental guidance. He also stated that the schools are required by law to teach the facts about the effects of alcohol. He also stated that the community needs to be concerned about the sources of supply where the youth can obtain cigarettes and liquor.

The Rev. Mr. Rinker said that Harvey C. Varnum, county prosecuting attorney, had pointed out to him that Michigan law prohibits smoking by anyone under 21 years except in the home. The law also sets the fines and jail terms for merchants selling to or making it possible for minors to obtain cigarettes. "Why is this law not being enforced?" Mr. Rinker asked.

There was considerable interest shown in this subject and it was suggested that a future program feature a forum discussion. (Continued on page four)

Recreation Corp. Elects Two New Board Directors

Two new directors were named to the governing body of the Charlevoix Mt. McSaubia Recreation Corp., and one former director, Robert Lieberman, re-elected for another three year term at the meeting held Tuesday evening at the Mt. McSaubia ski lodge.

The new directors are Lee Moorland and Don Parsel who were elected for three year terms.

At the business meeting, Mr. Lieberman presented a financial report which revealed that a total of \$8,851.74 had been spent in building and preparing the skiing facilities for the season and the cost of operating the project until March 1. This includes \$1,842.65 spent on the slope; \$837.27, tow; \$3,818.85, lodge; \$525.91, supplies; \$112.13, fees; \$727.66, wages; \$250.00, rent; \$358.50, light heat and gasoline to power the tow; \$234.99, advertising, tow tickets, season tickets, etc.; \$270.30 insurance; \$91.86, furniture. Cash on hand at the present time totals \$11,698.59.

A general discussion on the enlarging and improving of the park, construction of new runs and tow, the sale of stock to underwrite the cost of proposed improvements and other plans relating to the park followed.

Tentative plans for a wood-cutting bee to dispose of wood now on hand were made.

It was decided to schedule the coronation of Joan Brady as ski queen for any time there is enough snow. Skiing on the slope has been suspended until such time as it is again covered with a fresh snowfall.

4-H Clubs In County Start Active Program

This is National 4-H Club Week (March 2-9) and it focuses special attention to the work being accomplished through the various projects of volunteer leaders.

Charlevoix county's 4-H club program for this winter period got underway after the first of the year. Since there is no 4-H club agent in Charlevoix County, Clara Brown, home demonstration agent, is in charge of the 4-H club program for girls and Ed Rehman, county agricultural agent is in charge of the boys 4-H program.

The success of the 4-H program in Charlevoix county is dependent largely on volunteer leaders and parent cooperation. This year Charlevoix county has probably more volunteer 4-H leaders than it has had for a number of years. These volunteer leaders are giving much of their time, energy and in some cases finances to help in the program. Parents of 4-H club boys and girls certainly owe these volunteer leaders a great vote of thanks.

Parent cooperation is something that can make or break the 4-H club program. In several areas of the county this year where there has been little or no 4-H club work for a number of years, parents got behind the program and helped the Extension office organize 4-H clubs. Interest like this will certainly help make a bigger and better 4-H program in Charlevoix county.

1. is the aim of the Extension office that every community have a 4-H club program. Both Clara Brown, home demonstration agent and Ed Rehman, county agricultural agent, are working to achieve this goal.

Local Churches To Hold World Day Of Prayer Service

The First Congregational church here will be the site of the World Day of Prayer held annually throughout the world on the first Friday of Lent under the sponsorship of the World Council of Churches. The service will begin at 3 p. m.

Participating in the service whose theme is "Who Shall Separate Us?" will be Mrs. Walter Smith of the Baptist church, Mrs. John Ryder of the Assembly of God church, Mrs. Lloyd M. Schlopp of the First Methodist church, Mrs. C. J. Fiedler of the Community Church of God, Mrs. Edward Lemcke of Christ Episcopal church and Mrs. Herbert Fox, Mrs. C. A. Odmark and Mrs. H. E. Padlock of the First Congregational church.

Special music will be by the Youth Choir of the host church under the direction of Mr. Odmark.

The offering at the service will be for both the foreign and home missions. Funds delegated to the home missions are used for migrant workers and to foreign missions for foreign students studying in this country.

The service is at 3 p. m. and is open to the public.

Traverse Club Wins Trophy In Pistol Matches

The invitational pistol matches held Sunday at the Charlevoix Rod and Gun club indoor range attracted 28 contestants representing four clubs in northern Michigan. Officiating at the match was Trooper C. H. Countryman of the Petoskey state police post.

The Grand Traverse Pistol club of Traverse City won the gold engraved team trophy with a high four-man team score, shooting a 258 point average. The Little Traverse Pistol club of Harbor Springs scored second place with a 256 average. Third place went to the Charlevoix club with a 255 average. The Roscommon Pistol club placed fourth.

Three individual medals were awarded to contestants having top aggregate scores. Frank Poulas of Traverse City won first place with a 279, Bernie Ward of Charlevoix rated second with 272 and Keith Price of Harbor Springs won third with a 261.

The event was co-sponsored by the Charlevoix Rod and Gun club and the Little Traverse Pistol club. Plans are underway for a second match to be held on the outdoor range here when the weather is favorable.

Centennial Plan To Be Decided By Board Of Commerce

The Charlevoix city council held a brief meeting at the city hall Monday night.

ODDS 'N' ENDS

By Fran Martin

How do you like those beautiful sunsets we've been having lately? They may not be the million dollar jobs we'll be having in a couple months but they're still a welcome sight after the long, dark days of winter. And now that March is here, can spring be too far away?

Another sign of spring . . . those pretty little pussywillows have made their first appearance. Our former paper boy, Butch Teri, brought us a bunch of them over the weekend. And just everyone has enjoyed them. . . Don't know where he found them but they, too, are a welcome sight.

These bright days with the clear blue skies have brought another sight we haven't seen since last spring. Vapor trails from jets flying so high that you can't see anything but the white trails. They travel so high that there's little wind and it's hours before the white trails disappear. . . Thursday was a good day for them for it seemed that no matter where you looked you could see them. . . We watched three planes coming from the north, and then turning back, leaving enormous circles in the sky. . . It's fun to watch but we'll leave the operating of those things to the fly-boys. . . We like planes but not those kind.

Mr. and Mrs. Leo Allard got a thrill Saturday morning when who should appear on WWTV Cadillac but their nephew, Bill Steffens, who once made his home here. . . The telecast was from Mt. Pleasant where Bill was photographed demonstrating furniture.

We had every intension of mentioning this earlier but it slipped our mind. . . How did you like that tumbling act Pete Burns seventh graders put on at the last home game. . . How they could perform without breaking their necks is more than we can understand. . . But they put on an entertaining show and everyone enjoyed it. . . including the performers.

Loss of mail this week. . . From Lake Worth, Fla., a card from Jean Zeitler Gallagher that she had the surprise of her life recently while working in a nearby restaurant when she saw the whole Spanish family. . . Guess Vic and the family who now live in Casapah, were just as surprised to see her. . .

And from San Francisco, Calif., a folder of the city's World famous bridges. . . from Mrs. Irma Pontius and her parents, the Henry task ops, who have been on a trip through the west. . . It won't be

long before this state of ours will take its place among the homes of bridges. . . When the Mackinac Bridge is completed this fall. . . It's hard to believe that the dream will soon come true. . . We've always heard the pros and cons of the feasibility of such a structure. . . Today's bridge-builders are proving it can be done. . . And to think we're only 50 miles from it.

From Tucson, Ariz., a folder portraying the beauties of the southwest from Mrs. Eva Smith of the Tower Hotel who's wintering out that way. . . The cacti and other foliage is so different from ours that it's beautiful to see. . . She said a number of the different plants were in their yard. . . She added that the weather was cool with temperatures down to 72 degrees. . . that's right. . . 72. . . Should we mention that it was down to 72 degrees. . . down to five above zero here Sunday. . . it was just plain clear and cold.

And from St. Louis, Mo., a note from our good friend Pat Harris who spends his summers out Iron-ton-way, stating that spring is just around the corner down Mississippi-way. . . They may have spring a little earlier but we'll bet it isn't as pretty as in Charlevoix. . . We were happy, too, about the other news his letter brought. . . about his son, Allen, the sculptor, on whom we did a story last summer. . . So look elsewhere in this week's Courier.

Famous Outdoor Photographer To Appear In Program

Wallace Taber, one of America's top outdoor photographers and narrators, will be in Charlevoix March 27 to present his two African all-color films, "Safari" and "Shamaki", which have been playing to packed houses in southern metropolitan areas.

His appearance at the Charlevoix high school later this month will be sponsored by the Charlevoix Rod and Gun club.

"Safari Saga" is a feature length color film starring African wildlife and native life, much of it never photographed before. The second film, "Samaki", is a feature length film story of fishing in the headwaters of the River Nile with and hippos as an added hazard to the angler.

Tickets for this outstanding hunting-fishing picture story may be purchased from members of the Rod and Gun club which is headed by Joseph Williams.

Six Men Called For Pre-induction Exams By Board

Six Charlevoix county draft registrants will be called for pre-induction physical examinations in April and one registrant will be called for induction to fill the April draft quota, Mrs. Eleanor Laft, clerk of the draft board, has announced.

Charles Hoeker of Charlevoix has been ordered to report March 23 to fill this month's draft quota. Gerald Gibbons will report March 12 for a pre-induction physical examination. Gordon A. Stanley of Boyne City will report for induction on the same date. He is a holdover from December.

The dates of the calls for induction and physical examinations will be announced later.

Cancer Crusade Plans Develop At Beaver Island

St. James B. I.—Mrs. Bernad Sargent of West Branch, field representative of the Sixth district, Michigan Chapter, American Society, and Mrs. Marion Rice, Charlevoix county nurse, were here Thursday to show two films on cancer and make plans for the 1957 Cancer Crusade.

Two meetings one for St. James high school students, and the second for the women of the island, were arranged through the efforts of Mrs. Rice and Sister M. Genevieve. In all 210 island residents saw the two films devoted to cancer. Mrs. Sargent spoke briefly to each group and answered questions.

Mary Garliff and Florence Roland assisted with the first group. Refreshments were served at the conclusion of both meetings.

Mrs. Lloyd McDonough will be chairman of the 1957 Cancer Crusade which will be held next month to raise funds for the American Cancer Society.

The meeting was arranged through the cooperation of the Charlevoix county unit of the American Cancer Society.

St. Barnard dogs bear the name of St. Bernard de Menthon, who in the 11th century founded a hospice that has sheltered thousands of travelers caught in Alpine snows.

Clarks Greet Friends At Open House On 50th Anniversary

Mr. and Mrs. George Clark celebrated their golden wedding anniversary, which was March 4, at an open house Saturday afternoon at the Community Church of God Fellowship hall.

Banquets of yellow flowers decorated the hall for the event. The refreshment table was centered with a tiered wedding cake topped with wedding bells, white flowers and golden leaves.

Mrs. Clark greeted their guests in a navy print dress and matching accessories complimented with golden yellow mum corsage.

More than 150 relatives and

friends called during the afternoon. The couple was presented with many gifts, flowers, cards and other remembrances of the happy occasion.

Among these from away who attended the event were the couple's sons and daughters-in-law, Mr. and Mrs. William Clark of Holland and Mr. and Mrs. John Clark of Grand Haven and their son-in-law, Mr. and Mrs. Otis T. Reed of Reed City.

Others were Mr. and Mrs. J. B. Tenney and two children, Mrs. Beatrice Tenney, Mr. and Mrs. Emory Barber, and Mrs. Jacob Loeffler of Saginaw, Mr. and Mrs. Robert Tenney of Bay City, Mr. and Mrs. Joseph Netter of Detroit, Michael Thiel and son, Keith of Flint, Elizabeth Clark and Arthur Yager of Grand Haven.

Also Mrs. Gerald Pontz and children, Debbie, David and Randy, Mr. and Mrs. Dan Senglaub, Mr. and Mrs. John Thiel and Ruben and Lillian Thiel of Reed City.

Mrs. Clark's only brother, Olin Tenney, was hospitalized in Pontiac and was unable to attend.

'Torso' In Bronze Wins Award For Sculptor Harris

Fritchett Allen Harris II of Philadelphia, Pa., has received the \$300 Helen Foster Barnett prize for a bronze sculpture in the 132nd annual exhibition of the National Academy of Design in New York. The work was entitled "Torso".

Mr. Harris is the son of Mr. and Mrs. P. A. Harris of St. Louis, well-known Ironton resident. He is a 1942 graduate of John Burroughs school and teaches sculpture at the Academy of Design in Philadelphia. He was awarded a \$2,000 Louis Comfort Tiffany award for advance study in 1952 and a \$1,200 Cresson fellowship when he was a student at the Pennsylvania Academy of Fine Arts for European travel and a year's tuition at the academy.

The New York exhibition of 200 works of painting and sculpture will run through March 17.
